~~operation of county public defender offices, joint county public~~ 1967
~~defender offices, and county appointed counsel systems is not~~ 1968
~~sufficient to pay fifty per cent of the total cost of all of the~~ 1969
~~offices and systems, for the lesser amount required by section~~ 1970
~~120.34 of the Revised Code.~~ For the purposes of this section, 1971
"total cost" means total expenses minus costs and expenses 1972
reimbursable under section 120.35 of the Revised Code and any 1973
funds received by the county public defender commission pursuant 1974
to a contract, except a contract entered into with a municipal 1975
corporation pursuant to division (E) of section 120.14 of the 1976
Revised Code, gift, or grant. 1977

(B) If the county public defender fails to maintain the 1978
standards for the conduct of the office established by rules of 1979
the Ohio public defender commission pursuant to divisions (B) and 1980
(C) of section 120.03 or the standards established by the state 1981
public defender pursuant to division (B)(7) of section 120.04 of 1982
the Revised Code, the Ohio public defender commission shall notify 1983
the county public defender commission and the board of county 1984
commissioners of the county that the county public defender has 1985
failed to comply with its rules or the standards of the state 1986
public defender. Unless the county public defender commission or 1987
the county public defender corrects the conduct of the county 1988
public defender's office to comply with the rules and standards 1989
within ninety days after the date of the notice, the state public 1990
defender may deny payment of all or part of the county's 1991

section. 1993

Sec. 120.28. (A) The joint county public defender 1994
commission's report to the joint board of county commissioners 1995
shall be audited by the fiscal officer of the district. The joint 1996
board of county commissioners, after review and approval of the 1997
audited report, may then certify it to the state public defender 1998
for reimbursement. If a request for the reimbursement of any 1999
operating expenditure incurred by a joint county public defender 2000
office is not received by the state public defender within sixty 2001
days after the end of the calendar month in which the expenditure 2002
is incurred, the state public defender shall not pay the requested 2003
reimbursement, unless the joint board of county commissioners has 2004
requested, and the state public defender has granted, an extension 2005
of the sixty-day time limit. Each request for reimbursement shall 2006
include a certification by the joint county public defender that 2007
all persons provided representation by the joint county public 2008
defender's office during the period covered by the request were 2009
indigent and, for each person provided representation during that 2010
period, a financial disclosure form completed by the person on a 2011
form prescribed by the state public defender. The state public 2012
defender shall also review the report and, in accordance with the 2013
standards, guidelines, and maximums established pursuant to 2014
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 2015
prepare a voucher for ~~fifty per cent of~~ up to the total cost of 2016
each joint county public defender's office for the period of time 2017
covered by the certified report and a voucher for ~~fifty per cent~~ 2018
~~of~~ the costs and expenses that are reimbursable under section 2019
120.35 of the Revised Code, if any, ~~or, if the amount of money~~ 2020
~~appropriated by the general assembly to reimburse counties for the~~ 2021
~~operation of county public defender offices, joint county public~~ 2022
~~defender offices, and county appointed counsel systems is not~~ 2023

~~sufficient to pay fifty per cent of the total cost of all of the~~ 2024
~~offices and systems, for the lesser amount required by section~~ 2025
~~120.34 of the Revised Code.~~ For purposes of this section, "total 2026
cost" means total expenses minus costs and expenses reimbursable 2027
under section 120.35 of the Revised Code and any funds received by 2028
the joint county public defender commission pursuant to a 2029
contract, except a contract entered into with a municipal 2030
corporation pursuant to division (E) of section 120.24 of the 2031
Revised Code, gift, or grant. Each county in the district shall be 2032
entitled to a share of such state reimbursement in proportion to 2033
the percentage of the total cost it has agreed to pay. 2034

(B) If the joint county public defender fails to maintain the 2035
standards for the conduct of the office established by the rules 2036
of the Ohio public defender commission pursuant to divisions (B) 2037
and (C) of section 120.03 or the standards established by the 2038
state public defender pursuant to division (B)(7) of section 2039
120.04 of the Revised Code, the Ohio public defender commission 2040
shall notify the joint county public defender commission and the 2041
board of county commissioners of each county in the district that 2042
the joint county public defender has failed to comply with its 2043
rules or the standards of the state public defender. Unless the 2044
joint public defender commission or the joint county public 2045
defender corrects the conduct of the joint county public 2046
defender's office to comply with the rules and standards within 2047
ninety days after the date of the notice, the state public 2048
defender may deny all or part of the counties' reimbursement from 2049
the state provided for in division (A) of this section. 2050

Sec. 120.33. (A) In lieu of using a county public defender or 2051
joint county public defender to represent indigent persons in the 2052
proceedings set forth in division (A) of section 120.16 of the 2053
Revised Code, the board of county commissioners of any county may 2054
adopt a resolution to pay counsel who are either personally 2055

selected by the indigent person or appointed by the court. The 2056
resolution shall include those provisions the board of county 2057
commissioners considers necessary to provide effective 2058
representation of indigent persons in any proceeding for which 2059
counsel is provided under this section. The resolution shall 2060
include provisions for contracts with any municipal corporation 2061
under which the municipal corporation shall reimburse the county 2062
for counsel appointed to represent indigent persons charged with 2063
violations of the ordinances of the municipal corporation. 2064

(1) In a county that adopts a resolution to pay counsel, an 2065
indigent person shall have the right to do either of the 2066
following: 2067

(a) To select the person's own personal counsel to represent 2068
the person in any proceeding included within the provisions of the 2069
resolution; 2070

(b) To request the court to appoint counsel to represent the 2071
person in such a proceeding. 2072

(2) The court having jurisdiction over the proceeding in a 2073
county that adopts a resolution to pay counsel shall, after 2074
determining that the person is indigent and entitled to legal 2075
representation under this section, do either of the following: 2076

(a) By signed journal entry recorded on its docket, enter the 2077
name of the lawyer selected by the indigent person as counsel of 2078
record; 2079

(b) Appoint counsel for the indigent person if the person has 2080
requested the court to appoint counsel and, by signed journal 2081
entry recorded on its dockets, enter the name of the lawyer 2082
appointed for the indigent person as counsel of record. 2083

(3) The board of county commissioners shall establish a 2084
schedule of fees by case or on an hourly basis to be paid to 2085
counsel for legal services provided pursuant to a resolution 2086

adopted under this section. Prior to establishing the schedule, 2087
the board of county commissioners shall request the bar 2088
association or associations of the county to submit a proposed 2089
schedule for cases other than capital cases. The schedule 2090
submitted shall be subject to the review, amendment, and approval 2091
of the board of county commissioners, except with respect to 2092
capital cases. With respect to capital cases, the schedule shall 2093
provide for fees by case or on an hourly basis to be paid to 2094
counsel in the amount or at the rate set by the capital case 2095
attorney fee council pursuant to division (D) of this section, and 2096
the board of county commissioners shall approve that amount or 2097
rate. 2098

(4) Counsel selected by the indigent person or appointed by 2099
the court at the request of an indigent person in a county that 2100
adopts a resolution to pay counsel, except for counsel appointed 2101
to represent a person charged with any violation of an ordinance 2102
of a municipal corporation that has not contracted with the county 2103
commissioners for the payment of appointed counsel, shall be paid 2104
by the county and shall receive the compensation and expenses the 2105
court approves. With respect to capital cases, the court shall 2106
approve compensation and expenses in accordance with the amount or 2107
at the rate set by the capital case attorney fee council pursuant 2108
to division (D) of this section. Each request for payment shall 2109
include a financial disclosure form completed by the indigent 2110
person on a form prescribed by the state public defender. 2111
Compensation and expenses shall not exceed the amounts fixed by 2112
the board of county commissioners in the schedule adopted pursuant 2113
to division (A)(3) of this section. No court shall approve 2114
compensation and expenses that exceed the amount fixed pursuant to 2115
division (A)(3) of this section. 2116

The fees and expenses approved by the court shall not be 2117
taxed as part of the costs and shall be paid by the county. 2118

However, if the person represented has, or may reasonably be 2119
expected to have, the means to meet some part of the cost of the 2120
services rendered to the person, the person shall pay the county 2121
an amount that the person reasonably can be expected to pay. 2122
Pursuant to section 120.04 of the Revised Code, the county shall 2123
pay to the state public defender a percentage of the payment 2124
received from the person in an amount proportionate to the 2125
percentage of the costs of the person's case that were paid to the 2126
county by the state public defender pursuant to this section. The 2127
money paid to the state public defender shall be credited to the 2128
client payment fund created pursuant to division (B)(5) of section 2129
120.04 of the Revised Code. 2130

The county auditor shall draw a warrant on the county 2131
treasurer for the payment of counsel in the amount fixed by the 2132
court, plus the expenses the court fixes and certifies to the 2133
auditor. The county auditor shall report periodically, but not 2134
less than annually, to the board of county commissioners and to 2135
the state public defender the amounts paid out pursuant to the 2136
approval of the court. The board of county commissioners, after 2137
review and approval of the auditor's report, or the county 2138
auditor, with permission from and notice to the board of county 2139
commissioners, may then certify it to the state public defender 2140
for reimbursement. The state public defender may pay a requested 2141
reimbursement only if the request for reimbursement includes a 2142
financial disclosure form completed by the indigent person on a 2143
form prescribed by the state public defender or if the court 2144
certifies by electronic signature as prescribed by the state 2145
public defender that a financial disclosure form has been 2146
completed by the indigent person and is available for inspection. 2147
If a request for the reimbursement of the cost of counsel in any 2148
case is not received by the state public defender within ninety 2149
days after the end of the calendar month in which the case is 2150
finally disposed of by the court, unless the county has requested 2151

and the state public defender has granted an extension of the 2152
ninety-day limit, the state public defender shall not pay the 2153
requested reimbursement. The state public defender shall also 2154
review the report and, in accordance with the standards, 2155
guidelines, and maximums established pursuant to divisions (B)(7) 2156
and (8) of section 120.04 of the Revised Code, prepare a voucher 2157
for ~~fifty per cent of up to~~ the total cost of each county 2158
appointed counsel system in the period of time covered by the 2159
certified report and a voucher for ~~fifty per cent of~~ the costs and 2160
expenses that are reimbursable under section 120.35 of the Revised 2161
Code, if any, ~~or, if the amount of money appropriated by the~~ 2162
~~general assembly to reimburse counties for the operation of county~~ 2163
~~public defender offices, joint county public defender offices, and~~ 2164
~~county appointed counsel systems is not sufficient to pay fifty~~ 2165
~~per cent of the total cost of all of the offices and systems other~~ 2166
~~than costs and expenses that are reimbursable under section 120.35~~ 2167
~~of the Revised Code, for the lesser amount required by section~~ 2168
~~120.34 of the Revised Code.~~ 2169

(5) If any county appointed counsel system fails to maintain 2170
the standards for the conduct of the system established by the 2171
rules of the Ohio public defender commission pursuant to divisions 2172
(B) and (C) of section 120.03 or the standards established by the 2173
state public defender pursuant to division (B)(7) of section 2174
120.04 of the Revised Code, the Ohio public defender commission 2175
shall notify the board of county commissioners of the county that 2176
the county appointed counsel system has failed to comply with its 2177
rules or the standards of the state public defender. Unless the 2178
board of county commissioners corrects the conduct of its 2179
appointed counsel system to comply with the rules and standards 2180
within ninety days after the date of the notice, the state public 2181
defender may deny all or part of the county's reimbursement from 2182
the state provided for in division (A)(4) of this section. 2183

(B) In lieu of using a county public defender or joint county public defender to represent indigent persons in the proceedings set forth in division (A) of section 120.16 of the Revised Code, and in lieu of adopting the resolution and following the procedure described in division (A) of this section, the board of county commissioners of any county may contract with the state public defender for the state public defender's legal representation of indigent persons. A contract entered into pursuant to this division may provide for payment for the services provided on a per case, hourly, or fixed contract basis.

(C) If a court appoints an attorney pursuant to this section to represent a petitioner in a postconviction relief proceeding under section 2953.21 of the Revised Code, the petitioner has received a sentence of death, and the proceeding relates to that sentence, the attorney who represents the petitioner in the proceeding pursuant to the appointment shall be certified under Rule 20 of the Rules of Superintendence for the Courts of Ohio to represent indigent defendants charged with or convicted of an offense for which the death penalty can be or has been imposed.

(D)(1) There is hereby created the capital case attorney fee council, appointed as described in division (D)(2) of this section. The council shall set an amount by case, or a rate on an hourly basis, to be paid under this section to counsel in a capital case.

(2) The capital case attorney fee council shall consist of five members, all of whom shall be active judges serving on one of the district courts of appeals in this state. Terms for council members shall be the lesser of three years or until the member ceases to be an active judge of a district court of appeals. The initial terms shall commence ninety days after September 28, 2016. The chief justice of the supreme court shall appoint the members of the council, and shall make all of the appointments not later

than sixty days after September 28, 2016. When any vacancy occurs, 2216
the chief justice shall appoint an active judge of a district 2217
court of appeals in this state to fill the vacancy for the 2218
unexpired term, in the same manner as prescribed in this division. 2219
The chief justice shall designate a chairperson from the appointed 2220
members of the council. Members of the council shall receive no 2221
additional compensation for their service as a member, but may be 2222
reimbursed for expenses reasonably incurred in service to the 2223
council, to be paid by the supreme court. The supreme court may 2224
provide administrative support to the council. 2225

(3) The capital case attorney fee council initially shall 2226
meet not later than one hundred twenty days after September 28, 2227
2016. Thereafter, the council shall meet not less than annually. 2228

(4) Upon setting the amount or rate described in division 2229
(D)(1) of this section, the chairperson of the capital case 2230
attorney fee council promptly shall provide written notice to the 2231
state public defender of the amount or rate so set. The amount or 2232
rate so set shall become effective ninety days after the date on 2233
which the chairperson provides that written notice to the state 2234
public defender. The council shall specify that effective date in 2235
the written notice provided to the state public defender. All 2236
amounts or rates set by the council shall be final, subject to 2237
modification as described in division (D)(5) of this section, and 2238
not subject to appeal. 2239

(5) The capital case attorney fee council may modify an 2240
amount or rate set as described in division (D)(4) of this 2241
section. The provisions of that division apply with respect to any 2242

Revised Code, to consider trade secrets, as defined in section 2564

(8) To consider confidential information related to the 2566
marketing plans, specific business strategy, production 2567
techniques, trade secrets, or personal financial statements of an 2568
applicant for economic development assistance, or to negotiations 2569
with other political subdivisions respecting requests for economic 2570
development assistance, provided that both of the following 2571
conditions apply: 2572

(a) The information is directly related to a request for 2573
economic development assistance that is to be provided or 2574
administered under any provision of Chapter 715., 725., 1724., or 2575
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 2576
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of 2577
the Revised Code, or that involves public infrastructure 2578
improvements or the extension of utility services that are 2579
directly related to an economic development project. 2580

(b) A unanimous quorum of the public body determines, by a 2581
roll call vote, that the executive session is necessary to protect 2582
the interests of the applicant or the possible investment or 2583

expenditure of public funds to be made in connection with the 2584
economic development project. 2585

If a public body holds an executive session to consider any 2586
of the matters listed in divisions (G)(2) to (8) of this section, 2587
the motion and vote to hold that executive session shall state 2588
which one or more of the approved matters listed in those 2589
divisions are to be considered at the executive session. 2590

A public body specified in division (B)(1)(c) of this section 2591
shall not hold an executive session when meeting for the purposes 2592
specified in that division. 2593

(H) A resolution, rule, or formal action of any kind is 2594
invalid unless adopted in an open meeting of the public body. A 2595
resolution, rule, or formal action adopted in an open meeting that 2596
results from deliberations in a meeting not open to the public is 2597
invalid unless the deliberations were for a purpose specifically 2598
authorized in division (G) or (J) of this section and conducted at 2599
an executive session held in compliance with this section. A 2600
resolution, rule, or formal action adopted in an open meeting is 2601
invalid if the public body that adopted the resolution, rule, or 2602
formal action violated division (F) of this section. 2603

(I)(1) Any person may bring an action to enforce this 2604
section. An action under division (I)(1) of this section shall be 2605
brought within two years after the date of the alleged violation 2606
or threatened violation. Upon proof of a violation or threatened 2607
violation of this section in an action brought by any person, the 2608
court of common pleas shall issue an injunction to compel the 2609
members of the public body to comply with its provisions. 2610

(2)(a) If the court of common pleas issues an injunction 2611
pursuant to division (I)(1) of this section, the court shall order 2612
the public body that it enjoins to pay a civil forfeiture of five 2613
hundred dollars to the party that sought the injunction and shall 2614

award to that party all court costs and, subject to reduction as 2615
described in division (I)(2) of this section, reasonable 2616
attorney's fees. The court, in its discretion, may reduce an award 2617
of attorney's fees to the party that sought the injunction or not 2618
award attorney's fees to that party if the court determines both 2619
of the following: 2620

(i) That, based on the ordinary application of statutory law 2621
and case law as it existed at the time of violation or threatened 2622
violation that was the basis of the injunction, a well-informed 2623
public body reasonably would believe that the public body was not 2624
violating or threatening to violate this section; 2625

(ii) That a well-informed public body reasonably would 2626
believe that the conduct or threatened conduct that was the basis 2627
of the injunction would serve the public policy that underlies the 2628
authority that is asserted as permitting that conduct or 2629
threatened conduct. 2630

(b) If the court of common pleas does not issue an injunction 2631
pursuant to division (I)(1) of this section and the court 2632
determines at that time that the bringing of the action was 2633
frivolous conduct, as defined in division (A) of section 2323.51 2634
of the Revised Code, the court shall award to the public body all 2635
court costs and reasonable attorney's fees, as determined by the 2636
court. 2637

(3) Irreparable harm and prejudice to the party that sought 2638
the injunction shall be conclusively and irrebuttably presumed 2639
upon proof of a violation or threatened violation of this section. 2640

(4) A member of a public body who knowingly violates an 2641
injunction issued pursuant to division (I)(1) of this section may 2642
be removed from office by an action brought in the court of common 2643
pleas for that purpose by the prosecuting attorney or the attorney 2644
general. 2645

a state department participating on the council if an exemption is
necessary for the council to implement an alternative program or
approach for service delivery to families and children. The
application shall describe the proposed program or approach and
specify the rules or interagency agreements from which an
exemption is necessary. The cabinet council shall approve or
disapprove the application in accordance with standards and
procedures it shall adopt. If an application is approved, the
exemption is effective only while the program or approach is being
implemented, including a reasonable period during which the
program or approach is being evaluated for effectiveness.

(5)(a) Each county council shall designate an administrative
agent for the council from among the following public entities:
the board of alcohol, drug addiction, and mental health services,

administration of children services pursuant to section 5153.15 of
the Revised Code; the county board of developmental disabilities;
any of the county's boards of education or governing boards of
educational service centers; or the county's juvenile court. Any
of the foregoing public entities, other than the board of county
commissioners, may decline to serve as the council's
administrative agent.

A county council's administrative agent shall serve as the
council's appointing authority for any employees of the council.
The council shall file an annual budget with its administrative
agent, with copies filed with the county auditor and with the

board of county commissioners, unless the board is serving as the 2922
council's administrative agent. The council's administrative agent 2923
shall ensure that all expenditures are handled in accordance with 2924
policies, procedures, and activities prescribed by state 2925
departments in rules or interagency agreements that are applicable 2926
to the council's functions. 2927

The administrative agent of a county council shall send 2928
notice of a member's absence if a member listed in division (B)(1) 2929
of this section has been absent from either three consecutive 2930
meetings of the county council or a county council subcommittee, 2931
or from one-quarter of such meetings in a calendar year, whichever 2932

commissioners that establishes the county council and, for the 2934
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 2935

superintendent; for a member listed in division (B)(1)(g) or (h) 2939

superintendent; for the member listed in division (B)(1)(i) of 2941
this section, to the mayor of the municipal corporation; for the 2942
member listed in division (B)(1)(k) of this section, to the 2943
director of youth services; and for the member listed in division 2944
(B)(1)(n) of this section, to that member's board of trustees. 2945

The administrative agent for a county council may do any of 2946
the following on behalf of the council: 2947

(i) Enter into agreements or administer contracts with public 2948
or private entities to fulfill specific council business. Such 2949
agreements and contracts are exempt from the competitive bidding 2950
requirements of section 307.86 of the Revised Code if they have 2951
been approved by the county council and they are for the purchase 2952
of family and child welfare or child protection services or other 2953

social or job and family services for families and children. The 2954
approval of the county council is not required to exempt 2955
agreements or contracts entered into under section 5139.34, 2956
5139.41, or 5139.43 of the Revised Code from the competitive 2957
bidding requirements of section 307.86 of the Revised Code. 2958

(ii) As determined by the council, provide financial 2959
stipends, reimbursements, or both, to family representatives for 2960
expenses related to council activity; 2961

(iii) Receive by gift, grant, devise, or bequest any moneys, 2962
lands, or other property for the purposes for which the council is 2963
established. The agent shall hold, apply, and dispose of the 2964
moneys, lands, or other property according to the terms of the 2965
gift, grant, devise, or bequest. Any interest or earnings shall be 2966
treated in the same manner and are subject to the same terms as 2967
the gift, grant, devise, or bequest from which it accrues. 2968

(b)(i) If the county council designates the board of county 2969
commissioners as its administrative agent, the board may, by 2970
resolution, delegate any of its powers and duties as 2971
administrative agent to an executive committee the board 2972
establishes from the membership of the county council. The board 2973
shall name to the executive committee at least the individuals 2974
described in divisions (B)(1)(b) to (h) of this section and may 2975
appoint the president of the board or another individual as the 2976
chair of the executive committee. The executive committee must 2977
include at least one family county council representative who does 2978
not have a family member employed by an agency represented on the 2979
council. 2980

(ii) The executive committee may, with the approval of the 2981
board, hire an executive director to assist the county council in 2982
administering its powers and duties. The executive director shall 2983
serve in the unclassified civil service at the pleasure of the 2984
executive committee. The executive director may, with the approval 2985

of the executive committee, hire other employees as necessary to 2986
properly conduct the county council's business. 2987

(iii) The board may require the executive committee to submit 2988
an annual budget to the board for approval and may amend or repeal 2989
the resolution that delegated to the executive committee its 2990
authority as the county council's administrative agent. 2991

(6) Two or more county councils may enter into an agreement 2992
to administer their county councils jointly by creating a regional 2993
family and children first council. A regional council possesses 2994
the same duties and authority possessed by a county council, 2995
except that the duties and authority apply regionally rather than 2996
to individual counties. Prior to entering into an agreement to 2997
create a regional council, the members of each county council to 2998
be part of the regional council shall meet to determine whether 2999
all or part of the members of each county council will serve as 3000
members of the regional council. 3001

(7) A board of county commissioners may approve a resolution 3002
by a majority vote of the board's members that requires the county 3003
council to submit a statement to the board each time the council 3004
proposes to enter into an agreement, adopt a plan, or make a 3005
decision, other than a decision pursuant to section 121.38 of the 3006
Revised Code, that requires the expenditure of funds for two or 3007
more families. The statement shall describe the proposed 3008
agreement, plan, or decision. 3009

Not later than fifteen days after the board receives the 3010
statement, it shall, by resolution approved by a majority of its 3011
members, approve or disapprove the agreement, plan, or decision. 3012
Failure of the board to pass a resolution during that time period 3013
shall be considered approval of the agreement, plan, or decision. 3014

An agreement, plan, or decision for which a statement is 3015
required to be submitted to the board shall be implemented only if 3016

it is approved by the board. 3017

(C) Each county shall develop a county service coordination 3018
mechanism. The county service coordination mechanism shall serve 3019
as the guiding document for coordination of services in the 3020
county. For children who also receive services under the help me 3021
grow program, the service coordination mechanism shall be 3022
consistent with rules adopted by the department of health under 3023
section 3701.61 of the Revised Code. All family service 3024
coordination plans shall be developed in accordance with the 3025
county service coordination mechanism. The mechanism shall be 3026
developed and approved with the participation of the county 3027
entities representing child welfare; developmental disabilities; 3028
alcohol, drug addiction, and mental health services; health; 3029
juvenile judges; education; the county family and children first 3030
council; and the county early intervention collaborative 3031
established pursuant to the federal early intervention program 3032
operated under the "Individuals with Disabilities Education Act of 3033
2004." The county shall establish an implementation schedule for 3034
the mechanism. The cabinet council may monitor the implementation 3035
and administration of each county's service coordination 3036
mechanism. 3037

Each mechanism shall include all of the following: 3038

(1) A procedure for an agency, including a juvenile court, or 3039
a family voluntarily seeking service coordination, to refer the 3040
child and family to the county council for service coordination in 3041
accordance with the mechanism; 3042

(2) A procedure ensuring that a family and all appropriate 3043
staff from involved agencies, including a representative from the 3044
appropriate school district, are notified of and invited to 3045
participate in all family service coordination plan meetings; 3046

(3) A procedure that permits a family to initiate a meeting 3047

to develop or review the family's service coordination plan and 3048
allows the family to invite a family advocate, mentor, or support 3049
person of the family's choice to participate in any such meeting; 3050

(4) A procedure for ensuring that a family service 3051
coordination plan meeting is conducted for each child who receives 3052
service coordination under the mechanism and for whom an emergency 3053
out-of-home placement has been made or for whom a nonemergency 3054
out-of-home placement is being considered. The meeting shall be 3055
conducted within ten days of an emergency out-of-home placement. 3056
The meeting shall be conducted before a nonemergency out-of-home 3057
placement. The family service coordination plan shall outline how 3058
the county council members will jointly pay for services, where 3059
applicable, and provide services in the least restrictive 3060
environment. 3061

(5) A procedure for monitoring the progress and tracking the 3062
outcomes of each service coordination plan requested in the county 3063
including monitoring and tracking children in out-of-home 3064
placements to assure continued progress, appropriateness of 3065
placement, and continuity of care after discharge from placement 3066
with appropriate arrangements for housing, treatment, and 3067
education; 3068

(6) A procedure for protecting the confidentiality of all 3069
personal family information disclosed during service coordination 3070
meetings or contained in the comprehensive family service 3071
coordination plan; 3072

(7) A procedure for assessing the needs and strengths of any 3073
child or family that has been referred to the council for service 3074
coordination, including a child whose parent or custodian is 3075
voluntarily seeking services, and for ensuring that parents and 3076
custodians are afforded the opportunity to participate; 3077

(8) A procedure for development of a family service 3078

coordination plan described in division (D) of this section; 3079

(9) A local dispute resolution process to serve as the 3080
process that must be used first to resolve disputes among the 3081
agencies represented on the county council concerning the 3082
provision of services to children, including children who are 3083
abused, neglected, dependent, unruly, alleged unruly, or 3084
delinquent children and under the jurisdiction of the juvenile 3085
court and children whose parents or custodians are voluntarily 3086
seeking services. The local dispute resolution process shall 3087
comply with sections 121.38, 121.381, and 121.382 of the Revised 3088
Code. The local dispute resolution process shall be used to 3089
resolve disputes between a child's parents or custodians and the 3090
county council regarding service coordination. The county council 3091
shall inform the parents or custodians of their right to use the 3092
dispute resolution process. Parents or custodians shall use 3093
existing local agency grievance procedures to address disputes not 3094
involving service coordination. The dispute resolution process is 3095
in addition to and does not replace other rights or procedures 3096
that parents or custodians may have under other sections of the 3097
Revised Code. 3098

The cabinet council shall adopt rules in accordance with 3099
Chapter 119. of the Revised Code establishing an administrative 3100
review process to address problems that arise concerning the 3101
operation of a local dispute resolution process. 3102

Nothing in division (C)(4) of this section shall be 3103
interpreted as overriding or affecting decisions of a juvenile 3104
court regarding an out-of-home placement, long-term placement, or 3105
emergency out-of-home placement. 3106

(D) Each county shall develop a family service coordination 3107
plan that does all of the following: 3108

(1) Designates service responsibilities among the various 3109

state and local agencies that provide services to children and 3110
their families, including children who are abused, neglected, 3111
dependent, unruly, or delinquent children and under the 3112
jurisdiction of the juvenile court and children whose parents or 3113
custodians are voluntarily seeking services; 3114

(2) Designates an individual, approved by the family, to 3115
track the progress of the family service coordination plan, 3116
schedule reviews as necessary, and facilitate the family service 3117
coordination plan meeting process; 3118

(3) Ensures that assistance and services to be provided are 3119
responsive to the strengths and needs of the family, as well as 3120
the family's culture, race, and ethnic group, by allowing the 3121
family to offer information and suggestions and participate in 3122
decisions. Identified assistance and services shall be provided in 3123
the least restrictive environment possible. 3124

(4) Includes a process for dealing with a child who is 3125
alleged to be an unruly child. The process shall include methods 3126
to divert the child from the juvenile court system; 3127

(5) Includes timelines for completion of goals specified in 3128
the plan with regular reviews scheduled to monitor progress toward 3129
those goals; 3130

(6) Includes a plan for dealing with short-term crisis 3131
situations and safety concerns. 3132

(E)(1) The process provided for under division (D)(4) of this 3133
section may include, but is not limited to, the following: 3134

(a) Designation of the person or agency to conduct the 3135
assessment of the child and the child's family as described in 3136
division (C)(7) of this section and designation of the instrument 3137

(3) A requirement that the computer data center remain an 3425
eligible computer data center during the term of the agreement and 3426
that the applicant maintain operations at the eligible computer 3427
data center during that term. An applicant does not violate the 3428
requirement described in division (E)(3) of this section if the 3429
applicant ceases operations at the eligible computer data center 3430
during the term of the agreement but resumes those operations 3431
within eighteen months after the date of cessation. The agreement 3432
shall provide that, in such a case, the applicant and any other 3433
taxpayer that operates a computer data center business at the 3434
project site shall not claim the tax exemption authorized in the 3435

thousand dollars to employees at the eligible computer data 3446
center. 3447

(5) A requirement that each taxpayer subject to the agreement 3448
annually report to the director of development services 3449

(6) A requirement that the director of development services 3453
annually review the annual reports of each taxpayer subject to the 3454
agreement to verify the information reported under division (E)(5) 3455
of this section and compliance with the agreement. Upon 3456
verification, the director shall issue a certificate to each such 3457
taxpayer stating that the information has been verified and that 3458
the taxpayer remains eligible for the exemption specified in the 3459
agreement. 3460

(7) A provision providing that the taxpayers subject to the 3461
agreement may not relocate a substantial number of employment 3462
positions from elsewhere in this state to the project site unless 3463
the director of development services determines that the 3464
appropriate taxpayer notified the legislative authority of the 3465
county, township, or municipal corporation from which the 3466
employment positions would be relocated. For purposes of this 3467
paragraph, the movement of an employment position from one 3468
political subdivision to another political subdivision shall be 3469
considered a relocation of an employment position unless the 3470
movement is confined to the project site. The transfer of an 3471
employment position from one political subdivision to another 3472
political subdivision shall not be considered a relocation of an 3473
employment position if the employment position in the first 3474
political subdivision is replaced by another employment position. 3475

(8) A waiver by each taxpayer subject to the agreement of any limitations periods relating to assessments or adjustments resulting from the taxpayer's failure to comply with the agreement.

(F) The term of an agreement under this section shall be determined by the tax credit authority, and the amount of the exemption shall not exceed one hundred per cent of such taxes that would otherwise be owed in respect to the exempted computer data center equipment.

(G) If any taxpayer subject to an agreement under this section fails to meet or comply with any condition or requirement set forth in the agreement, the tax credit authority may amend the agreement to reduce the percentage of the exemption or term during which the exemption applies to the computer data center equipment used or to be used by the noncompliant taxpayer at an eligible computer data center. The reduction of the percentage or term may take effect in the current calendar year.

(H) Financial statements and other information submitted to the department of development services or the tax credit authority by an applicant for or recipient of an exemption under this section, and any information taken for any purpose from such statements or information, are not public records subject to section 149.43 of the Revised Code. However, the chairperson of the authority may make use of the statements and other information for purposes of issuing public reports or in connection with court proceedings concerning tax exemption agreements under this section. Upon the request of the tax commissioner, the chairperson of the authority shall provide to the tax commissioner any statement or other information submitted by an applicant for or recipient of an exemption under this section. The tax commissioner shall preserve the confidentiality of the statement or other information.

(I) The tax commissioner shall issue a direct payment permit 3508
under section 5739.031 of the Revised Code to each taxpayer 3509
subject to an agreement under this section. Such direct payment 3510
permit shall authorize the taxpayer to pay any sales and use taxes 3511
due on purchases of computer data center equipment used or to be 3512
used in an eligible computer data center and to pay any sales and 3513
use taxes due on purchases of tangible personal property or 3514
taxable services other than computer data center equipment used or 3515
to be used in an eligible computer data center directly to the tax 3516
commissioner. Each such taxpayer shall pay pursuant to such direct 3517
payment permit all sales tax levied on such purchases under 3518
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 3519
Code and all use tax levied on such purchases under sections 3520
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 3521
consistent with the terms of the agreement entered into under this 3522
section. 3523

During the term of an agreement under this section each 3524
taxpayer subject to the agreement shall submit to the tax 3525
commissioner a return that shows the amount of computer data 3526
center equipment purchased for use at the eligible computer data 3527
center, the amount of tangible personal property and taxable 3528
services other than computer data center equipment purchased for 3529
use at the eligible computer data center, the amount of tax under 3530
Chapter 5739. or 5741. of the Revised Code that would be due in 3531
the absence of the agreement under this section, the exemption 3532
percentage for computer data center equipment specified in the 3533
agreement, and the amount of tax due under Chapter 5739. or 5741. 3534
of the Revised Code as a result of the agreement under this 3535
section. Each such taxpayer shall pay the tax shown on the return 3536
to be due in the manner and at the times as may be further 3537
prescribed by the tax commissioner. Each such taxpayer shall 3538
include a copy of the director of development services' 3539
certificate of verification issued under division (E)(6) of this 3540

section. Failure to submit a copy of the certificate with the 3541
return does not invalidate the claim for exemption if the taxpayer 3542
submits a copy of the certificate to the tax commissioner within 3543
the time prescribed by section 5703.0510 of the Revised Code. 3544

(J) If the director of development services determines that 3545
one or more taxpayers received an exemption from taxes due on the 3546
purchase of computer data center equipment purchased for use at a 3547
computer data center that no longer complies with the requirement 3548
under division (E)(3) of this section, the director shall notify 3549
the tax credit authority and, if applicable, the taxpayer that 3550
applied to enter the agreement for the exemption under division 3551
(C) of this section of the noncompliance. After receiving such a 3552
notice, and after giving each taxpayer subject to the agreement an 3553
opportunity to explain the noncompliance, the authority may 3554
terminate the agreement and require each such taxpayer to pay to 3555
the state all or a portion of the taxes that would have been owed 3556
in regards to the exempt equipment in previous years, all as 3557
determined under rules adopted pursuant to division (K) of this 3558
section. In determining the portion of the taxes that would have 3559
been owed on the previously exempted equipment to be paid to this 3560
state by a taxpayer, the authority shall consider the effect of 3561
market conditions on the eligible computer data center, whether 3562
the taxpayer continues to maintain other operations in this state, 3563
and, with respect to agreements involving multiple taxpayers, the 3564
taxpayer's level of responsibility for the noncompliance. After 3565
making the determination, the authority shall certify to the tax 3566
commissioner the amount to be paid by each taxpayer subject to the 3567
agreement. The tax commissioner shall make an assessment for that 3568
amount against each such taxpayer under Chapter 5739. or 5741. of 3569
the Revised Code. The time limitations on assessments under those 3570
chapters do not apply to an assessment under this division, but 3571
the tax commissioner shall make the assessment within one year 3572
after the date the authority certifies to the tax commissioner the 3573

amount to be paid by the taxpayer. 3574

(K) The director of development services, after consultation 3575
with the tax commissioner and in accordance with Chapter 119. of 3576
the Revised Code, shall adopt rules necessary to implement this 3577
section. The rules may provide for recipients of tax exemptions 3578
under this section to be charged fees to cover administrative 3579
costs incurred in the administration of this section. The fees 3580
collected shall be credited to the tax incentives operating fund 3581
created in section 122.174 of the Revised Code. At the time the 3582
director gives public notice under division (A) of section 119.03 3583
of the Revised Code of the adoption of the rules, the director 3584
shall submit copies of the proposed rules to the chairpersons of 3585
the standing committees on economic development in the senate and 3586
the house of representatives. 3587

(L) On or before the first day of August of each year, the 3588
director of development services shall submit a report to the 3589
governor, the president of the senate, and the speaker of the 3590
house of representatives on the tax exemption authorized under 3591
this section. The report shall include information on the number 3592
of agreements that were entered into under this section during the 3593
preceding calendar year, a description of the eligible computer 3594
data center that is the subject of each such agreement, and an 3595
update on the status of eligible computer data centers under 3596

law requiring such a filing. If an assessment has not been issued 5109
and there is no time limitation on the issuance of an assessment 5110

under applicable law, an action to collect a tax debt commences 5111
when the action is filed in the courts of this state to collect 5112
the liability. 5113

(4) If information contained in a claim that is sold, 5114
conveyed, or transferred to a private entity pursuant to this 5115

not open to the public, unless an adversarial encounter with, or a 5838

(B)(1) Upon request and subject to division (B)(8) of this 5857
section, all public records responsive to the request shall be 5858
promptly prepared and made available for inspection to any person 5859
at all reasonable times during regular business hours. Subject to 5860
division (B)(8) of this section, upon request by any person, a 5861
public office or person responsible for public records shall make 5862
copies of the requested public record available to the requester 5863
at cost and within a reasonable period of time. If a public record 5864
contains information that is exempt from the duty to permit public 5865
inspection or to copy the public record, the public office or the 5866
person responsible for the public record shall make available all 5867
of the information within the public record that is not exempt. 5868
When making that public record available for public inspection or 5869
copying that public record, the public office or the person 5870
responsible for the public record shall notify the requester of 5871
any redaction or make the redaction plainly visible. A redaction 5872
shall be deemed a denial of a request to inspect or copy the 5873
redacted information, except if federal or state law authorizes or 5874
requires a public office to make the redaction. 5875

(2) To facilitate broader access to public records, a public 5876
office or the person responsible for public records shall organize 5877
and maintain public records in a manner that they can be made 5878
available for inspection or copying in accordance with division 5879
(B) of this section. A public office also shall have available a 5880
copy of its current records retention schedule at a location 5881
readily available to the public. If a requester makes an ambiguous 5882
or overly broad request or has difficulty in making a request for 5883
copies or inspection of public records under this section such 5884
that the public office or the person responsible for the requested 5885
public record cannot reasonably identify what public records are 5886
being requested, the public office or the person responsible for 5887
the requested public record may deny the request but shall provide 5888
the requester with an opportunity to revise the request by 5889
informing the requester of the manner in which records are 5890
maintained by the public office and accessed in the ordinary 5891
course of the public office's or person's duties. 5892

(3) If a request is ultimately denied, in part or in whole, 5893
the public office or the person responsible for the requested 5894
public record shall provide the requester with an explanation, 5895
including legal authority, setting forth why the request was 5896
denied. If the initial request was provided in writing, the 5897
explanation also shall be provided to the requester in writing. 5898
The explanation shall not preclude the public office or the person 5899
responsible for the requested public record from relying upon 5900
additional reasons or legal authority in defending an action 5901
commenced under division (C) of this section. 5902

(4) Unless specifically required or authorized by state or 5903
federal law or in accordance with division (B) of this section, no 5904
public office or person responsible for public records may limit 5905
or condition the availability of public records by requiring 5906
disclosure of the requester's identity or the intended use of the 5907

requested public record. Any requirement that the requester 5908
disclose the requester's identity or the intended use of the 5909
requested public record constitutes a denial of the request. 5910

(5) A public office or person responsible for public records 5911
may ask a requester to make the request in writing, may ask for 5912
the requester's identity, and may inquire about the intended use 5913
of the information requested, but may do so only after disclosing 5914
to the requester that a written request is not mandatory, that the 5915
requester may decline to reveal the requester's identity or the 5916
intended use, and when a written request or disclosure of the 5917
identity or intended use would benefit the requester by enhancing 5918
the ability of the public office or person responsible for public 5919
records to identify, locate, or deliver the public records sought 5920
by the requester. 5921

(6) If any person requests a copy of a public record in 5922
accordance with division (B) of this section, the public office or 5923
person responsible for the public record may require that person 5924
to pay in advance the cost involved in providing the copy of the 5925
public record in accordance with the choice made by the person 5926
requesting the copy under this division. The public office or the 5927
person responsible for the public record shall permit that person 5928
to choose to have the public record duplicated upon paper, upon 5929
the same medium upon which the public office or person responsible 5930
for the public record keeps it, or upon any other medium upon 5931
which the public office or person responsible for the public 5932
record determines that it reasonably can be duplicated as an 5933
integral part of the normal operations of the public office or 5934
person responsible for the public record. When the person 5935
requesting the copy makes a choice under this division, the public 5936
office or person responsible for the public record shall provide a 5937
copy of it in accordance with the choice made by that person. 5938
Nothing in this section requires a public office or person 5939

responsible for the public record to allow the person requesting a 5940
copy of the public record to make the copies of the public record. 5941

(7)(a) Upon a request made in accordance with division (B) of 5942
this section and subject to division (B)(6) of this section, a 5943
public office or person responsible for public records shall 5944
transmit a copy of a public record to any person by United States 5945
mail or by any other means of delivery or transmission within a 5946
reasonable period of time after receiving the request for the 5947
copy. The public office or person responsible for the public 5948
record may require the person making the request to pay in advance 5949
the cost of postage if the copy is transmitted by United States 5950
mail or the cost of delivery if the copy is transmitted other than 5951
by United States mail, and to pay in advance the costs incurred 5952
for other supplies used in the mailing, delivery, or transmission. 5953

(b) Any public office may adopt a policy and procedures that 5954
it will follow in transmitting, within a reasonable period of time 5955
after receiving a request, copies of public records by United 5956
States mail or by any other means of delivery or transmission 5957
pursuant to division (B)(7) of this section. A public office that 5958
adopts a policy and procedures under division (B)(7) of this 5959
section shall comply with them in performing its duties under that 5960
division. 5961

(c) In any policy and procedures adopted under division 5962
(B)(7) of this section: 5963

(i) A public office may limit the number of records requested 5964
by a person that the office will physically deliver by United 5965
States mail or by another delivery service to ten per month, 5966
unless the person certifies to the office in writing that the 5967
person does not intend to use or forward the requested records, or 5968
the information contained in them, for commercial purposes; 5969

(ii) A public office that chooses to provide some or all of 5970

its public records on a web site that is fully accessible to and 5971
searchable by members of the public at all times, other than 5972
during acts of God outside the public office's control or 5973
maintenance, and that charges no fee to search, access, download, 5974
or otherwise receive records provided on the web site, may limit 5975
to ten per month the number of records requested by a person that 5976
the office will deliver in a digital format, unless the requested 5977
records are not provided on the web site and unless the person 5978
certifies to the office in writing that the person does not intend 5979
to use or forward the requested records, or the information 5980
contained in them, for commercial purposes. 5981

(iii) For purposes of division (B)(7) of this section, 5982
"commercial" shall be narrowly construed and does not include 5983
reporting or gathering news, reporting or gathering information to 5984
assist citizen oversight or understanding of the operation or 5985
activities of government, or nonprofit educational research. 5986

(8) A public office or person responsible for public records 5987
is not required to permit a person who is incarcerated pursuant to 5988
a criminal conviction or a juvenile adjudication to inspect or to 5989
obtain a copy of any public record concerning a criminal 5990
investigation or prosecution or concerning what would be a 5991
criminal investigation or prosecution if the subject of the 5992
investigation or prosecution were an adult, unless the request to 5993
inspect or to obtain a copy of the record is for the purpose of 5994
acquiring information that is subject to release as a public 5995
record under this section and the judge who imposed the sentence 5996
or made the adjudication with respect to the person, or the 5997
judge's successor in office, finds that the information sought in 5998
the public record is necessary to support what appears to be a 5999
justiciable claim of the person. 6000

(9)(a) Upon written request made and signed by a journalist, 6001
a public office, or person responsible for public records, having 6002

custody of the records of the agency employing a specified 6003
designated public service worker shall disclose to the journalist 6004
the address of the actual personal residence of the designated 6005
public service worker and, if the designated public service 6006
worker's spouse, former spouse, or child is employed by a public 6007
office, the name and address of the employer of the designated 6008
public service worker's spouse, former spouse, or child. The 6009
request shall include the journalist's name and title and the name 6010
and address of the journalist's employer and shall state that 6011
disclosure of the information sought would be in the public 6012
interest. 6013

(b) Division (B)(9)(a) of this section also applies to 6014
journalist requests for: 6015

(i) Customer information maintained by a municipally owned or 6016
operated public utility, other than social security numbers and 6017
any private financial information such as credit reports, payment 6018
methods, credit card numbers, and bank account information; 6019

(ii) Information about minors involved in a school vehicle 6020
accident as provided in division (A)(1)(gg) of this section, other 6021
than personal information as defined in section 149.45 of the 6022
Revised Code. 6023

(c) As used in division (B)(9) of this section, "journalist" 6024
means a person engaged in, connected with, or employed by any news 6025
medium, including a newspaper, magazine, press association, news 6026
agency, or wire service, a radio or television station, or a 6027
similar medium, for the purpose of gathering, processing, 6028
transmitting, compiling, editing, or disseminating information for 6029
the general public. 6030

(10) Upon a request made by a victim, victim's attorney, or 6031
victim's representative, as that term is used in section 2930.02 6032
of the Revised Code, a public office or person responsible for 6033

public records shall transmit a copy of a depiction of the victim 6034
as described in division (A)(1)(gg) of this section to the victim, 6035
victim's attorney, or victim's representative. 6036

(C)(1) If a person allegedly is aggrieved by the failure of a 6037
public office or the person responsible for public records to 6038
promptly prepare a public record and to make it available to the 6039
person for inspection in accordance with division (B) of this 6040
section or by any other failure of a public office or the person 6041
responsible for public records to comply with an obligation in 6042
accordance with division (B) of this section, the person allegedly 6043
aggrieved may do only one of the following, and not both: 6044

(a) File a complaint with the clerk of the court of claims or 6045
the clerk of the court of common pleas under section 2743.75 of 6046
the Revised Code; 6047

(b) Commence a mandamus action to obtain a judgment that 6048
orders the public office or the person responsible for the public 6049
record to comply with division (B) of this section, that awards 6050
court costs and reasonable attorney's fees to the person that 6051
instituted the mandamus action, and, if applicable, that includes 6052
an order fixing statutory damages under division (C)(2) of this 6053
section. The mandamus action may be commenced in the court of 6054
common pleas of the county in which division (B) of this section 6055
allegedly was not complied with, in the supreme court pursuant to 6056
its original jurisdiction under Section 2 of Article IV, Ohio 6057
Constitution, or in the court of appeals for the appellate 6058
district in which division (B) of this section allegedly was not 6059
complied with pursuant to its original jurisdiction under Section 6060
3 of Article IV, Ohio Constitution. 6061

(2) If a requester transmits a written request by hand 6062
delivery, electronic submission, or certified mail to inspect or 6063
receive copies of any public record in a manner that fairly 6064
describes the public record or class of public records to the 6065

public office or person responsible for the requested public 6066
records, except as otherwise provided in this section, the 6067
requester shall be entitled to recover the amount of statutory 6068
damages set forth in this division if a court determines that the 6069
public office or the person responsible for public records failed 6070
to comply with an obligation in accordance with division (B) of 6071
this section. 6072

The amount of statutory damages shall be fixed at one hundred 6073
dollars for each business day during which the public office or 6074
person responsible for the requested public records failed to 6075
comply with an obligation in accordance with division (B) of this 6076
section, beginning with the day on which the requester files a 6077
mandamus action to recover statutory damages, up to a maximum of 6078
one thousand dollars. The award of statutory damages shall not be 6079
construed as a penalty, but as compensation for injury arising 6080
from lost use of the requested information. The existence of this 6081
injury shall be conclusively presumed. The award of statutory 6082
damages shall be in addition to all other remedies authorized by 6083
this section. 6084

The court may reduce an award of statutory damages or not 6085
award statutory damages if the court determines both of the 6086
following: 6087

