Such standards shall provide adequately for: the licensing of teachers, administrators, and other professional personnel and their assignment according to training and qualifications; efficient and effective instructional materials and equipment, including library facilities; the proper organization, administration, and supervision of each school, including regulations for preparing all necessary records and reports and the preparation of a statement of policies and objectives for each school; the provision of safe buildings, grounds, health and sanitary facilities and services; admission of pupils, and such requirements for their promotion from grade to grade as will assure that they are capable and prepared for the level of study to which they are certified; requirements for graduation; and such other factors as the board finds necessary.

Credits of grade level advancement shall not require a minimum number of days or hours in a classroom.

The state board shall base any standards governing the assignment of staff on ensuring each school has a sufficient number of teachers to ensure a student has an appropriate level of interaction to meet each student's personal learning goals.

In the formulation and administration of such standards for

nonpublic schools the board shall also consider the particular 63739
needs, methods and objectives of those schools, provided they do 63740
not conflict with the provision of a general education of a high 63741
quality and provided that regular procedures shall be followed for 63742
promotion from grade to grade of pupils who have met the 63743
educational requirements prescribed. 63744

All chartered, nonchartered, and accredited nonpublic schools 63745

administration, and supervision of each school district with a 63757
commitment to high expectations for every student based on the 63758
learning needs of each individual, including students with 63759
disabilities, economically disadvantaged students, limited English 63760
proficient students, and students identified as gifted, and 63761
commitment to closing the achievement gap without suppressing the 63762
achievement levels of higher achieving students so that all 63763
students achieve core knowledge and skills in accordance with the 63764
statewide academic standards adopted under section 3301.079 of the 63765
Revised Code; 63766

(b) Standards for the establishment of business advisory 63767

Ohio-based entities employing Ohio residents. 63937

(2) Adopt rules for the ethical use of assessments and 63938
prescribing the manner in which the assessments prescribed by 63939
section 3301.0710 of the Revised Code shall be administered to 63940

assessment required to be administered under this section if it 64032
instead specifies an alternate assessment method approved by the 64033
department of education as conforming to requirements of federal 64034
law for receipt of federal funds for disadvantaged pupils. To the 64035

assessment. No board shall prohibit a student who is not required 64039
to take an assessment under division (C)(1) of this section from 64040
taking the assessment. 64041

(b) Any alternate assessment approved by the department for a 64042
student under this division shall produce measurable results 64043
comparable to those produced by the assessment it replaces in 64044
order to allow for the student's results to be included in the 64045
data compiled for a school district or building under section 64046
3302.03 of the Revised Code. 64047

(c)(i) Any student enrolled in a chartered nonpublic school 64048

state board excuses the student from taking that assessment. 64056

(ii) A student with significant cognitive disabilities to 64057
whom an alternate assessment is administered in accordance with 64058
division (C)(1) of this section and a student determined to have a 64059

the assessment prescribed under division (B)(1) of section 64062

~~nonpublic~~ school shall not prohibit the student from taking the 64067
assessment. 64068

(2) A district board may, for medical reasons or other good 64069
cause, excuse a student from taking an assessment administered 64070
under this section on the date scheduled, but that assessment 64071
shall be administered to the excused student not later than nine 64072
days following the scheduled date. The district board shall 64073
annually report the number of students who have not taken one or 64074
more of the assessments required by this section to the state 64075
board not later than the thirtieth day of June. 64076

(3) As used in this division, "limited English proficient 64077
student" has the same meaning as in 20 U.S.C. 7801. 64078

No school district board shall excuse any limited English 64079
proficient student from taking any particular assessment required 64080

to be administered under this section, except as follows: 64081

(a) Any limited English proficient student who has been 64082
enrolled in United States schools for less than two years and for 64083
whom no appropriate accommodations are available based on guidance 64084
issued by the department shall not be required to take the 64085
assessment prescribed under division (B)(1) of section 3301.0712 64086
of the Revised Code. 64087

(b) Any limited English proficient student who has been 64088
enrolled in United States schools for less than one full school 64089
year shall not be required to take any reading, writing, or 64090
English language arts assessment. 64091

However, no board shall prohibit a limited English proficient 64092
student who is not required to take an assessment under division 64093
(C)(3) of this section from taking the assessment. A board may 64094
permit any limited English proficient student to take an 64095
assessment required to be administered under this section with 64096
appropriate accommodations, as determined by the department. For 64097
each limited English proficient student, each school district 64098
shall annually assess that student's progress in learning English, 64099
in accordance with procedures approved by the department. 64100