(a) That, based on the ordinary application of statutory law 6088
and case law as it existed at the time of the conduct or 6089
threatened conduct of the public office or person responsible for 6090
the requested public records that allegedly constitutes a failure 6091
to comply with an obligation in accordance with division (B) of 6092
this section and that was the basis of the mandamus action, a 6093
well-informed public office or person responsible for the 6094
requested public records reasonably would believe that the conduct 6095
or threatened conduct of the public office or person responsible 6096
for the requested public records did not constitute a failure to 6097

comply with an obligation in accordance with division (B) of this 6098
section; 6099

(b) That a well-informed public office or person responsible 6100
for the requested public records reasonably would believe that the 6101
conduct or threatened conduct of the public office or person 6102
responsible for the requested public records would serve the 6103
public policy that underlies the authority that is asserted as 6104
permitting that conduct or threatened conduct. 6105

(3) In a mandamus action filed under division (C)(1) of this 6106
section, the following apply: 6107

(a)(i) If the court orders the public office or the person 6108
responsible for the public record to comply with division (B) of 6109
this section, the court shall determine and award to the relator 6110
all court costs, which shall be construed as remedial and not 6111
punitive. 6112

(ii) If the court makes a determination described in division 6113
(C)(3)(b)(iii) of this section, the court shall determine and 6114
award to the relator all court costs, which shall be construed as 6115
remedial and not punitive. 6116

(b) If the court renders a judgment that orders the public 6117
office or the person responsible for the public record to comply 6118
with division (B) of this section or if the court determines any 6119
of the following, the court may award reasonable attorney's fees 6120
to the relator, subject to division (C)(4) of this section: 6121

(i) The public office or the person responsible for the 6122
public records failed to respond affirmatively or negatively to 6123
the public records request in accordance with the time allowed 6124
under division (B) of this section. 6125

(ii) The public office or the person responsible for the 6126
public records promised to permit the relator to inspect or 6127
receive copies of the public records requested within a specified 6128

period of time but failed to fulfill that promise within that 6129
specified period of time. 6130

(iii) The public office or the person responsible for the 6131
public records acted in bad faith when the office or person 6132
voluntarily made the public records available to the relator for 6133
the first time after the relator commenced the mandamus action, 6134
but before the court issued any order concluding whether or not 6135
the public office or person was required to comply with division 6136
(B) of this section. No discovery may be conducted on the issue of 6137
the alleged bad faith of the public office or person responsible 6138
for the public records. This division shall not be construed as 6139
creating a presumption that the public office or the person 6140
responsible for the public records acted in bad faith when the 6141
office or person voluntarily made the public records available to 6142
the relator for the first time after the relator commenced the 6143
mandamus action, but before the court issued any order described 6144
in this division. 6145

(c) The court shall not award attorney's fees to the relator 6146
if the court determines both of the following: 6147

(i) That, based on the ordinary application of statutory law 6148
and case law as it existed at the time of the conduct or 6149
threatened conduct of the public office or person responsible for 6150
the requested public records that allegedly constitutes a failure 6151
to comply with an obligation in accordance with division (B) of 6152
this section and that was the basis of the mandamus action, a 6153
well-informed public office or person responsible for the 6154
requested public records reasonably would believe that the conduct 6155
or threatened conduct of the public office or person responsible 6156
for the requested public records did not constitute a failure to 6157
comply with an obligation in accordance with division (B) of this 6158
section; 6159

(ii) That a well-informed public office or person responsible 6160

for the requested public records reasonably would believe that the 6161
conduct or threatened conduct of the public office or person 6162
responsible for the requested public records would serve the 6163
public policy that underlies the authority that is asserted as 6164
permitting that conduct or threatened conduct. 6165

(4) All of the following apply to any award of reasonable 6166
attorney's fees awarded under division (C)(3)(b) of this section: 6167

(a) The fees shall be construed as remedial and not punitive. 6168

(b) The fees awarded shall not exceed the total of the 6169
reasonable attorney's fees incurred before the public record was 6170
made available to the relator and the fees described in division 6171
(C)(4)(c) of this section. 6172

(c) Reasonable attorney's fees shall include reasonable fees 6173
incurred to produce proof of the reasonableness and amount of the 6174
fees and to otherwise litigate entitlement to the fees. 6175

(d) The court may reduce the amount of fees awarded if the 6176
court determines that, given the factual circumstances involved 6177
with the specific public records request, an alternative means 6178
should have been pursued to more effectively and efficiently 6179
resolve the dispute that was subject to the mandamus action filed 6180
under division (C)(1) of this section. 6181

(5) If the court does not issue a writ of mandamus under 6182
division (C) of this section and the court determines at that time 6183
that the bringing of the mandamus action was frivolous conduct as 6184
defined in division (A) of section 2323.51 of the Revised Code, 6185
the court may award to the public office all court costs, 6186
expenses, and reasonable attorney's fees, as determined by the 6187
court. 6188

(D) Chapter 1347. of the Revised Code does not limit the 6189
provisions of this section. 6190

(E)(1) To ensure that all employees of public offices are 6191
appropriately educated about a public office's obligations under 6192
division (B) of this section, all elected officials or their 6193
appropriate designees shall attend training approved by the 6194
attorney general as provided in section 109.43 of the Revised 6195
Code. A future official may satisfy the requirements of this 6196
division by attending the training before taking office, provided 6197
that the future official may not send a designee in the future 6198
official's place. 6199

(2) All public offices shall adopt a public records policy in 6200
compliance with this section for responding to public records 6201
requests. In adopting a public records policy under this division, 6202
a public office may obtain guidance from the model public records 6203
policy developed and provided to the public office by the attorney 6204
general under section 109.43 of the Revised Code. Except as 6205
otherwise provided in this section, the policy may not limit the 6206
number of public records that the public office will make 6207
available to a single person, may not limit the number of public 6208
records that it will make available during a fixed period of time, 6209
and may not establish a fixed period of time before it will 6210
respond to a request for inspection or copying of public records, 6211
unless that period is less than eight hours. 6212

The public office shall distribute the public records policy 6213
adopted by the public office under this division to the employee 6214
of the public office who is the records custodian or records 6215
manager or otherwise has custody of the records of that office. 6216
The public office shall require that employee to acknowledge 6217
receipt of the copy of the public records policy. The public 6218
office shall create a poster that describes its public records 6219
policy and shall post the poster in a conspicuous place in the 6220
public office and in all locations where the public office has 6221
branch offices. The public office may post its public records 6222

policy on the internet web site of the public office if the public 6223
office maintains an internet web site. A public office that has 6224
established a manual or handbook of its general policies and 6225
procedures for all employees of the public office shall include 6226
the public records policy of the public office in the manual or 6227
handbook. 6228

(F)(1) The bureau of motor vehicles may adopt rules pursuant 6229
to Chapter 119. of the Revised Code to reasonably limit the number 6230
of bulk commercial special extraction requests made by a person 6231
for the same records or for updated records during a calendar 6232
year. The rules may include provisions for charges to be made for 6233
bulk commercial special extraction requests for the actual cost of 6234
the bureau, plus special extraction costs, plus ten per cent. The 6235
bureau may charge for expenses for redacting information, the 6236
release of which is prohibited by law. 6237

(2) As used in division (F)(1) of this section: 6238

(a) "Actual cost" means the cost of depleted supplies, 6239
records storage media costs, actual mailing and alternative 6240
delivery costs, or other transmitting costs, and any direct 6241
equipment operating and maintenance costs, including actual costs 6242
paid to private contractors for copying services. 6243

(b) "Bulk commercial special extraction request" means a 6244
request for copies of a record for information in a format other 6245
than the format already available, or information that cannot be 6246
extracted without examination of all items in a records series, 6247
class of records, or database by a person who intends to use or 6248
forward the copies for surveys, marketing, solicitation, or resale 6249
for commercial purposes. "Bulk commercial special extraction 6250
request" does not include a request by a person who gives 6251
assurance to the bureau that the person making the request does 6252
not intend to use or forward the requested copies for surveys, 6253
marketing, solicitation, or resale for commercial purposes. 6254

(c) "Commercial" means profit-seeking production, buying, or 6255
selling of any good, service, or other product. 6256

(d) "Special extraction costs" means the cost of the time 6257
spent by the lowest paid employee competent to perform the task, 6258
the actual amount paid to outside private contractors employed by 6259
the bureau, or the actual cost incurred to create computer 6260
programs to make the special extraction. "Special extraction 6261
costs" include any charges paid to a public agency for computer or 6262
records services. 6263

(3) For purposes of divisions (F)(1) and (2) of this section, 6264
"surveys, marketing, solicitation, or resale for commercial 6265
purposes" shall be narrowly construed and does not include 6266
reporting or gathering news, reporting or gathering information to 6267
assist citizen oversight or understanding of the operation or 6268
activities of government, or nonprofit educational research. 6269

real property to determine whether it qualifies for the partial 7828
exemption provided for by this section as of the first day of 7829
January of the current tax year. 7830

(B) After complying with section 319.301 of the Revised Code, 7831
the county auditor shall reduce the remaining sums to be levied by 7832

division (D)(2) of section 4503.06 of the Revised Code and that is 7838
on the manufactured home tax list for the current tax year, by ten 7839
per cent, to provide a partial exemption for that parcel or home. 7840
For the purposes of this division: 7841

(1) "Qualifying levy" means a levy approved at an election 7842

public utility property tax duplicate, the treasurer shall certify 7860
to the tax commissioner the total amount by which the real 7861

duplicate. Such reduction shall not directly or indirectly affect 7863
the determination of the principal amount of notes that may be 7864
issued in anticipation of any tax levies or the amount of bonds or 7865
notes for any planned improvements. If after application of 7866
sections 5705.31 and 5705.32 of the Revised Code and other 7867

administration of the partial exemption provided for by this 7875
section. 7876

(E) The determination of whether property qualifies for 7877

in each year, the county treasurer shall settle with the county 7882
auditor for all taxes and assessments that the treasurer has 7883

property at the time of making the settlement. If the county 7885
treasurer has made or will make advance payments to the several 7886
taxing districts of current year unpaid taxes under section 7887

321.341 of the Revised Code before collecting them, the county 7888
treasurer shall take the advance payments into account for 7889
purposes of the settlement with the county auditor under this 7890
division. 7891

(B) On or before the thirtieth day of June, in each year, the 7892
treasurer shall settle with the auditor for all advance payments 7893
of general personal and classified property taxes that the 7894
treasurer has received at the time of making the settlement. 7895

(C) On or before the tenth day of August, in each year, the 7896
treasurer shall settle with the auditor for all taxes and 7897
assessments that the treasurer has collected on the general 7898
duplicates of real and public utility property at the time of 7899
making such settlement, not included in the preceding February 7900
settlement. If the county treasurer has made or will make advance 7901
payments to the several taxing districts of the current year 7902
delinquent taxes under section 321.341 of the Revised Code before 7903
collecting them, the county treasurer shall take the advance 7904
payments into account for purposes of the settlement with the 7905
county auditor under this division. 7906

(D) On or before the thirty-first day of October, in each 7907
year, the treasurer shall settle with the auditor for all taxes 7908
that the treasurer has collected on the general personal and 7909
classified property duplicates, and for all advance payments of 7910
general personal and classified property taxes, not included in 7911
the preceding June settlement, that the treasurer has received at 7912
the time of making such settlement. 7913

(E) In the event the time for the payment of taxes is 7914
extended, pursuant to section 323.17 of the Revised Code, the date 7915
on or before which settlement for the taxes so extended must be 7916
made, as herein prescribed, shall be deemed to be extended for a 7917
like period of time. At each such settlement, the auditor shall 7918

allow to the treasurer, on the moneys received or collected and 7919
accounted for by the treasurer, the treasurer's fees, at the rate 7920
or percentage allowed by law, at a full settlement of the 7921
treasurer. 7922

(F) Within thirty days after the day of each settlement of 7923
taxes required under divisions (A) and (C) of this section, the 7924
treasurer shall certify to the tax commissioner any adjustments 7925
that have been made to the amount certified previously pursuant to 7926
section 319.302 of the Revised Code and that the settlement has 7927
been completed. Upon receipt of such certification, the 7928
commissioner shall provide for payment to the county treasurer 7929
from the general revenue fund of an amount equal to one-half of 7930
the amount certified by the treasurer in the preceding tax year 7931
under section 319.302 of the Revised Code, less the sum of (1) 7932
one-half of the amount computed for all taxing districts in that 7933
county for the current fiscal year under section 5703.80 of the 7934
Revised Code for crediting to the property tax administration fund 7935
and (2) any reduction required by the commissioner under division 7936
(D) of section 718.83 of the Revised Code. Such payment shall be 7937
credited upon receipt to the county's undivided income tax fund, 7938
and the county auditor shall transfer to the county general fund 7939
from the amount thereof the total amount of all fees and charges 7940
which the auditor and treasurer would have been authorized to 7941
receive had such section not been in effect and that amount had 7942
been levied and collected as taxes. The county auditor shall 7943
distribute the amount remaining among the various taxing districts 7944
in the county as if it had been levied, collected, and settled as 7945
real property taxes. The amount distributed to each taxing 7946
district shall be reduced by the total of the amounts computed for 7947
the district under section 5703.80 of the Revised Code, but the 7948
reduction shall not exceed the amount that otherwise would be 7949
distributed to the taxing district under this division. The amount 7950
distributed to a taxing district shall account for any reduction 7951

required by the commissioner under division (D) of section 718.83 7952
of the Revised Code. The tax commissioner shall make available to 7953
taxing districts such information as is sufficient for a taxing 7954
district to be able to determine the amount of the reduction in 7955
its distribution under this section. 7956

(G)(1) Within thirty days after the day of the settlement 7957
required in division (D) of this section, the county treasurer 7958
shall notify the tax commissioner that the settlement has been 7959
completed. Upon receipt of that notification, the commissioner 7960
shall provide for payment to the county treasurer from the general 7961
revenue fund of an amount equal to the amount certified under 7962
former section 319.311 of the Revised Code and paid in the state's 7963
fiscal year 2003 multiplied by the percentage specified in 7964
division (G)(2) of this section. The payment shall be credited 7965
upon receipt to the county's undivided income tax fund, and the 7966
county auditor shall distribute the amount thereof among the 7967
various taxing districts of the county as if it had been levied, 7968
collected, and settled as personal property taxes. The amount 7969
received by a taxing district under this division shall be 7970
apportioned among its funds in the same proportion as the current 7971
year's personal property taxes are apportioned. 7972

(2) Payments required under division (G)(1) of this section 7973
shall be made at the following percentages of the amount certified 7974
under former section 319.311 of the Revised Code and paid under 7975
division (G)(1) of this section in the state's fiscal year 2003: 7976

- (a) In fiscal year 2004, ninety per cent; 7977
- (b) In fiscal year 2005, eighty per cent; 7978
- (c) In fiscal year 2006, sixty-four per cent; 7979
- (d) In fiscal year 2007, forty per cent; 7980
- (e) In fiscal year 2008, thirty-two per cent; 7981

(f) In fiscal year 2009, sixteen per cent. 7982

After fiscal year 2009, no payments shall be made under 7983
division (G)(1) of this section. 7984

(H)(1) On or before the fifteenth day of April each year, the 7985
county treasurer shall settle with the county auditor for all 7986
manufactured home taxes that the county treasurer has collected on 7987
the manufactured home tax duplicate at the time of making the 7988
settlement. 7989

(2) On or before the fifteenth day of September each year, 7990
the county treasurer shall settle with the county auditor for all 7991
remaining manufactured home taxes that the county treasurer has 7992
collected on the manufactured home tax duplicate at the time of 7993
making the settlement. 7994

(3) If the time for payment of such taxes is extended under 7995
section 4503.06 of the Revised Code, the time for making the 7996
settlement as prescribed by divisions (H)(1) and (2) of this 7997
section is extended for a like period of time. 7998

(I) On or before the second Monday in September of each year, 7999
the county treasurer shall certify to the tax commissioner the 8000
total amount by which the manufactured home taxes levied in that 8001
year were reduced pursuant to section 319.302 of the Revised Code. 8002
Within ninety days after the receipt of such certification, the 8003
commissioner shall provide for payment to the county treasurer 8004
from the general revenue fund of an amount equal to the amount 8005
certified by the treasurer. Such payment shall be credited upon 8006
receipt to the county's undivided income tax fund, and the county 8007
auditor shall transfer to the county general fund from the amount 8008
thereof the total amount of all fees and charges that the auditor 8009
and treasurer would have been authorized to receive had such 8010
section not been in effect and that amount had been levied and 8011
collected as manufactured home taxes. The county auditor shall 8012

distribute the amount remaining among the various taxing districts 8013
in the county as if it had been levied, collected, and settled as 8014
manufactured home taxes. 8015

~~and~~ 323.152, and 323.16 of the Revised Code. 8079

Any reduction in taxes under section 323.152 of the Revised 8080
Code shall be disregarded as income or resources in determining 8081
eligibility for any program or calculating any payment under Title 8082
LI of the Revised Code. 8083

Sec. 323.16. (A) As used in this section: 8084

(1) "Qualifying child care center" means real property on 8085
which a licensed child care program operates. For purposes of this 8086
division, "licensed child care program" means a licensed child 8087
care program, as defined in section 5104.01 of the Revised Code, 8088
that meets all of the following requirements: 8089

(a) The program only serves children under six years of age; 8090

(b) At least twenty-five per cent of the children in the 8091
program reside in a household that receives public assistance; 8092

(c) The program is not operated from the permanent residence 8093
of the licensee or administrator or from a location that is also 8094
used for a separate commercial purpose. 8095

(2) "Public assistance" means benefits or assistance provided 8096

infants, and children administered by the department of health 8107
under section 3701.132 of the Revised Code. 8108

(B) A partial real property tax exemption is allowed to a 8109
qualifying child care center for each tax year for which an 8110
application for the partial exemption has been approved. The 8111
partial exemption shall take the form of a percentage reduction in 8112
the real property taxes levied on the qualifying child care 8113
center. That percentage shall equal one of the following: 8114

(1) Twenty-five per cent, if at least twenty-five per cent, 8115
but less than fifty per cent, of the children that attend the 8116
qualifying child care center reside in a household that receives 8117
public assistance; 8118

(2) Seventy-five per cent, if at least fifty per cent of the 8119
children that attend the qualifying child care center reside in a 8120
household that receives public assistance. 8121

After complying with section 319.301 of the Revised Code, the 8122
county auditor shall reduce the remaining sum to be levied against 8123
a qualifying child care center by the applicable percentage. The 8124
auditor shall certify the amount of taxes remaining after the 8125
reduction to the county treasurer for collection as the real 8126
property taxes charged and payable on the qualifying child care 8127
center. 8128

(C)(1) To obtain the partial exemption, the owner of a 8129
qualifying child care center shall file an application each year 8130
with the county auditor of the county in which the center is 8131
located. The application shall be filed on or before the 8132
thirty-first day of December of the year for which the partial 8133

exemption is sought. The tax commissioner shall prescribe the form 8134
of the application, which shall contain a statement that 8135
conviction of willfully falsifying information to obtain the 8136
partial exemption results in the revocation of the right to the 8137
partial exemption for a period of three years. 8138

(2) The county auditor shall approve or deny an application 8139
for the partial exemption within thirty days after receiving the 8140
application. Notification shall be provided on a form prescribed 8141
by the tax commissioner. If the application is approved, upon 8142
issuance of the notification the county auditor shall record the 8143
partial exemption in the appropriate column on the general tax 8144
list and duplicate of real and public utility property. If the 8145
application is denied, the notification shall inform the applicant 8146
of the reasons for the denial. 8147

If an applicant believes that the application for the partial 8148
exemption has been improperly denied for a tax year, the applicant 8149
may file an appeal with the county board of revision on or before 8150
the last day of March of the ensuing tax year. The appeal shall be 8151
treated in the same manner as a complaint relating to the 8152
valuation or assessment of real property under Chapter 5715. of 8153
the Revised Code. 8154

Sec. 341.34. (A) As used in this section, "building or 8155
structure" includes, but is not limited to, a modular unit, 8156
building, or structure and a movable unit, building, or structure. 8157

(B)(1) The board of county commissioners of any county, by 8158
resolution, may dedicate and permit the use, as a minimum security 8159
jail, of any vacant or abandoned public building or structure 8160
owned by the county that has not been dedicated to or is not then 8161
in use for any county or other public purpose, or any building or 8162
structure rented or leased by the county. The board of county 8163
commissioners of any county, by resolution, also may dedicate and 8164

permit the use, as a minimum security jail, of any building or 8165
structure purchased by or constructed by or for the county. 8166
Subject to divisions (B)(3) and (C) of this section, upon the 8167
effective date of such a resolution, the specified building or 8168
structure shall be used, in accordance with this section, for the 8169
confinement of persons who meet one of the following conditions: 8170

(a) The person is sentenced to a term of imprisonment for a 8171
traffic violation or a misdemeanor or is sentenced to a 8172
residential sanction in the jail for a felony of the fourth or 8173
fifth degree pursuant to sections 2929.11 to 2929.19 of the 8174
Revised Code, and the jail administrator or the jail 8175
administrator's designee has classified the person as a minimal 8176
security risk. In determining the person's classification under 8177
this division, the administrator or designee shall consider all 8178
relevant factors, including, but not limited to, the person's 8179
escape risk and propensity for assaultive or violent behavior, 8180
based upon the person's prior and current behavior. 8181

(b) The person is charged with a traffic violation, a 8182
misdemeanor, or a felony of the fourth or fifth degree and has had 8183
bail set and has not been released on bail and is confined in a 8184
county or municipal jail pending trial, and the jail administrator 8185
or the jail administrator's designee has classified the person as 8186
a minimal security risk. In determining the person's 8187
classification under this division, the administrator or designee 8188
shall consider all relevant factors, including, but not limited 8189
to, the person's escape risk and propensity for assaultive or 8190
violent behavior, based upon the person's prior and current 8191
behavior. Nothing in this division authorizes the operation or 8192
management of a minimum security jail by a private entity. 8193

(c) The person is an inmate transferred by order of a judge 8194
of the sentencing court upon the request of the sheriff, 8195
administrator, jailer, or other person responsible for operating 8196

the jail other than a contractor as defined in section 9.06 of the Revised Code, who is named in the request as being suitable for confinement in a minimum security facility.

(2) The board of county commissioners of any county, by resolution, may affiliate with one or more adjacent counties, or with one or more municipal corporations located within the county or within an adjacent county, and dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by any of the affiliating counties or municipal corporations that has not been dedicated to or is not then in use for any public purpose, or any building or structure rented or leased by any of the affiliating counties or municipal corporations. The board of county commissioners of any county, by resolution, also may affiliate with one or more adjacent counties or with one or more municipal corporations located within the county or within an adjacent county and dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for any of the affiliating counties or municipal corporations. Any counties and municipal corporations that affiliate for purposes of this division shall enter into an agreement that establishes the responsibilities for the operation and for the cost of operation of the minimum security jail. Subject to divisions (B)(3) and (C) of this section, upon the effective date of a resolution adopted under this division, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation, a misdemeanor, or a violation of an ordinance of any municipal corporation, or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections 2929.11 to 2929.19 of the Revised Code, and

the jail administrator or the jail administrator's designee has 8229
classified the person as a minimal security risk. In determining 8230
the person's classification under this division, the administrator 8231
or designee shall consider all relevant factors, including, but 8232
not limited to, the person's escape risk and propensity for 8233
assaultive or violent behavior, based upon the person's prior and 8234
current behavior. 8235

(b) The person is charged with a traffic violation, a 8236
misdemeanor, or a felony of the fourth or fifth degree and has had 8237
bail set and has not been released on bail and is confined in a 8238
county jail pending trial, and the jail administrator or the jail 8239
administrator's designee has classified the person as a minimal 8240
security risk. In determining the person's classification under 8241
this division, the administrator or designee shall consider all 8242
relevant factors, including, but not limited to, the person's 8243
escape risk and propensity for assaultive or violent behavior, 8244
based upon the person's prior and current behavior. Nothing in 8245
this division authorizes the operation or management of a minimum 8246
security jail by a private entity. 8247

(c) The person is an inmate transferred by order of a judge 8248
of the sentencing court upon the request of the sheriff, 8249
administrator, jailer, or other person responsible for operating 8250
the jail other than a contractor as defined in section 9.06 of the 8251
Revised Code, who is named in the request as being suitable for 8252
confinement in a minimum security facility. 8253

(3) No person shall be confined in a building or structure 8254
dedicated as a minimum security jail under division (B)(1) or (2) 8255
of this section unless the judge who sentenced the person to the 8256
term of imprisonment for the traffic violation or the misdemeanor 8257
specifies that the term of imprisonment is to be served in that 8258
jail, and division (B)(1) or (2) of this section permits the 8259
confinement of the person in that jail or unless the judge who 8260

sentenced the person to the residential sanction for the felony 8261
specifies that the residential sanction is to be served in a jail, 8262
and division (B)(1) or (2) of this section permits the confinement 8263
of the person in that jail. If a rented or leased building or 8264
structure is so dedicated, the building or structure may be used 8265
as a minimum security jail only during the period that it is 8266
rented or leased by the county or by an affiliated county or 8267
municipal corporation. If a person convicted of a misdemeanor is 8268
confined to a building or structure dedicated as a minimum 8269
security jail under division (B)(1) or (2) of this section and the 8270
sheriff, administrator, jailer, or other person responsible for 8271
operating the jail other than a contractor as defined in section 8272
9.06 of the Revised Code determines that it would be more 8273
appropriate for the person so confined to be confined in another 8274
jail or workhouse facility, the sheriff, administrator, jailer, or 8275
other person may transfer the person so confined to a more 8276
appropriate jail or workhouse facility. 8277

(C) All of the following apply to a building or structure 8278
that is dedicated pursuant to division (B)(1) or (2) of this 8279
section for use as a minimum security jail: 8280

(1) To the extent that the use of the building or structure 8281
as a minimum security jail requires a variance from any county, 8282
municipal corporation, or township zoning regulations or 8283
ordinances, the variance shall be granted. 8284

(2) Except as provided in this section, the building or 8285
structure shall not be used to confine any person unless it is in 8286
substantial compliance with any applicable housing, fire 8287
prevention, sanitation, health, and safety codes, regulations, or 8288
standards. 8289

(3) Unless such satisfaction or compliance is required under 8290
the standards described in division (C)(4) of this section, and 8291
notwithstanding any other provision of state or local law to the 8292

contrary, the building or structure need not satisfy or comply 8293
with any state or local building standard or code in order to be 8294
used to confine a person for the purposes specified in division 8295
(B) of this section. 8296

(4) The building or structure shall not be used to confine 8297
any person unless it is in compliance with all minimum standards 8298
and minimum renovation, modification, and construction criteria 8299
for ~~minimum security~~ jails that have been proposed by the 8300
department of rehabilitation and correction, through its bureau of 8301
adult detention, under section 5120.10 of the Revised Code. 8302

(5) The building or structure need not be renovated or 8303
modified into a secure detention facility in order to be used 8304
solely to confine a person for the purposes specified in divisions 8305
(B)(1)(a) or (b) and (B)(2)(a) or (b) of this section. 8306

(6) The building or structure shall be used, equipped, 8307
furnished, and staffed in the manner necessary to provide adequate 8308
and suitable living, sleeping, food service or preparation, 8309
drinking, bathing and toilet, sanitation, and other necessary 8310
facilities, furnishings, and equipment. 8311

(D) Except as provided in this section, a minimum security 8312
jail dedicated and used under this section shall be considered to 8313
be part of the jail, workhouse, or other correctional facilities 8314
of the county or the affiliated counties and municipal 8315
corporations for all purposes under the law. All persons confined 8316
in such a minimum security jail shall be and shall remain, in all 8317
respects, under the control of the county authority that has 8318
responsibility for the management and operation of the jail, 8319
workhouse, or other correctional facilities of the county or, if 8320
it is operated by any affiliation of counties or municipal 8321
corporations, under the control of the specified county or 8322
municipal corporation with that authority, provided that, if the 8323
person was convicted of a felony and is serving a residential 8324

sanction in the facility, all provisions of law that pertain to 8325
persons convicted of a felony that would not by their nature 8326
clearly be inapplicable apply regarding the person. A minimum 8327
security jail dedicated and used under this section shall be 8328
managed and maintained in accordance with policies and procedures 8329
adopted by the board of county commissioners or the affiliated 8330
counties and municipal corporations governing the safe and 8331
healthful operation of the jail, the confinement and supervision 8332
of the persons sentenced to it, and their participation in work 8333
release or similar rehabilitation programs. In addition to other 8334
rules of conduct and discipline, the rights of ingress and egress 8335
of persons confined in a minimum security jail dedicated and used 8336
under this section shall be subject to reasonable restrictions. 8337
Every person confined in a minimum security jail dedicated and 8338
used under this section shall be given verbal and written 8339
notification, at the time of the person's admission to the jail, 8340
that purposely leaving, or purposely failing to return to, the 8341
jail without proper authority or permission constitutes the felony 8342
offense of escape. 8343

(E) If a person who has been convicted of or pleaded guilty 8344
to an offense is sentenced to a term of imprisonment or a 8345
residential sanction in a minimum security jail as described in 8346
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 8347
an inmate transferred to a minimum security jail by order of a 8348
judge of the sentencing court as described in division (B)(1)(c) 8349
or (B)(2)(c) of this section, at the time of reception and at 8350
other times the person in charge of the operation of the jail 8351
determines to be appropriate, the sheriff or other person in 8352
charge of the operation of the jail may cause the convicted 8353
offender to be examined and tested for tuberculosis, HIV 8354
infection, hepatitis, including but not limited to hepatitis A, B, 8355
and C, and other contagious diseases. The person in charge of the 8356
operation of the jail may cause a convicted offender in the jail 8357

who refuses to be tested or treated for tuberculosis, HIV 8358
infection, hepatitis, including but not limited to hepatitis A, B, 8359
and C, or another contagious disease to be tested and treated 8360
involuntarily. 8361

Sec. 701.10. The legislative authority of a municipal 8362
corporation ~~that is located in a charter county and~~ that has 8363
established a rate or charge for the provision of collection or 8364
disposal services for garbage, ashes, animal and vegetable refuse, 8365
dead animals, or animal offal may certify to the county ~~fiscal~~ 8366
~~officer~~ auditor, by ordinance, the amount of the rate or charge 8367
that has not been paid in accordance with applicable requirements 8368
by a person using the collection or disposal services. The amount 8369
certified shall be a lien on the person's property to which 8370
services are provided, placed on the tax list in a separate 8371
column, collected as other taxes, and paid into the general fund 8372
of the municipal corporation. 8373

Sec. 711.131. (A) Notwithstanding sections 711.001 to 711.13 8374
of the Revised Code and except as provided in division (C) of this 8375
section, unless the rules adopted under section 711.05, 711.09, or 8376
711.10 of the Revised Code are amended pursuant to division (B) of 8377
this section, a proposed division of a parcel of land along an 8378
existing public street, not involving the opening, widening, or 8379
extension of any street or road, and involving no more than five 8380
lots after the original tract has been completely subdivided, may 8381
be submitted to the planning authority having approving 8382
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 8383
the Revised Code for approval without plat. If the authority 8384
acting through a properly designated representative finds that a 8385
proposed division is not contrary to applicable platting, 8386
subdividing, zoning, health, sanitary, or access management 8387
regulations, regulations adopted under division (B)(3) of section 8388

307.37 of the Revised Code regarding existing surface or 8389
subsurface drainage, or household sewage treatment rules adopted 8390
under section 3718.02 of the Revised Code, it shall approve the 8391
proposed division within seven business days after its submission 8392
and, on presentation of a conveyance of the parcel, shall stamp 8393
the conveyance "approved by (planning authority); no plat 8394
required" and have it signed by its clerk, secretary, or other 8395
official as may be designated by it. The planning authority may 8396
require the submission of a sketch and other information that is 8397
pertinent to its determination under this division. 8398

(B) For a period of up to two years after ~~the effective date~~ 8399
~~of this amendment~~ the effective date of this amendment, the rules 8400
adopted under section 711.05, 711.09, or 711.10 of the Revised 8401
Code may be amended within that period to authorize the planning 8402
authority involved to approve proposed divisions of parcels of 8403
land without plat under this division. If an authority so amends 8404
its rules, it may approve no more than five lots without a plat 8405
from an original tract as that original tract exists on the 8406
effective date of the amendment to the rules. The authority shall 8407
make the findings and approve a proposed division in the time and 8408
manner specified in division (A) of this section. 8409

(C) This section does not apply to parcels subject to section 8410
711.133 of the Revised Code. 8411

(D) As used in this section, "business day" means a day of 8412
the week excluding Saturday, Sunday, or a legal holiday as defined 8413
in section 1.14 of the Revised Code. 8414

Sec. 718.83. (A) On or before the last day of each month, the 8415
tax commissioner shall certify to the director of budget and 8416
management the amount to be paid to each municipal corporation, 8417
based on amounts reported on annual returns and declarations of 8418
estimated tax under sections 718.85 and 718.88 of the Revised 8419

Code, less any amounts previously distributed and net of any audit 8420
adjustments made or refunds granted by the commissioner, for the 8421
~~calendar~~ calendar month preceding the month in which the 8422
certification is made. Not later than the fifth day of each month, 8423
the director shall provide for payment of the amount certified to 8424
each municipal corporation from the municipal ~~income~~ net profit 8425
tax fund, plus a pro rata share of any investment earnings 8426
accruing to the fund since the previous payment under this 8427
section, and minus any reduction required by the commissioner 8428
under division (D) of this section. Each municipal corporation's 8429
share of such earnings shall equal the proportion that the 8430
municipal corporation's certified tax payment is of the total 8431
taxes certified to all municipal corporations in that quarter. All 8432
investment earnings on money in the municipal ~~income~~ net profit 8433
tax fund shall be credited to that fund. 8434

(B) If the tax commissioner determines that the amount of tax 8435
paid by a taxpayer and distributed to a municipal corporation 8436
under this section for a taxable year exceeds the amount payable 8437
to that municipal corporation under sections 718.80 to 718.95 of 8438
the Revised Code after accounting for amounts remitted with the 8439
annual return and as estimated taxes, the commissioner shall 8440
proceed according to divisions (A) and (B) of section 5703.77 of 8441
the Revised Code. 8442

(C) If the amount of a municipal corporation's net 8443
distribution computed by the commissioner under division (A) of 8444
this section is less than zero, the commissioner may notify the 8445
municipal corporation of the deficiency. Within thirty days after 8446
receiving such a notice, the municipal corporation shall pay an 8447
amount equal to the deficiency to the treasurer of state. The 8448
treasurer of state shall credit any payment received under this 8449
division to the municipal net profit tax fund. 8450

(D) If a municipal corporation fails to make a timely payment 8451
required under division (C) of this section, the commissioner may 8452
recover the deficiency using any or all of the following options: 8453

(1) Deduct the amount of the deficiency from the next 8454
distribution to that municipal corporation under division (A) of 8455
this section or, if the amount of the deficiency exceeds the 8456
amount of such distribution, withhold such distributions entirely 8457
until the withheld amount equals the amount of the municipal 8458
corporation's deficiency; 8459

(2) Deduct the amount of the deficiency from the next payment 8460
to that municipal corporation under division (A) of section 8461
5745.05 of the Revised Code or, if the amount of the deficiency 8462
exceeds the amount of such distribution, withhold such 8463
distributions entirely until the withheld amount equals the amount 8464
of the municipal corporation's deficiency; 8465

(3) Deduct the amount of the deficiency from the municipal 8466
corporation's share of the next payment made by the commissioner 8467
under division (F) of section 321.24 of the Revised Code or, if 8468
the amount of the deficiency exceeds the amount of the municipal 8469
corporation's share of such payment, withhold the municipal 8470
corporation's share of the payments entirely until the withheld 8471
amount equals the amount of the municipal corporation's 8472
deficiency. 8473

(E) The total amount of payments and distributions withheld 8474
from a municipal corporation under division (D) of this section 8475
shall not exceed the unpaid portion of the municipal corporation's 8476
net distribution deficiency. All amounts withheld under division 8477
(D) of this section shall be credited to the municipal net profit 8478
tax fund. 8479

(F) The commissioner may adopt rules necessary to administer 8480
this section. 8481

Sec. 718.85. (A)(1) For each taxable year, every taxpayer 8482
shall file an annual return. Such return, along with the amount of 8483
tax shown to be due on the return less the amount paid for the 8484
taxable year under section 718.88 of the Revised Code, shall be 8485
submitted to the tax commissioner, on a form and in the manner 8486
prescribed by the commissioner, on or before the fifteenth day of 8487
the fourth month following the end of the taxpayer's taxable year. 8488

(2) If a taxpayer has multiple taxable years beginning within 8489
one calendar year, the taxpayer shall aggregate the facts and 8490
figures necessary to compute the tax due under this chapter, in 8491
accordance with sections 718.81, 718.82, and, if applicable, 8492
718.86 of the Revised Code onto its annual return. 8493

(3) The remittance shall be made payable to the treasurer of 8494
state and in the form prescribed by the tax commissioner. If the 8495
amount payable with the tax return is ten dollars or less, no 8496
remittance is required. 8497

(B) The tax commissioner shall immediately forward to the 8498
treasurer of state all amounts the commissioner receives pursuant 8499
to sections 718.80 to 718.95 of the Revised Code. The treasurer 8500
shall credit ninety-nine and one-half per cent of such amounts to 8501
the municipal ~~income~~ net profit tax fund which is hereby created 8502
in the state treasury, and the remainder to the municipal income 8503
tax administrative fund established under section 5745.03 of the 8504
Revised Code. 8505

(C)(1) Each return required to be filed under this section 8506
shall contain the signature of the taxpayer or the taxpayer's duly 8507
authorized agent and of the person who prepared the return for the 8508
taxpayer, and shall include the taxpayer's identification number. 8509
Each return shall be verified by a declaration under penalty of 8510
perjury. 8511

(2)(a) The tax commissioner may require a taxpayer to 8512

include, with each annual tax return, amended return, or request 8513
for refund filed with the commissioner under sections 718.80 to 8514
718.95 of the Revised Code, copies of any relevant documents or 8515
other information. 8516

(b) A taxpayer that files an annual tax return electronically 8517
through the Ohio business gateway or in another manner as 8518
prescribed by the tax commissioner shall either submit the 8519
documents required under this division electronically as 8520
prescribed at the time of filing or, if electronic submission is 8521
not available, mail the documents to the tax commissioner. The 8522
department of taxation shall publish a method of electronically 8523
submitting the documents required under this division on or before 8524
January 1, 2019. 8525

(3) After a taxpayer files a tax return, the tax commissioner 8526
may request, and the taxpayer shall provide, any information, 8527
statements, or documents required to determine and verify the 8528
taxpayer's municipal income tax. 8529

(D)(1)(a) Any taxpayer that has duly requested an automatic 8530
extension for filing the taxpayer's federal income tax return 8531
shall automatically receive an extension for the filing of a tax 8532
return with the commissioner under this section. The extended due 8533
date of the return shall be the fifteenth day of the tenth month 8534
after the last day of the taxable year to which the return 8535
relates. 8536

(b) A taxpayer that has not requested or received a six-month 8537
extension for filing the taxpayer's federal income tax return may 8538
request that the commissioner grant the taxpayer a six-month 8539
extension of the date for filing the taxpayer's municipal income 8540
tax return. If the commissioner receives the request on or before 8541
the date the municipal income tax return is due, the commissioner 8542
shall grant the taxpayer's extension request. 8543

(c) An extension of time to file under division (D)(1) of 8544
this section is not an extension of the time to pay any tax due 8545
unless the tax commissioner grants an extension of that date. 8546

(2) If the commissioner considers it necessary in order to 8547
ensure payment of a tax imposed in accordance with section 718.04 8548
of the Revised Code, the commissioner may require taxpayers to 8549
file returns and make payments otherwise than as provided in this 8550
section, including taxpayers not otherwise required to file annual 8551
returns. 8552

(E) Each return required to be filed in accordance with this 8553
section shall include a box that the taxpayer may check to 8554
authorize another person, including a tax return preparer who 8555
prepared the return, to communicate with the tax commissioner 8556
about matters pertaining to the return. The return or instructions 8557
accompanying the return shall indicate that by checking the box 8558
the taxpayer authorizes the commissioner to contact the preparer 8559
or other person concerning questions that arise during the 8560
examination or other review of the return and authorizes the 8561
preparer or other person only to provide the commissioner with 8562
information that is missing from the return, to contact the 8563
commissioner for information about the examination or other review 8564
of the return or the status of the taxpayer's refund or payments, 8565
and to respond to notices about mathematical errors, offsets, or 8566
return preparation that the taxpayer has received from the 8567
commissioner and has shown to the preparer or other person. 8568

(F) When income tax returns or other documents require the 8569
signature of a tax return preparer, the tax commissioner shall 8570
accept a facsimile or electronic version of such a signature in 8571
lieu of a manual signature. 8572

Sec. 718.90. (A) If any taxpayer required to file a return 8573
under section 718.80 to 718.95 of the Revised Code fails to file 8574

the return within the time prescribed, files an incorrect return, 8575
or fails to remit the full amount of the tax due for the period 8576
covered by the return, the tax commissioner may make an assessment 8577
against the taxpayer for any deficiency for the period for which 8578
the return or tax is due, based upon any information in the 8579
commissioner's possession. 8580

The tax commissioner shall not make or issue an assessment 8581
against a taxpayer more than three years after the later of the 8582
date the return subject to assessment was required to be filed or 8583
the date the return was filed. Such time limit may be extended if 8584
both the taxpayer and the commissioner consent in writing to the 8585
extension. Any such extension shall extend the three-year time 8586
limit in section 718.91 of the Revised Code for the same period of 8587
time. There shall be no bar or limit to an assessment against a 8588
taxpayer that fails to file a return subject to assessment as 8589
required by sections 718.80 to 718.95 of the Revised Code, or that 8590
files a fraudulent return. The commissioner shall give the 8591
taxpayer assessed written notice of the assessment as provided in 8592
section 5703.37 of the Revised Code. With the notice, the 8593
commissioner shall provide instructions on how to petition for 8594
reassessment and request a hearing on the petition. 8595

(B) Unless the taxpayer assessed files with the tax 8596
commissioner within sixty days after service of the notice of 8597
assessment, either personally or by certified mail, a written 8598
petition for reassessment signed by the authorized agent of the 8599
taxpayer assessed having knowledge of the facts, the assessment 8600
becomes final, and the amount of the assessment is due and payable 8601
from the taxpayer to the treasurer of state. The petition shall 8602
indicate the taxpayer's objections, but additional objections may 8603
be raised in writing if received by the commissioner prior to the 8604
date shown on the final determination. If the petition has been 8605
properly filed, the commissioner shall proceed under section 8606

5703.60 of the Revised Code. 8607

(C) After an assessment becomes final, if any portion of the 8608
assessment remains unpaid, including accrued interest, a certified 8609
copy of the tax commissioner's entry making the assessment final 8610
may be filed in the office of the clerk of the court of common 8611
pleas in the county in which the taxpayer has an office or place 8612
of business in this state, the county in which the taxpayer's 8613
statutory agent is located, or Franklin county. 8614

Immediately upon the filing of the entry, the clerk shall 8615
enter a judgment against the taxpayer assessed in the amount shown 8616
on the entry. The judgment may be filed by the clerk in a 8617
loose-leaf book entitled "special judgments for municipal income 8618
taxes," and shall have the same effect as other judgments. 8619
Execution shall issue upon the judgment upon the request of the 8620
tax commissioner, and all laws applicable to sales on execution 8621
shall apply to sales made under the judgment. 8622

If the assessment is not paid in its entirety within sixty 8623
days after the day the assessment was issued, the portion of the 8624
assessment consisting of tax due shall bear interest at the rate 8625
per annum prescribed by section 5703.47 of the Revised Code from 8626
the day the commissioner issues the assessment until the 8627
assessment is paid or until it is certified to the attorney 8628
general for collection under section 131.02 of the Revised Code, 8629
whichever comes first. If the unpaid portion of the assessment is 8630
certified to the attorney general for collection, the entire 8631
unpaid portion of the assessment shall bear interest at the rate 8632
per annum prescribed by section 5703.47 of the Revised Code from 8633
the date of certification until the date it is paid in its 8634
entirety. Interest shall be paid in the same manner as the tax and 8635
may be collected by issuing an assessment under this section. 8636

(D) All money collected under this section shall be credited 8637
to the municipal ~~income~~ net profit tax fund and distributed to the 8638

municipal corporation to which the money is owed based on the 8639
assessment issued under this section. 8640

(E) If the tax commissioner believes that collection of the 8641
tax will be jeopardized unless proceedings to collect or secure 8642
collection of the tax are instituted without delay, the 8643
commissioner may issue a jeopardy assessment against the taxpayer 8644
liable for the tax. Immediately upon the issuance of the jeopardy 8645
assessment, the commissioner shall file an entry with the clerk of 8646
the court of common pleas in the manner prescribed by division (C) 8647
of this section. Notice of the jeopardy assessment shall be served 8648
on the taxpayer assessed or the taxpayer's legal representative in 8649
the manner provided in section 5703.37 of the Revised Code within 8650
five days of the filing of the entry with the clerk. The total 8651
amount assessed is immediately due and payable, unless the 8652
taxpayer assessed files a petition for reassessment in accordance 8653
with division (B) of this section and provides security in a form 8654
satisfactory to the commissioner and in an amount sufficient to 8655
satisfy the unpaid balance of the assessment. Full or partial 8656
payment of the assessment does not prejudice the commissioner's 8657
consideration of the petition for reassessment. 8658

(F) Notwithstanding the fact that a petition for reassessment 8659
is pending, the taxpayer may pay all or a portion of the 8660
assessment that is the subject of the petition. The acceptance of 8661
a payment by the treasurer of state does not prejudice any claim 8662
for refund upon final determination of the petition. 8663

If upon final determination of the petition an error in the 8664
assessment is corrected by the tax commissioner, upon petition so 8665
filed or pursuant to a decision of the board of tax appeals or any 8666
court to which the determination or decision has been appealed, so 8667
that the amount due from the taxpayer under the corrected 8668
assessment is less than the portion paid, there shall be issued to 8669
the taxpayer, its assigns, or legal representative a refund in the 8670

amount of the overpayment as provided by section 718.91 of the 8671
Revised Code, with interest on that amount as provided by that 8672
section. 8673

Sec. 753.21. (A) As used in this section, "building or 8674
structure" includes, but is not limited to, a modular unit, 8675
building, or structure and a movable unit, building, or structure. 8676

(B)(1) The legislative authority of a municipal corporation, 8677
by ordinance, may dedicate and permit the use, as a minimum 8678
security jail, of any vacant or abandoned public building or 8679
structure owned by the municipal corporation that has not been 8680
dedicated to or is not then in use for any municipal or other 8681
public purpose, or any building or structure rented or leased by 8682
the municipal corporation. The legislative authority of a 8683
municipal corporation, by ordinance, also may dedicate and permit 8684
the use, as a minimum security jail, of any building or structure 8685
purchased by or constructed by or for the municipal corporation. 8686
Subject to divisions (B)(3) and (C) of this section, upon the 8687
effective date of such an ordinance, the specified building or 8688
structure shall be used, in accordance with this section, for the 8689
confinement of persons who meet one of the following conditions: 8690

(a) The person is sentenced to a term of imprisonment for a 8691
traffic violation, a misdemeanor, or a violation of a municipal 8692
ordinance and is under the jurisdiction of the municipal 8693
corporation or is sentenced to a residential sanction in the jail 8694
for a felony of the fourth or fifth degree pursuant to sections 8695
2929.11 to 2929.19 of the Revised Code, and the jail administrator 8696
or the jail administrator's designee has classified the person as 8697
a minimal security risk. In determining the person's 8698
classification under this division, the administrator or designee 8699
shall consider all relevant factors, including, but not limited 8700
to, the person's escape risk and propensity for assaultive or 8701

violent behavior, based upon the person's prior and current 8702
behavior. 8703

(b) The person is an inmate transferred by order of a judge 8704
of the sentencing court upon the request of the sheriff, 8705
administrator, jailer, or other person responsible for operating 8706
the jail other than a contractor as defined in section 9.06 of the 8707
Revised Code, who is named in the request as being suitable for 8708
confinement in a minimum security facility. 8709

(2) The legislative authority of a municipal corporation, by 8710
ordinance, may affiliate with the county in which it is located, 8711
with one or more counties adjacent to the county in which it is 8712
located, or with one or more municipal corporations located within 8713
the county in which it is located or within an adjacent county, 8714
and dedicate and permit the use, as a minimum security jail, of 8715
any vacant or abandoned public building or structure owned by any 8716
of the affiliating counties or municipal corporations that has not 8717
been dedicated to or is not then in use for any public purpose, or 8718
any building or structure rented or leased by any of the 8719
affiliating counties or municipal corporations. The legislative 8720
authority of a municipal corporation, by ordinance, also may 8721
affiliate with one or more counties adjacent to the county in 8722
which it is located or with one or more municipal corporations 8723
located within the county in which it is located or within an 8724
adjacent county and dedicate and permit the use, as a minimum 8725
security jail, of any building or structure purchased by or 8726
constructed by or for any of the affiliating counties or municipal 8727
corporations. Any counties and municipal corporations that 8728
affiliate for purposes of this division shall enter into an 8729
agreement that establishes the responsibilities for the operation 8730
and for the cost of operation of the minimum security jail. 8731
Subject to divisions (B)(3) and (C) of this section, upon the 8732
effective date of an ordinance adopted under this division, the 8733

specified building or structure shall be used, in accordance with 8734
this section, for the confinement of persons who meet one of the 8735
following conditions: 8736

(a) The person is sentenced to a term of imprisonment for a 8737
traffic violation, a misdemeanor, or a violation of an ordinance 8738
of a municipal corporation and is under the jurisdiction of any of 8739
the affiliating counties or municipal corporations or is sentenced 8740
to a residential sanction in the jail for a felony of the fourth 8741
or fifth degree pursuant to sections 2929.11 to 2929.19 of the 8742
Revised Code, and the jail administrator or the jail 8743
administrator's designee has classified the person as a minimal 8744
security risk. In determining the person's classification under 8745
this division, the administrator or designee shall consider all 8746
relevant factors, including, but not limited to, the person's 8747
escape risk and propensity for assaultive or violent behavior, 8748
based upon the person's prior and current behavior. 8749

(b) The person is an inmate transferred by order of a judge 8750
of the sentencing court upon the request of the sheriff, 8751
administrator, jailer, or other person responsible for operating 8752
the jail other than a contractor as defined in section 9.06 of the 8753
Revised Code, who is named in the request as being suitable for 8754
confinement in a minimum security facility. 8755

(3) No person shall be confined in a building or structure 8756
dedicated as a minimum security jail under division (B)(1) or (2) 8757
of this section unless the judge who sentenced the person to the 8758
term of imprisonment for the traffic violation or the misdemeanor 8759
specifies that the term of imprisonment is to be served in that 8760
jail, and division (B)(1) or (2) of this section permits the 8761
confinement of the person in that jail or unless the judge who 8762
sentenced the person to the residential sanction for the felony 8763
specifies that the residential sanction is to be served in a jail, 8764
and division (B)(1) or (2) of this section permits the confinement 8765

of the person in that jail. If a rented or leased building or 8766
structure is so dedicated, the building or structure may be used 8767
as a minimum security jail only during the period that it is 8768
rented or leased by the municipal corporation or by an affiliated 8769
county or municipal corporation. If a person convicted of a 8770
misdemeanor is confined to a building or structure dedicated as a 8771
minimum security jail under division (B)(1) or (2) of this section 8772
and the sheriff, administrator, jailer, or other person 8773
responsible for operating the jail other than a contractor as 8774
defined in division (H) of section 9.06 of the Revised Code 8775
determines that it would be more appropriate for the person so 8776
confined to be confined in another jail or workhouse facility, the 8777
sheriff, administrator, jailer, or other person may transfer the 8778
person so confined to a more appropriate jail or workhouse 8779
facility. 8780

(C) All of the following apply in relation to a building or 8781
structure that is dedicated pursuant to division (B)(1) or (2) of 8782
this section for use as a minimum security jail: 8783

(1) To the extent that the use of the building or structure 8784
as a minimum security jail requires a variance from any municipal 8785
corporation, county, or township zoning ordinances or regulations, 8786
the variance shall be granted. 8787

(2) Except as provided in this section, the building or 8788
structure shall not be used to confine any person unless it is in 8789
substantial compliance with any applicable housing, fire 8790
prevention, sanitation, health, and safety codes, regulations, or 8791
standards. 8792

(3) Unless such satisfaction or compliance is required under 8793
the standards described in division (C)(4) of this section, and 8794
notwithstanding any other provision of state or local law to the 8795
contrary, the building or structure need not satisfy or comply 8796
with any state or local building standard or code in order to be 8797

used to confine a person for the purposes specified in division 8798
(B) of this section. 8799

(4) The building or structure shall not be used to confine 8800
any person unless it is in compliance with all minimum standards 8801
and minimum renovation, modification, and construction criteria 8802
for ~~minimum security~~ jails that have been proposed by the 8803
department of rehabilitation and correction, through its bureau of 8804
adult detention, under section 5120.10 of the Revised Code. 8805

(5) The building or structure need not be renovated or 8806
modified into a secure detention facility in order to be used 8807
solely to confine a person for the purposes specified in divisions 8808
(B)(1)(a) and (B)(2)(a) of this section. 8809

(6) The building or structure shall be used, equipped, 8810
furnished, and staffed to provide adequate and suitable living, 8811
sleeping, food service or preparation, drinking, bathing and 8812
toilet, sanitation, and other necessary facilities, furnishings, 8813
and equipment. 8814

(D) Except as provided in this section, a minimum security 8815
jail dedicated and used under this section shall be considered to 8816
be part of the jail, workhouse, or other correctional facilities 8817
of the municipal corporation or the affiliated counties and 8818
municipal corporations for all purposes under the law. All persons 8819
confined in such a minimum security jail shall be and shall 8820
remain, in all respects, under the control of the authority of the 8821
municipal corporation that has responsibility for the management 8822
and operation of the jail, workhouse, or other correctional 8823
facilities of the municipal corporation or, if it is operated by 8824
any affiliation of counties or municipal corporations, under the 8825
control of the specified county or municipal corporation with that 8826
authority, provided that, if the person was convicted of a felony 8827
and is serving a residential sanction in the facility, all 8828
provisions of law that pertain to persons convicted of a felony 8829

that would not by their nature clearly be inapplicable apply 8830
regarding the person. A minimum security jail dedicated and used 8831
under this section shall be managed and maintained in accordance 8832
with policies and procedures adopted by the legislative authority 8833
of the municipal corporation or the affiliated counties and 8834
municipal corporations governing the safe and healthful operation 8835
of the jail, the confinement and supervision of the persons 8836
sentenced to it, and their participation in work release or 8837
similar rehabilitation programs. In addition to other rules of 8838
conduct and discipline, the rights of ingress and egress of 8839
persons confined in a minimum security jail dedicated and used 8840
under this section shall be subject to reasonable restrictions. 8841
Every person confined in a minimum security jail dedicated and 8842
used under this section shall be given verbal and written 8843
notification, at the time of the person's admission to the jail, 8844
that purposely leaving, or purposely failing to return to, the 8845
jail without proper authority or permission constitutes the felony 8846
offense of escape. 8847

(E) If a person who has been convicted of or pleaded guilty 8848
to an offense is sentenced to a term of imprisonment or a 8849
residential sanction in a minimum security jail as described in 8850
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 8851
an inmate transferred to a minimum security jail by order of a 8852
judge of the sentencing court as described in division (B)(1)(b) 8853
or (2)(b) of this section, at the time of reception and at other 8854
times the person in charge of the operation of the jail determines 8855
to be appropriate, the person in charge of the operation of the 8856
jail may cause the convicted offender to be examined and tested 8857
for tuberculosis, HIV infection, hepatitis, including but not 8858
limited to hepatitis A, B, and C, and other contagious diseases. 8859
The person in charge of the operation of the jail may cause a 8860
convicted offender in the jail who refuses to be tested or treated 8861
for tuberculosis, HIV infection, hepatitis, including but not 8862

limited to hepatitis A, B, and C, or another contagious disease to 8863
be tested and treated involuntarily. 8864

Sec. 901.172. (A) As used in this section, "beer," "cider," 8865
and "spirituous liquor" have the same meanings as in section 8866
4301.01 of the Revised Code. 8867

(B) The department of agriculture may promote the use of 8868
Ohio-produced agricultural goods grown for inclusion in both of 8869
the following: 8870

(1) Beer or cider through the issuance of logotypes to 8871
qualified producers and processors under a promotional 8872
certification program to be developed and administered by the 8873
division of markets. The program shall be entitled "Ohio Proud 8874
Craft Beer." 8875

(2) Spirituous liquor through the issuance of logotypes to 8876
qualified producers and processors under a promotional 8877
certification program to be developed and administered by the 8878
division. The program shall be entitled "Ohio Proud Craft 8879
Spirits." 8880

(C) Pursuant to rules adopted under Chapter 119. of the 8881
Revised Code, the department may establish reasonable fees and 8882
criteria for participation in the programs. All such fees shall be 8883
credited to the general revenue fund and used to finance the 8884
programs. 8885

the operation as a unit of an entire pool or part thereof. In 9284

additional recovery of oil or gas exceeds the estimated additional 9295
cost incident to conducting the operation. The order shall be upon 9296

prescribe a plan for unit operations that shall include: 9298

(1) A description of the unitized area, termed the unit area; 9299

of operations on the unit area or not unavoidably lost. The 9304
allocation shall be in accord with the agreement, if any, of the 9305

the proportion that the value of each tract so determined bears to 9311
the value of all tracts in the unit area. 9312

(4) A provision for the credits and charges to be made in the 9313
adjustment among the owners in the unit area for their respective 9314
investments in wells, tanks, pumps, machinery, materials, and 9315

obligations in connection with the unit, allowing a reasonable 9323
interest charge for such service; 9324

(7) A provision for the supervision and conduct of the unit 9325
operations, in respect to which each person shall have a vote with 9326
a value corresponding to the percentage of the expenses of unit 9327
operations chargeable against the interest of that person; 9328

(8) The time when the unit operations shall commence, and the 9329
manner in which, and the circumstances under which, the unit 9330
operations shall terminate; 9331

(9) Such additional provisions as are found to be appropriate 9332
for carrying on the unit operations, and for the protection or 9333
adjustment of correlative rights. 9334

(B) No order of the chief providing for unit operations shall 9335
become effective unless and until the plan for unit operations 9336
prescribed by the chief has been approved in writing by those 9337
owners who, under the chief's order, will be required to pay at 9338
least sixty-five per cent of the costs of the unit operation, and 9339
also by the royalty or, with respect to unleased acreage, fee 9340
owners of sixty-five per cent of the acreage to be included in the 9341
unit. If the plan for unit operations has not been so approved by 9342
owners and royalty owners at the time the order providing for unit 9343

operations is made, the chief shall upon application and notice 9344
hold such supplemental hearings as may be required to determine if 9345
and when the plan for unit operations has been so approved. If the 9346
owners and royalty owners, or either, owning the required 9347
percentage of interest in the unit area do not approve the plan 9348
for unit operations within a period of six months from the date on 9349
which the order providing for unit operations is made, the order 9350
shall cease to be of force and shall be revoked by the chief. 9351

An order providing for unit operations may be amended by an 9352
order made by the chief, in the same manner and subject to the 9353
same conditions as an original order providing for unit 9354
operations, provided that: 9355

(1) If such an amendment affects only the rights and 9356
interests of the owners, the approval of the amendment by the 9357
royalty owners shall not be required. 9358

(2) No such order of amendment shall change the percentage 9359
for allocation of oil and gas as established for any separately 9360
owned tract by the original order, except with the consent of all 9361
persons owning interest in the tract. 9362

The chief, by an order, may provide for the unit operation of 9363
a pool or a part thereof that embraces a unit area established by 9364
a previous order of the chief. Such an order, in providing for the 9365
allocation of unit production, shall first treat the unit area 9366
previously established as a single tract, and the portion of the 9367
unit production so allocated thereto shall then be allocated among 9368
the separately owned tracts included in the previously established 9369
unit area in the same proportions as those specified in the 9370
previous order. 9371

Oil and gas allocated to a separately owned tract shall be 9372
deemed, for all purposes, to have been actually produced from the 9373

obligations of each lease or contract covering lands in the unit 9381
area to the extent that compliance with such obligations cannot be 9382

sale thereof, shall be the property and income of the several 9385
persons to whom, or to whose credit, the same are allocated or 9386

Except to the extent that the parties affected so agree, no 9398
order providing for unit operations shall be construed to result 9399

by the division and verified by both the assignor or transferor 9419
and by the assignee or transferee ~~and shall be accompanied by a~~ 9420

shall contain a statement informing the landowner that the well 9424
may require periodic servicing to maintain its productivity; that, 9425
upon assignment or transfer of the well to the landowner, the 9426
landowner becomes responsible for compliance with the requirements 9427
of this chapter and rules adopted under it, including, without 9428
limitation, the proper disposal of brine obtained from the well, 9429
the plugging of the well when it becomes incapable of producing 9430
oil or gas, and the restoration of the well site; and that, upon 9431
assignment or transfer of the well to the landowner, the landowner 9432
becomes responsible for the costs of compliance with the 9433
requirements of this chapter and rules adopted under it and the 9434
costs for operating and servicing the well. 9435

(3) Notwithstanding division (A)(2) of this section, the 9436
assignee or transferee shall notify the division of oil and gas 9437

resources management of the assignment or transfer if both of the 9438
following apply: 9439

of the assignment or transfer as required by division (A)(2) of 9441
this section; 9442

(b) The assignor or transferor is deceased, dissolved, cannot 9443
be located, or is otherwise incapable of complying with the 9444
notification requirement. 9445

The assignee or transferee shall notify the division of the 9446
assignment or transfer on a form prescribed and provided by the 9447
division. At a minimum, the form shall require the assignee or 9448
transferee to attest that the assignee or transferee is the owner. 9449
The division shall not charge a fee for such assignment or 9450
transfer when notice is provided in accordance with division 9451
(A)(3) of this section. 9452

(B) When the entire interest of a well is proposed to be 9453
assigned or otherwise transferred to the landowner for use as an 9454
exempt domestic well, the owner who has been issued a permit under 9455
this chapter for the well shall submit to the chief of the 9456
division of oil and gas resources management an application for 9457
the assignment or transfer that contains all documents that the 9458
chief requires ~~and a nonrefundable fee of one hundred dollars.~~ The 9459
application for such an assignment or transfer shall be prescribed 9460
and provided by the chief. The chief may approve the application 9461
if the application is accompanied by a release of all of the oil 9462
and gas leases that are included in the applicable formation of 9463
the drilling unit, the release is in a form such that the well 9464
ownership merges with the fee simple interest of the surface 9465
tract, and the release is in a form that may be recorded. However, 9466
if the owner of the well does not release the oil and gas leases 9467
associated with the well that is proposed to be assigned or 9468
otherwise transferred or if the fee simple tract that results from 9469

the merger of the well ownership with the fee simple interest of 9470

the division prior to the assignment or transfer of the well to 9473
ensure that the well will be properly plugged. The chief, for good 9474
cause, may modify the requirements of this section governing the 9475
assignment or transfer of the interests of a well to the 9476
landowner. Upon the assignment or transfer of the well, the owner 9477
of an exempt domestic well is not subject to the severance tax 9478
levied under section 5749.02 of the Revised Code, but is subject 9479
to all applicable fees established in this chapter. 9480

(C) The owner holding a permit under section 1509.05 of the 9481
Revised Code is responsible for all obligations and liabilities 9482
imposed by this chapter and any rules, orders, and terms and 9483
conditions of a permit adopted or issued under it, and no 9484
assignment or transfer by the owner relieves the owner of the 9485
obligations and liabilities until and unless the assignee or 9486
transferee files with the division the information described in 9487
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 9488
section 1509.06 of the Revised Code; obtains liability insurance 9489

when none is required by that section; and executes and files a 9491
surety bond, negotiable certificates of deposit or irrevocable 9492
letters of credit, or cash, as described in that section. Instead 9493
of a bond, but only upon acceptance by the chief, the assignee or 9494
transferee may file proof of financial responsibility, described 9495
in section 1509.07 of the Revised Code. Section 1509.071 of the 9496
Revised Code applies to the surety bond, cash, and negotiable 9497
certificates of deposit and irrevocable letters of credit 9498
described in this section. Unless the chief approves a 9499
modification, each assignee or transferee shall operate in 9500
accordance with the plans and information filed by the permit 9501
holder pursuant to section 1509.06 of the Revised Code. 9502

(D) If a mortgaged property that is being foreclosed is 9503
subject to an oil or gas lease, pipeline agreement, or other 9504
instrument related to the production or sale of oil or natural gas 9505
and the lease, agreement, or other instrument was recorded 9506
subsequent to the mortgage, and if the lease, agreement, or other 9507
instrument is not in default, the oil or gas lease, pipeline 9508
agreement, or other instrument, as applicable, has priority over 9509
all other liens, claims, or encumbrances on the property so that 9510
the oil or gas lease, pipeline agreement, or other instrument is 9511
not terminated or extinguished upon the foreclosure sale of the 9512
mortgaged property. If the owner of the mortgaged property was 9513
entitled to oil and gas royalties before the foreclosure sale, the 9514
oil or gas royalties shall be paid to the purchaser of the 9515
foreclosed property. 9516

Sec. 1509.36. Any person adversely affected by an order by 9517
the chief of the division of oil and gas resources management may 9518
appeal to the oil and gas commission for an order vacating or 9519
modifying the order. 9520

The person so appealing to the commission shall be known as 9521
appellant and the chief shall be known as appellee. Appellant and 9522
appellee shall be deemed to be parties to the appeal. 9523

The appeal shall be in writing and shall set forth the order 9524
complained of and the grounds upon which the appeal is based. The 9525
appeal shall be filed with the commission within thirty days after 9526
the date upon which the ~~appellant~~ person to whom the order was 9527
issued received ~~notice by certified mail~~ the order and, for all 9528
other persons adversely affected by the order, within thirty days 9529
after the date of the order complained of. Notice of the filing of 9530
the appeal shall be filed with the chief within three days after 9531
the appeal is filed with the commission. 9532

Upon the filing of the appeal the commission promptly shall 9533

fix the time and place at which the hearing on the appeal will be 9534
held, and shall give the appellant and the chief at least ten 9535
days' written notice thereof by mail. The commission may postpone 9536
or continue any hearing upon its own motion or upon application of 9537
the appellant or of the chief. 9538

The filing of an appeal provided for in this section does not 9539
automatically suspend or stay execution of the order appealed 9540
from, but upon application by the appellant the commission may 9541
suspend or stay the execution pending determination of the appeal 9542
upon such terms as the commission considers proper. 9543

Either party to the appeal or any interested person who, 9544
pursuant to commission rules has been granted permission to 9545
appear, may submit such evidence as the commission considers 9546
admissible. 9547

For the purpose of conducting a hearing on an appeal, the 9548
commission may require the attendance of witnesses and the 9549
production of books, records, and papers, and it may, and at the 9550
request of any party it shall, issue subpoenas for witnesses or 9551
subpoenas duces tecum to compel the production of any books, 9552
records, or papers, directed to the sheriffs of the counties where 9553
the witnesses are found. The subpoenas shall be served and 9554
returned in the same manner as subpoenas in criminal cases are 9555
served and returned. The fees of sheriffs shall be the same as 9556
those allowed by the court of common pleas in criminal cases. 9557
Witnesses shall be paid the fees and mileage provided for under 9558
section 119.094 of the Revised Code. Such fees and mileage 9559
expenses incurred at the request of appellant shall be paid in 9560
advance by the appellant, and the remainder of those expenses 9561
shall be paid out of funds appropriated for the expenses of the 9562
division of oil and gas resources management. 9563

In case of disobedience or neglect of any subpoena served on 9564
any person, or the refusal of any witness to testify to any matter 9565

regarding which the witness may be lawfully interrogated, the 9566
court of common pleas of the county in which the disobedience, 9567
neglect, or refusal occurs, or any judge thereof, on application 9568
of the commission or any member thereof, shall compel obedience by 9569
attachment proceedings for contempt as in the case of disobedience 9570
of the requirements of a subpoena issued from that court or a 9571
refusal to testify therein. Witnesses at such hearings shall 9572
testify under oath, and any member of the commission may 9573
administer oaths or affirmations to persons who so testify. 9574

At the request of any party to the appeal, a record of the 9575
testimony and other evidence submitted shall be taken by an 9576
official court reporter at the expense of the party making the 9577
request for the record. The record shall include all of the 9578
testimony and other evidence and the rulings on the admissibility 9579
thereof presented at the hearing. The commission shall pass upon 9580
the admissibility of evidence, but any party may at the time 9581
object to the admission of any evidence and except to the rulings 9582
of the commission thereon, and if the commission refuses to admit 9583
evidence the party offering same may make a proffer thereof, and 9584
such proffer shall be made a part of the record of the hearing. 9585

If upon completion of the hearing the commission finds that 9586
the order appealed from was lawful and reasonable, it shall make a 9587
written order affirming the order appealed from; if the commission 9588
finds that the order was unreasonable or unlawful, it shall make a 9589
written order vacating the order appealed from and making the 9590
order that it finds the chief should have made. Every order made 9591
by the commission shall contain a written finding by the 9592
commission of the facts upon which the order is based. 9593

Notice of the making of the order shall be given forthwith to 9594
each party to the appeal by mailing a certified copy thereof to 9595
each such party by certified mail. 9596

The order of the commission is final unless vacated by the 9597

court of common pleas of Franklin county in an appeal as provided 9598
for in section 1509.37 of the Revised Code. Sections 1509.01 to 9599
1509.37 of the Revised Code, providing for appeals relating to 9600
orders by the chief or by the commission, or relating to rules 9601
adopted by the chief, do not constitute the exclusive procedure 9602
that any person who believes the person's rights to be unlawfully 9603
affected by those sections or any official action taken thereunder 9604
must pursue in order to protect and preserve those rights, nor do 9605
those sections constitute a procedure that that person must pursue 9606
before that person may lawfully appeal to the courts to protect 9607
and preserve those rights. 9608

Sec. 1509.50. (A) An oil and gas regulatory cost recovery 9609
assessment is hereby imposed by this section on an owner. An owner 9610

Code. However, an owner may designate a severer who shall pay the 9613
owner's assessment on behalf of the owner on the return that the 9614
severer is required to file under that section. If a severer so 9615
pays an owner's assessment, the severer may recoup from the owner 9616
the amount of the assessment. Except for an exempt domestic well, 9617
the assessment imposed shall be in addition to the taxes levied on 9618
the severance of oil and gas under section 5749.02 of the Revised 9619

~~budget and management transfers money from the severance tax~~ 9653
~~receipts fund as required in division (H) of section 5749.06 of~~ 9654
~~the Revised Code, money in the severance tax receipts fund from~~ 9655
~~amounts collected pursuant to this section shall be credited to~~ 9656
~~the oil and gas well fund created in section 1509.02 of the~~ 9657

each year, each wild animal permit holder shall file with the 9680
division of wildlife a written report of the permit holder's 9681
operations under the permit and the disposition of the specimens 9682
collected or possessed during the preceding calendar year on 9683
report blanks furnished by the chief of the division. Failure to 9684
file a report shall cause the permit to be forfeited as of the 9685
fifteenth day of March. Permits are not transferable. No permit 9686
holder or person collecting or possessing wild animals under 9687
authority of such a permit shall take, possess, or transport the 9688

of the Revised Code. A small game hunting license or an apprentice 9792
nonresident hunting license does not authorize the taking or 9793
possessing of deer, wild turkeys, or fur-bearing animals. A 9794
nonresident of the state who wishes to take or possess deer, wild 9795
turkeys, or fur-bearing animals in this state shall procure, 9796
respectively, a deer or wild turkey permit as provided in section 9797
1533.11 of the Revised Code or a fur taker permit as provided in 9798
section 1533.111 of the Revised Code in addition to a nonresident 9799
hunting license, an apprentice nonresident hunting license, a 9800
special youth hunting license, or an apprentice youth hunting 9801
license, as applicable, as provided in this section. 9802

(E) No person shall procure or attempt to procure a hunting 9803
license by fraud, deceit, misrepresentation, or any false 9804
statement. 9805

(F)(1) This section does not authorize the taking and 9806
possessing of deer or wild turkeys without first having obtained, 9807
in addition to the hunting license required by this section, a 9808
deer or wild turkey permit as provided in section 1533.11 of the 9809

Revised Code or the taking and possessing of ducks, geese, or 9810

of fur-bearing animals without first having obtained, in addition 9815
to a hunting license required by this section, a fur taker permit 9816
as provided in section 1533.111 of the Revised Code. 9817

(G)(1) No hunting license shall be issued unless it is 9818
accompanied by a written explanation of the law in section 1533.17 9819
of the Revised Code and the penalty for its violation, including a 9820
description of terms of imprisonment and fines that may be 9821
imposed. 9822

(2) No hunting license, other than an apprentice hunting 9823

manner approved by the chief, a certificate of completion issued 9827
upon completion of a hunter education and conservation course 9828
approved by the chief, or evidence of equivalent training in 9829

apprentice hunting license does not satisfy the requirement 9831
concerning the presentation of a previously held hunting license 9832
or evidence of it. 9833

(3) No person shall issue a hunting license, except an 9834

license, without presenting to the issuing agent the evidence 9838
required by this section. Issuance of a hunting license in 9839
violation of the requirements of this section is an offense by 9840
both the purchaser of the illegally obtained hunting license and 9841

the clerk or agent who issued the hunting license. Any hunting 9842
license issued in violation of this section is void. 9843

(H) The chief, with approval of the wildlife council, shall 9844
adopt rules prescribing a hunter education and conservation course 9845
for first-time hunting license buyers, other than buyers of 9846
apprentice hunting licenses, and for volunteer instructors. The 9847
course shall consist of subjects including, but not limited to, 9848

frequency and at such locations throughout the state as to 9856
reasonably meet the needs of license applicants. The chief shall 9857
issue a certificate of completion to each person who successfully 9858
completes the course and passes an examination prescribed by the 9859
chief. 9860

wildlife or volunteer instructors approved by the chief shall 10019
conduct the courses with such frequency and at such locations 10020
throughout the state as to reasonably meet the needs of permit 10021
applicants. The chief shall issue a certificate of completion to 10022
each person who successfully completes the course and passes an 10023

examination prescribed by the chief. 10024

(F) Every person, while hunting or trapping fur-bearing 10025
animals on lands of another, shall carry the person's fur taker 10026

considers necessary to carry out this section. 10030

(G) An owner who is a resident of this state or an owner who 10031

of three or fewer individual members or partners, as applicable, 10037
an individual member or partner who is a resident of this state 10038
and the member's or partner's children of any age may hunt or trap 10039
fur-bearing animals on the land owned by the limited liability 10040
company or limited liability partnership without a fur taker 10041
permit. In addition, if the owner of land in this state is a trust 10042
that has a total of three or fewer trustees and beneficiaries, an 10043
individual who is a trustee or beneficiary and who is a resident 10044
of this state and the individual's children of any age may hunt or 10045

fur taker permit. The tenant and children of the tenant may hunt 10047
or trap fur-bearing animals on lands where they reside without a 10048
fur taker permit. 10049

(H) A fur taker permit is not transferable. No person shall 10050
carry a fur taker permit issued in the name of another person. 10051

(I) A fur taker permit entitles a nonresident to take from 10052
this state fur-bearing animals taken and possessed by the 10053

Moneys received from the stamp fee shall be paid into the 10063
state treasury to the credit of the wetlands habitat fund, which 10064
is hereby established. Moneys shall be paid from the fund on the 10065
order of the director of natural resources for the following 10066
purposes: 10067

habitat for waterfowl with migration routes that cross this state. 10075

No moneys derived from the issuance of wetlands habitat 10076
stamps shall be spent for purposes other than those specified by 10077
this section. All investment earnings of the fund shall be 10078
credited to the fund. 10079

any person on any date, whether or not that date is within the 10090
period in which they are effective. 10091

Every person to whom this section applies, while hunting 10092
ducks, geese, or brant, shall carry an unexpired wetlands habitat 10093
stamp that is validated by the person's signature written on the 10094

director, with the approval of the advisory council on amusement 10410
ride safety, may waive or modify the application of a rule to any 10411
amusement ride if the public safety is secure. Any authorization 10412
by the director under this division shall be in writing and shall 10413

The advice shall not be binding upon the director. After having received the advice of the council, the director may proceed to contract with inspectors in accordance with the procedures specified in division (E)(2) of section 1711.11 of the Revised Code.

(3) With the advice and consent of the advisory council on amusement ride safety, the director may employ a special consultant to conduct an independent investigation of an amusement ride accident. reinspection is required by division (F) of this section because 10489
of an accident, or if the reinspection is required by division (F) 10490

2151.414 of the Revised Code that the child cannot be placed with 11002
one of the child's parents within a reasonable time or should not 11003
be placed with either parent and determines in accordance with 11004
division (D)(1) of section 2151.414 of the Revised Code that the 11005
permanent commitment is in the best interest of the child. If the 11006

agency, if a public children services agency or private child 11013
placing agency requests the court to place the child in a planned 11014

is in the best interest of the child, that the child is sixteen 11017
years of age or older, and that one of the following exists: 11018

(a) The child, because of physical, mental, or psychological 11019
problems or needs, is unable to function in a family-like setting 11020

(c) The child has been counseled on the permanent placement 11031
options available to the child, and is unwilling to accept or 11032
unable to adapt to a permanent placement. 11033

(6) Order the removal from the child's home until further 11034
order of the court of the person who committed abuse as described 11035
in section 2151.031 of the Revised Code against the child, who 11036

child in a planned permanent living arrangement pursuant to 11043
division (A)(5)(b) or (c) of this section, the court shall 11044
consider all relevant information that has been presented to the 11045
court, including information gathered from the child, the child's 11046
guardian ad litem, and the public children services agency or 11047
private child placing agency. 11048

(2) A child who is placed in a planned permanent living 11049
arrangement pursuant to division (A)(5)(b) or (c) of this section 11050
shall be placed in an independent living setting or in a family 11051
setting in which the caregiver has been provided by the agency 11052
that has custody of the child with a notice that addresses the 11053
following: 11054

(a) The caregiver understands that the planned permanent 11055
living arrangement is intended to be permanent in nature and that 11056
the caregiver will provide a stable placement for the child 11057
through the child's emancipation or until the court releases the 11058
child from the custody of the agency, whichever occurs first. 11059

(b) The caregiver is expected to actively participate in the 11060

agency. 11070

(C) No order for permanent custody or temporary custody of a 11071
child or the placement of a child in a planned permanent living 11072
arrangement shall be made pursuant to this section unless the 11073

prayer requesting permanent custody, temporary custody, or the 11075
placement of the child in a planned permanent living arrangement 11076
as desired, the summons served on the parents of the child 11077
contains as is appropriate a full explanation that the granting of 11078
an order for permanent custody permanently divests them of their 11079
parental rights, a full explanation that an adjudication that the 11080
child is an abused, neglected, or dependent child may result in an 11081
order of temporary custody that will cause the removal of the 11082
child from their legal custody until the court terminates the 11083
order of temporary custody or permanently divests the parents of 11084
their parental rights, or a full explanation that the granting of 11085
an order for a planned permanent living arrangement will result in 11086
the removal of the child from their legal custody if any of the 11087
conditions listed in divisions (A)(5)(a) to (c) of this section 11088
are found to exist, and the summons served on the parents contains 11089
a full explanation of their right to be represented by counsel and 11090
to have counsel appointed pursuant to Chapter 120. of the Revised 11091
Code if they are indigent. 11092

If after making disposition as authorized by division (A)(2) 11093
of this section, a motion is filed that requests permanent custody 11094
of the child, the court may grant permanent custody of the child 11095
to the movant in accordance with section 2151.414 of the Revised 11096

any reasonable restrictions upon the child, the child's parents, 11100
guardian, or custodian, or any other person, including, but not 11101
limited to, any of the following: 11102

issuance of the order, to vacate the child's home indefinitely or 11104
for a specified period of time; 11105

(2) Order a party, a parent of the child, or a physical 11106
custodian of the child to prevent any particular person from 11107
having contact with the child; 11108

(3) Issue an order restraining or otherwise controlling the 11109
conduct of any person which conduct would not be in the best 11110
interest of the child. 11111

(E) As part of its dispositional order, the court shall 11112
journalize a case plan for the child. The journalized case plan 11113
shall not be changed except as provided in section 2151.412 of the 11114
Revised Code. 11115

(F)(1) The court shall retain jurisdiction over any child for 11116
whom the court issues an order of disposition pursuant to division 11117

years if the child is mentally retarded, developmentally disabled, 11122
or physically impaired, or the child is adopted and a final decree 11123
of adoption is issued, except that the court may retain 11124
jurisdiction over the child and continue any order of disposition 11125
under division (A) of this section or under section 2151.414 or 11126
2151.415 of the Revised Code for a specified period of time to 11127
enable the child to graduate from high school or vocational 11128
school. ~~The court shall retain jurisdiction over a person who~~ 11129

party, other than any parent whose parental rights with respect to 11137

the child have been terminated pursuant to an order issued under 11138
division (A)(4) of this section, by filing a motion with the 11139
court, may at any time request the court to modify or terminate 11140
any order of disposition issued pursuant to division (A) of this 11141
section or section 2151.414 or 2151.415 of the Revised Code. The 11142
court shall hold a hearing upon the motion as if the hearing were 11143
the original dispositional hearing and shall give all parties to 11144
the action and the guardian ad litem notice of the hearing 11145
pursuant to the Juvenile Rules. If applicable, the court shall 11146
comply with section 2151.42 of the Revised Code. 11147

(G) Any temporary custody order issued pursuant to division 11148
(A) of this section shall terminate one year after the earlier of 11149
the date on which the complaint in the case was filed or the child 11150
was first placed into shelter care, except that, upon the filing 11151
of a motion pursuant to section 2151.415 of the Revised Code, the 11152
temporary custody order shall continue and not terminate until the 11153
court issues a dispositional order under that section. In 11154
resolving the motion, the court shall not order an existing 11155
temporary custody order to continue beyond two years after the 11156
date on which the complaint was filed or the child was first 11157
placed into shelter care, whichever date is earlier, regardless of 11158
whether any extensions have been previously ordered pursuant to 11159
division (D) of section 2151.415 of the Revised Code. 11160

(H)(1) No later than one year after the earlier of the date 11161
the complaint in the case was filed or the child was first placed 11162
in shelter care, a party may ask the court to extend an order for 11163
protective supervision for six months or to terminate the order. A 11164
party requesting extension or termination of the order shall file 11165

and give notice of the proposed extension or termination in 11167
writing before the end of the day after the day of filing it to 11168
all parties and the child's guardian ad litem. If a public 11169

children services agency or private child placing agency requests 11170
termination of the order, the agency shall file a written status 11171
report setting out the facts supporting termination of the order 11172
at the time it files the request with the court. If no party 11173
requests extension or termination of the order, the court shall 11174
notify the parties that the court will extend the order for six 11175
months or terminate it and that it may do so without a hearing 11176
unless one of the parties requests a hearing. All parties and the 11177
guardian ad litem shall have seven days from the date a notice is 11178
sent pursuant to this division to object to and request a hearing 11179

parties and the guardian ad litem. At the hearing, the court shall 11185
determine whether extension or termination of the order is in the 11186
child's best interest. If termination is in the child's best 11187
interest, the court shall terminate the order. If extension is in 11188
the child's best interest, the court shall extend the order for 11189
six months. 11190

(b) If it does not receive a timely request for a hearing, 11191
the court may extend the order for six months or terminate it 11192
without a hearing and shall journalize the order of extension or 11193
termination not later than fourteen days after receiving the 11194
request for extension or termination or after the date the court 11195
notifies the parties that it will extend or terminate the order. 11196
If the court does not extend or terminate the order, it shall 11197
schedule a hearing to be held no later than thirty days after the 11198
expiration of the applicable fourteen-day time period and give 11199
notice of the date, time, and location of the hearing to all 11200
parties and the child's guardian ad litem. At the hearing, the 11201

court shall determine whether extension or termination of the 11202
order is in the child's best interest. If termination is in the 11203
child's best interest, the court shall terminate the order. If 11204
extension is in the child's best interest, the court shall issue 11205
an order extending the order for protective supervision six 11206
months. 11207

(2) If the court grants an extension of the order for 11208
protective supervision pursuant to division (H)(1) of this 11209
section, a party may, prior to termination of the extension, file 11210
with the court a request for an additional extension of six months 11211
or for termination of the order. The court and the parties shall 11212
comply with division (H)(1) of this section with respect to 11213
extending or terminating the order. 11214

(3) If a court grants an extension pursuant to division 11215
(H)(2) of this section, the court shall terminate the order for 11216
protective supervision at the end of the extension. 11217

(I) The court shall not issue a dispositional order pursuant 11218
to division (A) of this section that removes a child from the 11219
child's home unless the court complies with section 2151.419 of 11220
the Revised Code and includes in the dispositional order the 11221
findings of fact required by that section. 11222

(J) If a motion or application for an order described in 11223
division (A)(6) of this section is made, the court shall not issue 11224
the order unless, prior to the issuance of the order, it provides 11225

hearing regarding the motion or application; 11230

(4) An opportunity to be represented by counsel at the 11231

hearing. 11232

(K) The jurisdiction of the court shall terminate one year 11233
after the date of the award or, if the court takes any further 11234
action in the matter subsequent to the award, the date of the 11235
latest further action subsequent to the award, if the court awards 11236
legal custody of a child to either of the following: 11237

(1) A legal custodian who, at the time of the award of legal 11238
custody, resides in a county of this state other than the county 11239

the matter subsequent to the award, one year after the date of the 11245
latest further action subsequent to the award. 11246

The court in the county in which the legal custodian resides 11247
then shall have jurisdiction in the matter. 11248

in division (A)(4)(b) of this section is deemed to have waived any 11374
testimonial privilege under division (C) of section 2317.02 of the 11375
Revised Code with respect to any communication the cleric receives 11376
from the penitent in that cleric-penitent relationship, and the 11377
cleric shall make a report pursuant to division (A)(4)(a) of this 11378
section with respect to that communication, if all of the 11379
following apply: 11380

(i) The penitent, at the time of the communication, is a 11381
child under eighteen years of age or is a person under twenty-one 11382
years of age with a developmental disability or physical 11383
impairment. 11384

(ii) The cleric knows, or has reasonable cause to believe 11385
based on facts that would cause a reasonable person in a similar 11386
position to believe, as a result of the communication or any 11387
observations made during that communication, the penitent has 11388
suffered or faces a threat of suffering any physical or mental 11389
wound, injury, disability, or condition of a nature that 11390

reasonably indicates abuse or neglect of the penitent. 11391

(iii) The abuse or neglect does not arise out of the 11392
penitent's attempt to have an abortion performed upon a child 11393
under eighteen years of age or upon a person under twenty-one 11394
years of age with a developmental disability or physical 11395
impairment without the notification of her parents, guardian, or 11396
custodian in accordance with section 2151.85 of the Revised Code. 11397

(d) Divisions (A)(4)(a) and (c) of this section do not apply 11398
in a cleric-penitent relationship when the disclosure of any 11399
communication the cleric receives from the penitent is in 11400
violation of the sacred trust. 11401

(e) As used in divisions (A)(1) and (4) of this section, 11402
"cleric" and "sacred trust" have the same meanings as in section 11403
2317.02 of the Revised Code. 11404

(B) Anyone who knows, or has reasonable cause to suspect 11405
based on facts that would cause a reasonable person in similar 11406
circumstances to suspect, that a child under eighteen years of 11407
age, or a person under twenty-one years of age with a 11408
developmental disability or physical impairment, has suffered or 11409
faces a threat of suffering any physical or mental wound, injury, 11410
disability, or other condition of a nature that reasonably 11411
indicates abuse or neglect of the child may report or cause 11412
reports to be made of that knowledge or reasonable cause to 11413
suspect to the entity or persons specified in this division. 11414
Except as provided in section 5120.173 of the Revised Code, a 11415
person making a report or causing a report to be made under this 11416
division shall make it or cause it to be made to the public 11417
children services agency or to a peace officer. In the 11418
circumstances described in section 5120.173 of the Revised Code, a 11419
person making a report or causing a report to be made under this 11420
division shall make it or cause it to be made to the entity 11421
specified in that section. 11422

(C) Any report made pursuant to division (A) or (B) of this section shall be made forthwith either by telephone or in person and shall be followed by a written report, if requested by the receiving agency or officer. The written report shall contain:

(1) The names and addresses of the child and the child's parents or the person or persons having custody of the child, if known;

(2) The child's age and the nature and extent of the child's injuries, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to have occurred or of the threat of injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to exist, including any evidence of previous injuries, abuse, or neglect;

(3) Any other information, including, but not limited to, results and reports of any medical examinations, tests, or procedures performed under division (D) of this section, that might be helpful in establishing the cause of the injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to have occurred or of the threat of injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to exist.

(D)(1) Any person, who is required by division (A) of this section to report child abuse or child neglect that is known or reasonably suspected or believed to have occurred, may take or cause to be taken color photographs of areas of trauma visible on a child and, if medically necessary for the purpose of diagnosing or treating injuries that are suspected to have occurred as a result of child abuse or child neglect, perform or cause to be performed radiological examinations and any other medical examinations of, and tests or procedures on, the child.

(2) The results and any available reports of examinations,

tests, or procedures made under division (D)(1) of this section 11454
shall be included in a report made pursuant to division (A) of 11455
this section. Any additional reports of examinations, tests, or 11456
procedures that become available shall be provided to the public 11457
children services agency, upon request. 11458

(3) If a health care professional provides health care 11459
services in a hospital, children's advocacy center, or emergency 11460
medical facility to a child about whom a report has been made 11461
under division (A) of this section, the health care professional 11462
may take any steps that are reasonably necessary for the release 11463
or discharge of the child to an appropriate environment. Before 11464
the child's release or discharge, the health care professional may 11465
obtain information, or consider information obtained, from other 11466
entities or individuals that have knowledge about the child. 11467
Nothing in division (D)(3) of this section shall be construed to 11468
alter the responsibilities of any person under sections 2151.27 11469
and 2151.31 of the Revised Code. 11470

(4) A health care professional may conduct medical 11471
examinations, tests, or procedures on the siblings of a child 11472
about whom a report has been made under division (A) of this 11473
section and on other children who reside in the same home as the 11474
child, if the professional determines that the examinations, 11475
tests, or procedures are medically necessary to diagnose or treat 11476
the siblings or other children in order to determine whether 11477
reports under division (A) of this section are warranted with 11478
respect to such siblings or other children. The results of the 11479
examinations, tests, or procedures on the siblings and other 11480
children may be included in a report made pursuant to division (A) 11481
of this section. 11482

(5) Medical examinations, tests, or procedures conducted 11483
under divisions (D)(1) and (4) of this section and decisions 11484
regarding the release or discharge of a child under division 11485

(D)(3) of this section do not constitute a law enforcement 11486
investigation or activity. 11487

(E)(1) When a peace officer receives a report made pursuant 11488
to division (A) or (B) of this section, upon receipt of the 11489
report, the peace officer who receives the report shall refer the 11490
report to the appropriate public children services agency, unless 11491
an arrest is made at the time of the report that results in the 11492
appropriate public children services agency being contacted 11493
concerning the possible abuse or neglect of a child or the 11494
possible threat of abuse or neglect of a child. 11495

(2) When a public children services agency receives a report 11496
pursuant to this division or division (A) or (B) of this section, 11497
upon receipt of the report, the public children services agency 11498
shall do both of the following: 11499

(a) Comply with section 2151.422 of the Revised Code; 11500

(b) If the county served by the agency is also served by a 11501
children's advocacy center and the report alleges sexual abuse of 11502
a child or another type of abuse of a child that is specified in 11503
the memorandum of understanding that creates the center as being 11504
within the center's jurisdiction, comply regarding the report with 11505
the protocol and procedures for referrals and investigations, with 11506
the coordinating activities, and with the authority or 11507
responsibility for performing or providing functions, activities, 11508
and services stipulated in the interagency agreement entered into 11509
under section 2151.428 of the Revised Code relative to that 11510
center. 11511

(F) No peace officer shall remove a child about whom a report 11512
is made pursuant to this section from the child's parents, 11513
stepparents, or guardian or any other persons having custody of 11514
the child without consultation with the public children services 11515
agency, unless, in the judgment of the officer, and, if the report 11516

was made by physician, the physician, immediate removal is 11517
considered essential to protect the child from further abuse or 11518
neglect. The agency that must be consulted shall be the agency 11519
conducting the investigation of the report as determined pursuant 11520
to section 2151.422 of the Revised Code. 11521

(G)(1) Except as provided in section 2151.422 of the Revised 11522
Code or in an interagency agreement entered into under section 11523
2151.428 of the Revised Code that applies to the particular 11524
report, the public children services agency shall investigate, 11525
within twenty-four hours, each report of child abuse or child 11526
neglect that is known or reasonably suspected or believed to have 11527
occurred and of a threat of child abuse or child neglect that is 11528
known or reasonably suspected or believed to exist that is 11529
referred to it under this section to determine the circumstances 11530
surrounding the injuries, abuse, or neglect or the threat of 11531
injury, abuse, or neglect, the cause of the injuries, abuse, 11532
neglect, or threat, and the person or persons responsible. The 11533
investigation shall be made in cooperation with the law 11534
enforcement agency and in accordance with the memorandum of 11535
understanding prepared under division (K) of this section. A 11536
representative of the public children services agency shall, at 11537
the time of initial contact with the person subject to the 11538
investigation, inform the person of the specific complaints or 11539
allegations made against the person. The information shall be 11540
given in a manner that is consistent with division (I)(1) of this 11541
section and protects the rights of the person making the report 11542
under this section. 11543

A failure to make the investigation in accordance with the 11544
memorandum is not grounds for, and shall not result in, the 11545
dismissal of any charges or complaint arising from the report or 11546
the suppression of any evidence obtained as a result of the report 11547
and does not give, and shall not be construed as giving, any 11548

rights or any grounds for appeal or post-conviction relief to any 11549
person. The public children services agency shall report each case 11550
to the uniform statewide automated child welfare information 11551
system that the department of job and family services shall 11552
maintain in accordance with section 5101.13 of the Revised Code. 11553
The public children services agency shall submit a report of its 11554
investigation, in writing, to the law enforcement agency. 11555

(2) The public children services agency shall make any 11556
recommendations to the county prosecuting attorney or city 11557
director of law that it considers necessary to protect any 11558
children that are brought to its attention. 11559

(H)(1)(a) Except as provided in divisions (H)(1)(b) and 11560
(I)(3) of this section, any person, health care professional, 11561
hospital, institution, school, health department, or agency shall 11562
be immune from any civil or criminal liability for injury, death, 11563
or loss to person or property that otherwise might be incurred or 11564
imposed as a result of any of the following: 11565

(i) Participating in the making of reports pursuant to 11566
division (A) of this section or in the making of reports in good 11567
faith, pursuant to division (B) of this section; 11568

(ii) Participating in medical examinations, tests, or 11569
procedures under division (D) of this section; 11570

(iii) Providing information used in a report made pursuant to 11571
division (A) of this section or providing information in good 11572
faith used in a report made pursuant to division (B) of this 11573
section; 11574

(iv) Participating in a judicial proceeding resulting from a 11575
report made pursuant to division (A) of this section or 11576
participating in good faith in a proceeding resulting from a 11577
report made pursuant to division (B) of this section. 11578

(b) Immunity under division (H)(1)(a)(ii) of this section 11579

shall not apply when a health care provider has deviated from the 11580
standard of care applicable to the provider's profession. 11581

(c) Notwithstanding section 4731.22 of the Revised Code, the 11582
physician-patient privilege shall not be a ground for excluding 11583
evidence regarding a child's injuries, abuse, or neglect, or the 11584
cause of the injuries, abuse, or neglect in any judicial 11585
proceeding resulting from a report submitted pursuant to this 11586
section. 11587

(2) In any civil or criminal action or proceeding in which it 11588
is alleged and proved that participation in the making of a report 11589
under this section was not in good faith or participation in a 11590
judicial proceeding resulting from a report made under this 11591
section was not in good faith, the court shall award the 11592
prevailing party reasonable attorney's fees and costs and, if a 11593
civil action or proceeding is voluntarily dismissed, may award 11594
reasonable attorney's fees and costs to the party against whom the 11595
civil action or proceeding is brought. 11596

(I)(1) Except as provided in divisions (I)(4) and (O) of this 11597
section, a report made under this section is confidential. The 11598
information provided in a report made pursuant to this section and 11599
the name of the person who made the report shall not be released 11600
for use, and shall not be used, as evidence in any civil action or 11601
proceeding brought against the person who made the report. Nothing 11602
in this division shall preclude the use of reports of other 11603
incidents of known or suspected abuse or neglect in a civil action 11604
or proceeding brought pursuant to division (N) of this section 11605
against a person who is alleged to have violated division (A)(1) 11606
of this section, provided that any information in a report that 11607
would identify the child who is the subject of the report or the 11608
maker of the report, if the maker of the report is not the 11609
defendant or an agent or employee of the defendant, has been 11610
redacted. In a criminal proceeding, the report is admissible in 11611

evidence in accordance with the Rules of Evidence and is subject 11612
to discovery in accordance with the Rules of Criminal Procedure. 11613

(2)(a) Except as provided in division (I)(2)(b) of this 11614
section, no person shall permit or encourage the unauthorized 11615
dissemination of the contents of any report made under this 11616
section. 11617

(b) A health care professional that obtains the same 11618
information contained in a report made under this section from a 11619
source other than the report may disseminate the information, if 11620
its dissemination is otherwise permitted by law. 11621

(3) A person who knowingly makes or causes another person to 11622
make a false report under division (B) of this section that 11623
alleges that any person has committed an act or omission that 11624
resulted in a child being an abused child or a neglected child is 11625
guilty of a violation of section 2921.14 of the Revised Code. 11626

(4) If a report is made pursuant to division (A) or (B) of 11627
this section and the child who is the subject of the report dies 11628
for any reason at any time after the report is made, but before 11629
the child attains eighteen years of age, the public children 11630
services agency or peace officer to which the report was made or 11631
referred, on the request of the child fatality review board or the 11632
director of health pursuant to guidelines established under 11633
section 3701.70 of the Revised Code, shall submit a summary sheet 11634
of information providing a summary of the report to the review 11635
board of the county in which the deceased child resided at the 11636
time of death or to the director. On the request of the review 11637
board or director, the agency or peace officer may, at its 11638
discretion, make the report available to the review board or 11639
director. If the county served by the public children services 11640
agency is also served by a children's advocacy center and the 11641
report of alleged sexual abuse of a child or another type of abuse 11642
of a child is specified in the memorandum of understanding that 11643

creates the center as being within the center's jurisdiction, the 11644
agency or center shall perform the duties and functions specified 11645
in this division in accordance with the interagency agreement 11646
entered into under section 2151.428 of the Revised Code relative 11647
to that advocacy center. 11648

(5) A public children services agency shall advise a person 11649
alleged to have inflicted abuse or neglect on a child who is the 11650
subject of a report made pursuant to this section, including a 11651
report alleging sexual abuse of a child or another type of abuse 11652
of a child referred to a children's advocacy center pursuant to an 11653
interagency agreement entered into under section 2151.428 of the 11654
Revised Code, in writing of the disposition of the investigation. 11655
The agency shall not provide to the person any information that 11656
identifies the person who made the report, statements of 11657
witnesses, or police or other investigative reports. 11658

(J) Any report that is required by this section, other than a 11659
report that is made to the state highway patrol as described in 11660
section 5120.173 of the Revised Code, shall result in protective 11661
services and emergency supportive services being made available by 11662
the public children services agency on behalf of the children 11663
about whom the report is made, in an effort to prevent further 11664
neglect or abuse, to enhance their welfare, and, whenever 11665
possible, to preserve the family unit intact. The agency required 11666
to provide the services shall be the agency conducting the 11667
investigation of the report pursuant to section 2151.422 of the 11668
Revised Code. 11669

(K)(1) Each public children services agency shall prepare a 11670
memorandum of understanding that is signed by all of the 11671
following: 11672

(a) If there is only one juvenile judge in the county, the 11673
juvenile judge of the county or the juvenile judge's 11674
representative; 11675

(b) If there is more than one juvenile judge in the county, a juvenile judge or the juvenile judges' representative selected by the juvenile judges or, if they are unable to do so for any reason, the juvenile judge who is senior in point of service or the senior juvenile judge's representative;

(c) The county peace officer;

(d) All chief municipal peace officers within the county;

(e) Other law enforcement officers handling child abuse and neglect cases in the county;

(f) The prosecuting attorney of the county;

(g) If the public children services agency is not the county department of job and family services, the county department of job and family services;

(h) The county humane society;

(i) If the public children services agency participated in the execution of a memorandum of understanding under section 2151.426 of the Revised Code establishing a children's advocacy center, each participating member of the children's advocacy center established by the memorandum.