(4)(a) The governing authority of a chartered nonpublic or an 64101
accredited nonpublic school may excuse a limited English 64102
proficient student from taking any assessment administered under 64103
this section. 64104

(b) No governing authority of a chartered nonpublic school 64105
shall require a limited English proficient student who has been 64106
enrolled in United States schools for less than two years and for 64107
whom no appropriate accommodations are available based on guidance 64108
issued by the department to take the assessment prescribed under 64109
division (B)(1) of section 3301.0712 of the Revised Code. 64110

(c) No governing authority of a chartered nonpublic school 64111

shall prohibit a limited English proficient student from taking an 64112
assessment from which the student was excused under division 64113
(C)(4) of this section. 64114

(D)(1) In the school year next succeeding the school year in 64115
which the assessments prescribed by division (A)(1) or (B)(1) of 64116
section 3301.0710 of the Revised Code or former division (A)(1), 64117
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 64118

student, the board of education of any school district in which 64120

intervention services commensurate with the student's performance, 64122
including any intensive intervention required under section 64123
3313.608 of the Revised Code, in any skill in which the student 64124
failed to demonstrate at least a score at the proficient level on 64125
the assessment. 64126

(2) Following any administration of the assessments 64127
prescribed by division (D) of section 3301.0710 of the Revised 64128
Code to ninth grade students, each school district that has a 64129
three-year average graduation rate of not more than seventy-five 64130
per cent shall determine for each high school in the district 64131
whether the school shall be required to provide intervention 64132
services to any students who took the assessments. In determining 64133
which high schools shall provide intervention services based on 64134
the resources available, the district shall consider each school's 64135
graduation rate and scores on the practice assessments. The 64136
district also shall consider the scores received by ninth grade 64137
students on the English language arts and mathematics assessments 64138
prescribed under division (A)(1)(f) of section 3301.0710 of the 64139
Revised Code in the eighth grade in determining which high schools 64140
shall provide intervention services. 64141

Each high school selected to provide intervention services 64142
under this division shall provide intervention services to any 64143

student whose results indicate that the student is failing to make 64144
satisfactory progress toward being able to attain scores at the 64145
proficient level on the Ohio graduation tests. Intervention 64146
services shall be provided in any skill in which a student 64147
demonstrates unsatisfactory progress and shall be commensurate 64148
with the student's performance. Schools shall provide the 64149
intervention services prior to the end of the school year, during 64150
the summer following the ninth grade, in the next succeeding 64151
school year, or at any combination of those times. 64152

(E) Except as provided in section 3313.608 of the Revised 64153
Code and division (N) of this section, no school district board of 64154
education shall utilize any student's failure to attain a 64155
specified score on an assessment administered under this section 64156
as a factor in any decision to deny the student promotion to a 64157
higher grade level. However, a district board may choose not to 64158
promote to the next grade level any student who does not take an 64159
assessment administered under this section or make up an 64160
assessment as provided by division (C)(2) of this section and who 64161
is not exempt from the requirement to take the assessment under 64162
division (C)(3) of this section. 64163

(F) No person shall be charged a fee for taking any 64164
assessment administered under this section. 64165

(G)(1) Each school district board shall designate one 64166
location for the collection of assessments administered in the 64167
spring under division (B)(1) of this section and those 64168
administered under divisions (B)(2) to (7) of this section. Each 64169
district board shall submit the assessments to the entity with 64170
which the department contracts for the scoring of the assessments 64171
as follows: 64172

(a) If the district's total enrollment in grades kindergarten 64173
through twelve during the first full school week of October was 64174
less than two thousand five hundred, not later than the Friday 64175

two thousand five hundred or more, but less than seven thousand, 64179
not later than the Monday after all of the assessments have been 64180
administered; 64181

(c) If the district's total enrollment in grades kindergarten 64182

adopt, the board of education of any city, exempted village, or 64254
local school district with territory in a cooperative education 64255
school district established pursuant to divisions (A) to (C) of 64256
section 3311.52 of the Revised Code may enter into an agreement 64257

64319
64320
64321
64322
64323

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Revised Code to qualify for a high school diploma prior to the 64356
date of the administration of the assessment prescribed under 64357
division (B)(1) of section 3301.0712 of the Revised Code shall not 64358

(4) The assessments prescribed by sections 3301.0712 and 64397

(O)(1) In the manner specified in divisions (O)(3), (4), (6), 64443
and (7) of this section, the assessments required by division 64444

public records pursuant to section 149.43 of the Revised Code on 64446
the thirty-first day of July following the school year that the 64447
assessments were administered. 64448