(2) A memorandum of understanding shall set forth the normal operating procedure to be employed by all concerned officials in the execution of their respective responsibilities under this section and division (C) of section 2919.21, division (B)(1) of section 2919.22, division (B) of section 2919.23, and section 2919.24 of the Revised Code and shall have as two of its primary goals the elimination of all unnecessary interviews of children who are the subject of reports made pursuant to division (A) or (B) of this section and, when feasible, providing for only one interview of a child who is the subject of any report made pursuant to division (A) or (B) of this section. A failure to

follow the procedure set forth in the memorandum by the concerned 11706
officials is not grounds for, and shall not result in, the 11707
dismissal of any charges or complaint arising from any reported 11708
case of abuse or neglect or the suppression of any evidence 11709
obtained as a result of any reported child abuse or child neglect 11710
and does not give, and shall not be construed as giving, any 11711
rights or any grounds for appeal or post-conviction relief to any 11712
person. 11713

(3) A memorandum of understanding shall include all of the 11714
following: 11715

(a) The roles and responsibilities for handling emergency and 11716
nonemergency cases of abuse and neglect; 11717

(b) Standards and procedures to be used in handling and 11718
coordinating investigations of reported cases of child abuse and 11719
reported cases of child neglect, methods to be used in 11720
interviewing the child who is the subject of the report and who 11721
allegedly was abused or neglected, and standards and procedures 11722
addressing the categories of persons who may interview the child 11723
who is the subject of the report and who allegedly was abused or 11724
neglected. 11725

(4) If a public children services agency participated in the 11726
execution of a memorandum of understanding under section 2151.426 11727
of the Revised Code establishing a children's advocacy center, the 11728
agency shall incorporate the contents of that memorandum in the 11729
memorandum prepared pursuant to this section. 11730

(5) The clerk of the court of common pleas in the county may 11731
sign the memorandum of understanding prepared under division 11732
(K)(1) of this section. If the clerk signs the memorandum of 11733
understanding, the clerk shall execute all relevant 11734
responsibilities as required of officials specified in the 11735
memorandum. 11736

(L)(1) Except as provided in division (L)(4) or (5) of this 11737
section, a person who is required to make a report pursuant to 11738
division (A) of this section may make a reasonable number of 11739
requests of the public children services agency that receives or 11740
is referred the report, or of the children's advocacy center that 11741
is referred the report if the report is referred to a children's 11742
advocacy center pursuant to an interagency agreement entered into 11743
under section 2151.428 of the Revised Code, to be provided with 11744
the following information: 11745

(a) Whether the agency or center has initiated an 11746
investigation of the report; 11747

(b) Whether the agency or center is continuing to investigate 11748
the report; 11749

(c) Whether the agency or center is otherwise involved with 11750
the child who is the subject of the report; 11751

(d) The general status of the health and safety of the child 11752
who is the subject of the report; 11753

(e) Whether the report has resulted in the filing of a 11754
complaint in juvenile court or of criminal charges in another 11755
court. 11756

(2) A person may request the information specified in 11757
division (L)(1) of this section only if, at the time the report is 11758
made, the person's name, address, and telephone number are 11759
provided to the person who receives the report. 11760

When a peace officer or employee of a public children 11761
services agency receives a report pursuant to division (A) or (B) 11762
of this section the recipient of the report shall inform the 11763
person of the right to request the information described in 11764
division (L)(1) of this section. The recipient of the report shall 11765
include in the initial child abuse or child neglect report that 11766
the person making the report was so informed and, if provided at 11767

the time of the making of the report, shall include the person's 11768
name, address, and telephone number in the report. 11769

Each request is subject to verification of the identity of 11770
the person making the report. If that person's identity is 11771
verified, the agency shall provide the person with the information 11772
described in division (L)(1) of this section a reasonable number 11773
of times, except that the agency shall not disclose any 11774
confidential information regarding the child who is the subject of 11775
the report other than the information described in those 11776
divisions. 11777

(3) A request made pursuant to division (L)(1) of this 11778
section is not a substitute for any report required to be made 11779
pursuant to division (A) of this section. 11780

(4) If an agency other than the agency that received or was 11781
referred the report is conducting the investigation of the report 11782
pursuant to section 2151.422 of the Revised Code, the agency 11783
conducting the investigation shall comply with the requirements of 11784
division (L) of this section. 11785

(5) A health care professional who made a report under 11786
division (A) of this section, or on whose behalf such a report was 11787
made as provided in division (A)(1)(c) of this section, may 11788
authorize a person to obtain the information described in division 11789
(L)(1) of this section if the person requesting the information is 11790
associated with or acting on behalf of the health care 11791
professional who provided health care services to the child about 11792
whom the report was made. 11793

(M) The director of job and family services shall adopt rules 11794
in accordance with Chapter 119. of the Revised Code to implement 11795
this section. The department of job and family services may enter 11796
into a plan of cooperation with any other governmental entity to 11797
aid in ensuring that children are protected from abuse and 11798

neglect. The department shall make recommendations to the attorney 11799
general that the department determines are necessary to protect 11800
children from child abuse and child neglect. 11801

(N) Whoever violates division (A) of this section is liable 11802
for compensatory and exemplary damages to the child who would have 11803
been the subject of the report that was not made. A person who 11804
brings a civil action or proceeding pursuant to this division 11805
against a person who is alleged to have violated division (A)(1) 11806
of this section may use in the action or proceeding reports of 11807

impose any financial sanction pursuant to section 2929.18 of the 13143
Revised Code that is required for the offense and may impose any 13144
other financial sanction pursuant to that section but may not 13145
impose any additional sanction or combination of sanctions under 13146
section 2929.16 or 2929.17 of the Revised Code. 13147

If the offender is being sentenced for a fourth degree felony 13148

(2) For a third or fourth degree felony OVI offense for which sentence is imposed under division (G)(2) of this section, an additional prison term as described in division (B)(4) of section 2929.14 of the Revised Code or a community control sanction as described in division (G)(2) of this section.

(B)(1)(a) Except as provided in division (B)(1)(b) of this section, if an offender is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense, the court shall sentence the offender to a community control sanction or combination of community control sanctions if all of the following apply:

(b) The court has discretion to impose a prison term upon an 13193
offender who is convicted of or pleads guilty to a felony of the 13194
fourth or fifth degree that is not an offense of violence or that 13195
is a qualifying assault offense if any of the following apply: 13196

(ii) If the offense is a qualifying assault offense, the 13199
offender caused serious physical harm to another person while 13200
committing the offense, and, if the offense is not a qualifying 13201
assault offense, the offender caused physical harm to another 13202
person while committing the offense. 13203

(iii) The offender violated a term of the conditions of bond 13204
as set by the court. 13205

~~(iv) The court made a request of the department of 13206
rehabilitation and correction pursuant to division (B)(1)(c) of 13207
this section, and the department, within the forty five day period 13208
specified in that division, did not provide the court with the 13209
name of, contact information for, and program details of any 13210
community control sanction that is available for persons sentenced 13211
by the court. 13212~~

(v) The offense is a sex offense that is a fourth or fifth 13213
degree felony violation of any provision of Chapter 2907. of the 13214

Revised Code. 13215

~~(vi)~~(v) In committing the offense, the offender attempted to 13216
cause or made an actual threat of physical harm to a person with a 13217
deadly weapon. 13218

~~(vii)~~(vi) In committing the offense, the offender attempted 13219
to cause or made an actual threat of physical harm to a person, 13220
and the offender previously was convicted of an offense that 13221
caused physical harm to a person. 13222

~~(viii)~~(vii) The offender held a public office or position of 13223
trust, and the offense related to that office or position; the 13224
offender's position obliged the offender to prevent the offense or 13225
to bring those committing it to justice; or the offender's 13226
professional reputation or position facilitated the offense or was 13227
likely to influence the future conduct of others. 13228

~~(ix)~~(viii) The offender committed the offense for hire or as 13229
part of an organized criminal activity. 13230

~~(x)~~(ix) The offender at the time of the offense was serving, 13231

~~degree that is not an offense of violence or that is a qualifying~~ 13238
~~assault offense believes that no community control sanctions are~~ 13239
~~available for its use that, if imposed on the offender, will~~ 13240
~~adequately fulfill the overriding principles and purposes of~~ 13241
~~sentencing, the court shall contact the department of~~ 13242
~~rehabilitation and correction and ask the department to provide~~ 13243
~~the court with the names of, contact information for, and program~~ 13244
~~details of one or more community control sanctions that are~~ 13245

~~available for persons sentenced by the court. Not later than 13246
forty five days after receipt of a request from a court under this 13247
division, the department shall provide the court with the names 13248
of, contact information for, and program details of one or more 13249
community control sanctions that are available for persons 13250
sentenced by the court, if any. Upon making a request under this 13251
division that relates to a particular offender, a court shall 13252
defer sentencing of that offender until it receives from the 13253
department the names of, contact information for, and program 13254
details of one or more community control sanctions that are 13255
available for persons sentenced by the court or for forty five 13256
days, whichever is the earlier. 13257~~

~~If the department provides the court with the names of, 13258
contact information for, and program details of one or more 13259
community control sanctions that are available for persons 13260
sentenced by the court within the forty five day period specified 13261
in this division, the court shall impose upon the offender a 13262
community control sanction under division (B)(1)(a) of this 13263
section, except that the court may impose a prison term under 13264
division (B)(1)(b) of this section if a factor described in 13265
division (B)(1)(b)(i) or (ii) of this section applies. If the 13266
department does not provide the court with the names of, contact 13267
information for, and program details of one or more community 13268
control sanctions that are available for persons sentenced by the 13269
court within the forty five day period specified in this division, 13270
the court may impose upon the offender a prison term under 13271
division (B)(1)(b)(iv) of this section. 13272~~

~~(d) A sentencing court may impose an additional penalty under 13273
division (B) of section 2929.15 of the Revised Code upon an 13274
offender sentenced to a community control sanction under division 13275
(B)(1)(a) of this section if the offender violates the conditions 13276
of the community control sanction, violates a law, or leaves the 13277~~

state without the permission of the court or the offender's 13278
probation officer. 13279

(2) If division (B)(1) of this section does not apply, except 13280
as provided in division (E), (F), or (G) of this section, in 13281
determining whether to impose a prison term as a sanction for a 13282
felony of the fourth or fifth degree, the sentencing court shall 13283
comply with the purposes and principles of sentencing under 13284
section 2929.11 of the Revised Code and with section 2929.12 of 13285
the Revised Code. 13286

(C) Except as provided in division (D), (E), (F), or (G) of 13287
this section, in determining whether to impose a prison term as a 13288
sanction for a felony of the third degree or a felony drug offense 13289
that is a violation of a provision of Chapter 2925. of the Revised 13290
Code and that is specified as being subject to this division for 13291
purposes of sentencing, the sentencing court shall comply with the 13292
purposes and principles of sentencing under section 2929.11 of the 13293
Revised Code and with section 2929.12 of the Revised Code. 13294

(D)(1) Except as provided in division (E) or (F) of this 13295
section, for a felony of the first or second degree, for a felony 13296
drug offense that is a violation of any provision of Chapter 13297
2925., 3719., or 4729. of the Revised Code for which a presumption 13298
in favor of a prison term is specified as being applicable, and 13299
for a violation of division (A)(4) or (B) of section 2907.05 of 13300
the Revised Code for which a presumption in favor of a prison term 13301
is specified as being applicable, it is presumed that a prison 13302
term is necessary in order to comply with the purposes and 13303
principles of sentencing under section 2929.11 of the Revised 13304
Code. Division (D)(2) of this section does not apply to a 13305
presumption established under this division for a violation of 13306
division (A)(4) of section 2907.05 of the Revised Code. 13307

(2) Notwithstanding the presumption established under 13308
division (D)(1) of this section for the offenses listed in that 13309

division other than a violation of division (A)(4) or (B) of 13310
section 2907.05 of the Revised Code, the sentencing court may 13311
impose a community control sanction or a combination of community 13312
control sanctions instead of a prison term on an offender for a 13313
felony of the first or second degree or for a felony drug offense 13314
that is a violation of any provision of Chapter 2925., 3719., or 13315
4729. of the Revised Code for which a presumption in favor of a 13316
prison term is specified as being applicable if it makes both of 13317
the following findings: 13318

(a) A community control sanction or a combination of 13319
community control sanctions would adequately punish the offender 13320
and protect the public from future crime, because the applicable 13321
factors under section 2929.12 of the Revised Code indicating a 13322
lesser likelihood of recidivism outweigh the applicable factors 13323
under that section indicating a greater likelihood of recidivism. 13324

(b) A community control sanction or a combination of 13325
community control sanctions would not demean the seriousness of 13326
the offense, because one or more factors under section 2929.12 of 13327
the Revised Code that indicate that the offender's conduct was 13328
less serious than conduct normally constituting the offense are 13329
applicable, and they outweigh the applicable factors under that 13330
section that indicate that the offender's conduct was more serious 13331
than conduct normally constituting the offense. 13332

(E)(1) Except as provided in division (F) of this section, 13333
for any drug offense that is a violation of any provision of 13334
Chapter 2925. of the Revised Code and that is a felony of the 13335
third, fourth, or fifth degree, the applicability of a presumption 13336
under division (D) of this section in favor of a prison term or of 13337
division (B) or (C) of this section in determining whether to 13338
impose a prison term for the offense shall be determined as 13339
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 13340
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 13341

Revised Code, whichever is applicable regarding the violation. 13342

(2) If an offender who was convicted of or pleaded guilty to 13343
a felony violates the conditions of a community control sanction 13344
imposed for the offense solely by reason of producing positive 13345
results on a drug test or by acting pursuant to division (B)(2)(b) 13346
of section 2925.11 of the Revised Code with respect to a minor 13347
drug possession offense, the court, as punishment for the 13348
violation of the sanction, shall not order that the offender be 13349
imprisoned unless the court determines on the record either of the 13350
following: 13351

(a) The offender had been ordered as a sanction for the 13352
felony to participate in a drug treatment program, in a drug 13353
education program, or in narcotics anonymous or a similar program, 13354
and the offender continued to use illegal drugs after a reasonable 13355
period of participation in the program. 13356

(b) The imprisonment of the offender for the violation is 13357
consistent with the purposes and principles of sentencing set 13358
forth in section 2929.11 of the Revised Code. 13359

(3) A court that sentences an offender for a drug abuse 13360
offense that is a felony of the third, fourth, or fifth degree may 13361
require that the offender be assessed by a properly credentialed 13362
professional within a specified period of time. The court shall 13363
require the professional to file a written assessment of the 13364
offender with the court. If the offender is eligible for a 13365
community control sanction and after considering the written 13366
assessment, the court may impose a community control sanction that 13367
includes addiction services and recovery supports included in a 13368
community-based continuum of care established under section 13369
340.032 of the Revised Code. If the court imposes addiction 13370
services and recovery supports as a community control sanction, 13371
the court shall direct the level and type of addiction services 13372
and recovery supports after considering the assessment and 13373

recommendation of community addiction services providers. 13374

(F) Notwithstanding divisions (A) to (E) of this section, the 13375
court shall impose a prison term or terms under sections 2929.02 13376
to 2929.06, section 2929.14, section 2929.142, or section 2971.03 13377
of the Revised Code and except as specifically provided in section 13378
2929.20, divisions (C) to (I) of section 2967.19, or section 13379
2967.191 of the Revised Code or when parole is authorized for the 13380
offense under section 2967.13 of the Revised Code shall not reduce 13381
the term or terms pursuant to section 2929.20, section 2967.19, 13382
section 2967.193, or any other provision of Chapter 2967. or 13383
Chapter 5120. of the Revised Code for any of the following 13384
offenses: 13385

(1) Aggravated murder when death is not imposed or murder; 13386

(2) Any rape, regardless of whether force was involved and 13387
regardless of the age of the victim, or an attempt to commit rape 13388
if, had the offender completed the rape that was attempted, the 13389
offender would have been guilty of a violation of division 13390
(A)(1)(b) of section 2907.02 of the Revised Code and would be 13391
sentenced under section 2971.03 of the Revised Code; 13392

(3) Gross sexual imposition or sexual battery, if the victim 13393
is less than thirteen years of age and if any of the following 13394
applies: 13395

(a) Regarding gross sexual imposition, the offender 13396
previously was convicted of or pleaded guilty to rape, the former 13397
offense of felonious sexual penetration, gross sexual imposition, 13398

(G) Notwithstanding divisions (A) to (E) of this section, if 13550
an offender is being sentenced for a fourth degree felony OVI 13551
offense or for a third degree felony OVI offense, the court shall 13552
impose upon the offender a mandatory term of local incarceration 13553
or a mandatory prison term in accordance with the following: 13554

(1) If the offender is being sentenced for a fourth degree 13555
felony OVI offense and if the offender has not been convicted of 13556
and has not pleaded guilty to a specification of the type 13557
described in section 2941.1413 of the Revised Code, the court may 13558
impose upon the offender a mandatory term of local incarceration 13559
of sixty days or one hundred twenty days as specified in division 13560
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 13561

not reduce the term pursuant to section 2929.20, 2967.193, or any 13562
other provision of the Revised Code. The court that imposes a 13563
mandatory term of local incarceration under this division shall 13564
specify whether the term is to be served in a jail, a 13565
community-based correctional facility, a halfway house, or an 13566
alternative residential facility, and the offender shall serve the 13567
term in the type of facility specified by the court. A mandatory 13568
term of local incarceration imposed under division (G)(1) of this 13569
section is not subject to any other Revised Code provision that 13570
pertains to a prison term except as provided in division (A)(1) of 13571
this section. 13572

(2) If the offender is being sentenced for a third degree 13573
felony OVI offense, or if the offender is being sentenced for a 13574
fourth degree felony OVI offense and the court does not impose a 13575
mandatory term of local incarceration under division (G)(1) of 13576
this section, the court shall impose upon the offender a mandatory 13577
prison term of one, two, three, four, or five years if the 13578
offender also is convicted of or also pleads guilty to a 13579
specification of the type described in section 2941.1413 of the 13580
Revised Code or shall impose upon the offender a mandatory prison 13581
term of sixty days or one hundred twenty days as specified in 13582
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 13583
if the offender has not been convicted of and has not pleaded 13584
guilty to a specification of that type. Subject to divisions (C) 13585
to (I) of section 2967.19 of the Revised Code, the court shall not 13586
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 13587
any other provision of the Revised Code. The offender shall serve 13588
the one-, two-, three-, four-, or five-year mandatory prison term 13589
consecutively to and prior to the prison term imposed for the 13590
underlying offense and consecutively to any other mandatory prison 13591
term imposed in relation to the offense. In no case shall an 13592
offender who once has been sentenced to a mandatory term of local 13593
incarceration pursuant to division (G)(1) of this section for a 13594

fourth degree felony OVI offense be sentenced to another mandatory 13595
term of local incarceration under that division for any violation 13596
of division (A) of section 4511.19 of the Revised Code. In 13597
addition to the mandatory prison term described in division (G)(2) 13598
of this section, the court may sentence the offender to a 13599
community control sanction under section 2929.16 or 2929.17 of the 13600
Revised Code, but the offender shall serve the prison term prior 13601
to serving the community control sanction. The department of 13602
rehabilitation and correction may place an offender sentenced to a 13603
mandatory prison term under this division in an intensive program 13604
prison established pursuant to section 5120.033 of the Revised 13605
Code if the department gave the sentencing judge prior notice of 13606
its intent to place the offender in an intensive program prison 13607
established under that section and if the judge did not notify the 13608
department that the judge disapproved the placement. Upon the 13609
establishment of the initial intensive program prison pursuant to 13610
section 5120.033 of the Revised Code that is privately operated 13611
and managed by a contractor pursuant to a contract entered into 13612
under section 9.06 of the Revised Code, both of the following 13613
apply: 13614

(a) The department of rehabilitation and correction shall 13615
make a reasonable effort to ensure that a sufficient number of 13616
offenders sentenced to a mandatory prison term under this division 13617
are placed in the privately operated and managed prison so that 13618
the privately operated and managed prison has full occupancy. 13619

(b) Unless the privately operated and managed prison has full 13620
occupancy, the department of rehabilitation and correction shall 13621
not place any offender sentenced to a mandatory prison term under 13622
this division in any intensive program prison established pursuant 13623
to section 5120.033 of the Revised Code other than the privately 13624
operated and managed prison. 13625

(H) If an offender is being sentenced for a sexually oriented 13626

offense or child-victim oriented offense that is a felony 13627
committed on or after January 1, 1997, the judge shall require the 13628
offender to submit to a DNA specimen collection procedure pursuant 13629
to section 2901.07 of the Revised Code. 13630

(I) If an offender is being sentenced for a sexually oriented 13631
offense or a child-victim oriented offense committed on or after 13632
January 1, 1997, the judge shall include in the sentence a summary 13633
of the offender's duties imposed under sections 2950.04, 2950.041, 13634
2950.05, and 2950.06 of the Revised Code and the duration of the 13635
duties. The judge shall inform the offender, at the time of 13636
sentencing, of those duties and of their duration. If required 13637
under division (A)(2) of section 2950.03 of the Revised Code, the 13638
judge shall perform the duties specified in that section, or, if 13639
required under division (A)(6) of section 2950.03 of the Revised 13640
Code, the judge shall perform the duties specified in that 13641
division. 13642

(J)(1) Except as provided in division (J)(2) of this section, 13643
when considering sentencing factors under this section in relation 13644
to an offender who is convicted of or pleads guilty to an attempt 13645
to commit an offense in violation of section 2923.02 of the 13646
Revised Code, the sentencing court shall consider the factors 13647
applicable to the felony category of the violation of section 13648
2923.02 of the Revised Code instead of the factors applicable to 13649
the felony category of the offense attempted. 13650

(2) When considering sentencing factors under this section in 13651
relation to an offender who is convicted of or pleads guilty to an 13652
attempt to commit a drug abuse offense for which the penalty is 13653
determined by the amount or number of unit doses of the controlled 13654
substance involved in the drug abuse offense, the sentencing court 13655
shall consider the factors applicable to the felony category that 13656
the drug abuse offense attempted would be if that drug abuse 13657
offense had been committed and had involved an amount or number of 13658

unit doses of the controlled substance that is within the next 13659
lower range of controlled substance amounts than was involved in 13660
the attempt. 13661

(K) As used in this section: 13662

(1) "Community addiction services provider" has the same 13663
meaning as in section 5119.01 of the Revised Code. 13664

(2) "Drug abuse offense" has the same meaning as in section 13665
2925.01 of the Revised Code. 13666

(3) "Minor drug possession offense" has the same meaning as 13667
in section 2925.11 of the Revised Code. 13668

(4) "Qualifying assault offense" means a violation of section 13669
2903.13 of the Revised Code for which the penalty provision in 13670
division (C)(8)(b) or (C)(9)(b) of that section applies. 13671

(L) At the time of sentencing an offender for any sexually 13672
oriented offense, if the offender is a tier III sex 13673
offender/child-victim offender relative to that offense and the 13674
offender does not serve a prison term or jail term, the court may 13675
require that the offender be monitored by means of a global 13676
positioning device. If the court requires such monitoring, the 13677
cost of monitoring shall be borne by the offender. If the offender 13678
is indigent, the cost of compliance shall be paid by the crime 13679
victims reparations fund. 13680

Sec. 2929.15. (A)(1) If in sentencing an offender for a 13681
felony the court is not required to impose a prison term, a 13682
mandatory prison term, or a term of life imprisonment upon the 13683
offender, the court may directly impose a sentence that consists 13684
of one or more community control sanctions authorized pursuant to 13685
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 13686
court is sentencing an offender for a fourth degree felony OVI 13687
offense under division (G)(1) of section 2929.13 of the Revised 13688

Code, in addition to the mandatory term of local incarceration 13689
imposed under that division and the mandatory fine required by 13690
division (B)(3) of section 2929.18 of the Revised Code, the court 13691
may impose upon the offender a community control sanction or 13692
combination of community control sanctions in accordance with 13693
sections 2929.16 and 2929.17 of the Revised Code. If the court is 13694
sentencing an offender for a third or fourth degree felony OVI 13695
offense under division (G)(2) of section 2929.13 of the Revised 13696
Code, in addition to the mandatory prison term or mandatory prison 13697
term and additional prison term imposed under that division, the 13698
court also may impose upon the offender a community control 13699
sanction or combination of community control sanctions under 13700
section 2929.16 or 2929.17 of the Revised Code, but the offender 13701
shall serve all of the prison terms so imposed prior to serving 13702
the community control sanction. 13703

The duration of all community control sanctions imposed upon 13704
an offender under this division shall not exceed five years. If 13705
the offender absconds or otherwise leaves the jurisdiction of the 13706
court in which the offender resides without obtaining permission 13707
from the court or the offender's probation officer to leave the 13708
jurisdiction of the court, or if the offender is confined in any 13709
institution for the commission of any offense while under a 13710
community control sanction, the period of the community control 13711
sanction ceases to run until the offender is brought before the 13712
court for its further action. If the court sentences the offender 13713
to one or more nonresidential sanctions under section 2929.17 of 13714
the Revised Code, the court shall impose as a condition of the 13715
nonresidential sanctions that, during the period of the sanctions, 13716
the offender must abide by the law and must not leave the state 13717
without the permission of the court or the offender's probation 13718
officer. The court may impose any other conditions of release 13719
under a community control sanction that the court considers 13720

appropriate, including, but not limited to, requiring that the 13721
offender not ingest or be injected with a drug of abuse and submit 13722
to random drug testing as provided in division (D) of this section 13723
to determine whether the offender ingested or was injected with a 13724
drug of abuse and requiring that the results of the drug test 13725
indicate that the offender did not ingest or was not injected with 13726
a drug of abuse. 13727

(2)(a) If a court sentences an offender to any community 13728
control sanction or combination of community control sanctions 13729
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 13730
Revised Code, the court shall place the offender under the general 13731
control and supervision of a department of probation in the county 13732
that serves the court for purposes of reporting to the court a 13733
violation of any condition of the sanctions, any condition of 13734
release under a community control sanction imposed by the court, a 13735
violation of law, or the departure of the offender from this state 13736
without the permission of the court or the offender's probation 13737
officer. Alternatively, if the offender resides in another county 13738
and a county department of probation has been established in that 13739
county or that county is served by a multicounty probation 13740
department established under section 2301.27 of the Revised Code, 13741
the court may request the court of common pleas of that county to 13742
receive the offender into the general control and supervision of 13743
that county or multicounty department of probation for purposes of 13744
reporting to the court a violation of any condition of the 13745
sanctions, any condition of release under a community control 13746
sanction imposed by the court, a violation of law, or the 13747
departure of the offender from this state without the permission 13748
of the court or the offender's probation officer, subject to the 13749
jurisdiction of the trial judge over and with respect to the 13750
person of the offender, and to the rules governing that department 13751
of probation. 13752

If there is no department of probation in the county that 13753
serves the court, the court shall place the offender, regardless 13754
of the offender's county of residence, under the general control 13755
and supervision of the adult parole authority if the court has 13756
entered into an agreement with the authority as described in 13757
division (B) of section 2301.32 of the Revised Code or under an 13758
entity authorized under division (B) of section 2301.27 of the 13759
Revised Code to provide probation and supervisory services to 13760
counties for purposes of reporting to the court a violation of any 13761
of the sanctions, any condition of release under a community 13762
control sanction imposed by the court, a violation of law, or the 13763
departure of the offender from this state without the permission 13764
of the court or the offender's probation officer. 13765

(b) If the court imposing sentence upon an offender sentences 13766
the offender to any community control sanction or combination of 13767
community control sanctions authorized pursuant to section 13768

offender violates any condition of the sanctions, any condition of 13770
release under a community control sanction imposed by the court, 13771
violates any law, or departs the state without the permission of 13772
the court or the offender's probation officer, the public or 13773
private person or entity that operates or administers the sanction 13774
or the program or activity that comprises the sanction shall 13775
report the violation or departure directly to the sentencing 13776
court, or shall report the violation or departure to the county or 13777
multicounty department of probation with general control and 13778
supervision over the offender under division (A)(2)(a) of this 13779
section or the officer of that department who supervises the 13780
offender, or, if there is no such department with general control 13781
and supervision over the offender under that division, to the 13782
adult parole authority if the court has entered into an agreement 13783
with the authority as described in division (B) of section 2301.32 13784
of the Revised Code, or an entity authorized under division (B) of 13785

section 2301.27 of the Revised Code to provide probation and 13786
supervisory services to the county. If the public or private 13787
person or entity that operates or administers the sanction or the 13788
program or activity that comprises the sanction reports the 13789
violation or departure to the county or multicounty department of 13790
probation, the adult parole authority, or any other entity 13791
providing probation and supervisory services to the county, the 13792
department's, authority's, or other entity's officers may treat 13793
the offender as if the offender were on probation and in violation 13794
of the probation, and shall report the violation of the condition 13795
of the sanction, any condition of release under a community 13796
control sanction imposed by the court, the violation of law, or 13797
the departure from the state without the required permission to 13798
the sentencing court. 13799

(3) If an offender who is eligible for community control 13800
sanctions under this section admits to being drug addicted or the 13801
court has reason to believe that the offender is drug addicted, 13802
and if the offense for which the offender is being sentenced was 13803
related to the addiction, the court may require that the offender 13804
be assessed by a properly credentialed professional within a 13805
specified period of time and shall require the professional to 13806
file a written assessment of the offender with the court. If a 13807
court imposes treatment and recovery support services as a 13808
community control sanction, the court shall direct the level and 13809
type of treatment and recovery support services after 13810
consideration of the written assessment, if available at the time 13811
of sentencing, and recommendations of the professional and other 13812
treatment and recovery support services providers. 13813

(4) If an assessment completed pursuant to division (A)(3) of 13814
this section indicates that the offender is addicted to drugs or 13815
alcohol, the court may include in any community control sanction 13816
imposed for a violation of section 2925.02, 2925.03, 2925.04, 13817

2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 13818
2925.37 of the Revised Code a requirement that the offender 13819
participate in alcohol and drug addiction services and recovery 13820
supports certified under section 5119.36 of the Revised Code or 13821
offered by a properly credentialed community addiction services 13822
provider. 13823

(B)(1) If the conditions of a community control sanction are 13824
violated or if the offender violates a law or leaves the state 13825
without the permission of the court or the offender's probation 13826
officer, the sentencing court may impose upon the violator one or 13827
more of the following penalties: 13828

(a) A longer time under the same sanction if the total time 13829
under the sanctions does not exceed the five-year limit specified 13830
in division (A) of this section; 13831

(b) A more restrictive sanction under section 2929.16, 13832
2929.17, or 2929.18 of the Revised Code, including but not limited 13833
to, a new term in a community-based correctional facility, halfway 13834
house, or jail pursuant to division (A)(6) of section 2929.16 of 13835
the Revised Code; 13836

(c) A prison term on the offender pursuant to section 2929.14 13837
of the Revised Code and division (B)(3) of this section, provided 13838
that a prison term imposed under this division is subject to the 13839
following limitations, as applicable: 13840

(i) If the prison term is imposed for any technical violation 13841
of the conditions of a community control sanction imposed for a 13842
felony of the fifth degree or for any violation of law committed 13843
while under a community control sanction imposed for such a felony 13844
that consists of a new criminal offense and that is not a felony, 13845
the prison term shall not exceed ninety days. 13846

(ii) If the prison term is imposed for any technical 13847
violation of the conditions of a community control sanction 13848

imposed for a felony of the fourth degree that is not an offense 13849
of violence and is not a sexually oriented offense or for any 13850
violation of law committed while under a community control 13851
sanction imposed for such a felony that consists of a new criminal 13852
offense and that is not a felony, the prison term shall not exceed 13853
one hundred eighty days. 13854

(2) If an offender was acting pursuant to division (B)(2)(b) 13855
of section 2925.11 of the Revised Code and in so doing violated 13856
the conditions of a community control sanction based on a minor 13857
drug possession offense, as defined in section 2925.11 of the 13858
Revised Code, the sentencing court may consider the offender's 13859
conduct in seeking or obtaining medical assistance for another in 13860
good faith or for self or may consider the offender being the 13861
subject of another person seeking or obtaining medical assistance 13862
in accordance with that division as a mitigating factor before 13863
imposing any of the penalties described in division (B)(1) of this 13864
section. 13865

(3) The prison term, if any, imposed upon a violator pursuant 13866
to this division and division (B)(1) of this section shall be 13867
within the range of prison terms described in this division and 13868
shall not exceed the prison term specified in the notice provided 13869
to the offender at the sentencing hearing pursuant to division 13870
(B)(2) of section 2929.19 of the Revised Code. The court may 13871
reduce the longer period of time that the offender is required to 13872
spend under the longer sanction, the more restrictive sanction, or 13873
a prison term imposed pursuant to division (B)(1) of this section 13874
by the time the offender successfully spent under the sanction 13875
that was initially imposed. Except as otherwise specified in this 13876
division, the prison term imposed under this division and division 13877
(B)(1) of this section shall be within the range of prison terms 13878
available as a definite term for the offense for which the 13879
sanction that was violated was imposed. If the offense for which 13880

the sanction that was violated was imposed is a felony of the 13881
first or second degree committed on or after ~~the effective date of~~ 13882
~~this amendment~~ March 22, 2019, the prison term so imposed under 13883
this division shall be within the range of prison terms available 13884
as a minimum term for the offense under division (A)(1)(a) or 13885
(2)(a) of section 2929.14 of the Revised Code. 13886

(C) If an offender, for a significant period of time, 13887
fulfills the conditions of a sanction imposed pursuant to section 13888
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 13889
manner, the court may reduce the period of time under the sanction 13890
or impose a less restrictive sanction, but the court shall not 13891
permit the offender to violate any law or permit the offender to 13892
leave the state without the permission of the court or the 13893
offender's probation officer. 13894

(D)(1) If a court under division (A)(1) of this section 13895
imposes a condition of release under a community control sanction 13896
that requires the offender to submit to random drug testing, the 13897
department of probation, the adult parole authority, or any other 13898
entity that has general control and supervision of the offender 13899
under division (A)(2)(a) of this section may cause the offender to 13900
submit to random drug testing performed by a laboratory or entity 13901
that has entered into a contract with any of the governmental 13902
entities or officers authorized to enter into a contract with that 13903
laboratory or entity under section 341.26, 753.33, or 5120.63 of 13904
the Revised Code. 13905

(2) If no laboratory or entity described in division (D)(1) 13906
of this section has entered into a contract as specified in that 13907
division, the department of probation, the adult parole authority, 13908
or any other entity that has general control and supervision of 13909
the offender under division (A)(2)(a) of this section shall cause 13910
the offender to submit to random drug testing performed by a 13911
reputable public laboratory to determine whether the individual 13912

who is the subject of the drug test ingested or was injected with 13913
a drug of abuse. 13914

(3) A laboratory or entity that has entered into a contract 13915
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 13916
shall perform the random drug tests under division (D)(1) of this 13917
section in accordance with the applicable standards that are 13918
included in the terms of that contract. A public laboratory shall 13919
perform the random drug tests under division (D)(2) of this 13920
section in accordance with the standards set forth in the policies 13921
and procedures established by the department of rehabilitation and 13922
correction pursuant to section 5120.63 of the Revised Code. An 13923
offender who is required under division (A)(1) of this section to 13924
submit to random drug testing as a condition of release under a 13925
community control sanction and whose test results indicate that 13926
the offender ingested or was injected with a drug of abuse shall 13927
pay the fee for the drug test if the department of probation, the 13928
adult parole authority, or any other entity that has general 13929
control and supervision of the offender requires payment of a fee. 13930
A laboratory or entity that performs the random drug testing on an 13931
offender under division (D)(1) or (2) of this section shall 13932
transmit the results of the drug test to the appropriate 13933
department of probation, the adult parole authority, or any other 13934
entity that has general control and supervision of the offender 13935
under division (A)(2)(a) of this section. 13936

Sec. 2929.34. (A) A person who is convicted of or pleads 13937
guilty to aggravated murder, murder, or an offense punishable by 13938
life imprisonment and who is sentenced to a term of life 13939
imprisonment or a prison term pursuant to that conviction shall 13940
serve that term in an institution under the control of the 13941
department of rehabilitation and correction. 13942

(B)(1) A person who is convicted of or pleads guilty to a 13943

felony other than aggravated murder, murder, or an offense 13944
punishable by life imprisonment and who is sentenced to a term of 13945
imprisonment or a prison term pursuant to that conviction shall 13946
serve that term as follows: 13947

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 13948
this section, in an institution under the control of the 13949
department of rehabilitation and correction if the term is a 13950
prison term or as otherwise determined by the sentencing court 13951
pursuant to section 2929.16 of the Revised Code if the term is not 13952
a prison term; 13953

(b) In a facility of a type described in division (G)(1) of 13954
section 2929.13 of the Revised Code, if the offender is sentenced 13955
pursuant to that division. 13956

(2) If the term is a prison term, the person may be 13957
imprisoned in a jail that is not a minimum security jail pursuant 13958
to agreement under section 5120.161 of the Revised Code between 13959
the department of rehabilitation and correction and the local 13960
authority that operates the jail. 13961

(3)(a) As used in divisions (B)(3)(a) to (d) of this section: 13962

~~(i) "Target county" means Franklin county, Cuyahoga county,~~ 13963
~~Hamilton county, Summit county, Montgomery county, Lucas county,~~ 13964
~~Butler county, Stark county, Lorain county, and Mahoning county.~~ 13965

~~(ii) "Voluntary, "voluntary county"~~ means any county in which 13966
the board of county commissioners of the county and the 13967
administrative judge of the general division of the court of 13968
common pleas of the county enter into an agreement of the type 13969
described in division (B)(3)(b) of this section and in which the 13970
agreement has not been terminated as described in that division. 13971

(b) In any voluntary county ~~other than a target county~~, the 13972
board of county commissioners of the county and the administrative 13973
judge of the general division of the court of common pleas of the 13974

county may agree to having the county participate in the 13975
procedures regarding local and state confinement established under 13976
division (B)(3)(c) of this section. A board of county 13977
commissioners and an administrative judge of a court of common 13978
pleas that enter into an agreement of the type described in this 13979
division may terminate the agreement, but a termination under this 13980
division shall take effect only at the end of the state fiscal 13981
biennium in which the termination decision is made. 13982

(c) Except as provided in division (B)(3)(d) of this section, 13983
on and after July 1, 2018, no person sentenced by the court of 13984
common pleas of a ~~target county or of a~~ voluntary county to a 13985
prison term ~~that is twelve months or less~~ for a felony of the 13986
fifth degree shall serve the term in an institution under the 13987
control of the department of rehabilitation and correction. The 13988
person shall instead serve the sentence as a term of confinement 13989
in a facility of a type described in division (C) or (D) of this 13990
section. Nothing in this division relieves the state of its 13991
obligation to pay for the cost of confinement of the person in a 13992
community-based correctional facility under division (D) of this 13993
section. 13994

(d) Division (B)(3)(c) of this section does not apply to any 13995
person to whom any of the following apply: 13996

(i) The felony of the fifth degree was an offense of 13997
violence, as defined in section 2901.01 of the Revised Code, a sex 13998

(ii) The person previously has been convicted of or pleaded 14002
guilty to any felony offense of violence, as defined in section 14003
2901.01 of the Revised Code, unless the felony of the fifth degree 14004

more misdemeanors and who is sentenced to a jail term or term of
imprisonment pursuant to the conviction or convictions shall serve
that term in a county, multicounty, municipal, municipal-county,
or multicounty-municipal jail or workhouse; in a community
alternative sentencing center or district community alternative
sentencing center when authorized by section 307.932 of the
Revised Code; or, if the misdemeanor or misdemeanors are not
offenses of violence, in a minimum security jail.

(D) Nothing in this section prohibits the commitment,
referral, or sentencing of a person who is convicted of or pleads
guilty to a felony to a community-based correctional facility.

Sec. 2941.51. (A) Counsel appointed to a case or selected by
an indigent person under division (E) of section 120.16 or
division (E) of section 120.26 of the Revised Code, or otherwise
appointed by the court, except for counsel appointed by the court
to provide legal representation for a person charged with a
violation of an ordinance of a municipal corporation, shall be
paid for their services by the county the compensation and
expenses that the trial court approves. Each request for payment
shall include a financial disclosure form completed by the
indigent person on a form prescribed by the state public defender.
Compensation and expenses shall not exceed the amounts fixed by
the board of county commissioners pursuant to division (B) of this

section. 14038

(B) The board of county commissioners shall establish a 14039
schedule of fees by case or on an hourly basis to be paid by the 14040
county for legal services provided by appointed counsel. Prior to 14041
establishing such schedule, the board shall request the bar 14042
association or associations of the county to submit a proposed 14043
schedule for cases other than capital cases. The schedule 14044
submitted shall be subject to the review, amendment, and approval 14045
of the board of county commissioners, except with respect to 14046
capital cases. With respect to capital cases, the schedule shall 14047
provide for fees by case or on an hourly basis to be paid to 14048
counsel in the amount or at the rate set by the capital case 14049
attorney fee council pursuant to division (D) of section 120.33 of 14050
the Revised Code, and the board of county commissioners shall 14051
approve that amount or rate. 14052

With respect to capital cases, counsel shall be paid 14053
compensation and expenses in accordance with the amount or at the 14054
rate set by the capital case attorney fee council pursuant to 14055
division (D) of section 120.33 of the Revised Code. 14056

(C) In a case where counsel have been appointed to conduct an 14057
appeal under Chapter 120. of the Revised Code, such compensation 14058
shall be fixed by the court of appeals or the supreme court, as 14059
provided in divisions (A) and (B) of this section. 14060

(D) The fees and expenses approved by the court under this 14061
section shall not be taxed as part of the costs and shall be paid 14062
by the county. However, if the person represented has, or 14063
reasonably may be expected to have, the means to meet some part of 14064
the cost of the services rendered to the person, the person shall 14065
pay the county an amount that the person reasonably can be 14066
expected to pay. Pursuant to section 120.04 of the Revised Code, 14067
the county shall pay to the state public defender a percentage of 14068
the payment received from the person in an amount proportionate to 14069

the percentage of the costs of the person's case that were paid to 14070
the county by the state public defender pursuant to this section. 14071
The money paid to the state public defender shall be credited to 14072
the client payment fund created pursuant to division (B)(5) of 14073
section 120.04 of the Revised Code. 14074

(E) The county auditor shall draw a warrant on the county 14075
treasurer for the payment of such counsel in the amount fixed by 14076
the court, plus the expenses that the court fixes and certifies to 14077
the auditor. The county auditor shall report periodically, but not 14078
less than annually, to the board of county commissioners and to 14079
the Ohio public defender commission the amounts paid out pursuant 14080
to the approval of the court under this section, separately 14081
stating costs and expenses that are reimbursable under section 14082
120.35 of the Revised Code. The board, after review and approval 14083
of the auditor's report, may then certify it to the state public 14084
defender for reimbursement. The request for reimbursement shall be 14085
accompanied by a financial disclosure form completed by each 14086
indigent person for whom counsel was provided on a form prescribed 14087
by the state public defender. The state public defender shall 14088
review the report and, in accordance with the standards, 14089
guidelines, and maximums established pursuant to divisions (B)(7) 14090
and (8) of section 120.04 of the Revised Code, pay ~~fifty per cent~~ 14091
~~of up to~~ the total cost, other than costs and expenses that are 14092
reimbursable under section 120.35 of the Revised Code, if any, of 14093
paying appointed counsel in each county and pay ~~fifty per cent of~~ 14094
costs and expenses that are reimbursable under section 120.35 of 14095
the Revised Code, if any, to the board. 14096

(F) If any county system for paying appointed counsel fails 14097
to maintain the standards for the conduct of the system 14098
established by the rules of the Ohio public defender commission 14099
pursuant to divisions (B) and (C) of section 120.03 of the Revised 14100
Code or the standards established by the state public defender 14101

pursuant to division (B)(7) of section 120.04 of the Revised Code, 14102
the commission shall notify the board of county commissioners of 14103
the county that the county system for paying appointed counsel has 14104
failed to comply with its rules. Unless the board corrects the 14105
conduct of its appointed counsel system to comply with the rules 14106
within ninety days after the date of the notice, the state public 14107
defender may deny all or part of the county's reimbursement from 14108
the state provided for in this section. 14109

enforcement officer; 14127

(2) An authorized employee of the bureau of criminal 14128

information to a board, administrator, or person pursuant to 14130
division (F) or (G) of section 109.57 of the Revised Code; 14131

(3) The registrar of motor vehicles, or an employee of the 14132

updating any of the information so provided, upon the request of 14134
the bureau of criminal identification and investigation; 14135

(4) The director of job and family services, or an employee 14136
of the director, for the purpose of complying with division (D) of 14137
section 5104.013 of the Revised Code. 14138

(B) Division (A) of this section does not apply to any 14139
information that is contained in the internet sex offender and 14140
child-victim offender database established by the attorney general 14141
under division (A)(11) of section 2950.13 of the Revised Code 14142

division. 14144

Sec. 3107.035. (A) At the time of the initial home study, and 14145
every two years thereafter, if the home study is updated, and 14146

may examine the petitioners separate and apart from each other. 14166

(C) If, at the conclusion of the hearing, the court finds 14167
that the required consents have been obtained or excused and that 14168
the adoption is in the best interest of the person sought to be 14169
adopted as supported by the evidence, it may issue, subject to 14170
division (C)(1)~~(a)~~ of section 2151.86, section 3107.064, and 14171
division (E) of section 3107.09 of the Revised Code, and any other 14172
limitations specified in this chapter, a final decree of adoption 14173
or an interlocutory order of adoption, which by its own terms 14174
automatically becomes a final decree of adoption on a date 14175
specified in the order, which, except as provided in division (B) 14176
of section 3107.13 of the Revised Code, shall not be less than six 14177
months or more than one year from the date the person to be 14178
adopted is placed in the petitioner's home, unless sooner vacated 14179
by the court for good cause shown. In determining whether the 14180
adoption is in the best interest of the person sought to be 14181
adopted, the court shall not consider the age of the petitioner if 14182
the petitioner is old enough to adopt as provided by section 14183
3107.03 of the Revised Code. 14184

In an interlocutory order of adoption, the court shall 14185
provide for observation, investigation, and a further report on 14186
the adoptive home during the interlocutory period. 14187

(D) If the requirements for a decree under division (C) of 14188
this section have not been satisfied or the court vacates an 14189
interlocutory order of adoption, or if the court finds that a 14190
person sought to be adopted was placed in the home of the 14191
petitioner in violation of law, the court shall dismiss the 14192
petition and may determine the agency or person to have temporary 14193
or permanent custody of the person, which may include the agency 14194

or person that had custody prior to the filing of the petition or 14195
the petitioner, if the court finds it is in the best interest of 14196
the person as supported by the evidence, or if the person is a 14197
minor, the court may certify the case to the juvenile court of the 14198
county where the minor is then residing for appropriate action and 14199
disposition. 14200

(E) The issuance of a final decree or interlocutory order of 14201
adoption for an adult adoption under division (A)(4) of section 14202
3107.02 of the Revised Code shall not disqualify that adult for 14203
services under section 2151.82 or 2151.83 of the Revised Code. 14204

Sec. 3119.05. When a court computes the amount of child 14205
support required to be paid under a court child support order or a 14206
child support enforcement agency computes the amount of child 14207
support to be paid pursuant to an administrative child support 14208
order, all of the following apply: 14209

(A) The parents' current and past income and personal 14210
earnings shall be verified by electronic means or with suitable 14211
documents, including, but not limited to, paystubs, employer 14212
statements, receipts and expense vouchers related to 14213
self-generated income, tax returns, and all supporting 14214
documentation and schedules for the tax returns. 14215

(B) The annual amount of any court-ordered spousal support 14216
actually paid, excluding any ordered payment on arrears, shall be 14217
deducted from the annual income of that parent to the extent that 14218
payment of that court-ordered spousal support is verified by 14219
supporting documentation. 14220

(C) The court or agency shall adjust the amount of child 14221
support paid by a parent to give credit for children not included 14222
in the current calculation. When calculating the adjusted amount, 14223
the court or agency shall use the schedule and do the following: 14224

(1) Determine the amount of child support that each parent 14225
would be ordered to pay for all children for whom the parent has 14226
the legal duty to support, according to each parent's annual 14227
income. If the number of children subject to the order is greater 14228
than six, multiply the amount for three children in accordance 14229
with division (C)(4) of this section to determine the amount of 14230
child support. 14231

(2) Compute a child support credit amount for each parent's 14232
children who are not subject to this order by dividing the amount 14233
determined in division (C)(1) of this section by the total number 14234
of children whom the parent is obligated to support and 14235
multiplying that number by the number of the parent's children who 14236
are not subject to this order. 14237

(3) Determine the adjusted income of the parents by 14238
subtracting the credit for minor children not subject to this 14239
order computed under division (C)(2) of this section, from the 14240
annual income of each parent for the children each has a duty to 14241
support that are not subject to this order. 14242

(4) If the number of children is greater than six, multiply 14243
the amount for three children by: 14244

(a) 1.440 for seven children; 14245

(b) 1.540 for eight children; 14246

(c) 1.638 for nine children; 14247

(d) 1.734 for ten children; 14248

(e) 1.827 for eleven children; 14249

(f) 1.919 for twelve children; 14250

(g) 2.008 for thirteen children; 14251

(h) 2.096 for fourteen children; 14252

(i) 2.182 for more than fourteen children. 14253

(D) When the court or agency calculates the annual income of 14254
a parent, it shall include the lesser of the following as income 14255
from overtime and bonuses: 14256

(1) The yearly average of all overtime, commissions, and 14257
bonuses received during the three years immediately prior to the 14258
time when the person's child support obligation is being computed; 14259

(2) The total overtime, commissions, and bonuses received 14260
during the year immediately prior to the time when the person's 14261
child support obligation is being computed. 14262

(E) When the court or agency calculates the annual income of 14263
a parent, it shall not include any income earned by the spouse of 14264
that parent. 14265

(F) The court shall issue a separate medical support order 14266
for extraordinary medical expenses, including orthodontia, dental, 14267
optical, and psychological services. 14268

If the court makes an order for payment of private education, 14269
and other appropriate expenses, it shall do so by issuing a 14270
separate order. 14271

The court may consider these expenses in adjusting a child 14272
support order. 14273

(G) When a court or agency calculates the amount of child 14274
support to be paid pursuant to a court child support order or an 14275
administrative child support order, the following shall apply: 14276

(1) The court or agency shall apply the basic child support 14277
schedule to the parents' combined annual incomes and to each 14278
parent's individual income. 14279

(2) If the combined annual income of both parents or the 14280
individual annual income of a parent is an amount that is between 14281
two amounts set forth in the first column of the schedule, the 14282
court or agency may use the basic child support obligation that 14283

corresponds to the higher of the two amounts in the first column 14284
of the schedule, use the basic child support obligation that 14285
corresponds to the lower of the two amounts in the first column of 14286
the schedule, or calculate a basic child support obligation that 14287
is between those two amounts and corresponds proportionally to the 14288
parents' actual combined annual income or the individual parent's 14289
annual income. 14290

(3) If the annual individual income of either or both of the 14291
parents is within the self-sufficiency reserve in the basic child 14292
support schedule, the court or agency shall do both of the 14293
following: 14294

(a) Calculate the basic child support obligation for the 14295
parents using the schedule amount applicable to the combined 14296
annual income and the schedule amount applicable to the income in 14297
the self-sufficiency reserve; 14298

(b) Determine the lesser of the following amounts to be the 14299
applicable basic child support obligation: 14300

(i) The amount that results from using the combined annual 14301
income of the parents not in the self-sufficiency reserve of the 14302
schedule; or 14303

(ii) The amount that results from using the individual 14304
parent's income within the self-sufficiency reserve of the 14305
schedule. 14306

(H) When the court or agency calculates annual income, the 14307
court or agency, when appropriate, may average income over a 14308
reasonable period of years. 14309

(I) Unless it would be unjust or inappropriate and therefore 14310
not in the best interests of the child, a court or agency shall 14311
not determine a parent to be voluntarily unemployed or 14312
underemployed and shall not impute income to that parent if any of 14313
the following conditions exist: 14314

(1) The parent is receiving recurring monetary income from 14315
means-tested public assistance benefits, including cash assistance 14316
payments under the Ohio works first program established under 14317
Chapter 5107. of the Revised Code, general assistance under former 14318
Chapter 5113. of the Revised Code, supplemental security income, 14319
or means-tested veterans' benefits; 14320

(2) The parent is approved for social security disability 14321
insurance benefits because of a mental or physical disability, or 14322
the court or agency determines that the parent is unable to work 14323
based on medical documentation that includes a physician's 14324
diagnosis and a physician's opinion regarding the parent's mental 14325
or physical disability and inability to work. 14326

(3) The parent has proven that the parent has made continuous 14327
and diligent efforts without success to find and accept 14328
employment, including temporary employment, part-time employment, 14329
or employment at less than the parent's previous salary or wage. 14330

(4) The parent is complying with court-ordered family 14331
reunification efforts in a child abuse, neglect, or dependency 14332
proceeding, to the extent that compliance with those efforts 14333
limits the parent's ability to earn income. 14334

(5) The parent is incarcerated or institutionalized for a 14335
period of twelve months or more with no other available assets, 14336
unless the parent is incarcerated for an offense relating to the 14337
abuse or neglect of a child who is the subject of the support 14338
order or an offense under Title XXIX of the Revised Code against 14339
the obligee or a child who is the subject of the support order. 14340

(J) When a court or agency requires a parent to pay an amount 14341
for that parent's failure to support a child for a period of time 14342
prior to the date the court modifies or issues a court child 14343
support order or an agency modifies or issues an administrative 14344
child support order for the current support of the child, the 14345

court or agency shall calculate that amount using the basic child support schedule, worksheets, and child support laws in effect, and the incomes of the parents as they existed, for that prior period of time.

(K) A court or agency may disregard a parent's additional income from overtime or additional employment when the court or agency finds that the additional income was generated primarily to support a new or additional family member or members, or under other appropriate circumstances.

(L) If both parents involved in the immediate child support determination have a prior order for support relative to a minor child or children born to both parents, the court or agency shall collect information about the existing order or orders and consider those together with the current calculation for support to ensure that the total of all orders for all children of the parties does not exceed the amount that would have been ordered if all children were addressed in a single judicial or administrative proceeding.

(M) A support obligation of a parent with annual income subject to the self-sufficiency reserve of the basic child support schedule shall not exceed the support obligation that would result from application of the schedule without the reserve.

(N) Any non-means tested benefit received by the child or children subject to the order resulting from the claims of either parent shall be deducted from that parent's annual child support obligation after all other adjustments have been made. If that non-means tested benefit exceeds the child support obligation of the parent from whose claim the benefit is realized, the child support obligation for that parent shall be zero.

(O) As part of the child support calculation, the parents shall be ordered to share the costs of child care. Subject to the

limitations in this division, a child support obligor shall pay an amount equal to the obligor's income share of the child care cost incurred for the child or children subject to the order.

(1) The child care cost used in the calculation:

(a) Shall be for the child determined to be necessary to allow a parent to work, or for activities related to employment training;

(b) Shall be verifiable by credible evidence as determined by a court or child support enforcement agency;

(c) Shall exclude any reimbursed or subsidized child care cost, including any state or federal tax credit for child care available to the parent or caretaker, whether or not claimed;

(d) Shall not exceed the maximum state-wide average cost estimate ~~issued by the department of job and family services, using the data collected and reported as required in section 5104.04 of the Revised Code~~ determined in accordance with 45 C.F.R. 98.45.

(2) When the annual income of the obligor is subject to the self-sufficiency reserve of the basic support schedule, the share of the child care cost paid by the obligor shall be equal to the lower of the obligor's income share of the child care cost, or fifty per cent of the child care cost.

Sec. 3119.23. The court may consider any of the following factors in determining whether to grant a deviation pursuant to section 3119.22 of the Revised Code:

(A) Special and unusual needs of the child or children, including needs arising from the physical or psychological condition of the child or children;

(B) Other court-ordered payments;

(C) Extended parenting time or extraordinary costs associated with parenting time, including extraordinary travel expenses when exchanging the child or children for parenting time;	14406 14407 14408

(E) The relative financial resources, including the disparity in income between parties or households, other assets, and the needs of each parent;	14411 14412 14413
(F) The obligee's income, if the obligee's annual income is equal to or less than one hundred per cent of the federal poverty level;	14414 14415 14416
(G) Benefits that either parent receives from remarriage or sharing living expenses with another person;	14417 14418

(I) Significant in-kind contributions from a parent, including, but not limited to, direct payment for lessons, sports equipment, schooling, or clothing;	14421 14422 14423
(J) Extraordinary work-related expenses incurred by either parent;	14424 14425
(K) The standard of living and circumstances of each parent and the standard of living the child would have enjoyed had the marriage continued or had the parents been married;	14426 14427 14428
(L) The educational opportunities that would have been available to the child had the circumstances requiring a child support order not arisen;	14429 14430 14431
(M) The responsibility of each parent for the support of others, including support of a child or children with disabilities who are not subject to the support order;	14432 14433 14434

by the parents in compliance with court-ordered reunification 14439
efforts in child abuse, neglect, or dependency cases; 14440

children that exceed the maximum state-wide average cost estimate 14442
~~provided~~ as described in division (O)(1)(d) of section 3119.05 of 14443
the Revised Code, including extraordinary costs associated with 14444
caring for a child or children with specialized physical, 14445
psychological, or educational needs; 14446

(Q) Any other relevant factor. 14447

If the court grants a deviation based on division (Q) of this 14448
section, it shall specifically state in the order the facts that 14449
are the basis for the deviation. 14450

Sec. 3301.07. The state board of education shall exercise 14451
under the acts of the general assembly general supervision of the 14452
system of public education in the state. In addition to the powers 14453
otherwise imposed on the state board under the provisions of law, 14454
the board shall have the powers described in this section. 14455

(A) The state board shall exercise policy forming, planning, 14456
and evaluative functions for the public schools of the state 14457
except as otherwise provided by law. 14458

(B)(1) The state board shall exercise leadership in the 14459
improvement of public education in this state, and administer the 14460
educational policies of this state relating to public schools, and 14461
relating to instruction and instructional material, building and 14462
equipment, transportation of pupils, administrative 14463
responsibilities of school officials and personnel, and finance 14464
and organization of school districts, educational service centers, 14465

and territory. Consultative and advisory services in such matters 14466
shall be provided by the board to school districts and educational 14467
service centers of this state. 14468

(2) The state board also shall develop a standard of 14469
financial reporting which shall be used by each school district 14470
board of education and each governing board of an educational 14471
service center, each governing authority of a community school 14472
established under Chapter 3314., each governing body of a STEM 14473
school established under Chapter 3328., and each board of trustees 14474
of a college-preparatory boarding school established under Chapter 14475
3328. of the Revised Code to make its financial information and 14476
annual budgets for each school building under its control 14477
available to the public in a format understandable by the average 14478
citizen. The format shall show, both at the district and at the 14479
school building level, revenue by source; expenditures for 14480
salaries, wages, and benefits of employees, showing such amounts 14481
separately for classroom teachers, other employees required to 14482
hold licenses issued pursuant to sections 3319.22 to 3319.31 of 14483
the Revised Code, and all other employees; expenditures other than 14484
for personnel, by category, including utilities, textbooks and 14485

nonclassroom purposes, as defined by the standards adopted under 14491
section 3302.20 of the Revised Code in the aggregate and for each 14492
subgroup of students, as defined by section 3317.40 of the Revised 14493
Code, that receives services provided for by state or federal 14494
funding. 14495

(3) Each school district board, governing authority, 14496
governing body, or board of trustees, or its respective designee, 14497

shall annually report, to the department of education, all 14498
financial information required by the standards for financial 14499
reporting, as prescribed by division (B)(2) of this section and 14500
adopted by the state board. The department shall make all reports 14501
submitted pursuant to this division available in such a way that 14502
allows for comparison between financial information included in 14503
these reports and financial information included in reports 14504
produced prior to July 1, 2013. The department shall post these 14505
reports in a prominent location on its web site and shall notify 14506
each school when reports are made available. 14507

(C) The state board shall administer and supervise the 14508
allocation and distribution of all state and federal funds for 14509
public school education under the provisions of law, and may 14510
prescribe such systems of accounting as are necessary and proper 14511
to this function. It may require county auditors and treasurers, 14512
boards of education, educational service center governing boards, 14513
treasurers of such boards, teachers, and other school officers and 14514
employees, or other public officers or employees, to file with it 14515
such reports as it may prescribe relating to such funds, or to the 14516
management and condition of such funds. 14517

(D)(1) Wherever in Titles IX, XXIII, XXIX, XXXIII, XXXVII, 14518
XLVII, and LI of the Revised Code a reference is made to standards 14519
prescribed under this section or division (D) of this section, 14520
that reference shall be construed to refer to the standards 14521
prescribed under division (D)(2) of this section, unless the 14522
context specifically indicates a different meaning or intent. 14523

(2) The state board shall formulate and prescribe minimum 14524
standards to be applied to all elementary and secondary schools in 14525
this state for the purpose of providing children access to a 14526
general education of high quality according to the learning needs 14527
of each individual, including students with disabilities, 14528
economically disadvantaged students, ~~limited English proficient~~ 14529

~~students~~ learners, and students identified as gifted. Such 14530
standards shall provide adequately for: the licensing of teachers, 14531
administrators, and other professional personnel and their 14532
assignment according to training and qualifications; efficient and 14533
effective instructional materials and equipment, including library 14534
facilities; the proper organization, administration, and 14535
supervision of each school, including regulations for preparing 14536
all necessary records and reports and the preparation of a 14537
statement of policies and objectives for each school; the 14538
provision of safe buildings, grounds, health and sanitary 14539
facilities and services; admission of pupils, and such 14540
requirements for their promotion from grade to grade as will 14541
assure that they are capable and prepared for the level of study 14542
to which they are certified; requirements for graduation; and such 14543
other factors as the board finds necessary. 14544

The state board shall base any standards governing the 14545
promotion of students or requirements for graduation on the 14546
ability of students, at any grade level, to earn credits or 14547
advance upon demonstration of mastery of knowledge and skills 14548
through competency-based learning models. Credits of grade level 14549
advancement shall not require a minimum number of days or hours in 14550
a classroom. 14551

The state board shall base any standards governing the 14552
assignment of staff on ensuring each school has a sufficient 14553
number of teachers to ensure a student has an appropriate level of 14554
interaction to meet each student's personal learning goals. 14555

In the formulation and administration of such standards for 14556
nonpublic schools the board shall also consider the particular 14557
needs, methods and objectives of those schools, provided they do 14558
not conflict with the provision of a general education of a high 14559
quality and provided that regular procedures shall be followed for 14560
promotion from grade to grade of pupils who have met the 14561

educational requirements prescribed. 14562

(3) In addition to the minimum standards required by division 14563
(D)(2) of this section, the state board may formulate and 14564
prescribe the following additional minimum operating standards for 14565
school districts: 14566

(a) Standards for the effective and efficient organization, 14567
administration, and supervision of each school district with a 14568
commitment to high expectations for every student based on the 14569
learning needs of each individual, including students with 14570
disabilities, economically disadvantaged students, ~~limited~~ English 14571
~~proficient~~ ~~students~~ learners, and students identified as gifted, 14572
and commitment to closing the achievement gap without suppressing 14573
the achievement levels of higher achieving students so that all 14574
students achieve core knowledge and skills in accordance with the 14575
statewide academic standards adopted under section 3301.079 of the 14576
Revised Code; 14577

(b) Standards for the establishment of business advisory 14578
councils under section 3313.82 of the Revised Code; 14579

(c) Standards for school district buildings that may require 14580
the effective and efficient organization, administration, and 14581
supervision of each school district building with a commitment to 14582
high expectations for every student based on the learning needs of 14583
each individual, including students with disabilities, 14584
economically disadvantaged students, ~~limited~~ English ~~proficient~~ 14585
~~students~~ learners, and students identified as gifted, and 14586
commitment to closing the achievement gap without suppressing the 14587
achievement levels of higher achieving students so that all 14588
students achieve core knowledge and skills in accordance with the 14589
statewide academic standards adopted under section 3301.079 of the 14590
Revised Code. 14591

(E) The state board may require as part of the health 14592

curriculum information developed under section 2108.34 of the 14593
Revised Code promoting the donation of anatomical gifts pursuant 14594
to Chapter 2108. of the Revised Code and may provide the 14595
information to high schools, educational service centers, and 14596
joint vocational school district boards of education; 14597

(F) The state board shall prepare and submit annually to the 14598
governor and the general assembly a report on the status, needs, 14599
and major problems of the public schools of the state, with 14600
recommendations for necessary legislative action and a ten-year 14601
projection of the state's public and nonpublic school enrollment, 14602
by year and by grade level. 14603

(G) The state board shall prepare and submit to the director 14604
of budget and management the biennial budgetary requests of the 14605
state board of education, for its agencies and for the public 14606
schools of the state. 14607

(H) The state board shall cooperate with federal, state, and 14608
local agencies concerned with the health and welfare of children 14609
and youth of the state. 14610

(I) The state board shall require such reports from school 14611
districts and educational service centers, school officers, and 14612
employees as are necessary and desirable. The superintendents and 14613
treasurers of school districts and educational service centers 14614
shall certify as to the accuracy of all reports required by law or 14615
state board or state department of education rules to be submitted 14616
by the district or educational service center and which contain 14617

described in divisions (A)(1) and (B)(1) of this section. Each	14706

range has achieved one of the following:	14709
(a) An advanced level of skill;	14710
(b) An accelerated level of skill;	14711
(c) A proficient level of skill;	14712

section. 14724

(4) Each school district or school shall teach and assess 14725

expected at the end of tenth grade. The state board shall 14736
designate a score in at least the range designated under division 14737
(A)(2)(c) of this section on each such assessment that shall be 14738
deemed to be a passing score on the assessment as a condition 14739
toward granting high school diplomas under sections 3313.61, 14740
3313.611, 3313.612, and 3325.08 of the Revised Code until the 14741

(2) The state board shall prescribe an assessment system in 14745
accordance with section 3301.0712 of the Revised Code that shall 14746
replace the Ohio graduation tests beginning with students who 14747

(3) The state board may enter into a reciprocal agreement 14749
with the appropriate body or agency of any other state that has 14750
similar statewide achievement assessment requirements for 14751
receiving high school diplomas, under which any student who has 14752
met an achievement assessment requirement of one state is 14753
recognized as having met the similar requirement of the other 14754
state for purposes of receiving a high school diploma. For 14755
purposes of this section and sections 3301.0711 and 3313.61 of the 14756
Revised Code, any student enrolled in any public high school in 14757
this state who has met an achievement assessment requirement 14758

division shall be deemed to have attained at least the applicable 14760
score designated under this division on each assessment required 14761
by division (B)(1) or (2) of this section that is specified in the 14762
agreement. 14763

(C) The superintendent of public instruction shall designate 14764
dates and times for the administration of the assessments 14765
prescribed by divisions (A) and (B) of this section. 14766

In prescribing administration dates pursuant to this 14767
division, the superintendent shall designate the dates in such a 14768
way as to allow a reasonable length of time between the 14769
administration of assessments prescribed under this section and 14770
any administration of the national assessment of educational 14771
progress given to students in the same grade level pursuant to 14772
section 3301.27 of the Revised Code or federal law. 14773

(D) The state board shall prescribe a practice version of 14774
each Ohio graduation test described in division (B)(1) of this 14775
section that is of comparable length to the actual test. 14776

(E) Any committee established by the department of education 14777
for the purpose of making recommendations to the state board 14778

regarding the state board's designation of scores on the 14779
assessments described by this section shall inform the state board 14780
of the probable percentage of students who would score in each of 14781
the ranges established under division (A)(2) of this section on 14782
the assessments if the committee's recommendations are adopted by 14783
the state board. To the extent possible, these percentages shall 14784
be disaggregated by gender, major racial and ethnic groups, 14785
~~limited English proficient students~~ learners, economically 14786
disadvantaged students, students with disabilities, and migrant 14787
students. 14788

village, and joint vocational school districts, except that each 14793
district shall score any assessment administered pursuant to 14794

furnishing the practice versions of Ohio graduation tests 14799
prescribed by division (D) of section 3301.0710 of the Revised 14800
Code, the department shall make the tests available on its web 14801
site for reproduction by districts. In awarding contracts for 14802
grading assessments, the department shall give preference to 14803
Ohio-based entities employing Ohio residents. 14804

(2) Adopt rules for the ethical use of assessments and 14805
prescribing the manner in which the assessments prescribed by 14806
section 3301.0710 of the Revised Code shall be administered to 14807
students. 14808

annually to all students in the fifth grade. 14826

(5) Administer the assessments prescribed under division 14827

Except as provided in section 3313.614 of the Revised Code 14864
for administration of an assessment to a person who has fulfilled 14865
the curriculum requirement for a high school diploma but has not 14866

of section 3301.0710 and section 3301.0712 of the Revised Code in 14874
accordance with the timeline and plan for implementation of those 14875
assessments prescribed by rule of the state board adopted under 14876

individualized education program developed for the student under 14888
that chapter shall specify the manner in which the student will 14889
participate in the assessments administered under this section, 14890
except that a student with significant cognitive disabilities to 14891
whom an alternate assessment is administered in accordance with 14892
division (C)(1) of this section and a student determined to have a 14893

assessment required to be administered under this section if it 14899
instead specifies an alternate assessment method approved by the 14900
department of education as conforming to requirements of federal 14901
law for receipt of federal funds for disadvantaged pupils. To the 14902
extent possible, the individualized education program shall not 14903

excuse the student from taking an assessment unless no reasonable

to take an assessment under division (C)(1) of this section from
taking the assessment.

(b) Any alternate assessment approved by the department for a

determine if the student's needs continue to require excusal from
taking the assessment.

(ii) A student with significant cognitive disabilities to
whom an alternate assessment is administered in accordance with

division (C)(1) of this section and a student determined to have a
disability that includes an intellectual disability as outlined in
guidance issued by the department shall not be required to take

(iii) In the case of any student so excused from taking an

No school district board shall excuse any ~~limited English~~
~~proficient student~~ learner from taking any particular assessment
required to be administered under this section, except as follows:

(a) Any ~~limited English proficient student~~ learner who has
been enrolled in United States schools for less than two years and

~~student learner~~ to take an assessment required to be administered 14971
under this section with appropriate accommodations, as determined 14972
by the department. For each ~~limited~~ English ~~proficient student~~ 14973
learner, each school district shall annually assess that student's 14974
progress in learning English, in accordance with procedures 14975
approved by the department. 14976

(4)(a) The governing authority of a chartered nonpublic 14977
school may excuse ~~a limited~~ an English ~~proficient student learner~~ 14978

schools for less than two years and for whom no appropriate 14982
accommodations are available based on guidance issued by the 14983
department to take the assessment prescribed under division (B)(1) 14984
of section 3301.0712 of the Revised Code. 14985

(c) No governing authority shall prohibit ~~a limited~~ an 14986
English ~~proficient student learner~~ from taking an assessment from 14987
which the student was excused under division (C)(4) of this 14988
section. 14989

(D)(1) In the school year next succeeding the school year in 14990
which the assessments prescribed by division (A)(1) or (B)(1) of 14991
section 3301.0710 of the Revised Code or former division (A)(1), 14992
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 14993

the student is enrolled in that year shall provide to the student 14996

intervention services commensurate with the student's performance, 14997
including any intensive intervention required under section 14998
3313.608 of the Revised Code, in any skill in which the student 14999

(2) Following any administration of the assessments 15002
prescribed by division (D) of section 3301.0710 of the Revised 15003
Code to ninth grade students, each school district that has a 15004
three-year average graduation rate of not more than seventy-five 15005
per cent shall determine for each high school in the district 15006
whether the school shall be required to provide intervention 15007
services to any students who took the assessments. In determining 15008
which high schools shall provide intervention services based on 15009
the resources available, the district shall consider each school's 15010
graduation rate and scores on the practice assessments. The 15011
district also shall consider the scores received by ninth grade 15012
students on the English language arts and mathematics assessments 15013
prescribed under division (A)(1)(f) of section 3301.0710 of the 15014
Revised Code in the eighth grade in determining which high schools 15015
shall provide intervention services. 15016

Each high school selected to provide intervention services 15017
under this division shall provide intervention services to any 15018
student whose results indicate that the student is failing to make 15019
satisfactory progress toward being able to attain scores at the 15020
proficient level on the Ohio graduation tests. Intervention 15021
services shall be provided in any skill in which a student 15022
demonstrates unsatisfactory progress and shall be commensurate 15023

(E) Except as provided in section 3313.608 of the Revised 15028

Code and division (N) of this section, no school district board of 15029
education shall utilize any student's failure to attain a 15030
specified score on an assessment administered under this section 15031
as a factor in any decision to deny the student promotion to a 15032
higher grade level. However, a district board may choose not to 15033
promote to the next grade level any student who does not take an 15034
assessment administered under this section or make up an 15035
assessment as provided by division (C)(2) of this section and who 15036
is not exempt from the requirement to take the assessment under 15037
division (C)(3) of this section. 15038

(F) No person shall be charged a fee for taking any 15039
assessment administered under this section. 15040

(G)(1) Each school district board shall designate one 15041

local, or exempted village school district who are attending 15088
school in the joint vocational school district. 15089

(4) Beginning with the 2019-2020 school year, a school 15090

district, other public school, or chartered nonpublic school may 15091
administer the third-grade English language arts or mathematics 15092
assessment, or both, in a paper format in any school year for 15093

assessment in an online format is an appropriate accommodation for 15105
the student may take the assessment in an online format. 15106

(H) Individual scores on any assessments administered under 15107
this section shall be released by a district board only in 15108
accordance with section 3319.321 of the Revised Code and the rules 15109
adopted under division (A) of this section. No district board or 15110

assessments adopted pursuant to division (A) of this section. 15113

(I) Except as provided in division (G) of this section, the 15114
department or an entity with which the department contracts for 15115
the scoring of the assessment shall not release any individual 15116
scores on any assessment administered under this section. The 15117
state board shall adopt rules to ensure the protection of student 15118
confidentiality at all times. The rules may require the use of the 15119
data verification codes assigned to students pursuant to division 15120
(D)(2) of section 3301.0714 of the Revised Code to protect the 15121
confidentiality of student scores. 15122

(K)(1) Except as otherwise provided in division (K)(1) or (2)

of this section, each chartered nonpublic school for which at 15154
least sixty-five per cent of its total enrollment is made up of 15155
students who are participating in state scholarship programs shall 15156
administer the ~~elementary~~ assessments prescribed by division (A) 15157
of section 3301.0710 of the Revised Code or an alternative 15158

accordance with procedures and deadlines prescribed by the 15160
department, the parent or guardian of a student enrolled in the 15161
school who is not participating in a state scholarship program may 15162
submit notice to the chief administrative officer of the school 15163

level under division (A) of section 3301.0710 of the Revised Code. 15166
If a parent or guardian submits an opt-out notice, the school 15167
shall not administer the assessments to that student. This option 15168
does not apply to any assessment required for a high school 15169
diploma under section 3313.612 of the Revised Code. 15170

Each chartered nonpublic school subject to division (K)(1) of 15171
this section shall report the results of each assessment 15172
administered under that division to the department. 15173

(2) A chartered nonpublic school may submit to the 15174
superintendent of public instruction a request for a waiver from 15175
administering the elementary assessments prescribed by division 15176
(A) of section 3301.0710 of the Revised Code. The state 15177
superintendent shall approve or disapprove a request for a waiver 15178
submitted under division (K)(2) of this section. No waiver shall 15179
be approved for any school year prior to the 2015-2016 school 15180

the school are children with disabilities, as defined under 15185

section 3323.01 of the Revised Code, or have received a diagnosis 15186
by a school district or from a physician, including a 15187

dyscalculia, attention deficit hyperactivity disorder, or 15191
Asperger's syndrome. 15192

(b) The school has solely served a student population 15193
described in division (K)(1)(a) of this section for at least ten 15194
years. 15195

(c) The school provides to the department at least five years 15196
of records of internal testing conducted by the school that 15197
affords the department data required for accountability purposes, 15198
including diagnostic assessments and nationally standardized 15199
norm-referenced achievement assessments that measure reading and 15200
math skills. 15201

(3) Any chartered nonpublic school that is not subject to 15202
division (K)(1) of this section may participate in the assessment 15203
program by administering any of the assessments prescribed by 15204
division (A) of section 3301.0710 of the Revised Code. The chief 15205
administrator of the school shall specify which assessments the 15206
school will administer. Such specification shall be made in 15207
writing to the superintendent of public instruction prior to the 15208
first day of August of any school year in which assessments are 15209

assessments prescribed by division (B) of section 3301.0712 of the 15226
Revised Code or take an alternative assessment approved by the 15227

nonpublic school of having satisfied the condition prescribed by 15231
division (A)(1) of section 3313.618 of the Revised Code to qualify 15232
for a high school diploma prior to the date of the administration 15233
of the assessment prescribed under division (B)(1) of section 15234
3301.0712 of the Revised Code shall not be required to take that 15235
assessment. No governing authority of a chartered nonpublic school 15236
shall prohibit a student who is not required to take such 15237

association of the central states, and who is not attending the 15241
school under a state scholarship program, the student shall not be 15242
required to take any assessment prescribed under section 3301.0712 15243

schools association of the central states, regardless of whether 15248
the student is attending or is not attending the school under a 15249

state scholarship program, the student shall do one of the 15250

section 3301.0712 of the Revised Code; 15253

(ii) Take only the assessment prescribed by division (B)(1) 15254
of section 3301.0712 of the Revised Code, provided that the 15255
student's school publishes the results of that assessment for each 15256
graduating class. The published results of that assessment shall 15257
include the overall composite scores, mean scores, twenty-fifth 15258
percentile scores, and seventy-fifth percentile scores for each 15259
subject area of the assessment. 15260

(iii) Take an alternative assessment approved by the 15261
department under section 3313.619 of the Revised Code. 15262

(b) A student who is excused from taking an assessment under 15263
division (C) of this section or has presented evidence to the 15264

administration of the assessment prescribed under division (B)(1) 15268
of section 3301.0712 of the Revised Code shall not be required to 15269
take that assessment. No governing authority of a chartered 15270
nonpublic school shall prohibit a student who is not required to 15271
take such assessment from taking the assessment. 15272

(4) The assessments prescribed by sections 3301.0712 and 15273
3313.619 of the Revised Code shall not be administered to any 15274
student attending the school, if the school meets all of the 15275
following conditions: 15276

(a) At least ninety-five per cent of the students enrolled in 15277
the school are children with disabilities, as defined under 15278
section 3323.01 of the Revised Code, or have received a diagnosis 15279

mathematics, or both, as measured by nationally norm-referenced 15293
assessments that have developed appropriate standards for 15294
students. 15295

Division (L)(4) of this section applies to any student 15296
attending such school regardless of whether the student receives 15297
special education or related services and regardless of whether 15298
the student is attending the school under a state scholarship 15299
program. 15300

(M)(1) The superintendent of the state school for the blind 15301

(2) The department may field test proposed questions with samples of students to determine the validity, reliability, or appropriateness of questions for possible inclusion in a future year's assessment. The department also may use anchor questions on assessments to ensure that different versions of the same assessment are of comparable difficulty.

Field test questions and anchor questions shall not be considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A)(1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

to the 2011-2012 school year, not less than forty per cent of the 15348
questions on the assessment that are used to compute a student's 15349
score shall be a public record. The department shall determine 15350
which questions will be needed for reuse on a future assessment 15351
and those questions shall not be public records and shall be 15352
redacted from the assessment prior to its release as a public 15353
record. However, for each redacted question, the department shall 15354
inform each city, local, and exempted village school district of 15355
the statewide academic standard adopted by the state board under 15356
section 3301.079 of the Revised Code and the corresponding 15357
benchmark to which the question relates. The preceding sentence 15358
does not apply to field test questions that are redacted under 15359
division (O)(3) of this section. 15360

(c) The administrations of each assessment in the 2011-2012, 15361
2012-2013, and 2013-2014 school years shall not be a public 15362

preferred answers that are used to compute a student's score shall 15371
become a public record as follows: 15372

(i) Forty per cent of the questions and preferred answers on 15373

the assessments on the thirty-first day of July following the 15374
administration of the assessment; 15375

(ii) Twenty per cent of the questions and preferred answers 15376
on the assessment on the thirty-first day of July one year after 15377
the administration of the assessment; 15378

(iii) The remaining forty per cent of the questions and 15379
preferred answers on the assessment on the thirty-first day of 15380
July two years after the administration of the assessment. 15381

The entire content of an assessment shall become a public 15382
record within three years of its administration. 15383

The department shall make the questions that become a public 15384
record under this division readily accessible to the public on the 15385
department's web site. Questions on the spring administration of 15386
each assessment shall be released on an annual basis, in 15387
accordance with this division. 15388

July 31, 2017. 15391

(7) Division (O)(7) of this section applies to the 15392
assessments prescribed by division (A) of section 3301.0710 and 15393
division (B)(2) of section 3301.0712 of the Revised Code. 15394

Beginning with the assessments administered in the spring of 15395
the 2017-2018 school year, not less than forty per cent of the 15396
questions on each assessment that are used to compute a student's 15397
score shall be a public record. The department shall determine 15398
which questions will be needed for reuse on a future assessment 15399
and those questions shall not be public records and shall be 15400
redacted from the assessment prior to its release as a public 15401
record. However, for each redacted question, the department shall 15402
inform each city, local, and exempted village school district of 15403
the corresponding statewide academic standard adopted by the state 15404

board under section 3301.079 of the Revised Code and the 15405
corresponding benchmark to which the question relates. The 15406
department is not required to provide corresponding standards and 15407

measure of separate subgroups, the grades for the measure shall be 16279
calculated in the same manner as prescribed in division (A)(1)(e) 16280

(f) The value-added progress dimension score for a school 16282
district or building disaggregated for each of the following 16283
subgroups: students identified as gifted, students with 16284
disabilities, and students whose performance places them in the 16285
lowest quintile for achievement on a statewide basis. Each 16286
subgroup shall be a separate graded measure. 16287

(2) Not later than April 30, 2013, the state board of 16288
education shall adopt a resolution describing the performance 16289
measures, benchmarks, and grading system for the 2012-2013 school 16290
year and, not later than June 30, 2013, shall adopt rules in 16291

(3) There shall not be an overall letter grade for a school 16303
district or building for the 2012-2013 school year. 16304

(B)(1) For the 2013-2014 and 2014-2015 school years, the 16305
department shall issue grades as described in division (E) of this 16306
section for each of the following performance measures: 16307

(a) Annual measurable objectives; 16308

(b) Performance index score for a school district or 16309
building. Grades shall be awarded as a percentage of the total 16310
possible points on the performance index system as created by the 16311
department. In adopting benchmarks for assigning letter grades 16312
under division (B)(1)(b) of this section, the state board shall 16313
designate ninety per cent or higher for an "A," at least seventy 16314
per cent but not more than eighty per cent for a "C," and less 16315
than fifty per cent for an "F." 16316

(c) The extent to which the school district or building meets 16317
each of the applicable performance indicators established by the 16318
state board under section 3302.03 of the Revised Code and the 16319
percentage of applicable performance indicators that have been 16320
achieved. In adopting benchmarks for assigning letter grades under 16321
division (B)(1)(c) of this section, the state board shall 16322
designate ninety per cent or higher for an "A." 16323

(d) The four- and five-year adjusted cohort graduation rates; 16324

(e) The overall score under the value-added progress 16325
dimension of a school district or building, for which the 16326
department shall use up to three years of value-added data as 16327
available. 16328

(f) The value-added progress dimension score for a school 16329
district or building disaggregated for each of the following 16330

subgroups: students identified as gifted in superior cognitive 16331
ability and specific academic ability fields under Chapter 3324. 16332
of the Revised Code, students with disabilities, and students 16333
whose performance places them in the lowest quintile for 16334
achievement on a statewide basis. Each subgroup shall be a 16335
separate graded measure. 16336

(g) Whether a school district or building is making progress 16337
in improving literacy in grades kindergarten through three, as 16338
determined using a method prescribed by the state board. The state 16339
board shall adopt rules to prescribe benchmarks and standards for 16340
assigning grades to districts and buildings for purposes of 16341
division (B)(1)(g) of this section. In adopting benchmarks for 16342
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 16343
this section, the state board shall determine progress made based 16344
on the reduction in the total percentage of students scoring below 16345
grade level, or below proficient, compared from year to year on 16346
the reading and writing diagnostic assessments administered under 16347
section 3301.0715 of the Revised Code and the third grade English 16348
language arts assessment under section 3301.0710 of the Revised 16349
Code, as applicable. The state board shall designate for a "C" 16350
grade a value that is not lower than the statewide average value 16351
for this measure. No grade shall be issued under divisions 16352
(B)(1)(g) and (C)(1)(g) of this section for a district or building 16353
in which less than five per cent of students have scored below 16354
grade level on the diagnostic assessment administered to students 16355
in kindergarten under division (B)(1) of section 3313.608 of the 16356
Revised Code. 16357

(h) For a high mobility school district or building, an 16358
additional value-added progress dimension score. For this measure, 16359
the department shall use value-added data from the most recent 16360
school year available and shall use assessment scores for only 16361
those students to whom the district or building has administered 16362

the assessments prescribed by section 3301.0710 of the Revised 16363
Code for each of the two most recent consecutive school years. 16364

As used in this division, "high mobility school district or 16365
building" means a school district or building where at least 16366
twenty-five per cent of its total enrollment is made up of 16367
students who have attended that school district or building for 16368
less than one year. 16369

(2) In addition to the graded measures in division (B)(1) of 16370
this section, the department shall include on a school district's 16371
or building's report card all of the following without an assigned 16372
letter grade: 16373

(a) The percentage of students enrolled in a district or 16374
building participating in advanced placement classes and the 16375
percentage of those students who received a score of three or 16376
better on advanced placement examinations; 16377

(b) The number of a district's or building's students who 16378
have earned at least three college credits through dual enrollment 16379
or advanced standing programs, such as the post-secondary 16380
enrollment options program under Chapter 3365. of the Revised Code 16381
and state-approved career-technical courses offered through dual 16382
enrollment or statewide articulation, that appear on a student's 16383
transcript or other official document, either of which is issued 16384
by the institution of higher education from which the student 16385
earned the college credit. The credits earned that are reported 16386
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 16387
include any that are remedial or developmental and shall include 16388
those that count toward the curriculum requirements established 16389
for completion of a degree. 16390

(c) The percentage of students enrolled in a district or 16391
building who have taken a national standardized test used for 16392
college admission determinations and the percentage of those 16393

students who are determined to be remediation-free in accordance 16394
with standards adopted under division (F) of section 3345.061 of 16395
the Revised Code; 16396

(d) The percentage of the district's or the building's 16397
students who receive industry-recognized credentials as approved 16398
under section 3313.6113 of the Revised Code. 16399

(e) The percentage of students enrolled in a district or 16400
building who are participating in an international baccalaureate 16401
program and the percentage of those students who receive a score 16402
of four or better on the international baccalaureate examinations. 16403

(f) The percentage of the district's or building's students 16404
who receive an honors diploma under division (B) of section 16405
3313.61 of the Revised Code. 16406

(3) Not later than December 31, 2013, the state board shall 16407
adopt rules in accordance with Chapter 119. of the Revised Code 16408
that prescribe the methods by which the performance measures under 16409
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 16410
and assigned a letter grade, including performance benchmarks for 16411
each grade. 16412

At least forty-five days prior to the state board's adoption 16413
of rules to prescribe the methods by which the performance 16414
measures under division (B)(1) of this section shall be assessed 16415
and assigned a letter grade, the department shall conduct a public 16416
presentation before the standing committees of the house of 16417
representatives and the senate that consider education legislation 16418
describing such methods, including performance benchmarks. 16419

(4) There shall not be an overall letter grade for a school 16420
district or building for the 2013-2014, 2014-2015, 2015-2016, and 16421
2016-2017 school years. 16422

(C)(1) For the 2014-2015 school year and each school year 16423
thereafter, the department shall issue grades as described in 16424

division (E) of this section for each of the performance measures 16425
prescribed in division (C)(1) of this section. The graded measures 16426
are as follows: 16427

(a) Annual measurable objectives. For the 2017-2018 school 16428
year, the department shall not include any subgroup data in the 16429
annual measurable objectives that includes data from fewer than 16430
twenty-five students. For the 2018-2019 school year, the 16431
department shall not include any subgroup data in the annual 16432
measurable objectives that includes data from fewer than twenty 16433
students. Beginning with the 2019-2020 school year, the department 16434
shall not include any subgroup data in the annual measurable 16435
objectives that includes data from fewer than fifteen students. 16436

(b) Performance index score for a school district or 16437
building. Grades shall be awarded as a percentage of the total 16438
possible points on the performance index system as created by the 16439
department. In adopting benchmarks for assigning letter grades 16440
under division (C)(1)(b) of this section, the state board shall 16441
designate ninety per cent or higher for an "A," at least seventy 16442
per cent but not more than eighty per cent for a "C," and less 16443
than fifty per cent for an "F." 16444

(c) The extent to which the school district or building meets 16445
each of the applicable performance indicators established by the 16446
state board under section 3302.03 of the Revised Code and the 16447
percentage of applicable performance indicators that have been 16448
achieved. In adopting benchmarks for assigning letter grades under 16449
division (C)(1)(c) of this section, the state board shall 16450
designate ninety per cent or higher for an "A." 16451

(d) The four- and five-year adjusted cohort graduation rates; 16452

(e) The overall score under the value-added progress 16453
dimension, or another measure of student academic progress if 16454
adopted by the state board, of a school district or building, for 16455

which the department shall use ~~up to three years~~ not more than one 16456
academic year of value-added growth data ~~as available~~. 16457

In adopting benchmarks for assigning letter grades for 16458
overall score on value-added progress dimension under division 16459
(C)(1)(e) of this section, the state board shall prohibit the 16460
assigning of a grade of "A" for that measure unless the district's 16461
or building's grade assigned for value-added progress dimension 16462
for all subgroups under division (C)(1)(f) of this section is a 16463
"B" or higher. 16464

For the metric prescribed by division (C)(1)(e) of this 16465
section, the state board may adopt a student academic progress 16466
measure to be used instead of the value-added progress dimension. 16467
If the state board adopts such a measure, it also shall prescribe 16468
a method for assigning letter grades for the new measure that is 16469
comparable to the method prescribed in division (A)(1)(e) of this 16470
section. 16471

(f) The value-added progress dimension score of a school 16472
district or building disaggregated for each of the following 16473
subgroups: students identified as gifted in superior cognitive 16474
ability and specific academic ability fields under Chapter 3324. 16475
of the Revised Code, students with disabilities, and students 16476
whose performance places them in the lowest quintile for 16477
achievement on a statewide basis, as determined by a method 16478
prescribed by the state board. Each subgroup shall be a separate 16479
graded measure. 16480

The state board may adopt student academic progress measures 16481
to be used instead of the value-added progress dimension. If the 16482
state board adopts such measures, it also shall prescribe a method 16483
for assigning letter grades for the new measures that is 16484
comparable to the method prescribed in division (A)(1)(e) of this 16485
section. 16486

(g) Whether a school district or building is making progress 16487
in improving literacy in grades kindergarten through three, as 16488
determined using a method prescribed by the state board. The state 16489
board shall adopt rules to prescribe benchmarks and standards for 16490
assigning grades to a district or building for purposes of 16491
division (C)(1)(g) of this section. The state board shall 16492
designate for a "C" grade a value that is not lower than the 16493
statewide average value for this measure. No grade shall be issued 16494
under division (C)(1)(g) of this section for a district or 16495
building in which less than five per cent of students have scored 16496
below grade level on the kindergarten diagnostic assessment under 16497
division (B)(1) of section 3313.608 of the Revised Code. 16498

(h) For a high mobility school district or building, an 16499
additional value-added progress dimension score. For this measure, 16500
the department shall use value-added data from the most recent 16501
school year available and shall use assessment scores for only 16502
those students to whom the district or building has administered 16503
the assessments prescribed by section 3301.0710 of the Revised 16504
Code for each of the two most recent consecutive school years. 16505

As used in this division, "high mobility school district or 16506
building" means a school district or building where at least 16507
twenty-five per cent of its total enrollment is made up of 16508
students who have attended that school district or building for 16509
less than one year. 16510

(2) In addition to the graded measures in division (C)(1) of 16511
this section, the department shall include on a school district's 16512
or building's report card all of the following without an assigned 16513
letter grade: 16514

(a) The percentage of students enrolled in a district or 16515
building who have taken a national standardized test used for 16516
college admission determinations and the percentage of those 16517
students who are determined to be remediation-free in accordance 16518

with the standards adopted under division (F) of section 3345.061 16519
of the Revised Code; 16520

(b) The percentage of students enrolled in a district or 16521
building participating in advanced placement classes and the 16522
percentage of those students who received a score of three or 16523
better on advanced placement examinations; 16524

(c) The percentage of a district's or building's students who 16525
have earned at least three college credits through advanced 16526
standing programs, such as the college credit plus program under 16527
Chapter 3365. of the Revised Code and state-approved 16528
career-technical courses offered through dual enrollment or 16529
statewide articulation, that appear on a student's college 16530
transcript issued by the institution of higher education from 16531
which the student earned the college credit. The credits earned 16532
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 16533
section shall not include any that are remedial or developmental 16534
and shall include those that count toward the curriculum 16535
requirements established for completion of a degree. 16536

(d) The percentage of the district's or building's students 16537
who receive an honor's diploma under division (B) of section 16538
3313.61 of the Revised Code; 16539

(e) The percentage of the district's or building's students 16540
who receive industry-recognized credentials as approved under 16541
section 3313.6113 of the Revised Code; 16542

(f) The percentage of students enrolled in a district or 16543
building who are participating in an international baccalaureate 16544
program and the percentage of those students who receive a score 16545
of four or better on the international baccalaureate examinations; 16546

(g) The results of the college and career-ready assessments 16547
administered under division (B)(1) of section 3301.0712 of the 16548
Revised Code; 16549

(h) Whether the school district or building has implemented a positive behavior intervention and supports framework in compliance with the requirements of section 3319.46 of the Revised Code, notated as a "yes" or "no" answer.