(2) The department may field test proposed questions with 64449
samples of students to determine the validity, reliability, or 64450
appropriateness of questions for possible inclusion in a future 64451
year's assessment. The department also may use anchor questions on 64452
assessments to ensure that different versions of the same 64453
assessment are of comparable difficulty. 64454

Field test questions and anchor questions shall not be 64455
considered in computing scores for individual students. Field test 64456
questions and anchor questions may be included as part of the 64457

to the 2011-2012 school year, not less than forty per cent of the 64472
questions on the assessment that are used to compute a student's 64473
score shall be a public record. The department shall determine 64474
which questions will be needed for reuse on a future assessment 64475
and those questions shall not be public records and shall be 64476
redacted from the assessment prior to its release as a public 64477
record. However, for each redacted question, the department shall 64478
inform each city, local, and exempted village school district of 64479
the statewide academic standard adopted by the state board under 64480
section 3301.079 of the Revised Code and the corresponding 64481
benchmark to which the question relates. The preceding sentence 64482
does not apply to field test questions that are redacted under 64483
division (O)(3) of this section. 64484

2016-2017 school years, questions on the assessments prescribed 64492
under division (A) of section 3301.0710 and division (B)(2) of 64493
section 3301.0712 of the Revised Code and the corresponding 64494
preferred answers that are used to compute a student's score shall 64495
become a public record as follows: 64496

(i) Forty per cent of the questions and preferred answers on 64497
the assessments on the thirty-first day of July following the 64498
administration of the assessment; 64499

(ii) Twenty per cent of the questions and preferred answers 64500
on the assessment on the thirty-first day of July one year after 64501
the administration of the assessment; 64502

(iii) The remaining forty per cent of the questions and 64503
preferred answers on the assessment on the thirty-first day of 64504
July two years after the administration of the assessment. 64505

The entire content of an assessment shall become a public 64506
record within three years of its administration. 64507

The department shall make the questions that become a public 64508
record under this division readily accessible to the public on the 64509
department's web site. Questions on the spring administration of 64510
each assessment shall be released on an annual basis, in 64511
accordance with this division. 64512

(b) No questions and corresponding preferred answers shall 64513
become a public record under division (O)(6) of this section after 64514
July 31, 2017. 64515

(7) Division (O)(7) of this section applies to the 64516
assessments prescribed by division (A) of section 3301.0710 and 64517
division (B)(2) of section 3301.0712 of the Revised Code. 64518

Beginning with the assessments administered in the spring of 64519
the 2017-2018 school year, not less than forty per cent of the 64520
questions on each assessment that are used to compute a student's 64521
score shall be a public record. The department shall determine 64522
which questions will be needed for reuse on a future assessment 64523
and those questions shall not be public records and shall be 64524
redacted from the assessment prior to its release as a public 64525
record. However, for each redacted question, the department shall 64526
inform each city, local, and exempted village school district of 64527
the corresponding statewide academic standard adopted by the state 64528
board under section 3301.079 of the Revised Code and the 64529
corresponding benchmark to which the question relates. The 64530
department is not required to provide corresponding standards and 64531

division (O)(3) of this section. 64533

reasons other than dropout are subtracted from the calculation. If 64546
a student who was a dropout in any previous year returns to the 64547
same school district, that student shall be entered into the 64548

district use, is obsolete, or is unfit for the use for which it 65273
was acquired, the board may donate that property in accordance 65274
with this division if the fair market value of the property is, in 65275
the opinion of the board, two thousand five hundred dollars or 65276
less. 65277

The property may be donated to an eligible nonprofit 65278
organization that is located in this state and is exempt from 65279
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 65280
Before donating any property under this division, the board shall 65281
adopt a resolution expressing its intent to make unneeded, 65282
obsolete, or unfit-for-use school district property available to 65283
these organizations. The resolution shall include guidelines and 65284
procedures the board considers to be necessary to implement the 65285
donation program and shall indicate whether the school district 65286

will conduct the donation program or the board will contract with 65287
a representative to conduct it. If a representative is known when 65288
the resolution is adopted, the resolution shall provide contact 65289
information such as the representative's name, address, and 65290
telephone number. 65291

The resolution shall include within its procedures a 65292
requirement that any nonprofit organization desiring to obtain 65293
donated property under this division shall submit a written notice 65294
to the board or its representative. The written notice shall 65295
include evidence that the organization is a nonprofit organization 65296
that is located in this state and is exempt from federal income 65297
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 65298
the organization's primary purpose; a description of the type or 65299
types of property the organization needs; and the name, address, 65300
and telephone number of a person designated by the organization's 65301
governing board to receive donated property and to serve as its 65302
agent. 65303