(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:

(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;

(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;

(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;

(d) Graduation, which shall include the performance measure in division (C)(1)(d) of this section;

(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;

(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. The state board shall develop a method to determine a grade for the component in division (C)(3)(f) of this section using the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. When available, the state board may incorporate the performance measure under division (C)(2)(g) of this section into the component under division (C)(3)(f) of this section. When determining the overall grade for the prepared for success component prescribed by division (C)(3)(f) of this

section, no individual student shall be counted in more than one 16581
performance measure. However, if a student qualifies for more than 16582
one performance measure in the component, the state board may, in 16583
its method to determine a grade for the component, specify an 16584
additional weight for such a student that is not greater than or 16585
equal to 1.0. In determining the overall score under division 16586
(C)(3)(f) of this section, the state board shall ensure that the 16587
pool of students included in the performance measures aggregated 16588
under that division are all of the students included in the four- 16589
and five-year adjusted graduation cohort. 16590

In the rules adopted under division (C)(3) of this section, 16591
the state board shall adopt a method for determining a grade for 16592
each component in divisions (C)(3)(a) to (f) of this section. The 16593
state board also shall establish a method to assign an overall 16594
grade of "A," "B," "C," "D," or "F" using the grades assigned for 16595
each component. The method the state board adopts for assigning an 16596
overall grade shall ~~give equal weight to the components in~~ 16597
~~divisions (C)(3)(b) and (c) of this section~~ use either the 16598
performance index score measure under division (C)(1)(b) or the 16599
value-added progress dimension measure under division (C)(1)(e) of 16600
this section, whichever is higher, but not both measures. The 16601
rules adopted by the state board shall prohibit the calculation of 16602
the overall grade to include both the performance index score and 16603
value-added progress dimension measures and shall ensure that a 16604
district or building receives the highest overall grade possible 16605
using the appropriate measure. 16606

At least forty-five days prior to the state board's adoption 16607
of rules to prescribe the methods for calculating the overall 16608
grade for the report card, as required by this division, the 16609
department shall conduct a public presentation before the standing 16610
committees of the house of representatives and the senate that 16611
consider education legislation describing the format for the 16612

report card, weights that will be assigned to the components of 16613
the overall grade, and the method for calculating the overall 16614
grade. 16615

(D) On or after July 1, 2015, the state board may develop a 16616
measure of student academic progress for high school students 16617
using only data from assessments in English language arts and 16618
mathematics. If the state board develops this measure, each school 16619
district and applicable school building shall be assigned a 16620
separate letter grade for it not sooner than the 2017-2018 school 16621
year. The district's or building's grade for that measure shall 16622
not be included in determining the district's or building's 16623
overall letter grade. 16624

(E) The letter grades assigned to a school district or 16625
building under this section shall be as follows: 16626

(1) "A" for a district or school making excellent progress; 16627

(2) "B" for a district or school making above average 16628
progress; 16629

(3) "C" for a district or school making average progress; 16630

(4) "D" for a district or school making below average 16631
progress; 16632

(5) "F" for a district or school failing to meet minimum 16633
progress. 16634

(F) When reporting data on student achievement and progress, 16635
the department shall disaggregate that data according to the 16636
following categories: 16637

(1) Performance of students by grade-level; 16638

(2) Performance of students by race and ethnic group; 16639

(3) Performance of students by gender; 16640

(4) Performance of students grouped by those who have been 16641

enrolled in a district or school for three or more years;	16642
(5) Performance of students grouped by those who have been	16643
enrolled in a district or school for more than one year and less	16644
than three years;	16645
(6) Performance of students grouped by those who have been	16646
enrolled in a district or school for one year or less;	16647
(7) Performance of students grouped by those who are	16648
economically disadvantaged;	16649
(8) Performance of students grouped by those who are enrolled	16650
in a conversion community school established under Chapter 3314.	16651
of the Revised Code;	16652
(9) Performance of students grouped by those who are	16653
classified as limited English proficient <u>learners</u> ;	16654
(10) Performance of students grouped by those who have	16655
disabilities;	16656
(11) Performance of students grouped by those who are	16657
classified as migrants;	16658
(12) Performance of students grouped by those who are	16659
identified as gifted in superior cognitive ability and the	16660
specific academic ability fields of reading and math pursuant to	16661
Chapter 3324. of the Revised Code. In disaggregating specific	16662
academic ability fields for gifted students, the department shall	16663
use data for those students with specific academic ability in math	16664
and reading. If any other academic field is assessed, the	16665
department shall also include data for students with specific	16666
academic ability in that field as well.	16667
(13) Performance of students grouped by those who perform in	16668
the lowest quintile for achievement on a statewide basis, as	16669
determined by a method prescribed by the state board.	16670
The department may disaggregate data on student performance	16671

according to other categories that the department determines are 16672
appropriate. To the extent possible, the department shall 16673
disaggregate data on student performance according to any 16674
combinations of two or more of the categories listed in divisions 16675
(F)(1) to (13) of this section that it deems relevant. 16676

In reporting data pursuant to division (F) of this section, 16677
the department shall not include in the report cards any data 16678
statistical in nature that is statistically unreliable or that 16679
could result in the identification of individual students. For 16680
this purpose, the department shall not report student performance 16681
data for any group identified in division (F) of this section that 16682
contains less than ten students. If the department does not report 16683
student performance data for a group because it contains less than 16684
ten students, the department shall indicate on the report card 16685
that is why data was not reported. 16686

(G) The department may include with the report cards any 16687
additional education and fiscal performance data it deems 16688
valuable. 16689

(H) The department shall include on each report card a list 16690
of additional information collected by the department that is 16691
available regarding the district or building for which the report 16692
card is issued. When available, such additional information shall 16693
include student mobility data disaggregated by race and 16694
socioeconomic status, college enrollment data, and the reports 16695
prepared under section 3302.031 of the Revised Code. 16696

The department shall maintain a site on the world wide web. 16697
The report card shall include the address of the site and shall 16698
specify that such additional information is available to the 16699
public at that site. The department shall also provide a copy of 16700
each item on the list to the superintendent of each school 16701
district. The district superintendent shall provide a copy of any 16702
item on the list to anyone who requests it. 16703

(I)(1)(a) Except as provided in division (I)(1)(b) of this section, for any district that sponsors a conversion community school under Chapter 3314. of the Revised Code, the department shall combine data regarding the academic performance of students enrolled in the community school with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the report card issued for the district under this section or section 3302.033 of the Revised Code.

(b) The department shall not combine data from any conversion community school that a district sponsors if a majority of the students enrolled in the conversion community school are enrolled in a dropout prevention and recovery program that is operated by the school, as described in division (A)~~(4)~~(2)(a) of section 3314.35 of the Revised Code. The department shall include as an addendum to the district's report card the ratings and performance measures that are required under section 3314.017 of the Revised Code for any community school to which division (I)(1)(b) of this section applies. This addendum shall include, at a minimum, the data specified in divisions (C)(1)(a), (C)(2), and (C)(3) of section 3314.017 of the Revised Code.

(2) Any district that leases a building to a community school located in the district or that enters into an agreement with a community school located in the district whereby the district and the school endorse each other's programs may elect to have data regarding the academic performance of students enrolled in the community school combined with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the district report card. Any district that so elects shall annually file a copy of the lease or agreement with the department.

(3) Any municipal school district, as defined in section

following elections: 16741

(a) To have data regarding the academic performance of 16742

as required by the department. 16756

(J) The department shall include on each report card the 16757
percentage of teachers in the district or building who are 16758
properly certified or licensed teachers, as defined in section 16759
3319.074 of the Revised Code, and a comparison of that percentage 16760
with the percentages of such teachers in similar districts and 16761
buildings. 16762

(K)(1) In calculating English language arts, mathematics, or 16763
science assessment passage rates used to determine school district 16764
or building performance under this section, the department shall 16765
include all students taking an assessment with accommodation or to 16766

whom an alternate assessment is administered pursuant to division 16767
(C)(1) or (3) of section 3301.0711 of the Revised Code. 16768

(2) In calculating performance index scores, rates of 16769
achievement on the performance indicators established by the state 16770
board under section 3302.02 of the Revised Code, and annual 16771

(b) Include cumulative totals from both the fall and spring 16782

schools for less than one full school year. 16788

(L) Beginning with the 2015-2016 school year and at least 16789
once every three years thereafter, the state board of education 16790
shall review and may adjust the benchmarks for assigning letter 16791
grades to the performance measures and components prescribed under 16792
divisions (C)(3) and (D) of this section. 16793

Sec. 3302.037. (A) If any change is made to the calculation 16794
or determination of grades, or to the graded measures, on the 16795
report card issued under section 3302.03 of the Revised Code, the 16796

report card ratings issued for the school year in which the change 16797
takes effect shall not be considered in determining whether a 16798
school district or a school is subject to sanctions or penalties. 16799
Furthermore, the report card ratings of any previous years shall 16800
not be considered in determining whether a school district or 16801
building is subject to sanctions or penalties. Accordingly, the 16802
change in report card shall create a new starting point for 16803
determinations that are based on ratings over multiple years. 16804

(B) The provisions for which a district or school's rating 16805
are reset under division (A) of this section include the 16806
following: 16807

(1) Any restructuring provisions established under this 16808
chapter, except as required under federal law; 16809

(2) Provisions for the Columbus city school pilot project 16810
under section 3302.042 of the Revised Code; 16811

(3) Provisions for academic distress commissions under 16812
section 3302.10 of the Revised Code; 16813

(4) Provisions prescribing new buildings where students are 16814
eligible for the educational choice scholarships under section 16815
3310.03 of the Revised Code; 16816

(5) Provisions defining "challenged school districts" in 16817
which new start-up community schools may be located, as prescribed 16818
in section 3314.02 of the Revised Code; 16819

(6) Provisions prescribing community school closure 16820
requirements under section 3314.35 or 3314.351 of the Revised 16821
Code. 16822

Sec. 3302.038. Notwithstanding anything in the Revised Code 16823
to the contrary, when a school district's or school's grade for 16824
the value-added progress dimension or the performance index score 16825
calculated under section 3302.03 of the Revised Code is considered 16826

in determining whether a school district or a school is subject to 16827
sanctions or penalties on or after the effective date of this 16828
section, the department of education shall apply the higher grade 16829
of the two measures, regardless of which measure is specified. At 16830
no time shall both grades be used to determine any sanctions or 16831
penalties. 16832

Sec. 3302.039. If the department of education fails to assign 16833
report card ratings by the date required under section 3302.03 of 16834
the Revised Code or sponsor ratings by the date required under 16835
section 3314.016 of the Revised Code, the report card ratings or 16836

misses the deadline shall not be considered in determining whether 16838
a school district or building is subject to sanctions or 16839
penalties. Furthermore, the report card ratings or sponsor ratings 16840
of any previous years shall not be considered in determining 16841
whether a school district, building, or sponsor is subject to 16842
sanctions or penalties. Accordingly, the missed deadline shall 16843
create a new starting point for determinations that are based on 16844
ratings over multiple years. 16845

Sec. 3302.042. (A) This section shall operate as a pilot 16846
project that applies to any school that has been ranked according 16847
to performance index score under section 3302.21 of the Revised 16848
Code in the lowest five per cent of all public school buildings 16849
statewide for three or more consecutive school years and is 16850
operated by the Columbus city school district. This section does 16851
not apply to a school building that is ranked according to the 16852
value-added progress dimension under section 3302.03 of the 16853
Revised Code above the lowest five per cent of all public school 16854
buildings statewide for three or more consecutive years. The pilot 16855
project shall commence once the department of education 16856
establishes implementation guidelines for the pilot project in 16857

consultation with the Columbus city school district. 16858

(B) Except as provided in division (D), (E), or (F) of this 16859
section, if the parents or guardians of at least fifty per cent of 16860
the students enrolled in a school to which this section applies, 16861
or if the parents or guardians of at least fifty per cent of the 16862
total number of students enrolled in that school and the schools 16863
of lower grade levels whose students typically matriculate into 16864
that school, by the thirty-first day of December of any school 16865
year in which the school is subject to this section, sign and file 16866
with the school district treasurer a petition requesting the 16867
district board of education to implement one of the following 16868
reforms in the school, and if the validity and sufficiency of the 16869
petition is certified in accordance with division (C) of this 16870
section, the board shall implement the requested reform in the 16871
next school year: 16872

(1) Reopen the school as a community school under Chapter 16873
3314. of the Revised Code; 16874

(2) Replace at least seventy per cent of the school's 16875
personnel who are related to the school's poor academic 16876
performance or, at the request of the petitioners, retain not more 16877
than thirty per cent of the personnel; 16878

(3) Contract with another school district or a nonprofit or 16879
for-profit entity with a demonstrated record of effectiveness to 16880
operate the school; 16881

(4) Turn operation of the school over to the department; 16882

(5) Any other major restructuring of the school that makes 16883
fundamental reforms in the school's staffing or governance. 16884

(C) Not later than thirty days after receipt of a petition 16885
under division (B) of this section, the district treasurer shall 16886
verify the validity and sufficiency of the signatures on the 16887

petition and certify to the district board whether the petition 16888
contains the necessary number of valid signatures to require the 16889
board to implement the reform requested by the petitioners. If the 16890
treasurer certifies to the district board that the petition does 16891
not contain the necessary number of valid signatures, any person 16892
who signed the petition may file an appeal with the county auditor 16893
within ten days after the certification. Not later than thirty 16894
days after the filing of an appeal, the county auditor shall 16895
conduct an independent verification of the validity and 16896
sufficiency of the signatures on the petition and certify to the 16897
district board whether the petition contains the necessary number 16898
of valid signatures to require the board to implement the 16899
requested reform. If the treasurer or county auditor certifies 16900
that the petition contains the necessary number of valid 16901
signatures, the district board shall notify the superintendent of 16902
public instruction and the state board of education of the 16903
certification. 16904

(D) The district board shall not implement the reform 16905
requested by the petitioners in any of the following 16906
circumstances: 16907

(1) The district board has determined that the request is for 16908
reasons other than improving student academic achievement or 16909
student safety. 16910

(2) The state superintendent has determined that 16911
implementation of the requested reform would not comply with the 16912
model of differentiated accountability described in section 16913
3302.041 of the Revised Code. 16914

(3) The petitioners have requested the district board to 16915
implement the reform described in division (B)(4) of this section 16916
and the department has not agreed to take over the school's 16917
operation. 16918

(4) When all of the following have occurred: 16919

(a) After a public hearing on the matter, the district board 16920
issued a written statement explaining the reasons that it is 16921
unable to implement the requested reform and agreeing to implement 16922
one of the other reforms described in division (B) of this 16923
section. 16924

(b) The district board submitted its written statement to the 16925
state superintendent and the state board along with evidence 16926
showing how the alternative reform the district board has agreed 16927
to implement will enable the school to improve its academic 16928
performance. 16929

(c) Both the state superintendent and the state board have 16930
approved implementation of the alternative reform. 16931

(E) If the provisions of this section conflict in any way 16932
with the requirements of federal law, federal law shall prevail 16933
over the provisions of this section. 16934

(F) If a school is restructured under this section, section 16935
3302.10 or 3302.12 of the Revised Code, or federal law, the school 16936
shall not be required to restructure again under state law for 16937
three consecutive years after the implementation of that prior 16938
restructuring. 16939

(G) Beginning not later than six months after the first 16940
petition under this section has been resolved, the department of 16941
education shall annually evaluate the pilot program and submit a 16942
report to the general assembly under section 101.68 of the Revised 16943
Code. Such reports shall contain its recommendations to the 16944
general assembly with respect to the continuation of the pilot 16945
program, its expansion to other school districts, or the enactment 16946
of further legislation establishing the program statewide under 16947
permanent law. 16948

Sec. 3302.061. (A) A school district board of education shall 16949
review each application received under section 3302.06 of the 16950
Revised Code and, within sixty days after receipt of the 16951
application, shall approve or disapprove the application. In 16952
reviewing applications, the board shall give preference to 16953
applications that propose innovations in one or more of the 16954
following areas: 16955

(1) Curriculum; 16956

(2) Student assessments, other than the assessments 16957
prescribed by sections 3301.0710 and 3301.0712 of the Revised 16958
Code; 16959

(3) Class scheduling; 16960

(4) Accountability measures, including innovations that 16961
expand the number and variety of measures used in order to collect 16962
more complete data about student academic performance. For this 16963
purpose, schools may consider use of measures such as 16964
end-of-course examinations, portfolios of student work, nationally 16965
or internationally normed assessments, the percentage of students 16966
enrolling in post-secondary education, or the percentage of 16967
students simultaneously obtaining a high school diploma and an 16968
associate's degree or certification to work in an industry or 16969
career field. 16970

(5) Provision of student services, including services for 16971
students who are disabled, identified as gifted under Chapter 16972
3324. of the Revised Code, ~~limited English proficient learners~~, at 16973
risk of academic failure or dropping out, or at risk of suspension 16974
or expulsion; 16975

(6) Provision of health, counseling, or other social services 16976
to students; 16977

(7) Preparation of students for transition to higher 16978

education or the workforce;	16979
(8) Teacher recruitment, employment, and evaluation;	16980
(9) Compensation for school personnel;	16981
(10) Professional development;	16982
(11) School governance and the roles and responsibilities of principals;	16983 16984
(12) Use of financial or other resources.	16985
(B)(1) If the board approves an application seeking designation as an innovation school, it shall so designate the school that submitted the application. If the board approves an application seeking designation as an innovation school zone, it shall so designate the participating schools that submitted the application.	16986 16987 16988 16989 16990 16991
(2) If the board disapproves an application, it shall provide a written explanation of the basis for its decision to the school or schools that submitted the application. The school or schools may reapply for designation as an innovation school or innovation school zone at any time.	16992 16993 16994 16995 16996
(C) The board may approve an application that allows an innovation school or a school participating in an innovation school zone to determine the compensation of board employees working in the school, but the total compensation for all such employees shall not exceed the financial resources allocated to the school by the board. The school shall not be required to comply with the salary schedule adopted by the board under section 3311.78, 3317.14, or 3317.141 of the Revised Code. The board may approve an application that allows an innovation school or a school participating in an innovation school zone to remove board employees from the school, but no employee shall be terminated except as provided in section 3311.82, 3319.081, or 3319.16 of the	16997 16998 16999 17000 17001 17002 17003 17004 17005 17006 17007 17008

(D) The board may do either of the following at any time: 17010

innovation plan for that school and offering the school an 17012
opportunity to participate in the plan's creation; 17013

(2) Designate as an innovation school zone two or more 17014
schools that share common interests based on factors such as 17015
geographical proximity or similar educational programs or that 17016
serve the same classes of students as they advance to higher grade 17017
levels, by creating an innovation plan for those schools and 17018
offering the schools an opportunity to participate in the plan's 17019
creation. 17020

Sec. 3302.12. (A)(1) Except as provided in divisions (C) and 17021
(D) of this section, this section applies to a school building 17022
that is ranked according to performance index score under section 17023
3302.21 of the Revised Code in the lowest five per cent of public 17024
school buildings statewide for three consecutive years and ~~that~~ 17025
~~meets any combination of the following for three consecutive~~ 17026
~~years:~~ 17027

~~(a) The school building is declared to be under an academic 17028

~~(b) The school building that has received a grade of "F" for 17031
the value added progress dimension under division (A)(1)(e),~~ 17032
~~(B)(1)(e), or (C)(1)(e) of section 3302.03 of the Revised Code;~~ 17033

~~(c) The school building that has received an overall grade of 17034
"F" under section 3302.03 of the Revised Code. This section does 17035
not apply to a school building that is ranked according to the 17036
value-added progress dimension under section 3302.03 of the 17037
Revised Code above the lowest five per cent of all public school 17038~~

buildings statewide for three or more consecutive years. 17039

(2) In the case of a building to which this section applies, 17040
the district board of education in control of that building shall 17041
do one of the following at the conclusion of the school year in 17042
which the building first becomes subject to this section: 17043

buildings that demonstrate higher academic achievement; 17046

(b) Contract with another school district or a nonprofit or 17047
for-profit entity with a demonstrated record of effectiveness to 17048

(c) Replace the principal and all teaching staff of the 17050
school and, upon request from the new principal, exempt the school 17051
from all requested policies and regulations of the board regarding 17052
curriculum and instruction. The board also shall distribute 17053
funding to the school in an amount that is at least equal to the 17054

received by the district multiplied by the student population of 17056
the school. 17057

(d) Reopen the school as a conversion community school under 17058
Chapter 3314. of the Revised Code. 17059

(B) If an action taken by the board under division (A)(2) of 17060
this section causes the district to no longer maintain all grades 17061
kindergarten through twelve, as required by section 3311.29 of the 17062
Revised Code, the board shall enter into a contract with another 17063
school district pursuant to section 3327.04 of the Revised Code 17064
for enrollment of students in the schools of that other district 17065
to the extent necessary to comply with the requirement of section 17066
3311.29 of the Revised Code. Notwithstanding any provision of the 17067
Revised Code to the contrary, if the board enters into and 17068
maintains a contract under section 3327.04 of the Revised Code, 17069

the district shall not be considered to have failed to comply with 17070
the requirement of section 3311.29 of the Revised Code. If, 17071
however, the district board fails to or is unable to enter into or 17072
maintain such a contract, the state board of education shall take 17073
all necessary actions to dissolve the district as provided in 17074
division (A) of section 3311.29 of the Revised Code. 17075

(C) If a particular school is required to restructure under 17076
this section and a petition with respect to that same school has 17077
been filed and verified under divisions (B) and (C) of section 17078
3302.042 of the Revised Code, the provisions of that section and 17079
the petition filed and verified under it shall prevail over the 17080
provisions of this section and the school shall be restructured 17081
under that section. However, if division (D)(1), (2), or (3) of 17082
section 3302.042 of the Revised Code also applies to the school, 17083
the school shall be subject to restructuring under this section 17084
and not section 3302.042 of the Revised Code. 17085

If the provisions of this section conflict in any way with 17086
the requirements of federal law, federal law shall prevail over 17087
the provisions of this section. 17088

(D) If a school is restructured under this section, section 17089
3302.042 or 3302.10 of the Revised Code, or federal law, the 17090
school shall not be required to restructure again under state law 17091

is initiated under section 3302.17 of the Revised Code for any 17095
school building operated by a city, exempted village, or local 17096
school district or a community school established under Chapter 17097
3314. of the Revised Code, the district board of education or 17098
community school governing authority shall create a school action 17099

peers; 17105

(b) Five teachers and nonteaching employees who are assigned 17106
to the school building and are not parents or guardians of 17107
students enrolled in the school, as elected by their peers. 17108

(2) To assist a school action team initiated under section 17109
3302.17 of the Revised Code, the district board, community school 17110
governing authority, or community partner shall select an 17111
individual who is employed by the district, school, or community 17112
partner to serve as the resource coordinator for the community 17113
learning center. The school action team shall make recommendations 17114
to the board, governing authority, or community partner on 17115
potential candidates. The resource coordinator shall not be 17116
considered a member of a school action team. The resource 17117
coordinator shall assist in the development and coordination of 17118
programs and services for the community learning center. 17119

(C) In addition to the responsibilities listed in section 17124
3302.17 of the Revised Code, the school action team shall do all 17125
of the following: 17126

ethnic groups, limited English proficient students <u>learners</u> ,	17143
economically disadvantaged students, and students with	17144
disabilities;	17145
(8) Receive regular updates from the principal on policy	17146
matters affecting the school and provide advice on such matters;	17147

If no such governing authority of a high-performing community 17651
school notifies the district treasurer of its intention to lease 17652

district board may renew any agreement it originally entered into 17674
prior to June 30, 2011, to lease real property to an entity other 17675

section within five years of the purchase, only if the governing 17686

authority, board of trustees, or governing body sells or transfers 17687

Ohioans must be prepared to apply increased knowledge and 17904
skills in the workplace and to adapt their knowledge and skills 17905
quickly to meet the rapidly changing conditions of the 17906
twenty-first century. National studies indicate that all high 17907
school graduates need the same academic foundation, regardless of 17908
the opportunities they pursue after graduation. The goal of Ohio's 17909
system of elementary and secondary education is to prepare all 17910
students for and seamlessly connect all students to success in 17911
life beyond high school graduation, regardless of whether the next 17912
step is entering the workforce, beginning an apprenticeship, 17913
engaging in post-secondary training, serving in the military, or 17914
pursuing a college degree. 17915

The requirements for graduation prescribed in division (C) of 17916
this section are the standard expectation for all students 17917
entering ninth grade for the first time at a public or chartered 17918
nonpublic high school on or after July 1, 2010. A student may 17919
satisfy this expectation through a variety of methods, including, 17920
but not limited to, integrated, applied, career-technical, and 17921
traditional coursework. 17922

Stronger coordination between high schools and institutions 17923
of higher education is necessary to prepare students for more 17924
challenging academic endeavors and to lessen the need for academic 17925
remediation in college, thereby reducing the costs of higher 17926
education for Ohio's students, families, and the state. The state 17927
board and the chancellor of higher education shall develop 17928
policies to ensure that only in rare instances will students who 17929
complete the requirements for graduation prescribed in division 17930

(C) of this section require academic remediation after high 17931
school. 17932

School districts, community schools, and chartered nonpublic 17933
schools shall integrate technology into learning experiences 17934
across the curriculum in order to maximize efficiency, enhance 17935
learning, and prepare students for success in the 17936
technology-driven twenty-first century. Districts and schools 17937
shall use distance and web-based course delivery as a method of 17938
providing or augmenting all instruction required under this 17939
division, including laboratory experience in science. Districts 17940
and schools shall utilize technology access and electronic 17941
learning opportunities provided by the broadcast educational media 17942
commission, chancellor, the Ohio learning network, education 17943
technology centers, public television stations, and other public 17944
and private providers. 17945

(D) Except as provided in division (E) of this section, a 17946
student who enters ninth grade on or after July 1, 2010, and 17947
before July 1, 2016, may qualify for graduation from a public or 17948
chartered nonpublic high school even though the student has not 17949
completed the requirements for graduation prescribed in division 17950
(C) of this section if all of the following conditions are 17951
satisfied: 17952

(1) During the student's third year of attending high school, 17953
as determined by the school, the student and the student's parent, 17954
guardian, or custodian sign and file with the school a written 17955
statement asserting the parent's, guardian's, or custodian's 17956
consent to the student's graduating without completing the 17957
requirements for graduation prescribed in division (C) of this 17958
section and acknowledging that one consequence of not completing 17959
those requirements is ineligibility to enroll in most state 17960
universities in Ohio without further coursework. 17961

(2) The student and parent, guardian, or custodian fulfill 17962

any procedural requirements the school stipulates to ensure the 17963
student's and parent's, guardian's, or custodian's informed 17964
consent and to facilitate orderly filing of statements under 17965
division (D)(1) of this section. Annually, each district or school 17966
shall notify the department of the number of students who choose 17967
to qualify for graduation under division (D) of this section and 17968
the number of students who complete the student's success plan and 17969
graduate from high school. 17970

(3) The student and the student's parent, guardian, or 17971
custodian and a representative of the student's high school 17972
jointly develop a student success plan for the student in the 17973
manner described in division (C)(1) of section 3313.6020 of the 17974
Revised Code that specifies the student matriculating to a 17975
two-year degree program, acquiring a business and 17976
industry-recognized credential, or entering an apprenticeship. 17977

(4) The student's high school provides counseling and support 17978
for the student related to the plan developed under division 17979
(D)(3) of this section during the remainder of the student's high 17980
school experience. 17981

(5)(a) Except as provided in division (D)(5)(b) of this 17982
section, the student successfully completes, at a minimum, the 17983
curriculum prescribed in division (B) of this section. 17984

(b) Beginning with students who enter ninth grade for the 17985
first time on or after July 1, 2014, a student shall be required 17986
to complete successfully, at the minimum, the curriculum 17987
prescribed in division (B) of this section, except as follows: 17988

(i) Mathematics, four units, one unit which shall be one of 17989
the following: 17990

(I) Probability and statistics; 17991

(II) Computer science; 17992

(III) Applied mathematics or quantitative reasoning;	17993
(IV) Any other course approved by the department using	17994
standards established by the superintendent not later than October	17995
1, 2014.	17996
(ii) Elective units, five units;	17997
(iii) Science, three units as prescribed by division (B) of	17998
this section which shall include inquiry-based laboratory	17999
experience that engages students in asking valid scientific	18000
questions and gathering and analyzing information.	18001
The department, in collaboration with the chancellor, shall	18002
analyze student performance data to determine if there are	18003
mitigating factors that warrant extending the exception permitted	18004
by division (D) of this section to high school classes beyond	18005
those entering ninth grade before July 1, 2016. The department	18006
shall submit its findings and any recommendations not later than	18007
December 1, 2015, to the speaker and minority leader of the house	18008
of representatives, the president and minority leader of the	18009
senate, the chairpersons and ranking minority members of the	18010
standing committees of the house of representatives and the senate	18011
that consider education legislation, the state board of education,	18012
and the superintendent of public instruction.	18013
(E) Each school district and chartered nonpublic school	18014
retains the authority to require an even more challenging minimum	18015
curriculum for high school graduation than specified in division	18016
(B) or (C) of this section. A school district board of education,	18017
through the adoption of a resolution, or the governing authority	18018
of a chartered nonpublic school may stipulate any of the	18019
following:	18020
(1) A minimum high school curriculum that requires more than	18021
twenty units of academic credit to graduate;	18022
(2) An exception to the district's or school's minimum high	18023

school curriculum that is comparable to the exception provided in 18024
division (D) of this section but with additional requirements, 18025
which may include a requirement that the student successfully 18026
complete more than the minimum curriculum prescribed in division 18027
(B) of this section; 18028

(3) That no exception comparable to that provided in division 18029
(D) of this section is available. 18030

If a school district or chartered nonpublic school requires a 18031
foreign language as an additional graduation requirement under 18032
division (E) of this section, a student may apply one unit of 18033
instruction in computer coding to satisfy one unit of foreign 18034
language. If a student applies more than one computer coding 18035
course to satisfy the foreign language requirement, the courses 18036
shall be sequential and progressively more difficult. 18037

(F) A student enrolled in a dropout prevention and recovery 18038
program, which program has received a waiver from the department, 18039
may qualify for graduation from high school by successfully 18040
completing a competency-based instructional program administered 18041
by the dropout prevention and recovery program in lieu of 18042
completing the requirements for graduation prescribed in division 18043
(C) of this section. The department shall grant a waiver to a 18044
dropout prevention and recovery program, within sixty days after 18045
the program applies for the waiver, if the program meets all of 18046
the following conditions: 18047

(1) The program serves only students not younger than sixteen 18048
years of age and not older than twenty-one years of age. 18049

(2) The program enrolls students who, at the time of their 18050
initial enrollment, either, or both, are at least one grade level 18051
behind their cohort age groups or experience crises that 18052
significantly interfere with their academic progress such that 18053
they are prevented from continuing their traditional programs. 18054

(3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division (D)(5) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student's matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

(8) Prior to receiving the waiver, the program has submitted to the department a policy on career advising that satisfies the requirements of section 3313.6020 of the Revised Code, with an

emphasis on how every student will receive career advising. 18086

(9) Prior to receiving the waiver, the program has submitted 18087
to the department a written agreement outlining the future 18088
cooperation between the program and any combination of local job 18089
training, postsecondary education, nonprofit, and health and 18090
social service organizations to provide services for students in 18091
the program and their families. 18092

Divisions (F)(8) and (9) of this section apply only to 18093
waivers granted on or after July 1, 2015. 18094

If the department does not act either to grant the waiver or 18095
to reject the program application for the waiver within sixty days 18096
as required under this section, the waiver shall be considered to 18097
be granted. 18098

(G) Every high school may permit students below the ninth 18099
grade to take advanced work. If a high school so permits, it shall 18100
award high school credit for successful completion of the advanced 18101
work and shall count such advanced work toward the graduation 18102
requirements of division (B) or (C) of this section if the 18103
advanced work was both: 18104

(1) Taught by a person who possesses a license or certificate 18105
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 18106
Code that is valid for teaching high school; 18107

(2) Designated by the board of education of the city, local, 18108
or exempted village school district, the board of the cooperative 18109
education school district, or the governing authority of the 18110
chartered nonpublic school as meeting the high school curriculum 18111
requirements. 18112

Each high school shall record on the student's high school 18113
transcript all high school credit awarded under division (G) of 18114
this section. In addition, if the student completed a seventh- or 18115
eighth-grade fine arts course described in division (K) of this 18116

section and the course qualified for high school credit under that 18117
division, the high school shall record that course on the 18118
student's high school transcript. 18119

(H) The department shall make its individual academic career 18120
plan available through its Ohio career information system web site 18121
for districts and schools to use as a tool for communicating with 18122
and providing guidance to students and families in selecting high 18123
school courses. 18124

(I) A school district or chartered nonpublic school may 18125
integrate academic content in a subject area for which the state 18126
board has adopted standards under section 3301.079 of the Revised 18127
Code into a course in a different subject area, including a 18128
career-technical education course, in accordance with guidance for 18129
integrated coursework developed by the department. Upon successful 18130
completion of an integrated course, a student may receive credit 18131
for both subject areas that were integrated into the course. Units 18132
earned for subject area content delivered through integrated 18133
academic and career-technical instruction are eligible to meet the 18134
graduation requirements of division (B) or (C) of this section. 18135

For purposes of meeting graduation requirements, if an 18136
end-of-course examination has been prescribed under section 18137
3301.0712 of the Revised Code for the subject area delivered 18138
through integrated instruction, the school district or school may 18139
administer the related subject area examinations upon the 18140
student's completion of the integrated course. 18141

Nothing in division (I) of this section shall be construed to 18142
excuse any school district, chartered nonpublic school, or student 18143
from any requirement in the Revised Code related to curriculum, 18144
assessments, or the awarding of a high school diploma. 18145

(J)(1) The state board, in consultation with the chancellor, 18146
shall adopt a statewide plan implementing methods for students to 18147

earn units of high school credit based on a demonstration of 18148
subject area competency, instead of or in combination with 18149
completing hours of classroom instruction. The state board shall 18150
adopt the plan not later than March 31, 2009, and commence phasing 18151
in the plan during the 2009-2010 school year. The plan shall 18152
include a standard method for recording demonstrated proficiency 18153
on high school transcripts. Each school district and community 18154
school shall comply with the state board's plan adopted under this 18155
division and award units of high school credit in accordance with 18156
the plan. The state board may adopt existing methods for earning 18157
high school credit based on a demonstration of subject area 18158
competency as necessary prior to the 2009-2010 school year. 18159

(2) Not later than December 31, 2015, the state board shall 18160
update the statewide plan adopted pursuant to division (J)(1) of 18161
this section to also include methods for students enrolled in 18162
seventh and eighth grade to meet curriculum requirements based on 18163
a demonstration of subject area competency, instead of or in 18164
combination with completing hours of classroom instruction. 18165
Beginning with the 2017-2018 school year, each school district and 18166
community school also shall comply with the updated plan adopted 18167
pursuant to this division and permit students enrolled in seventh 18168
and eighth grade to meet curriculum requirements based on subject 18169
area competency in accordance with the plan. 18170

(3) Not later than December 31, 2017, the department shall 18171
develop a framework for school districts and community schools to 18172
use in granting units of high school credit to students who 18173
demonstrate subject area competency through work-based learning 18174
experiences, internships, or cooperative education. Beginning with 18175
the 2018-2019 school year, each district and community school 18176
shall comply with the framework. Each district and community 18177
school also shall review any policy it has adopted regarding the 18178
demonstration of subject area competency to identify ways to 18179

incorporate work-based learning experiences, internships, and 18180
cooperative education into the policy in order to increase student 18181
engagement and opportunities to earn units of high school credit. 18182

(K) This division does not apply to students who qualify for 18183
graduation from high school under division (D) or (F) of this 18184
section, or to students pursuing a career-technical instructional 18185
track as determined by the school district board of education or 18186
the chartered nonpublic school's governing authority. 18187
Nevertheless, the general assembly encourages such students to 18188
consider enrolling in a fine arts course as an elective. 18189

Beginning with students who enter ninth grade for the first 18190
time on or after July 1, 2010, each student enrolled in a public 18191
or chartered nonpublic high school shall complete two semesters or 18192
the equivalent of fine arts to graduate from high school. The 18193
coursework may be completed in any of grades seven to twelve. Each 18194
student who completes a fine arts course in grade seven or eight 18195
may elect to count that course toward the five units of electives 18196
required for graduation under division (C)(8) of this section, if 18197
the course satisfied the requirements of division (G) of this 18198
section. In that case, the high school shall award the student 18199
high school credit for the course and count the course toward the 18200
five units required under division (C)(8) of this section. If the 18201
course in grade seven or eight did not satisfy the requirements of 18202
division (G) of this section, the high school shall not award the 18203
student high school credit for the course but shall count the 18204
course toward the two semesters or the equivalent of fine arts 18205
required by this division. 18206

(L) Notwithstanding anything to the contrary in this section, 18207
the board of education of each school district and the governing 18208
authority of each chartered nonpublic school may adopt a policy to 18209
excuse from the high school physical education requirement each 18210
student who, during high school, has participated in 18211

interscholastic athletics, marching band, show choir, or 18212
cheerleading for at least two full seasons or in the junior 18213
reserve officer training corps for at least two full school years. 18214
If the board or authority adopts such a policy, the board or 18215
authority shall not require the student to complete any physical 18216
education course as a condition to graduate. However, the student 18217
shall be required to complete one-half unit, consisting of at 18218
least sixty hours of instruction, in another course of study. In 18219
the case of a student who has participated in the junior reserve 18220
officer training corps for at least two full school years, credit 18221
received for that participation may be used to satisfy the 18222
requirement to complete one-half unit in another course of study. 18223

(M) It is important that high school students learn and 18224
understand United States history and the governments of both the 18225
United States and the state of Ohio. Therefore, beginning with 18226
students who enter ninth grade for the first time on or after July 18227
1, 2012, the study of American history and American government 18228
required by divisions (B)(6) and (C)(6) of this section shall 18229
include the study of all of the following documents: 18230

(1) The Declaration of Independence; 18231

(2) The Northwest Ordinance; 18232

(3) The Constitution of the United States with emphasis on 18233
the Bill of Rights; 18234

(4) The Ohio Constitution. 18235

The study of each of the documents prescribed in divisions 18236
(M)(1) to (4) of this section shall include study of that document 18237
in its original context. 18238

The study of American history and government required by 18239
divisions (B)(6) and (C)(6) of this section shall include the 18240
historical evidence of the role of documents such as the 18241
Federalist Papers and the Anti-Federalist Papers to firmly 18242

establish the historical background leading to the establishment 18243
of the provisions of the Constitution and Bill of Rights. 18244

(N) A student may apply one unit of instruction in computer 18245
science to satisfy one unit of mathematics or one unit of science 18246
under division (C) of this section as the student chooses, 18247
regardless of the field of certification of the teacher who 18248
teaches the course, so long as that teacher meets the licensure 18249
requirements prescribed by section 3319.236 of the Revised Code 18250
and, prior to teaching the course, completes a professional 18251
development program determined to be appropriate by the district 18252
board. 18253

If a student applies more than one computer science course to 18254
satisfy curriculum requirements under that division, the courses 18255
shall be sequential and progressively more difficult or cover 18256
different subject areas within computer science. 18257

Sec. 3313.608. (A)(1) Beginning with students who enter third 18258
grade in the school year that starts July 1, 2009, and until June 18259
30, 2013, unless the student is excused under division (C) of 18260
section 3301.0711 of the Revised Code from taking the assessment 18261
described in this section, for any student who does not attain at 18262
least the equivalent level of achievement designated under 18263
division (A)(3) of section 3301.0710 of the Revised Code on the 18264
assessment prescribed under that section to measure skill in 18265
English language arts expected at the end of third grade, each 18266
school district, in accordance with the policy adopted under 18267
section 3313.609 of the Revised Code, shall do one of the 18268
following: 18269

(a) Promote the student to fourth grade if the student's 18270
principal and reading teacher agree that other evaluations of the 18271
student's skill in reading demonstrate that the student is 18272
academically prepared to be promoted to fourth grade; 18273

(b) Promote the student to fourth grade but provide the student with intensive intervention services in fourth grade; (c) Retain the student in third grade.

(2) Beginning with students who enter third grade in the 2013-2014 school year, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, no school district shall promote to fourth grade any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, unless one of the following applies:

(a) The student is ~~a limited~~ an English ~~proficient student~~ learner who has been enrolled in United States schools for less than three full school years and has had less than three years of instruction in an English as a second language program.

(b) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code and the student's individualized education program exempts the student from retention under this division.

(c) The student demonstrates an acceptable level of performance on an alternative standardized reading assessment as determined by the department of education.

(d) All of the following apply:

(i) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code.

(ii) The student has taken the third grade English language arts achievement assessment prescribed under section 3301.0710 of

the Revised Code. 18304

(iii) The student's individualized education program or plan 18305
under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 18306
355, 29 U.S.C. 794, as amended, shows that the student has 18307
received intensive remediation in reading for two school years but 18308
still demonstrates a deficiency in reading. 18309

(iv) The student previously was retained in any of grades 18310
kindergarten to three. 18311

(e)(i) The student received intensive remediation for reading 18312
for two school years but still demonstrates a deficiency in 18313
reading and was previously retained in any of grades kindergarten 18314
to three. 18315

(ii) A student who is promoted under division (A)(2)(e)(i) of 18316
this section shall continue to receive intensive reading 18317
instruction in grade four. The instruction shall include an 18318
altered instructional day that includes specialized diagnostic 18319
information and specific research-based reading strategies for the 18320
student that have been successful in improving reading among 18321
low-performing readers. 18322

(B)(1) Beginning in the 2012-2013 school year, to assist 18323
students in meeting the third grade guarantee established by this 18324
section, each school district board of education shall adopt 18325
policies and procedures with which it annually shall assess the 18326
reading skills of each student, except those students with 18327
significant cognitive disabilities or other disabilities as 18328
authorized by the department on a case-by-case basis, enrolled in 18329
kindergarten to third grade and shall identify students who are 18330
reading below their grade level. The reading skills assessment 18331
shall be completed by the thirtieth day of September for students 18332
in grades one to three, and by the first day of November for 18333
students in kindergarten. Each district shall use the diagnostic 18334

assessment to measure reading ability for the appropriate grade 18335
level adopted under section 3301.079 of the Revised Code, or a 18336
comparable tool approved by the department of education, to 18337
identify such students. The policies and procedures shall require 18338
the students' classroom teachers to be involved in the assessment 18339
and the identification of students reading below grade level. The 18340
assessment may be administered electronically using live, two-way 18341
video and audio connections whereby the teacher administering the 18342
assessment may be in a separate location from the student. 18343

(2) For each student identified by the diagnostic assessment 18344
prescribed under this section as having reading skills below grade 18345
level, the district shall do both of the following: 18346

(a) Provide to the student's parent or guardian, in writing, 18347
all of the following: 18348

(i) Notification that the student has been identified as 18349
having a substantial deficiency in reading; 18350

(ii) A description of the current services that are provided 18351
to the student; 18352

(iii) A description of the proposed supplemental 18353
instructional services and supports that will be provided to the 18354
student that are designed to remediate the identified areas of 18355
reading deficiency; 18356

(iv) Notification that if the student attains a score in the 18357
range designated under division (A)(3) of section 3301.0710 of the 18358
Revised Code on the assessment prescribed under that section to 18359
measure skill in English language arts expected at the end of 18360
third grade, the student shall be retained unless the student is 18361
exempt under division (A) of this section. The notification shall 18362
specify that the assessment under section 3301.0710 of the Revised 18363
Code is not the sole determinant of promotion and that additional 18364
evaluations and assessments are available to the student to assist 18365

parents and the district in knowing when a student is reading at 18366
or above grade level and ready for promotion. 18367

(b) Provide intensive reading instruction services and 18368
regular diagnostic assessments to the student immediately 18369
following identification of a reading deficiency until the 18370
development of the reading improvement and monitoring plan 18371
required by division (C) of this section. These intervention 18372
services shall include research-based reading strategies that have 18373
been shown to be successful in improving reading among 18374
low-performing readers and instruction targeted at the student's 18375
identified reading deficiencies. 18376

(3) For each student retained under division (A) of this 18377
section, the district shall do all of the following: 18378

(a) Provide intense remediation services until the student is 18379
able to read at grade level. The remediation services shall 18380
include intensive interventions in reading that address the areas 18381
of deficiencies identified under this section including, but not 18382
limited to, not less than ninety minutes of reading instruction 18383

Except as provided in division (D) of this section, an approval under this division shall take effect thirty calendar days after either the postage stamp date of the regular mail notice or the date of the electronic mail notice.

(D) The state board of education may, by a two-thirds vote of its membership, override a credential point value approval under division (C) of this section. An override shall take immediate effect if the state board vote occurs prior to the effective date of the approval prescribed under division (C) of this section. However, if the state board vote occurs after that effective date, the override shall take effect at the beginning of the following school year.

(E) Both of the following shall apply to any credential point

in the career-technical planning district of the lead district 19232
board of education that issued the approval. 19233

(2) The district board may revoke any approved credential 19234
point value. 19235

industry-recognized credential points to qualify for a high school 19240
diploma under division (A)(3) of section 3313.613 of the Revised 19241
Code. 19242

district superintendent, at any time before the beginning of the 19262
school year, of the name of the public school in an adjacent 19263
school district to which the student has been accepted pursuant to 19264
section 3327.06 of the Revised Code. 19265

of this section. Tutorial assistance grants shall be awarded 19290

solely to students who are enrolled in the public schools of the 19291
district in a grade level covered by the pilot project. Tutorial 19292

(2) The state superintendent shall provide for an increase in 19318
the basic scholarship amount in the case of any student who is a 19319
mainstreamed student with a disability and shall further increase 19320
such amount in the case of any separately educated student with a 19321

disability. Such increases shall take into account the 19322
instruction, related services, and transportation costs of 19323
educating such students. 19324

(3) In the case of tutorial assistance grants, the grant 19325
amount shall not exceed the lesser of the provider's actual 19326

administrator of each registered private school located in the 19340
pilot project district and the principal of each public school in 19341
such district shall complete a parental information form and 19342
forward it to the president of the board of education. The 19343
parental information form shall be prescribed by the department of 19344
education and shall provide information about the grade levels 19345
offered, the numbers of students, tuition amounts, achievement 19346
test results, and any sectarian or other organizational 19347
affiliations. 19348

(E)(1) Only for the purpose of administering the pilot 19349
project scholarship program, the department may request from any 19350
of the following entities the data verification code assigned 19351
under division (D)(2) of section 3301.0714 of the Revised Code to 19352

any student who is seeking a scholarship under the program: 19353

(2) Upon a request by the department under division (E)(1) of 19361
this section for the data verification code of a student seeking a 19362
scholarship or a request by the student's parent for that code, 19363
the school district or community school shall submit that code to 19364
the department or parent in the manner specified by the 19365
department. If the student has not been assigned a code, because 19366
the student will be entering kindergarten during the school year 19367
for which the scholarship is sought, the district shall assign a 19368
code to that student and submit the code to the department or 19369
parent by a date specified by the department. If the district does 19370
not assign a code to the student by the specified date, the 19371
department shall assign a code to the student. 19372

The department annually shall submit to each school district 19373
the name and data verification code of each student residing in 19374
the district who is entering kindergarten, who has been awarded a 19375
scholarship under the program, and for whom the department has 19376
assigned a code under this division. 19377

(3) The department shall not release any data verification 19378
code that it receives under division (E) of this section to any 19379
person except as provided by law. 19380

(F) Any document relative to the pilot project scholarship 19381
program that the department holds in its files that contains both 19382
a student's name or other personally identifiable information and 19383

the student's data verification code shall not be a public record 19384
under section 149.43 of the Revised Code. 19385

(G)(1) The department annually shall compile the scores 19386
attained by scholarship students enrolled in registered private 19387
schools on the assessments administered to the students pursuant 19388
to division (A)(11) of section 3313.976 of the Revised Code. The 19389
scores shall be aggregated as follows: 19390

(a) By school district, which shall include all scholarship 19391
students residing in the pilot project school district who are 19392
enrolled in a registered private school and were required to take 19393
an assessment pursuant to division (A)(11) of section 3313.976 of 19394
the Revised Code; 19395

(b) By registered private school, which shall include all 19396
scholarship students enrolled in that school who were required to 19397
take an assessment pursuant to division (A)(11) of section 19398
3313.976 of the Revised Code. 19399

(2) The department shall disaggregate the student performance 19400
data described in division (G)(1) of this section according to the 19401
following categories: 19402

(a) Grade level; 19403

(b) Race and ethnicity; 19404

(c) Gender; 19405

(d) Students who have participated in the scholarship program 19406

for more than one year and less than three years; 19409

(f) Students who have participated in the scholarship program 19410
for one year or less; 19411

(g) Economically disadvantaged students. 19412

(3) The department shall post the student performance data required under divisions (G)(1) and (2) of this section on its web site and shall include that data in the information about the scholarship program provided to students under division (A) of this section. In reporting student performance data under this division, the department shall not include any data that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report performance data for any group that contains less than ten students.

(4) The department shall provide the parent of each scholarship student enrolled in a registered private school with information comparing the student's performance on the assessments administered pursuant to division (A)(11) of section 3313.976 of the Revised Code with the average performance of similar students enrolled in the building operated by the pilot project school district that the scholarship student would otherwise attend. In calculating the performance of similar students, the department shall consider age, grade, race and ethnicity, gender, and socioeconomic status.

(H)(1) Except as provided in division (H)(2) of this section, for scholarships awarded the 2020-2021 school year and for each school year thereafter, the department shall conduct two application periods each year for the pilot project scholarship program, as follows:

(a) The first application period shall open not sooner than the first day of February prior to the first day of July of the school year for which a scholarship is sought and run not less than seventy-five days.

(b) The second application period shall open not sooner than the first day of July of the school year for which the scholarship is sought and run not less than thirty days.

(2) If the pilot scholarships awarded in the first 19445
application period for any school year use the entirety of the 19446
amount appropriated by the general assembly for such scholarships 19447
for that school year, the department need not conduct a second 19448
application period for scholarships. If, after the first 19449
application period, there are funds remaining to award, the 19450
department shall conduct a second application period in accordance 19451
with division (H)(1)(b) of this section. 19452

(3) Not later than the thirty-first day of May of each school 19453
year, the department shall determine whether funds remain 19454
available for pilot project scholarship program after the first 19455
application period. 19456

(4) For scholarships awarded for any school year prior to the 19457
2020-2021 school year, the state superintendent shall establish a 19458
deadline for a single application period. 19459

Sec. 3314.016. This section applies to any entity that 19460
sponsors a community school, regardless of whether section 19461
3314.021 or 3314.027 of the Revised Code exempts the entity from 19462
the requirement to be approved for sponsorship under divisions 19463
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 19464
office of Ohio school sponsorship established under section 19465
3314.029 of the Revised Code shall be rated under division (B) of 19466
this section, but divisions (A) and (C) of this section do not 19467
apply to the office. 19468

(A) An entity that sponsors a community school shall be 19469
permitted to enter into contracts under section 3314.03 of the 19470
Revised Code to sponsor additional community schools only if the 19471
entity meets all of the following criteria: 19472

(1) The entity is in compliance with all provisions of this 19473
chapter requiring sponsors of community schools to report data or 19474
information to the department of education. 19475

(2) The entity is not rated as "ineffective" under division 19476
(B)(6) of this section. 19477

(3) Except as set forth in sections 3314.021 and 3314.027 of 19478
the Revised Code, the entity has received approval from and 19479
entered into an agreement with the department of education 19480
pursuant to section 3314.015 of the Revised Code. 19481

(B)(1) The department shall develop and implement an 19482
evaluation system that annually rates and assigns an overall 19483
rating to each entity that sponsors a community school. The 19484
department, not later than the first day of February of each year, 19485
shall post on the department's web site the framework for the 19486
evaluation system, including technical documentation that the 19487
department intends to use to rate sponsors for the next school 19488
year. The department shall solicit public comment on the 19489
evaluation system for thirty consecutive days. Not later than the 19490
first day of April of each year, the department shall compile and 19491
post on the department's web site all public comments that were 19492
received during the public comment period. The evaluation system 19493
shall be posted on the department's web site by the fifteenth day 19494
of July of each school year. Any changes to the evaluation system 19495
after that date shall take effect the following year. The 19496
evaluation system shall be based on the following components: 19497

(a) Academic performance of students enrolled in community 19498
schools sponsored by the same entity. The academic performance 19499
component shall be derived from the performance measures 19500
prescribed for the state report cards under section 3302.03 or 19501
3314.017 of the Revised Code, and shall be based on the 19502
performance of the schools for the school year for which the 19503
evaluation is conducted. In addition to the academic performance 19504
for a specific school year, the academic performance component 19505
shall also include year-to-year changes in the overall sponsor 19506
portfolio. For a community school for which no graded performance 19507

measures are applicable or available, the department shall use 19508
nonreport card performance measures specified in the contract 19509
between the community school and the sponsor under division (A)(4) 19510
of section 3314.03 of the Revised Code. 19511

(b) Adherence by a sponsor to the quality practices 19512
prescribed by the department under division (B)(3) of this 19513
section. For a sponsor that was rated "effective" or "exemplary" 19514
on its most recent rating, the department may evaluate that 19515
sponsor's adherence to quality practices once over a period of 19516
three years. If the department elects to evaluate a sponsor once 19517
over a period of three years, the most recent rating for a 19518
sponsor's adherence to quality practices shall be used when 19519
determining an annual overall rating conducted under this section. 19520

(c) Compliance with all applicable laws and administrative 19521
rules by an entity that sponsors a community school. 19522

(2) In calculating an academic performance component, the 19523
department shall exclude all community schools that have been in 19524
operation for not more than two full school years and all 19525
community schools described in division (A)~~(4)~~(2)(b) of section 19526
3314.35 of the Revised Code. However, the academic performance of 19527
the community schools described in division (A)~~(4)~~(2)(b) of 19528
section 3314.35 of the Revised Code shall be reported, but shall 19529
not be used as a factor when determining a sponsoring entity's 19530
rating under this section. 19531

(3) The department, in consultation with entities that 19532
sponsor community schools, shall prescribe quality practices for 19533
community school sponsors and develop an instrument to measure 19534
adherence to those quality practices. The quality practices shall 19535
be based on standards developed by the national association of 19536
charter school authorizers or any other nationally organized 19537
community school organization. 19538

(4)(a) The department may permit peer review of a sponsor's 19539
adherence to the quality practices prescribed under division 19540
(B)(3) of this section. Peer reviewers shall be limited to 19541
individuals employed by sponsors rated "effective" or "exemplary" 19542
on the most recent ratings conducted under this section. 19543

(b) The department shall require individuals participating in 19544
peer review under division (B)(4)(a) of this section to complete 19545
training approved or established by the department. 19546

(c) The department may enter into an agreement with another 19547
entity to provide training to individuals conducting peer review 19548
of sponsors. Prior to entering into an agreement with an entity, 19549
the department shall review and approve of the entity's training 19550
program. 19551

(5) Not later than July 1, 2013, the state board of education 19552
shall adopt rules in accordance with Chapter 119. of the Revised 19553
Code prescribing standards for measuring compliance with 19554
applicable laws and rules under division (B)(1)(c) of this 19555
section. 19556

(6) The department annually shall rate all entities that 19557
sponsor community schools as either "exemplary," "effective," 19558
"ineffective," or "poor," based on the components prescribed by 19559
division (B) of this section, where each component is weighted 19560
equally. A separate rating shall be given by the department for 19561
each component of the evaluation system. 19562

The department shall publish the ratings between the first 19563
day of October and the fifteenth day of November. If the 19564
department fails to assign ratings by the fifteenth day of 19565
November, a sponsor shall be assigned the same rating for each 19566
component that it was assigned for the previous school year or an 19567
"effective" rating for all components, whichever is the higher per 19568
component rating. 19569

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by ~~divisions~~ division (B)(1)(~~b~~) and (~~c~~) of this section. If the sponsor believes there is an error in the department's evaluation, the sponsor may request adjustments to the rating of ~~either~~ any of those components based on documentation previously submitted as part of an evaluation. The sponsor shall provide to the department any necessary evidence or information to support the requested adjustments. The department shall review the evidence and information, determine whether an adjustment is valid, and promptly notify the sponsor of its determination and reasons. If any adjustments to the data could result in a change to the rating on the applicable component or to the overall rating, the department shall recalculate the ratings prior to publication.

The department shall provide training on an annual basis regarding the evaluation system prescribed under this section. The training shall, at a minimum, describe methodology, timelines, and data required for the evaluation system. The first training session shall occur not later than March 2, 2016. Beginning in 2018, the training shall be made available to each entity that sponsors a community school by the fifteenth day of July of each year and shall include guidance on any changes made to the evaluation system.

(7)(a) Entities with an overall rating of "exemplary" for at least two consecutive years may take advantage of the following incentives:

(i) Renewal of the written agreement with the department, not to exceed ten years, provided that the entity consents to continued evaluation of adherence to quality practices as

described in division (B)(1)(b) of this section; 19602

(ii) The ability to extend the term of the contract between 19603
the sponsoring entity and the community school beyond the term 19604
described in the written agreement with the department; 19605

(iii) An exemption from the preliminary agreement and 19606
contract adoption and execution deadline requirements prescribed 19607
in division (D) of section 3314.02 of the Revised Code; 19608

(iv) An exemption from the automatic contract expiration 19609
requirement, should a new community school fail to open by the 19610
thirtieth day of September of the calendar year in which the 19611
community school contract is executed; 19612

(v) No limit on the number of community schools the entity 19613
may sponsor; 19614

(vi) No territorial restrictions on sponsorship. 19615

An entity may continue to sponsor any community schools with 19616
which it entered into agreements under division (B)(7)(a)(v) or 19617
(vi) of this section while rated "exemplary," notwithstanding the 19618
fact that the entity later receives a lower overall rating. 19619

(b) Entities with an overall rating of "effective" for at 19620
least three consecutive years shall be evaluated by the department 19621
once every five years. 19622

(c)(i) Entities that receive an overall rating of 19623
"ineffective" shall be prohibited from sponsoring any new or 19624
additional community schools during the time in which the sponsor 19625
is rated as "ineffective" and shall be subject to a quality 19626
improvement plan based on correcting the deficiencies that led to 19627
the "ineffective" rating, with timelines and benchmarks that have 19628
been established by the department. 19629

(ii) Entities that receive an overall rating of "ineffective" 19630
on their three most recent ratings shall have all sponsorship 19631

authority revoked. Within thirty days after receiving its third 19632
rating of "ineffective," the entity may appeal the revocation of 19633
its sponsorship authority to the superintendent of public 19634
instruction, who shall appoint an independent hearing officer to 19635
conduct a hearing in accordance with Chapter 119. of the Revised 19636
Code. The hearing shall be conducted within thirty days after 19637
receipt of the notice of appeal. Within forty-five days after the 19638
hearing is completed, the state board of education shall determine 19639
whether the revocation is appropriate based on the hearing 19640
conducted by the independent hearing officer, and if determined 19641
appropriate, the revocation shall be confirmed. 19642

~~(e)~~(d) Entities that receive an overall rating of "poor" 19643
shall have all sponsorship authority revoked. Within thirty days 19644
after receiving a rating of "poor," the entity may appeal the 19645
revocation of its sponsorship authority to the superintendent of 19646
public instruction, who shall appoint an independent hearing 19647
officer to conduct a hearing in accordance with Chapter 119. of 19648
the Revised Code. The hearing shall be conducted within thirty 19649
days after receipt of the notice of appeal. Within forty-five days 19650
after the hearing is completed, the state board of education shall 19651
determine whether the revocation is appropriate based on the 19652
hearing conducted by the independent hearing officer, and if 19653
determined appropriate, the revocation shall be confirmed. 19654

(8) For the 2014-2015 school year and each school year 19655
thereafter, student academic performance prescribed under division 19656
(B)(1)(a) of this section shall include student academic 19657
performance data from community schools that primarily serve 19658
students enrolled in a dropout prevention and recovery program. 19659

(C) If the governing authority of a community school enters 19660
into a contract with a sponsor prior to the date on which the 19661
sponsor is prohibited from sponsoring additional schools under 19662
division (A) of this section and the school has not opened for 19663

operation as of that date, that contract shall be void and the
school shall not open until the governing authority secures a new
sponsor by entering into a contract with the new sponsor under
section 3314.03 of the Revised Code. However, the department's
office of Ohio school sponsorship, established under section

community school's enrollment is necessary, such review shall be 21157
completed and written notice of the findings shall be provided to 21158
the governing authority of the community school and its sponsor 21159

district's portion of the basic project cost by ten percentage 23761

not apply to a district that satisfies the condition described in 23780
division (A)(1)(a)(ii) of this section. 23781

(c) On the date that the district and the state institution 23782

Sec. 3333.65. The chancellor of higher education shall 24564
require each state university or college that the controlling 24565

the department of higher education until the state university or 24579
college is able to obtain repayment from the student or if the 24580

chancellor may enter into an agreement with the collaborating 24588
universities or colleges that permits awards to be received 24589

with the terms of the program or initiative. In that case, the 24591
chancellor shall incorporate into the agreement terms consistent 24592

programs as determined by the board of trustees of a state 24599
university. 24600

of higher education under section 3333.31 of the Revised Code. 24605

(3) "State university" has the same meaning as in section 24606
3345.011 of the Revised Code. 24607

(B) The board of trustees of ~~a~~ each state university ~~may~~ 24608
shall establish an undergraduate tuition guarantee program that 24609
allows eligible students in the same cohort to pay a fixed rate 24610
for general and instructional fees for four years. A board of 24611
trustees may include room and board and any additional fees in the 24612
program. 24613

~~If the board of trustees chooses to establish such a program,~~ 24614
~~the~~ The board shall adopt rules for the program that include, but 24615
are not limited to, all of the following: 24616

(1) The number of credit hours required to earn an 24617

undergraduate degree in each major; 24618

(2) A guarantee that the general and instructional fees for 24619
each student in the cohort shall remain constant for four years so 24620
long as the student complies with the requirements of the program, 24621
except that, notwithstanding any law to the contrary, the board 24622
may increase the guaranteed amount by up to six per cent above 24623
what has been charged in the previous academic year one time for 24624
the first cohort enrolled under the tuition guarantee program. If 24625
the board of trustees determines that economic conditions or other 24626
circumstances require an increase for the first cohort of above 24627
six per cent, the board shall submit a request to increase the 24628
amount by a specified percentage to the chancellor. The 24629
chancellor, based on information the chancellor requires from the 24630
board of trustees, shall approve or disapprove such a request. 24631
Thereafter, the board of trustees may increase the guaranteed 24632

charged in the previous academic year one time per subsequent 24634
cohort: 24635

(b) The percentage amount the general assembly restrains 24640
increases on in-state undergraduate instructional and general fees 24641
for the applicable fiscal year. If the general assembly does not 24642
enact a limit on the increase of in-state undergraduate 24643
instructional and general fees, then no limit shall apply under 24644
this division for the cohort that first enrolls in any academic 24645
year for which the general assembly does not prescribe a limit. 24646

If, beginning with the academic year that starts four years 24647
after September 29, 2013, the board of trustees determines that 24648
the general and instructional fees charged under the tuition 24649

guarantee have fallen significantly lower than those of other 24650
state universities, the board of trustees may submit a request to 24651
increase the amount charged to a cohort by a specified percentage 24652
to the chancellor, who shall approve or disapprove such a request. 24653

(3) A benchmark by which the board sets annual increases in 24654
general and instructional fees. This benchmark and any subsequent 24655
change to the benchmark shall be subject to approval of the 24656
chancellor. 24657

(4) Eligibility requirements for students to participate in 24658
the program; 24659

(5) Student rights and privileges under the program; 24660

(6) Consequences to the university for students unable to 24661
complete a degree program within four years, as follows: 24662

(a) For a student who could not complete the program in four 24663
years due to a lack of available classes or space in classes 24664
provided by the university, the university shall provide the 24665
necessary course or courses for completion to the student free of 24666
charge. 24667

(b) For a student who could not complete the program in four 24668
years due to military service or other circumstances beyond a 24669
student's control, as determined by the board of trustees, the 24670
university shall provide the necessary course or courses for 24671
completion to the student at the student's initial cohort rate. 24672

(c) For a student who did not complete the program in four 24673
years for any other reason, as determined by the board of 24674
trustees, the university shall provide the necessary course or 24675
courses for completion to the student at a rate determined through 24676
a method established by the board under division (B)(7) of this 24677
section. 24678

(7) Guidelines for adjusting a student's annual charges if 24679

the student, due to circumstances under the student's control, is 24680
unable to complete a degree program within four years; 24681

(8) A requirement that the rules adopted under division (B) 24682
of this section be published or posted in the university handbook, 24683
course catalog, and web site. 24684

~~(C) If a board of trustees implements a program under this~~ 24685

program if the program conforms in principle with the parameters 24690
and guidelines of this section. 24691

(D) A board of trustees of a state university may establish 24692
an undergraduate tuition guarantee program for nonresident 24693
students. 24694

~~(E) Within five years after September 29, 2013, the~~ 24695
~~chancellor shall publish on the chancellor's web site a report~~ 24696
~~that includes all of the following:~~ 24697

~~(1) The state universities that have adopted an undergraduate~~ 24698
~~tuition guarantee program under this section;~~ 24699

~~(2) The details of each undergraduate tuition guarantee~~ 24700
~~program established under this section;~~ 24701

~~(3) Comparative data, including general and instructional~~ 24702
~~fees, room and board, graduation rates, and retention rates, from~~ 24703
~~all state universities.~~ 24704

~~(F)~~ Except as provided in this section, no other limitation 24705
on the increase of in-state undergraduate instructional and 24706
general fees shall apply to a state university that has 24707
established an undergraduate tuition guarantee program under this 24708
section. 24709

for political purposes included in campaign materials, or 24728
otherwise used to influence an election, legislation, issue, 24729
judicial decision, or other policy of state government. 24730

(B)(1) There is hereby created the legislative programming 24731
committee of the Ohio government telecommunications service that 24732
shall consist of the president of the senate, speaker of the house 24733

program operated under the authority of the contract that was 26322
extended under division (A)(1) of this section. The director of 26323
administrative services shall select a vendor through a 26324

inspected. The director of environmental protection and the vendor 26344
shall jointly agree on the content of the notice. However, the 26345
notice shall include at a minimum the locations of all inspection 26346
facilities within a specified distance of the address that is 26347
listed on the owner's motor vehicle registration; 26348

in any three-hundred-sixty-five-day period. Inspection fees that 26398
are charged by a contractor conducting emissions inspections under 26399
a motor vehicle inspection and maintenance program shall be 26400
approved by the director of environmental protection. 26401

(E) The motor vehicle inspection and maintenance program 26402

assistance fund created in section 940.15 of the Revised Code. 28000

In the case of solid wastes that are taken to a solid waste 28001
transfer facility located in this state prior to being transported 28002
for disposal at a solid waste disposal facility located in this 28003
state or outside of this state, the fees levied under this 28004
division shall be collected by the owner or operator of the 28005
transfer facility as a trustee for the state. The amount of fees 28006
required to be collected under this division at such a transfer 28007
facility shall equal the total tonnage of solid wastes received at 28008
the facility multiplied by the fees levied under this division. In 28009
the case of solid wastes that are not taken to a solid waste 28010
transfer facility located in this state prior to being transported 28011
to a solid waste disposal facility, the fees shall be collected by 28012
the owner or operator of the solid waste disposal facility as a 28013
trustee for the state. The amount of fees required to be collected 28014
under this division at such a disposal facility shall equal the 28015
total tonnage of solid wastes received at the facility that was 28016
not previously taken to a solid waste transfer facility located in 28017
this state multiplied by the fees levied under this division. Fees 28018
levied under this division do not apply to materials separated 28019
from a mixed waste stream for recycling by a generator or 28020
materials removed from the solid waste stream through recycling, 28021
as "recycling" is defined in rules adopted under section 3734.02 28022
of the Revised Code. 28023

The owner or operator of a solid waste transfer facility or 28024
disposal facility, as applicable, shall prepare and file with the 28025

director of environmental protection each month a return 27826
indicating the total tonnage of solid wastes received at the 27827
facility during that month and the total amount of the fees 27828
required to be collected under this division during that month. In 27829
addition, the owner or operator of a solid waste disposal facility 27830
shall indicate on the return the total tonnage of solid wastes 27831
received from transfer facilities located in this state during 27832
that month for which the fees were required to be collected by the 27833
transfer facilities. The monthly returns shall be filed on a form 27834
prescribed by the director. Not later than thirty days after the 27835
last day of the month to which a return applies, the owner or 27836
operator shall mail to the director the return for that month 27837
together with the fees required to be collected under this 27838
division during that month as indicated on the return or may 27839
submit the return and fees electronically in a manner approved by 27840
the director. If the return is filed and the amount of the fees 27841
due is paid in a timely manner as required in this division, the 27842
owner or operator may retain a discount of three-fourths of one 27843
per cent of the total amount of the fees that are required to be 27844
paid as indicated on the return. 27845

The owner or operator may request an extension of not more 27846
than thirty days for filing the return and remitting the fees, 27847
provided that the owner or operator has submitted such a request 27848
in writing to the director together with a detailed description of 27849
why the extension is requested, the director has received the 27850
request not later than the day on which the return is required to 27851
be filed, and the director has approved the request. If the fees 27852
are not remitted within thirty days after the last day of the 27853
month to which the return applies or are not remitted by the last 27854
day of an extension approved by the director, the owner or 27855
operator shall not retain the three-fourths of one per cent 27856
discount and shall pay an additional ten per cent of the amount of 27857
the fees for each month that they are late. For purposes of 27858

calculating the late fee, the first month in which fees are late 27859
begins on the first day after the deadline has passed for timely 27860
submitting the return and fees, and one additional month shall be 27861
counted every thirty days thereafter. 27862

The owner or operator of a solid waste facility may request a 27863
refund or credit of fees levied under this division and remitted 27864
to the director that have not been paid to the owner or operator. 27865
Such a request shall be made only if the fees have not been 27866
collected by the owner or operator, have become a debt that has 27867
become worthless or uncollectable for a period of six months or 27868
more, and may be claimed as a deduction, including a deduction 27869
claimed if the owner or operator keeps accounts on an accrual 27870
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 27871
U.S.C. 166, as amended, and regulations adopted under it. Prior to 27872
making a request for a refund or credit, an owner or operator 27873
shall make reasonable efforts to collect the applicable fees. A 27874
request for a refund or credit shall not include any costs 27875
resulting from those efforts to collect unpaid fees. 27876

A request for a refund or credit of fees shall be made in 27877
writing, on a form prescribed by the director, and shall be 27878
supported by evidence that may be required in rules adopted by the 27879
director under this chapter. After reviewing the request, and if 27880
the request and evidence submitted with the request indicate that 27881
a refund or credit is warranted, the director shall grant a refund 27882
to the owner or operator or shall permit a credit to be taken by 27883
the owner or operator on a subsequent monthly return submitted by 27884
the owner or operator. The amount of a refund or credit shall not 27885
exceed an amount that is equal to ninety days' worth of fees owed 27886
to an owner or operator by a particular debtor of the owner or 27887
operator. A refund or credit shall not be granted by the director 27888
to an owner or operator more than once in any twelve-month period 27889
for fees owed to the owner or operator by a particular debtor. 27890

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after October 16, 2009. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located 27923
in the district of solid wastes generated within the district; 27924

(2) The disposal at a solid waste disposal facility within 27925
the district of solid wastes generated outside the boundaries of 27926
the district, but inside this state; 27927

(3) The disposal at a solid waste disposal facility within 27928
the district of solid wastes generated outside the boundaries of 27929
this state. 27930

The solid waste management plan of the county or joint 27931
district approved under section 3734.521 or 3734.55 of the Revised 27932
Code and any amendments to it, or the resolution adopted under 27933
this division, as appropriate, shall establish the rates of the 27934
fees levied under divisions (B)(1), (2), and (3) of this section, 27935
if any, and shall specify whether the fees are levied on the basis 27936
of tons or cubic yards as the unit of measurement. A solid waste 27937
management district that levies fees under this division on the 27938
basis of cubic yards shall do so in accordance with division (A) 27939
of this section. 27940

The fee levied under division (B)(1) of this section shall be 27941
not less than one dollar per ton nor more than two dollars per 27942
ton, the fee levied under division (B)(2) of this section shall be 27943
not less than two dollars per ton nor more than four dollars per 27944
ton, and the fee levied under division (B)(3) of this section 27945
shall be not more than the fee levied under division (B)(1) of 27946
this section. 27947

Prior to the approval of the solid waste management plan of a 27948
district under section 3734.55 of the Revised Code, the solid 27949
waste management policy committee of a district may levy fees 27950
under this division by adopting a resolution establishing the 27951
proposed amount of the fees. Upon adopting the resolution, the 27952
committee shall deliver a copy of the resolution to the board of 27953

county commissioners of each county forming the district and to 27954
the legislative authority of each municipal corporation and 27955
township under the jurisdiction of the district and shall prepare 27956
and publish the resolution and a notice of the time and location 27957
where a public hearing on the fees will be held. Upon adopting the 27958
resolution, the committee shall deliver written notice of the 27959
adoption of the resolution; of the amount of the proposed fees; 27960
and of the date, time, and location of the public hearing to the 27961
director and to the fifty industrial, commercial, or institutional 27962
generators of solid wastes within the district that generate the 27963
largest quantities of solid wastes, as determined by the 27964
committee, and to their local trade associations. The committee 27965
shall make good faith efforts to identify those generators within 27966
the district and their local trade associations, but the 27967
nonprovision of notice under this division to a particular 27968
generator or local trade association does not invalidate the 27969
proceedings under this division. The publication shall occur at 27970
least thirty days before the hearing. After the hearing, the 27971
committee may make such revisions to the proposed fees as it 27972
considers appropriate and thereafter, by resolution, shall adopt 27973
the revised fee schedule. Upon adopting the revised fee schedule, 27974
the committee shall deliver a copy of the resolution doing so to 27975
the board of county commissioners of each county forming the 27976
district and to the legislative authority of each municipal 27977
corporation and township under the jurisdiction of the district. 27978
Within sixty days after the delivery of a copy of the resolution 27979
adopting the proposed revised fees by the policy committee, each 27980
such board and legislative authority, by ordinance or resolution, 27981
shall approve or disapprove the revised fees and deliver a copy of 27982
the ordinance or resolution to the committee. If any such board or 27983
legislative authority fails to adopt and deliver to the policy 27984
committee an ordinance or resolution approving or disapproving the 27985
revised fees within sixty days after the policy committee 27986

delivered its resolution adopting the proposed revised fees, it 27987
shall be conclusively presumed that the board or legislative 27988
authority has approved the proposed revised fees. The committee 27989
shall determine if the resolution has been ratified in the same 27990
manner in which it determines if a draft solid waste management 27991
plan has been ratified under division (B) of section 3734.55 of 27992
the Revised Code. 27993

The committee may amend the schedule of fees levied pursuant 27994
to a resolution adopted and ratified under this division by 27995
adopting a resolution establishing the proposed amount of the 27996
amended fees. The committee may repeal the fees levied pursuant to 27997
such a resolution by adopting a resolution proposing to repeal 27998
them. Upon adopting such a resolution, the committee shall proceed 27999
to obtain ratification of the resolution in accordance with this 28000
division. 28001

Not later than fourteen days after declaring the new fees to 28002
be ratified or the fees to be repealed under this division, the 28003
committee shall notify by certified mail the owner or operator of 28004
each solid waste disposal facility that is required to collect the 28005
fees of the ratification and the amount of the fees or of the 28006
repeal of the fees. Collection of any fees shall commence or 28007
collection of repealed fees shall cease on the first day of the 28008
second month following the month in which notification is sent to 28009
the owner or operator. 28010

Fees levied under this division also may be established, 28011
amended, or repealed by a solid waste management policy committee 28012
through the adoption of a new district solid waste management 28013
plan, the adoption of an amended plan, or the amendment of the 28014
plan or amended plan in accordance with sections 3734.55 and 28015
3734.56 of the Revised Code or the adoption or amendment of a 28016
district plan in connection with a change in district composition 28017
under section 3734.521 of the Revised Code. 28018

Not later than fourteen days after the director issues an 28019
order approving a district's solid waste management plan, amended 28020
plan, or amendment to a plan or amended plan that establishes, 28021
amends, or repeals a schedule of fees levied by the district, the 28022
committee shall notify by certified mail the owner or operator of 28023
each solid waste disposal facility that is required to collect the 28024
fees of the approval of the plan or amended plan, or the amendment 28025
to the plan, as appropriate, and the amount of the fees, if any. 28026
In the case of an initial or amended plan approved under section 28027
3734.521 of the Revised Code in connection with a change in 28028
district composition, other than one involving the withdrawal of a 28029
county from a joint district, the committee, within fourteen days 28030
after the change takes effect pursuant to division (G) of that 28031
section, shall notify by certified mail the owner or operator of 28032
each solid waste disposal facility that is required to collect the 28033
fees that the change has taken effect and of the amount of the 28034
fees, if any. Collection of any fees shall commence or collection 28035
of repealed fees shall cease on the first day of the second month 28036
following the month in which notification is sent to the owner or 28037
operator. 28038

If, in the case of a change in district composition involving 28039
the withdrawal of a county from a joint district, the director 28040
completes the actions required under division (G)(1) or (3) of 28041
section 3734.521 of the Revised Code, as appropriate, forty-five 28042
days or more before the beginning of a calendar year, the policy 28043
committee of each of the districts resulting from the change that 28044
obtained the director's approval of an initial or amended plan in 28045
connection with the change, within fourteen days after the 28046
director's completion of the required actions, shall notify by 28047
certified mail the owner or operator of each solid waste disposal 28048
facility that is required to collect the district's fees that the 28049
change is to take effect on the first day of January immediately 28050
following the issuance of the notice and of the amount of the fees 28051

or amended fees levied under divisions (B)(1) to (3) of this 28052
section pursuant to the district's initial or amended plan as so 28053
approved or, if appropriate, the repeal of the district's fees by 28054
that initial or amended plan. Collection of any fees set forth in 28055
such a plan or amended plan shall commence on the first day of 28056
January immediately following the issuance of the notice. If such 28057
an initial or amended plan repeals a schedule of fees, collection 28058
of the fees shall cease on that first day of January. 28059

If, in the case of a change in district composition involving 28060
the withdrawal of a county from a joint district, the director 28061
completes the actions required under division (G)(1) or (3) of 28062
section 3734.521 of the Revised Code, as appropriate, less than 28063
forty-five days before the beginning of a calendar year, the 28064
director, on behalf of each of the districts resulting from the 28065
change that obtained the director's approval of an initial or 28066
amended plan in connection with the change proceedings, shall 28067
notify by certified mail the owner or operator of each solid waste 28068
disposal facility that is required to collect the district's fees 28069
that the change is to take effect on the first day of January 28070
immediately following the mailing of the notice and of the amount 28071
of the fees or amended fees levied under divisions (B)(1) to (3) 28072
of this section pursuant to the district's initial or amended plan 28073
as so approved or, if appropriate, the repeal of the district's 28074
fees by that initial or amended plan. Collection of any fees set 28075
forth in such a plan or amended plan shall commence on the first 28076
day of the second month following the month in which notification 28077
is sent to the owner or operator. If such an initial or amended 28078
plan repeals a schedule of fees, collection of the fees shall 28079
cease on the first day of the second month following the month in 28080
which notification is sent to the owner or operator. 28081

If the schedule of fees that a solid waste management 28082
district is levying under divisions (B)(1) to (3) of this section 28083

is amended or repealed, the fees in effect immediately prior to 28084
the amendment or repeal shall continue to be collected until 28085
collection of the amended fees commences or collection of the 28086
repealed fees ceases, as applicable, as specified in this 28087
division. In the case of a change in district composition, money 28088
so received from the collection of the fees of the former 28089
districts shall be divided among the resulting districts in 28090
accordance with division (B) of section 343.012 of the Revised 28091
Code and the agreements entered into under division (B) of section 28092
343.01 of the Revised Code to establish the former and resulting 28093
districts and any amendments to those agreements. 28094

For the purposes of the provisions of division (B) of this 28095
section establishing the times when newly established or amended 28096
fees levied by a district are required to commence and the 28097
collection of fees that have been amended or repealed is required 28098
to cease, "fees" or "schedule of fees" includes, in addition to 28099
fees levied under divisions (B)(1) to (3) of this section, those 28100
levied under section 3734.573 or 3734.574 of the Revised Code. 28101

(C) For the purposes of defraying the added costs to a 28102
municipal corporation or township of maintaining roads and other 28103
public facilities and of providing emergency and other public 28104
services, and compensating a municipal corporation or township for 28105
reductions in real property tax revenues due to reductions in real 28106
property valuations resulting from the location and operation of a 28107
solid waste disposal facility within the municipal corporation or 28108
township, a municipal corporation or township in which such a 28109
solid waste disposal facility is located may levy a fee of not 28110
more than twenty-five cents per ton on the disposal of solid 28111
wastes at a solid waste disposal facility located within the 28112
boundaries of the municipal corporation or township regardless of 28113
where the wastes were generated. 28114

The legislative authority of a municipal corporation or 28115

township may levy fees under this division by enacting an 28116
ordinance or adopting a resolution establishing the amount of the 28117
fees. Upon so doing the legislative authority shall mail a 28118
certified copy of the ordinance or resolution to the board of 28119
county commissioners or directors of the county or joint solid 28120
waste management district in which the municipal corporation or 28121
township is located or, if a regional solid waste management 28122
authority has been formed under section 343.011 of the Revised 28123
Code, to the board of trustees of that regional authority, the 28124
owner or operator of each solid waste disposal facility in the 28125
municipal corporation or township that is required to collect the 28126
fee by the ordinance or resolution, and the director of 28127
environmental protection. Although the fees levied under this 28128
division are levied on the basis of tons as the unit of 28129
measurement, the legislative authority, in its ordinance or 28130
resolution levying the fees under this division, may direct that 28131
the fees be levied on the basis of cubic yards as the unit of 28132
measurement based upon a conversion factor of three cubic yards 28133
per ton generally or one cubic yard per ton for baled wastes. 28134

Not later than five days after enacting an ordinance or 28135
adopting a resolution under this division, the legislative 28136
authority shall so notify by certified mail the owner or operator 28137
of each solid waste disposal facility that is required to collect 28138
the fee. Collection of any fee levied on or after March 24, 1992, 28139
shall commence on the first day of the second month following the 28140
month in which notification is sent to the owner or operator. 28141

(D)(1) The fees levied under divisions (A), (B), and (C) of 28142
this section do not apply to the disposal of solid wastes that: 28143

(a) Are disposed of at a facility owned by the generator of 28144
the wastes when the solid waste facility exclusively disposes of 28145
solid wastes generated at one or more premises owned by the 28146
generator regardless of whether the facility is located on a 28147

premises where the wastes are generated; 28148

(b) Are generated from the combustion of coal, or from the 28149
combustion of primarily coal, regardless of whether the disposal 28150
facility is located on the premises where the wastes are 28151
generated; 28152

(c) Are asbestos or asbestos-containing materials or products 28153
disposed of at a construction and demolition debris facility that 28154
is licensed under Chapter 3714. of the Revised Code or at a solid 28155
waste facility that is licensed under this chapter. 28156

(2) Except as provided in section 3734.571 of the Revised 28157
Code, any fees levied under division (B)(1) of this section apply 28158
to solid wastes originating outside the boundaries of a county or 28159
joint district that are covered by an agreement for the joint use 28160
of solid waste facilities entered into under section 343.02 of the 28161
Revised Code by the board of county commissioners or board of 28162
directors of the county or joint district where the wastes are 28163
generated and disposed of. 28164

(3) When solid wastes, other than solid wastes that consist 28165
of scrap tires, are burned in a disposal facility that is an 28166
incinerator or energy recovery facility, the fees levied under 28167
divisions (A), (B), and (C) of this section shall be levied upon 28168
the disposal of the fly ash and bottom ash remaining after burning 28169
of the solid wastes and shall be collected by the owner or 28170
operator of the sanitary landfill where the ash is disposed of. 28171

(4) When solid wastes are delivered to a solid waste transfer 28172
facility, the fees levied under divisions (B) and (C) of this 28173
section shall be levied upon the disposal of solid wastes 28174
transported off the premises of the transfer facility for disposal 28175
and shall be collected by the owner or operator of the solid waste 28176
disposal facility where the wastes are disposed of. 28177

(5) The fees levied under divisions (A), (B), and (C) of this 28178

section do not apply to sewage sludge that is generated by a waste 28179
water treatment facility holding a national pollutant discharge 28180
elimination system permit and that is disposed of through 28181
incineration, land application, or composting or at another 28182
resource recovery or disposal facility that is not a landfill. 28183

(6) The fees levied under divisions (A), (B), and (C) of this 28184
section do not apply to solid wastes delivered to a solid waste 28185
composting facility for processing. When any unprocessed solid 28186
waste or compost product is transported off the premises of a 28187
composting facility and disposed of at a landfill, the fees levied 28188
under divisions (A), (B), and (C) of this section shall be 28189
collected by the owner or operator of the landfill where the 28190
unprocessed waste or compost product is disposed of. 28191

(7) When solid wastes that consist of scrap tires are 28192
processed at a scrap tire recovery facility, the fees levied under 28193
divisions (A), (B), and (C) of this section shall be levied upon 28194
the disposal of the fly ash and bottom ash or other solid wastes 28195
remaining after the processing of the scrap tires and shall be 28196
collected by the owner or operator of the solid waste disposal 28197
facility where the ash or other solid wastes are disposed of. 28198

a valid license issued under section 3742.05 of the Revised Code. 28606

(4) "Taxable year" and "taxpayer" have the same meanings as 28607
in section 5747.01 of the Revised Code. 28608

(B) A taxpayer who incurs lead abatement costs on an eligible 28609

dwelling during a taxable year may apply to the director of health 28610
for a lead abatement tax credit certificate. The applicant shall 28611
list on the application the amount of lead abatement costs the 28612
applicant incurred for the eligible dwelling during the taxable 28613
year. The director, in consultation with the tax commissioner, 28614
shall prescribe the form of a lead abatement tax credit 28615
certificate, the manner by which an applicant shall apply for the 28616
certificate, and requirements for the submission of any record or 28617
other information an applicant must furnish with the application 28618
to verify the lead abatement costs. 28619

(C)(1) Upon receipt of an application under division (B) of 28620
this section, the director of health shall verify all of the 28621
following: 28622

(a) The residential unit that is the subject of the 28623
application is an eligible dwelling. 28624

(b) The taxpayer incurred lead abatement costs during the 28625
taxable year related to the eligible dwelling. 28626

(c) The eligible dwelling has passed a clearance examination 28627
in accordance with standards prescribed in rules adopted by the 28628
director under section 3742.03 or 3742.45 of the Revised Code. 28629

(2) After verifying the conditions described in division 28630
(C)(1) of this section, the director shall issue a lead abatement 28631
tax credit certificate to the applicant equal to the lesser of (a) 28632
the lead abatement costs incurred by the taxpayer on the eligible 28633
dwelling during the taxable year, (b) the amount of lead abatement 28634
costs listed on the application, or (c) ten thousand dollars, 28635
subject to the limitation in division (C)(3) of this section. 28636

(3) The director may not issue more than five million dollars 28637
in lead abatement tax credit certificates in any fiscal year. 28638

(D) The director of health, in consultation with the tax 28639
commissioner, may adopt rules in accordance with Chapter 119. of 28640

the Revised Code as necessary for the administration of this 28641
section. 28642

Sec. 3745.11. (A) Applicants for and holders of permits, 28643
licenses, variances, plan approvals, and certifications issued by 28644
the director of environmental protection pursuant to Chapters 28645
3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee 28646
to the environmental protection agency for each such issuance and 28647
each application for an issuance as provided by this section. No 28648
fee shall be charged for any issuance for which no application has 28649
been submitted to the director. 28650

(B) Except as otherwise provided in division (C)(2) of this 28651
section, beginning July 1, 1994, each person who owns or operates 28652
an air contaminant source and who is required to apply for and 28653
obtain a Title V permit under section 3704.036 of the Revised Code 28654
shall pay the fees set forth in this division. For the purposes of 28655
this division, total emissions of air contaminants may be 28656
calculated using engineering calculations, emissions factors, 28657
material balance calculations, or performance testing procedures, 28658
as authorized by the director. 28659

The following fees shall be assessed on the total actual 28660
emissions from a source in tons per year of the regulated 28661
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 28662
organic compounds, and lead: 28663

(1) Fifteen dollars per ton on the total actual emissions of 28664
each such regulated pollutant during the period July through 28665
December 1993, to be collected no sooner than July 1, 1994; 28666

(2) Twenty dollars per ton on the total actual emissions of 28667
each such regulated pollutant during calendar year 1994, to be 28668
collected no sooner than April 15, 1995; 28669

(3) Twenty-five dollars per ton on the total actual emissions 28670

of each such regulated pollutant in calendar year 1995, and each 28671
subsequent calendar year, to be collected no sooner than the 28672
fifteenth day of April of the year next succeeding the calendar 28673
year in which the emissions occurred. 28674

The fees levied under this division do not apply to that 28675
portion of the emissions of a regulated pollutant at a facility 28676
that exceed four thousand tons during a calendar year. 28677

(C)(1) The fees assessed under division (B) of this section 28678
are for the purpose of providing funding for the Title V permit 28679
program. 28680

(2) The fees assessed under division (B) of this section do 28681
not apply to emissions from any electric generating unit 28682
designated as a Phase I unit under Title IV of the federal Clean 28683
Air Act prior to calendar year 2000. Those fees shall be assessed 28684
on the emissions from such a generating unit commencing in 28685
calendar year 2001 based upon the total actual emissions from the 28686
generating unit during calendar year 2000 and shall continue to be 28687
assessed each subsequent calendar year based on the total actual 28688
emissions from the generating unit during the preceding calendar 28689
year. 28690

(3) The director shall issue invoices to owners or operators 28691
of air contaminant sources who are required to pay a fee assessed 28692
under division (B) or (D) of this section. Any such invoice shall 28693
be issued no sooner than the applicable date when the fee first 28694
may be collected in a year under the applicable division, shall 28695
identify the nature and amount of the fee assessed, and shall 28696
indicate that the fee is required to be paid within thirty days 28697
after the issuance of the invoice. 28698

(D)(1) Except as provided in division (D)(3) of this section, 28699
from January 1, 1994, through December 31, 2003, each person who 28700
owns or operates an air contaminant source; who is required to 28701

apply for a permit to operate pursuant to rules adopted under 28702
division (G), or a variance pursuant to division (H), of section 28703
3704.03 of the Revised Code; and who is not required to apply for 28704
and obtain a Title V permit under section 3704.036 of the Revised 28705
Code shall pay a single fee based upon the sum of the actual 28706
annual emissions from the facility of the regulated pollutants 28707
particulate matter, sulfur dioxide, nitrogen oxides, organic 28708
compounds, and lead in accordance with the following schedule: 28709

beginning January 1, 2004, each person who owns or operates an air 28717
contaminant source; who is required to apply for a permit to 28718
operate pursuant to rules adopted under division (G), or a 28719
variance pursuant to division (H), of section 3704.03 of the 28720
Revised Code; and who is not required to apply for and obtain a 28721
Title V permit under section 3704.03 of the Revised Code shall pay 28722
a single fee based upon the sum of the actual annual emissions 28723
from the facility of the regulated pollutants particulate matter, 28724
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 28725
accordance with the following schedule: 28726

Total tons per year		28727
of regulated pollutants	Annual fee	28728

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2020~~ 2022, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed

under division (D)(3) of this section shall be collected no sooner 28766
than the fifteenth day of April, commencing in 2000. The fees 28767
assessed under division (D) of this section in a calendar year 28768
shall be based upon the sum of the actual emissions of those 28769
regulated pollutants during the preceding calendar year. For the 28770
purpose of division (D) of this section, emissions of air 28771
contaminants may be calculated using engineering calculations, 28772
emission factors, material balance calculations, or performance 28773
testing procedures, as authorized by the director. The director, 28774
by rule, may require persons who are required to pay the fees 28775
assessed under division (D) of this section to pay those fees 28776
biennially rather than annually. 28777

(E)(1) Consistent with the need to cover the reasonable costs 28778
of the Title V permit program, the director annually shall 28779
increase the fees prescribed in division (B) of this section by 28780
the percentage, if any, by which the consumer price index for the 28781
most recent calendar year ending before the beginning of a year 28782
exceeds the consumer price index for calendar year 1989. Upon 28783
calculating an increase in fees authorized by division (E)(1) of 28784
this section, the director shall compile revised fee schedules for 28785
the purposes of division (B) of this section and shall make the 28786
revised schedules available to persons required to pay the fees 28787
assessed under that division and to the public. 28788

(2) For the purposes of division (E)(1) of this section: 28789

(a) The consumer price index for any year is the average of 28790
the consumer price index for all urban consumers published by the 28791
United States department of labor as of the close of the 28792
twelve-month period ending on the thirty-first day of August of 28793
that year. 28794

(b) If the 1989 consumer price index is revised, the director 28795
shall use the revision of the consumer price index that is most 28796
consistent with that for calendar year 1989. 28797

(F) Each person who is issued a permit to install pursuant to 28798
rules adopted under division (F) of section 3704.03 of the Revised 28799
Code on or after July 1, 2003, shall pay the fees specified in the 28800
following schedules: 28801

nonrefundable annual sludge fee equal to three dollars and fifty
cents per dry ton of sewage sludge, including the dry tons of
sewage sludge in materials derived from sewage sludge, that the
sewage sludge facility treats or disposes of in this state. The
annual volume of sewage sludge treated or disposed of by a sewage
sludge facility shall be calculated using the first day of January
through the thirty-first day of December of the calendar year
preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this
section, each sewage sludge facility shall pay a minimum annual
sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage

sludge facility that treats or disposes of exceptional quality 29611
sludge in this state shall be thirty-five per cent less per dry 29612
ton of exceptional quality sludge than the fee assessed under 29613
division (Y)(1) of this section, subject to the following 29614
exceptions: 29615

(i) Except as provided in division (Y)(2)(d) of this section, 29616
a sewage sludge facility that treats or disposes of exceptional 29617
quality sludge shall pay a minimum annual sewage sludge fee of one 29618
hundred dollars. 29619

(ii) A sewage sludge facility that treats or disposes of 29620
exceptional quality sludge shall not be required to pay the annual 29621
sludge fee for treatment or disposal in this state of exceptional 29622
quality sludge generated outside of this state and contained in 29623
bags or other containers not greater than one hundred pounds in 29624
capacity. 29625

A thirty-five per cent reduction for exceptional quality 29626
sludge applies to the maximum annual fees established under 29627
division (Y)(3) of this section. 29628

(c) A sewage sludge facility that transfers sewage sludge to 29629
another sewage sludge facility in this state for further treatment 29630
prior to disposal in this state shall not be required to pay the 29631
annual sludge fee for the tons of sewage sludge that have been 29632
transferred. In such a case, the sewage sludge facility that 29633
disposes of the sewage sludge shall pay the annual sludge fee. 29634
However, the facility transferring the sewage sludge shall pay the 29635
one-hundred-dollar minimum fee required under division (Y)(2)(a) 29636
of this section. 29637

In the case of a sewage sludge facility that treats sewage 29638
sludge in this state and transfers it out of this state to another 29639
entity for disposal, the sewage sludge facility in this state 29640
shall be required to pay the annual sludge fee for the tons of 29641

sewage sludge that have been transferred. 29642

(d) A sewage sludge facility that generates sewage sludge 29643
resulting from an average daily discharge flow of less than five 29644
thousand gallons per day is not subject to the fees assessed under 29645
division (Y) of this section. 29646

(3) No sewage sludge facility required to pay the annual 29647
sludge fee shall be required to pay more than the maximum annual 29648
fee for each disposal method that the sewage sludge facility uses. 29649
The maximum annual fee does not include the additional amount that 29650
may be charged under division (Y)(5) of this section for late 29651
payment of the annual sludge fee. The maximum annual fee for the 29652
following methods of disposal of sewage sludge is as follows: 29653

(a) Incineration: five thousand dollars; 29654

(b) Preexisting land reclamation project or disposal in a 29655

(b) of this section: twenty thousand dollars. 29659

(4)(a) In the case of an entity that generates sewage sludge 29660
or a sewage sludge facility that treats sewage sludge and 29661
transfers the sewage sludge to an incineration facility for 29662
disposal, the incineration facility, and not the entity generating 29663
the sewage sludge or the sewage sludge facility treating the 29664
sewage sludge, shall pay the annual sludge fee for the tons of 29665
sewage sludge that are transferred. However, the entity or 29666
facility generating or treating the sewage sludge shall pay the 29667
one-hundred-dollar minimum fee required under division (Y)(2)(a) 29668
of this section. 29669

(b) In the case of an entity that generates sewage sludge and 29670
transfers the sewage sludge to a landfill for disposal or to a 29671
sewage sludge facility for land reclamation or surface disposal, 29672

the entity generating the sewage sludge, and not the landfill or 29673
sewage sludge facility, shall pay the annual sludge fee for the 29674
tons of sewage sludge that are transferred. 29675

(5) Not later than the first day of April of the calendar 29676
year following March 17, 2000, and each first day of April 29677
thereafter, the director shall issue invoices to persons who are 29678
required to pay the annual sludge fee. The invoice shall identify 29679
the nature and amount of the annual sludge fee assessed and state 29680
the first day of May as the deadline for receipt by the director 29681
of objections regarding the amount of the fee and the first day of 29682
July as the deadline for payment of the fee. 29683

Not later than the first day of May following receipt of an 29684
invoice, a person required to pay the annual sludge fee may submit 29685
objections to the director concerning the accuracy of information 29686
regarding the number of dry tons of sewage sludge used to 29687
calculate the amount of the annual sludge fee or regarding whether 29688
the sewage sludge qualifies for the exceptional quality sludge 29689
discount established in division (Y)(2)(b) of this section. The 29690
director may consider the objections and adjust the amount of the 29691
fee to ensure that it is accurate. 29692

If the director does not adjust the amount of the annual 29693
sludge fee in response to a person's objections, the person may 29694
appeal the director's determination in accordance with Chapter 29695
119. of the Revised Code. 29696

Not later than the first day of June, the director shall 29697
notify the objecting person regarding whether the director has 29698
found the objections to be valid and the reasons for the finding. 29699
If the director finds the objections to be valid and adjusts the 29700
amount of the annual sludge fee accordingly, the director shall 29701
issue with the notification a new invoice to the person 29702
identifying the amount of the annual sludge fee assessed and 29703
stating the first day of July as the deadline for payment. 29704

Not later than the first day of July, any person who is 29705
required to do so shall pay the annual sludge fee. Any person who 29706
is required to pay the fee, but who fails to do so on or before 29707
that date shall pay an additional amount that equals ten per cent 29708
of the required annual sludge fee. 29709

(6) The director shall transmit all moneys collected under 29710
division (Y) of this section to the treasurer of state for deposit 29711
into the surface water protection fund created in section 6111.038 29712
of the Revised Code. The moneys shall be used to defray the costs 29713
of administering and enforcing provisions in Chapter 6111. of the 29714
Revised Code and rules adopted under it that govern the use, 29715
storage, treatment, or disposal of sewage sludge. 29716

(7) Beginning in fiscal year 2001, and every two years 29717
thereafter, the director shall review the total amount of moneys 29718
generated by the annual sludge fees to determine if that amount 29719
exceeded six hundred thousand dollars in either of the two 29720
preceding fiscal years. If the total amount of moneys in the fund 29721
exceeded six hundred thousand dollars in either fiscal year, the 29722
director, after review of the fee structure and consultation with 29723
affected persons, shall issue an order reducing the amount of the 29724
fees levied under division (Y) of this section so that the 29725
estimated amount of moneys resulting from the fees will not exceed 29726
six hundred thousand dollars in any fiscal year. 29727

If, upon review of the fees under division (Y)(7) of this 29728
section and after the fees have been reduced, the director 29729
determines that the total amount of moneys collected and 29730
accumulated is less than six hundred thousand dollars, the 29731
director, after review of the fee structure and consultation with 29732
affected persons, may issue an order increasing the amount of the 29733
fees levied under division (Y) of this section so that the 29734
estimated amount of moneys resulting from the fees will be 29735
approximately six hundred thousand dollars. Fees shall never be 29736

increased to an amount exceeding the amount specified in division 29737
(Y)(7) of this section. 29738

Notwithstanding section 119.06 of the Revised Code, the 29739
director may issue an order under division (Y)(7) of this section 29740
without the necessity to hold an adjudicatory hearing in 29741
connection with the order. The issuance of an order under this 29742
division is not an act or action for purposes of section 3745.04 29743
of the Revised Code. 29744

revenues received from sales of lottery tickets, fines, fees, and 29916
related proceeds in connection with the statewide lottery and all 29917
gross proceeds from statewide joint lottery games shall be 29918
deposited into the fund. The treasurer of state shall invest any 29919
portion of the fund not needed for immediate use in the same 29920
manner as, and subject to all provisions of law with respect to 29921
the investment of, state funds. The treasurer of state shall 29922
disburse money from the fund on order of the director of the state 29923

to meet short-term prize liabilities, that are not credited to 29928

holders of winning lottery tickets, that are not required to meet 29938
short-term prize liabilities, that are not credited to lottery 29939
sales agents in the form of bonuses, commissions, or 29940
reimbursements, and that are not necessary to cover operating 29941
expenses associated with those games or to otherwise comply with 29942
the agreements signed by the governor that the director enters 29943
into under division (J) of section 3770.02 of the Revised Code or 29944
the rules the commission adopts under division (B)(5) of section 29945
3770.03 of the Revised Code shall be transferred to the state 29946

total revenue accruing from the sale of lottery tickets. 29954

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 29955

there is hereby established in the state treasury the lottery 29956
profits education fund. Whenever, in the judgment of the director 29957
of the state lottery commission, the amount to the credit of the 29958
state lottery fund that does not represent proceeds from statewide 29959
joint lottery games is in excess of that needed to meet the 29960
maturing obligations of the commission and as working capital for 29961
its further operations, the director of the state lottery 29962
commission shall recommend the amount of the excess to be 29963
transferred to the lottery profits education fund, and the 29964
director of budget and management may transfer the excess to the 29965
lottery profits education fund in connection with the statewide 29966
lottery. In addition, whenever, in the judgment of the director of 29967
the state lottery commission, the amount to the credit of the 29968
state lottery fund that represents proceeds from statewide joint 29969
lottery games equals the entire net proceeds of those games as 29970
described in division (B)(5) of section 3770.03 of the Revised 29971
Code and the rules adopted under that division, the director of 29972
the state lottery commission shall recommend the amount of the 29973
proceeds to be transferred to the lottery profits education fund, 29974
and the director of budget and management may transfer those 29975
proceeds to the lottery profits education fund. Investment 29976
earnings of the lottery profits education fund shall be credited 29977

education programs as determined in appropriations made by the 29981
general assembly, or as provided in applicable bond proceedings 29982
for the payment of debt service on obligations issued to pay costs 29983
of capital facilities, including those for a system of common 29984
schools throughout the state pursuant to section 2n of Article 29985
VIII, Ohio Constitution. When determining the availability of 29986
money in the lottery profits education fund, the director of 29987
budget and management may consider all balances and estimated 29988

revenues of the fund. 29989

(C) There is hereby established in the state treasury the 29990
deferred prizes trust fund. With the approval of the director of 29991
budget and management, an amount sufficient to fund annuity prizes 29992
shall be transferred from the state lottery fund and credited to 29993
the trust fund. The treasurer of state shall credit all earnings 29994
arising from investments purchased under this division to the 29995
trust fund. Within sixty days after the end of each fiscal year, 29996
the treasurer of state shall certify to the director of budget and 29997
management whether the actuarial amount of the trust fund is 29998
sufficient over the fund's life for continued funding of all 29999
remaining deferred prize liabilities as of the last day of the 30000
fiscal year just ended. Also, within that sixty days, the director 30001
of budget and management shall certify the amount of investment 30002

the fiscal year just ending to provide for such continued funding 30004
of deferred prizes. Any earnings credited in excess of the latter 30005
certified amount shall be transferred to the lottery profits 30006
education fund. 30007

To provide all or a part of the amounts necessary to fund 30008
deferred prizes awarded by the commission in connection with the 30009
statewide lottery, the treasurer of state, in consultation with 30010
the commission, may invest moneys contained in the deferred prizes 30011
trust fund which represents proceeds from the statewide lottery in 30012
obligations of the type permitted for the investment of state 30013
funds but whose maturities are thirty years or less. 30014
Notwithstanding the requirements of any other section of the 30015
Revised Code, to provide all or part of the amounts necessary to 30016
fund deferred prizes awarded by the commission in connection with 30017
statewide joint lottery games, the treasurer of state, in 30018
consultation with the commission, may invest moneys in the trust 30019
fund which represent proceeds derived from the statewide joint 30020

lottery games in accordance with the rules the commission adopts 30021
under division (B)(5) of section 3770.03 of the Revised Code. 30022
Investments of the trust fund are not subject to the provisions of 30023
division (A)(10) of section 135.143 of the Revised Code limiting 30024
to twenty-five per cent the amount of the state's total average 30025
portfolio that may be invested in debt interests other than 30026
commercial paper and limiting to five per cent the amount that may 30027
be invested in debt interests, including commercial paper, of a 30028
single issuer. 30029

All purchases made under this division shall be effected on a 30030
delivery versus payment method and shall be in the custody of the 30031
treasurer of state. 30032

The treasurer of state may retain an investment advisor, if 30033
necessary. The commission shall pay any costs incurred by the 30034
treasurer of state in retaining an investment advisor. 30035

(D) The auditor of state shall conduct annual audits of all 30036
funds and any other audits as the auditor of state or the general 30037
assembly considers necessary. The auditor of state may examine all 30038
records, files, and other documents of the commission, and records 30039
of lottery sales agents that pertain to their activities as 30040
agents, for purposes of conducting authorized audits. 30041

(E) The state lottery commission shall establish an internal 30042
audit plan before the beginning of each fiscal year, subject to 30043
the approval of the office of internal audit in the office of 30044
budget and management. At the end of each fiscal year, the 30045
commission shall prepare and submit an annual report to the office 30046
of internal audit for the office's review and approval, specifying 30047
the internal audit work completed by the end of that fiscal year 30048
and reporting on compliance with the annual internal audit plan. 30049

(1) Except as provided in division (E)(2) of this section, 30050
any internal audit report and all work papers of the internal 30051

audit produced by commission staff are confidential and are not 30052
public records under section 149.43 of the Revised Code until the 30053
final report is submitted to the director and the chairperson of 30054
the commission. 30055

(2) Any internal audit report or work paper that meets the 30056
definition of a security record or infrastructure record under 30057
section 149.433 of the Revised Code is not a public record under 30058
section 149.43 of the Revised Code. 30059

(F) Whenever, in the judgment of the director of budget and 30060
management, an amount of net state lottery proceeds is necessary 30061
to be applied to the payment of debt service on obligations, all 30062
as defined in sections 151.01 and 151.03 of the Revised Code, the 30063
director shall transfer that amount directly from the state 30064
lottery fund or from the lottery profits education fund to the 30065
bond service fund defined in those sections. The provisions of 30066
this division are subject to any prior pledges or obligation of 30067
those amounts to the payment of bond service charges as defined in 30068
division (C) of section 3318.21 of the Revised Code, as referred 30069
to in division (B) of this section. 30070

Sec. 3781.10. (A)(1) The board of building standards shall 30081

formulate and adopt rules governing the erection, construction, 30082
repair, alteration, and maintenance of all buildings or classes of 30083
buildings specified in section 3781.06 of the Revised Code, 30084
including land area incidental to those buildings, the 30085
construction of industrialized units, the installation of 30086
equipment, and the standards or requirements for materials used in 30087
connection with those buildings. The board shall incorporate those 30088
rules into separate residential and nonresidential building codes. 30089
The standards shall relate to the conservation of energy and the 30090
safety and sanitation of those buildings. 30091

(2) The rules governing nonresidential buildings are the 30092
lawful minimum requirements specified for those buildings and 30093
industrialized units, except that no rule other than as provided 30094
in division (C) of section 3781.108 of the Revised Code that 30095
specifies a higher requirement than is imposed by any section of 30096
the Revised Code is enforceable. The rules governing residential 30097
buildings are uniform requirements for residential buildings in 30098
any area with a building department certified to enforce the state 30099
residential building code. In no case shall any local code or 30100
regulation differ from the state residential building code unless 30101
that code or regulation addresses subject matter not addressed by 30102
the state residential building code or is adopted pursuant to 30103
section 3781.01 of the Revised Code. 30104

(3) The rules adopted pursuant to this section are complete, 30105
lawful alternatives to any requirements specified for buildings or 30106
industrialized units in any section of the Revised Code. Except as 30107
otherwise provided in division (I) of this section, the board 30108
shall, on its own motion or on application made under sections 30109
3781.12 and 3781.13 of the Revised Code, formulate, propose, 30110
adopt, modify, amend, or repeal the rules to the extent necessary 30111
or desirable to effectuate the purposes of sections 3781.06 to 30112
3781.18 of the Revised Code. 30113

(B) The board shall report to the general assembly proposals 30114
for amendments to existing statutes relating to the purposes 30115
declared in section 3781.06 of the Revised Code that public health 30116
and safety and the development of the arts require and shall 30117
recommend any additional legislation to assist in carrying out 30118
fully, in statutory form, the purposes declared in that section. 30119
The board shall prepare and submit to the general assembly a 30120
summary report of the number, nature, and disposition of the 30121
petitions filed under sections 3781.13 and 3781.14 of the Revised 30122
Code. 30123

(C) On its own motion or on application made under sections 30124
3781.12 and 3781.13 of the Revised Code, and after thorough 30125
testing and evaluation, the board shall determine by rule that any 30126
particular fixture, device, material, process of manufacture, 30127
manufactured unit or component, method of manufacture, system, or 30128
method of construction complies with performance standards adopted 30129
pursuant to section 3781.11 of the Revised Code. The board shall 30130
make its determination with regard to adaptability for safe and 30131
sanitary erection, use, or construction, to that described in any 30132
section of the Revised Code, wherever the use of a fixture, 30133
device, material, method of manufacture, system, or method of 30134
construction described in that section of the Revised Code is 30135
permitted by law. The board shall amend or annul any rule or issue 30136
an authorization for the use of a new material or manufactured 30137
unit on any like application. No department, officer, board, or 30138
commission of the state other than the board of building standards 30139
or the board of building appeals shall permit the use of any 30140
fixture, device, material, method of manufacture, newly designed 30141
product, system, or method of construction at variance with what 30142
is described in any rule the board of building standards adopts or 30143
issues or that is authorized by any section of the Revised Code. 30144
Nothing in this section shall be construed as requiring approval, 30145
by rule, of plans for an industrialized unit that conforms with 30146

the rules the board of building standards adopts pursuant to 30147
section 3781.11 of the Revised Code. 30148

(D) The board shall recommend rules, codes, and standards to 30149
help carry out the purposes of section 3781.06 of the Revised Code 30150
and to help secure uniformity of state administrative rulings and 30151
local legislation and administrative action to the bureau of 30152
workers' compensation, the director of commerce, any other 30153
department, officer, board, or commission of the state, and to 30154
legislative authorities and building departments of counties, 30155
townships, and municipal corporations, and shall recommend that 30156
they audit those recommended rules, codes, and standards by any 30157
appropriate action that they are allowed pursuant to law or the 30158
constitution. 30159

(E)(1) The board shall certify municipal, township, and 30160
county building departments ~~and~~, the personnel of those building 30161
departments, ~~and~~ persons described in division (E)(7) of this 30162
section, and employees of individuals, firms, the state, or 30163
corporations ~~as~~ described in division (E)(7) of this section to 30164
exercise enforcement authority, to accept and approve plans and 30165
specifications, and to make inspections, pursuant to sections 30166
3781.03, 3791.04, and 4104.43 of the Revised Code. 30167

(2) The board shall certify departments, personnel, and 30168
persons to enforce the state residential building code, to enforce 30169
the nonresidential building code, or to enforce both the 30170
residential and the nonresidential building codes. Any department, 30171
personnel, or person may enforce only the type of building code 30172
for which certified. 30173

(3) The board shall not require a building department, its 30174
personnel, or any persons that it employs to be certified for 30175
residential building code enforcement if that building department 30176
does not enforce the state residential building code. The board 30177
shall specify, in rules adopted pursuant to Chapter 119. of the 30178

Revised Code, the requirements for certification for residential 30179
and nonresidential building code enforcement, which shall be 30180
consistent with this division. The requirements for residential 30181
and nonresidential certification may differ. Except as otherwise 30182
provided in this division, the requirements shall include, but are 30183
not limited to, the satisfactory completion of an initial 30184
examination and, to remain certified, the completion of a 30185
specified number of hours of continuing building code education 30186
within each three-year period following the date of certification 30187
which shall be not less than thirty hours. The rules shall provide 30188
that continuing education credits and certification issued by the 30189
council of American building officials, national model code 30190
organizations, and agencies or entities the board recognizes are 30191
acceptable for purposes of this division. The rules shall specify 30192
requirements that are consistent with the provisions of section 30193
5903.12 of the Revised Code relating to active duty military 30194
service and are compatible, to the extent possible, with 30195
requirements the council of American building officials and 30196
national model code organizations establish. 30197

(4) The board shall establish and collect a certification and 30198
renewal fee for building department personnel, and persons and 30199
employees of persons, firms, or corporations as described in this 30200
section, who are certified pursuant to this division. 30201

(5) Any individual certified pursuant to this division shall 30202
complete the number of hours of continuing building code education 30203
that the board requires or, for failure to do so, forfeit 30204
certification. 30205

(6) This division does not require or authorize the board to 30206
certify personnel of municipal, township, and county building 30207
departments, and persons and employees of persons, firms, or 30208
corporations as described in this section, whose responsibilities 30209
do not include the exercise of enforcement authority, the approval 30210

of plans and specifications, or making inspections under the state 30211
residential and nonresidential building codes. 30212

(7) Enforcement authority for approval of plans and 30213
specifications and enforcement authority for inspections may be 30214
exercised, and plans and specifications may be approved and 30215
inspections may be made on behalf of a municipal corporation, 30216
township, or county, by any of the following who the board of 30217
building standards certifies: 30218

(a) Officers or employees of the municipal corporation, 30219
township, or county; 30220

other services to the municipal corporation, township, or county; 30223

(c) Officers or employees of, and persons under contract 30224
with, a municipal corporation, township, county, health district, 30225
or other political subdivision, pursuant to a contract to furnish 30226
architectural, engineering, or other services; 30227

(d) Officers or employees of the division of industrial 30228
compliance in the department of commerce pursuant to a contract 30229
authorized by division (B) of section 121.083 of the Revised Code. 30230

(8) Municipal, township, and county building departments have 30231
jurisdiction within the meaning of sections 3781.03, 3791.04, and 30232
4104.43 of the Revised Code, only with respect to the types of 30233
buildings and subject matters for which they are certified under 30234
this section. 30235

(9) A certified municipal, township, or county building 30236
department may exercise enforcement authority, accept and approve 30237
plans and specifications, and make inspections pursuant to 30238
sections 3781.03, 3791.04, and 4104.43 of the Revised Code for a 30239
park district created pursuant to Chapter 1545. of the Revised 30240
Code upon the approval, by resolution, of the board of park 30241

commissioners of the park district requesting the department to 30242
exercise that authority and conduct those activities, as 30243

commission. 30652

4. A member shall vote in person or by such other means as 30653
provided in the commission's bylaws. The commission's bylaws may 30654
provide for members' participation in meetings by telephone or 30655
other means of communication. 30656

5. The commission shall meet at least once during each 30657
calendar year. Additional meetings shall be held as set forth in 30658
the commission's bylaws. 30659

6. No decision of the commission with respect to the approval 30660

<u>2. The commission shall also adopt rules establishing the criteria for defining and classifying the diseases for which prizes shall be awarded. The commission may define and classify subsets of diseases, for example, tubular carcinoma of the breast. For purposes of sections 3.a. and c. of this article, a subset of a disease shall be considered one disease. <u>3. The commission shall also adopt rules regarding prizes for curing diseases that establish the following:</u>	30740 30741
<u>a. At least ten major diseases for which to create prizes, which shall be determined based on the following factors:</u>	30742 30743
<u>i. The severity of the disease to a human individual's overall health and well-being;</u>	30744 30745
<u>ii. The survival rate or severity of impact of the disease;</u>	30746
<u>iii. The public health expenses and treatment expenses for the disease.</u>	30747 30748
<u>b. The criteria a treatment or therapeutic protocol must meet in order to be considered a cure for any of the diseases for which a prize may be awarded, which shall include the following</u>	30749 30750 30751

<u>ii. Except as provided in section 4. of this article, it must</u>	30757
<u>yield a significant increase in survival with respect to the</u>	30758
<u>diseases if early death is the usual outcome;</u>	30759
<u>iii. It requires less than one year of the treatment or</u>	30760
<u>protocol to completely cure the disease.</u>	30761
<u>c. The procedure for determining the diseases for which to</u>	30762
<u>award prizes, which includes the option to award prizes for more</u>	30763
<u>than ten diseases that meet the above criteria, if agreed to by</u>	30764
<u>two-thirds vote of the commission, and a requirement to update the</u>	30765
<u>list every three years.</u>	30766
<u>d. The submission and evaluation procedures and guidelines,</u>	30767
<u>including filing and review procedures, a requirement that the</u>	30768
<u>person or entity submitting the cure bears the burden of proof in</u>	30769
<u>demonstrating that the treatment or therapeutic protocol meets the</u>	30770
<u>above criteria, and limitations preventing public access to</u>	30771
<u>treatment or protocol submissions.</u>	30772
<u>e. The estimated five-year public health savings that would</u>	30773
<u>result from a cure, which shall be equal to the five-year public</u>	30774
<u>health expenses for each disease in each compacting state, and a</u>	30775
<u>procedure to update these expenses every three years in</u>	30776
<u>conjunction with the requirements in section 3.c. of this article.</u>	30777
<u>The estimated five-year public health savings amount shall be</u>	30778
<u>calculated, estimated, and publicized every three years by</u>	30779
<u>actuaries employed or contracted by the commission.</u>	30780
<u>f. The prize amount with respect to cures for each disease,</u>	30781
<u>which shall be equal to the most recent estimated total five-year</u>	30782

savings in public health expenses for the disease as calculated in 30783
section 3.e. of this article in all of the compacting states; 30784
amounts donated by charities, individuals, and any other entities 30785
intended for the prize under Article I of the compact; and any 30786
other factors that the commission deems appropriate. 30787

g. The prize distribution procedures and guidelines, which 30788
shall include the following requirements: 30789

i. Upon acceptance of a cure, the prize winner shall transfer 30790
to the commission the patent and all related intellectual property 30791
for the manufacture and distribution of the treatment or 30792
therapeutic protocol in exchange for the prize, except in the case 30793
that the prize money is considered by the commission to be too 30794
low, and that a prize will be awarded only to the first person or 30795
entity that submits a successful cure for a disease for which a 30796
prize may be awarded. 30797

ii. Donation amounts intended for the prize shall be kept in 30798
a separate, interest-bearing account maintained by the commission. 30799
This account shall be the only account in which prize money is 30800
kept. 30801

iii. Each compacting state shall have the responsibility to 30802
pay annually the compacting state's actual one-year savings in 30803
public health expenses for the particular disease for which a cure 30804
has been accepted. The compacting state shall make such an annual 30805
payment until it has fulfilled its prize responsibility as 30806
established in section 3.f. of this article. Each compacting 30807
state's payment responsibility begins one year after the date the 30808
cure becomes widely available. The commission shall employ or 30809
contract with actuaries to calculate each state's actual one-year 30810
savings in public health expenses at the end of each year to 30811
determine each state's responsibility for the succeeding year. 30812

iv. Compacting states may meet prize responsibilities by any 30813

method including the issuance of bonds or other obligations, with 30814
the principal and interest of those bonds or obligations to be 30815
repaid only from revenue derived from estimated public health 30816
expense savings from a cure to a disease. If the compacting state 30817
does not make such revenue available to repay some or all of the 30818
revenue bonds or obligations issued, the owners or holders of 30819
those bonds or obligations have no right to have excises or taxes 30820
levied to pay the principal or interest on them. The revenue bonds 30821
and obligations are not a debt of the issuing compacting state. 30822

v. A compacting state may issue bonds or other debt that are 30823
general obligations, under which the full faith and credit, 30824
revenue, and taxing power of the state is pledged to pay the 30825
principal and interest under those obligations, only if authorized 30826
by the compacting state's constitution or, if constitutional 30827
authorization is not required, by other law of the compacting 30828
state. 30829

vi. Upon acceptance of a cure, the commission shall obtain a 30830
loan from a financial institution in an amount equal to the most 30831
recently calculated total estimated five-year public health 30832
expenses for the disease in all compacting states, in accordance 30833
with section 3.f. of this article. The commission reserves the 30834
right to continuously evaluate the cure in the interim and rescind 30835
a prize offer if the commission finds that the cure no longer 30836
meets the commission's criteria. 30837

4. The commission may award a prize for a treatment or 30838
therapeutic protocol that yields a survival rate that is less than 30839
what is established in the cure criteria through at least five 30840
years after the treatment or protocol has ended. In that case, the 30841
prize amount awarded for that treatment or therapeutic protocol 30842
shall be reduced from the prize amount originally determined by 30843
the commission for a cure for that disease. The reduction shall be 30844
in proportion to the survival rate yielded by that treatment or 30845

protocol as compared to the survival rate established in the cure 30846
criteria. 30847

5. The commission also shall adopt rules that do the 30848
following: 30849

a. Establish the following regarding commission records: 30850

i. Conditions and procedures for public inspection and 30851
copying of its information and official records, except such 30852
information and records involving the privacy of individuals or 30853
would otherwise violate privacy laws under federal law and the 30854
laws of the compacting states; 30855

ii. Procedures for sharing with federal and state agencies, 30856
including law enforcement agencies, records and information 30857
otherwise exempt from disclosure; 30858

iii. Guidelines for entering into agreements with federal and 30859
state agencies to receive or exchange information or records 30860
subject to nondisclosure and confidentiality provisions. 30861

b. Provide a process for commission review of submitted 30862
treatments and therapeutic protocols for curing diseases that 30863
includes the following: 30864

i. An opportunity for an appeal, not later than thirty days 30865
after a rejection of a treatment or protocol for prize 30866
consideration, to a review panel established under the 30867
commission's dispute resolution process; 30868

ii. Commission monitoring and review of treatment and 30869
protocol effectiveness consistent with the cure criteria 30870
established by the commission for the particular disease; 30871

iii. Commission reconsideration, modification, or withdrawal 30872
of approval of a treatment or protocol for prize consideration for 30873
failure to continue to meet the cure criteria established by the 30874
commission for the particular disease. 30875

c. Establish a dispute resolution process to resolve disputes 30876
or other issues under the compact that may arise between two or 30877
more compacting states or between the commission and individuals 30878
or entities who submit treatments and therapeutic protocols to 30879
cure diseases, which process shall provide for: 30880

i. Administrative review by a review panel appointed by the 30881
commission; 30882

ii. Judicial review of decisions issued after an 30883
administrative review; and 30884

iii. Qualifications to be appointed to a panel, due process 30885
requirements, including notice and hearing procedures, and any 30886
other procedure, requirement, or standard necessary to provide 30887
adequate dispute resolution. 30888

d. Establish and impose annual member dues on compacting 30889
states, which shall be calculated based on the percentage of each 30890
compacting state's population in relation to the population of all 30891
the compacting states. 30892

6. Recognizing that the goal of the compact is to pool the 30893
potential savings of as many states and countries as possible to 30894
generate sufficient financial incentive to develop a cure for many 30895
of the world's most devastating diseases, the compact will respect 30896
the laws of each of these United States by adopting rules that 30897
establish ethical standards for research that shall be followed in 30898
order for a prize to be claimed. The compact, in the rules, shall 30899
establish a common set of ethical standards that embodies the laws 30900
and restrictions in each of the states so that to be eligible for 30901
claiming a prize the entity submitting a cure must not have 30902
violated any of the ethical standards in any one of the fifty 30903
states, whether the states have joined the compact or not. The 30904
compact will publish these common ethical standards along with the 30905
specific criteria for a cure for each of the diseases the compact 30906

has targeted. 30907

So long as a researcher follows the common ethical standards 30908
in effect at the time the research is done, an entity presenting a 30909
cure will be deemed to have followed the standards. On or before 30910
January 1 of each year, the compact shall review all state laws to 30911
determine if additional ethical standards have been enacted by any 30912
of the fifty states and the federal government. Any changes to the 30913
common ethical standards rules based on new state laws shall be 30914
adopted and published by the compact, but shall not take effect in 30915
cure criteria for a period of three years to allow for sufficient 30916
notice to researchers. 30917

7. All rules may be amended as the commission sees necessary. 30918

8. All rules shall be adopted pursuant to a rule-making 30919
process that conforms to the model state administrative procedure 30920
act of 1981 by the uniform law commissioners, as amended, as may 30921
be appropriate to the operations of the commission. 30922

9. In the event the commission exercises its rule-making 30923
authority in a manner that is beyond the scope of the purpose of 30924
this compact, or the powers granted hereunder, then such rule 30925
shall be invalid and have no force and effect. 30926

Article VII. Committees 30927

1. Management Committee 30928

a. The commission may establish a management committee 30929
comprised of not more than fourteen members when twenty-six states 30930
enact the compact. 30931

b. The committee shall consist of those members representing 30932
compacting states whose total public health expenses of all of the 30933
established diseases are the highest. 30934

c. The committee shall have such authority and duties as may 30935
be set forth in the commission's bylaws and rules, including: 30936

<u>i. Managing authority over the day-to-day affairs of the</u>	30937
<u>commission in a manner consistent with the commission's bylaws and</u>	30938
<u>rules and the purposes of the compact;</u>	30939

<u>iii. Planning, implementing, and coordinating communications</u>	30941
<u>and activities with state, federal, and local government</u>	30942
<u>organizations in order to advance the goals of the compact.</u>	30943
<u>d. The commission annually shall elect officers for the</u>	30944
<u>committee, with each having such authority and duties as may be</u>	30945
<u>specified in the commission's bylaws and rules.</u>	30946
<u>e. The management committee, subject to commission approval,</u>	30947
<u>may appoint or retain an executive director for such period, upon</u>	30948
<u>such terms and conditions, and for such compensation as the</u>	30949
<u>committee determines. The executive director shall serve as</u>	30950
<u>secretary to the commission, but shall not be a member of the</u>	30951
<u>commission. The executive director shall hire and supervise such</u>	30952
<u>other staff as may be authorized by the committee.</u>	30953
<u>2. Advisory Committees</u>	30954
<u>The commission may appoint advisory committees to monitor all</u>	30955
<u>operations related to the purposes of the compact and make</u>	30956
<u>recommendations to the commission; provided that the manner of</u>	30957
<u>selection and term of any committee member shall be as set forth</u>	30958
<u>in the commission's bylaws and rules. The commission shall consult</u>	30959
<u>with an advisory committee, to the extent required by the</u>	30960
<u>commission's bylaws or rules, before doing any of the following:</u>	30961
<u>a. Approving cure criteria;</u>	30962
<u>b. Amending, enacting, or repealing any bylaw or rule;</u>	30963
<u>c. Adopting the commission's annual budget;</u>	30964
<u>d. Addressing any other significant matter or taking any</u>	30965
<u>other significant action.</u>	30966

Article VIII. Finance

1. The commission annually shall establish a budget to pay or provide for the payment of its reasonable expenses. To fund the cost of initial operations, the commission may accept contributions and other forms of funding from the compacting states and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the commission concerning the performance of its duties shall not be compromised.

had a reasonable basis for believing occurred within the scope of 31032
the person's commission employment, duties, or responsibilities; 31033
provided, that nothing in section 1. of this article shall be 31034
construed to protect any such person from suit or liability for 31035
any damage, loss, injury, or liability caused by the intentional 31036
or willful and wanton misconduct of that person. 31037

2. The commission shall defend any member, officer, executive 31038
director, employee, or representative of the commission in any 31039
civil action seeking to impose liability arising out of any actual 31040
or alleged act, error, or omission that occurred within the scope 31041

<u>Article XIV. Withdrawal, Default, and Expulsion</u>	31075
<u>1. Withdrawal</u>	31076
<u>a. Once effective, the compact shall continue in force and</u>	31077
<u>remain binding upon each and every compacting state; provided,</u>	31078
<u>that a compacting state may withdraw from the compact by doing</u>	31079
<u>both of the following:</u>	31080
<u>i. Repealing the law enacting the compact in that state;</u>	31081
<u>ii. Notifying the commission in writing of the intent to</u>	31082

<u>II. After the repeal takes effect.</u>	31085
<u>b. The effective date of withdrawal is the date described in</u>	31086
<u>section 1.a.ii. of this article.</u>	31087
<u>c. The member representing the withdrawing state shall</u>	31088
<u>immediately notify the management committee in writing upon the</u>	31089

<u>If a management committee has not been established, the member</u>	31091
<u>shall immediately notify the commission.</u>	31092
<u>d. The commission or management committee, as applicable,</u>	31093
<u>shall notify the other compacting states of the introduction of</u>	31094
<u>such legislation within ten days after its receipt of notice</u>	31095
<u>thereof.</u>	31096
<u>e. The withdrawing state is responsible for all obligations,</u>	31097
<u>duties and liabilities incurred through the effective date of</u>	31098
<u>withdrawal, including any obligations, the performance of which</u>	31099
<u>extend beyond the effective date of withdrawal. The commission's</u>	31100

shall be expelled from the compact and all rights, privileges, and 31122
benefits conferred by the compact shall be terminated from the 31123
effective date of the expulsion. Any state that is expelled from 31124
the compact shall be liable for any cure prize or prizes for three 31125
years after its removal. The commission shall also take 31126
appropriate legal action to ensure that any compacting state that 31127
withdraws from the compact remains liable for paying its 31128
responsibility towards a prize for a cure that was accepted while 31129
the compacting state was a member of the commission. 31130

b. The expelled state must reenact the compact in order to 31131
become a compacting state. 31132

3. Dissolution of Compact 31133

a. The compact dissolves effective upon the date of either of 31134
the following: 31135

i. The withdrawal or expulsion of a compacting state, which 31136
withdrawal or expulsion reduces membership in the compact to one 31137
compacting state; 31138

ii. The commission votes to dissolve the compact. 31139

b. Upon the dissolution of the compact, the compact becomes 31140
null and void and shall be of no further force or effect, and the 31141
business and affairs of the commission shall be wound up and any 31142
surplus funds shall be distributed in accordance with the 31143
commission's bylaws, provided, that the commission shall pay all 31144
outstanding prizes awarded before the dissolution of the compact, 31145
as well as any other outstanding debts and obligations incurred 31146
during the existence of the compact. Any unawarded funds donated 31147
to be a part of a prize shall be returned to the donor, along with 31148
any interest earned on the amount. 31149

Article XV. Severability and Construction 31150

1. The provisions of the compact shall be severable; and if 31151
any phrase, clause, sentence, or provision is deemed 31152
unenforceable, the remaining provisions of the compact shall be 31153
enforceable. 31154

2. The provisions of the compact shall be liberally construed 31155
to effectuate its purposes. 31156

Article XVI. Binding Effect of Compact and Other Laws 31157

1. Other Laws: Nothing herein prevents the enforcement of any 31158
other law of a compacting state, except as provided in section 31159
2.b. of this article. 31160

2. Binding Effect of the Compact 31161

commission rules, are binding upon the compacting states. 31163

b. All agreements between the commission and the compacting 31164
states are binding in accordance with their terms. 31165

c. Except to the extent authorized by the compacting state's 31166
constitution or, if constitutional authorization is not required, 31167
by other law of the compacting state, such state, by entering into 31168
the compact does not: 31169

i. Commit the full faith and credit or taxing power of the 31170
compacting state for the payment of prizes or other obligations 31171
under the compact; 31172

ii. Make prize payment responsibilities or other obligations 31173
under the compact a debt of the compacting state. 31174

d. Upon the request of a party to a conflict over the meaning 31175
or interpretation of commission actions, and upon a majority vote 31176
of the compacting states, the commission may issue advisory 31177
opinions regarding the meaning or interpretation in dispute. 31178

e. In the event any provision of the compact exceeds the 31179
constitutional limits imposed on any compacting state, the 31180

obligations, duties, powers or jurisdiction sought to be conferred 31181
by that provision upon the commission shall be ineffective as to 31182
that compacting state, and those obligations, duties, powers, or 31183
jurisdiction shall remain in the compacting state and shall be 31184
exercised by the agency thereof to which those obligations, 31185
duties, powers, or jurisdiction are delegated by law in effect at 31186
the time the compact becomes effective. 31187

Sec. 3901.381. (A) Except as provided in sections 3901.382, 31188
3901.383, 3901.384, and 3901.386 of the Revised Code, a 31189
third-party payer shall process a claim for payment for health 31190
care services rendered by a provider to a beneficiary in 31191
accordance with this section. 31192

(B)(1) Unless division (B)(2) or (3) of this section applies, 31193
when a third-party payer receives from a provider or beneficiary a 31194
claim on the standard claim form prescribed in rules adopted by 31195
the superintendent of insurance under section 3902.22 of the 31196
Revised Code, the third-party payer shall pay or deny the claim 31197
not later than thirty days after receipt of the claim. When a 31198
third-party payer denies a claim, the third-party payer shall 31199
notify the provider and the beneficiary. The notice shall state, 31200
with specificity, why the third-party payer denied the claim. 31201

(2)(a) Unless division (B)(3) of this section applies, when a 31202
provider or beneficiary has used the standard claim form, but the 31203
third-party payer determines that reasonable supporting 31204
documentation is needed to establish the third-party payer's 31205
responsibility to make payment, the third-party payer shall pay or 31206
deny the claim not later than forty-five days after receipt of the 31207
claim. Supporting documentation includes the verification of 31208
employer and beneficiary coverage under a benefits contract, 31209
confirmation of premium payment, medical information regarding the 31210
beneficiary and the services provided, information on the 31211

responsibility of another third-party payer to make payment or 31212
confirmation of the amount of payment by another third-party 31213
payer, and information that is needed to correct material 31214
deficiencies in the claim related to a diagnosis or treatment or 31215
the provider's identification. 31216

Not later than thirty days after receipt of the claim, the 31217
third-party payer shall notify all relevant external sources that 31218
the supporting documentation is needed. All such notices shall 31219
state, with specificity, the supporting documentation needed. If 31220
the notice was not provided in writing, the provider, beneficiary, 31221
or third-party payer may request the third-party payer to provide 31222
the notice in writing, and the third-party payer shall then 31223
provide the notice in writing. If any of the supporting 31224
documentation is under the control of the beneficiary, the 31225
beneficiary shall provide the supporting documentation to the 31226
third-party payer. 31227

The number of days that elapse between the third-party 31228
payer's last request for supporting documentation within the 31229
thirty-day period and the third-party payer's receipt of all of 31230
the supporting documentation that was requested shall not be 31231
counted for purposes of determining the third-party payer's 31232
compliance with the time period of not more than forty-five days 31233
for payment or denial of a claim. Except as provided in division 31234
(B)(2)(b) of this section, if the third-party payer requests 31235
additional supporting documentation after receiving the initially 31236
requested documentation, the number of days that elapse between 31237
making the request and receiving the additional supporting 31238
documentation shall be counted for purposes of determining the 31239
third-party payer's compliance with the time period of not more 31240
than forty-five days. 31241

(b) If a third-party payer determines, after receiving 31242
initially requested documentation, that it needs additional 31243

supporting documentation pertaining to a beneficiary's preexisting 31244
condition, which condition was unknown to the third-party payer 31245
and about which it was reasonable for the third-party payer to 31246
have no knowledge at the time of its initial request for 31247
documentation, and the third-party payer subsequently requests 31248
this additional supporting documentation, the number of days that 31249
elapse between making the request and receiving the additional 31250
supporting documentation shall not be counted for purposes of 31251
determining the third-party payer's compliance with the time 31252
period of not more than forty-five days. 31253

(c) When a third-party payer denies a claim, the third-party 31254
payer shall notify the provider and the beneficiary. The notice 31255
shall state, with specificity, why the third-party payer denied 31256
the claim. 31257

(d) If a third-party payer determines that supporting 31258
documentation related to medical information is routinely 31259
necessary to process a claim for payment of a particular health 31260
care service, the third-party payer shall establish a description 31261
of the supporting documentation that is routinely necessary and 31262
make the description available to providers in a readily 31263
accessible format. 31264

Third-party payers and providers shall, in connection with a 31265
claim, use the most current CPT code in effect, as published by 31266
the American medical association, the most current ICD-10 code in 31267
effect, as published by the United States department of health and 31268
human services, the most current CDT code in effect, as published 31269
by the American dental association, or the most current HCPCS code 31270
in effect, as published by the United States ~~health care financing~~ 31271
~~administration~~ centers for medicare and medicaid services. 31272

(3) When a provider or beneficiary submits a claim by using 31273
the standard claim form prescribed in the superintendent's rules, 31274
but the information provided in the claim is materially deficient, 31275

the third-party payer shall notify the provider or beneficiary not 31276
later than fifteen days after receipt of the claim. The notice 31277
shall state, with specificity, the information needed to correct 31278
all material deficiencies. Once the material deficiencies are 31279
corrected, the third-party payer shall proceed in accordance with 31280
division (B)(1) or (2) of this section. 31281

It is not a violation of the notification time period of not 31282
more than fifteen days if a third-party payer fails to notify a 31283
provider or beneficiary of material deficiencies in the claim 31284
related to a diagnosis or treatment or the provider's 31285
identification. A third-party payer may request the information 31286
necessary to correct these deficiencies after the end of the 31287
notification time period. Requests for such information shall be 31288
made as requests for supporting documentation under division 31289
(B)(2) of this section, and payment or denial of the claim is 31290
subject to the time periods specified in that division. 31291

(C) For purposes of this section, if a dispute exists between 31292
a provider and a third-party payer as to the day a claim form was 31293
received by the third-party payer, both of the following apply: 31294

(1) If the provider or a person acting on behalf of the 31295
provider submits a claim directly to a third-party payer by mail 31296
and retains a record of the day the claim was mailed, there exists 31297
a rebuttable presumption that the claim was received by the 31298
third-party payer on the fifth business day after the day the 31299
claim was mailed, unless it can be proven otherwise. 31300

(2) If the provider or a person acting on behalf of the 31301
provider submits a claim directly to a third-party payer 31302
electronically, there exists a rebuttable presumption that the 31303
claim was received by the third-party payer twenty-four hours 31304
after the claim was submitted, unless it can be proven otherwise. 31305

(D) Nothing in this section requires a third-party payer to 31306

provide more than one notice to an employer whose premium for 31307
coverage of employees under a benefits contract has not been 31308
received by the third-party payer. 31309

(E) Compliance with the provisions of division (B)(3) of this 31310
section shall be determined separately from compliance with the 31311
provisions of divisions (B)(1) and (2) of this section. 31312

(F) A third-party payer shall transmit electronically any 31313
payment with respect to claims that the third-party payer receives 31314
electronically and pays to a contracted provider under this 31315
section and under sections 3901.383, 3901.384, and 3901.386 of the 31316
Revised Code. A provider shall not refuse to accept a payment made 31317
under this section or sections 3901.383, 3901.384, and 3901.386 of 31318
the Revised Code on the basis that the payment was transmitted 31319
electronically. 31320

Sec. 3901.3814. Sections 3901.38 and 3901.381 to 3901.3813 of 31321

Chapters 3935. and 3937. of the Revised Code; 31324

(B) An employer's self-insurance plan and any of its 31325
administrators, as defined in section 3959.01 of the Revised Code, 31326

otherwise precludes the application of any provisions of those 31328
sections to the plan and its administrators; 31329

(C) A third-party payer for coverage provided under the 31330
medicare advantage program operated under Title XVIII of the 31331

amended; 31333

(D) A third-party payer for coverage provided under the 31334
medicaid program, ~~except that if a federal waiver applied for~~ 31335

~~medicaid director determines that this provision can be~~ 31337
~~implemented without a waiver, sections 3901.38 and 3901.381 to~~ 31338
~~3901.3813 of the Revised Code apply to claims submitted~~ 31339
~~electronically or non-electronically that are made with respect to~~ 31340
~~coverage of medicaid recipients by health insuring corporations~~ 31341
~~licensed under Chapter 1751. of the Revised Code, instead of the~~ 31342
~~prompt payment requirements of 42 C.F.R. 447.46;~~ 31343

(E) A third-party payer for coverage provided under the 31344
tricare program offered by the United States department of 31345

Sec. 3901.95. A direct primary care agreement that meets all 31347
of the following shall not be considered insurance and nothing in 31348
Title XXXIX of the Revised Code shall apply to such an agreement: 31349

(A) It is in writing. 31350

(B) It is between a patient, or that patient's legal 31351

transmit to the patient's health plan issuer the patient's name; 31839