After adoption of the resolution, the board shall publish, in 65304
a newspaper of general circulation in the school district or as 65305
provided in section 7.16 of the Revised Code, notice of its intent 65306
to donate unneeded, obsolete, or unfit-for-use school district 65307
property to eligible nonprofit organizations. The notice shall 65308
include a summary of the information provided in the resolution 65309
and shall be published twice. The second notice shall be published 65310
not less than ten nor more than twenty days after the previous 65311
notice. A similar notice also shall be posted continually in the 65312
board's office. If the school district maintains a web site on the 65313
internet, the notice shall be posted continually at that web site. 65314

The board or its representatives shall maintain a list of all 65315
nonprofit organizations that notify the board or its 65316
representative of their desire to obtain donated property under 65317
this division and that the board or its representative determines 65318

to be eligible, in accordance with the requirements set forth in 65319
this section and in the donation program's guidelines and 65320
procedures, to receive donated property. 65321

The board or its representative also shall maintain a list of 65322
all school district property the board finds to be unneeded, 65323
obsolete, or unfit for use and to be available for donation under 65324
this division. The list shall be posted continually in a 65325
conspicuous location in the board's office, and, if the school 65326
district maintains a web site on the internet, the list shall be 65327
posted continually at that web site. An item of property on the 65328
list shall be donated to the eligible nonprofit organization that 65329
first declares to the board or its representative its desire to 65330
obtain the item unless the board previously has established, by 65331
resolution, a list of eligible nonprofit organizations that shall 65332
be given priority with respect to the item's donation. Priority 65333
may be given on the basis that the purposes of a nonprofit 65334
organization have a direct relationship to specific school 65335
district purposes of programs provided or administered by the 65336
board. A resolution giving priority to certain nonprofit 65337
organizations with respect to the donation of an item of property 65338
shall specify the reasons why the organizations are given that 65339
priority. 65340

Members of the board shall consult with the Ohio ethics 65341
commission, and comply with Chapters 102. and 2921. of the Revised 65342
Code, with respect to any donation under this division to a 65343
nonprofit organization of which a board member, any member of a 65344
board member's family, or any business associate of a board member 65345
is a trustee, officer, board member, or employee. 65346

activities, and approved education options but excluding lunch and 65356
breakfast periods and extracurricular activities, for not less 65357
than four hundred fifty-five hours in the case of pupils in 65358
kindergarten unless such pupils are provided all-day kindergarten, 65359

limited to, the total number of hours in a school year, length of 65380
school day, and beginning and end dates of instruction. 65381

(C) No school operated by a city, exempted village, local, or joint vocational school district shall reduce the number of hours in each school year that the school is scheduled to be open for instruction from the number of hours per year the school was open for instruction during the previous school year unless the reduction is approved by a resolution adopted by the district board of education. Any reduction so approved shall not result in fewer hours of instruction per school year than the applicable number of hours required under division (A) of this section.

(D) Prior to making any change in the hours or days in which a high school under its jurisdiction is open for instruction, the board of education of each city, exempted village, and local school district shall consider the compatibility of the proposed change with the scheduling needs of any joint vocational school district in which any of the high school's students are also enrolled. The board shall consider the impact of the proposed change on student access to the instructional programs offered by the joint vocational school district, incentives for students to participate in career-technical education, transportation, and the timing of graduation. The board shall provide the joint vocational school district board with advance notice of the proposed change and the two boards shall enter into a written agreement prescribing reasonable accommodations to meet the scheduling needs of the joint vocational school district prior to implementation of the change.

of the Revised Code. The board shall consider the impact of the 65414
proposed change on student access to the instructional programs 65415
offered by the community school, transportation, and the timing of 65416
graduation. The board shall provide the sponsor, governing 65417
authority, and operator of the community school with advance 65418
notice of the proposed change, and the board and the governing 65419

districts by divisions (B), (C), (D), and (E) of this section. 65441

Sec. 3313.481. Wherever in Title XXXIII of the Revised Code 65442
the term "school day" is used, unless otherwise specified, that 65443
term shall be construed to mean the time during a calendar day 65444

that a school is open for instruction pursuant to the schedule 65445
adopted by the board of education of the school district or the 65446
governing authority of the chartered or accredited nonpublic 65447

Sec. 3313.482. (A)(1) Prior to the first day of August of 65449
each school year, the board of education of any school district 65450
~~or~~, the governing authority of any chartered nonpublic school, or 65451

to require students to access and complete classroom lessons 65454
posted on the district's or nonpublic school's web portal or web 65455
site in order to make up hours in that school year on which it is 65456
necessary to close schools for disease epidemic, hazardous weather 65457
conditions, law enforcement emergencies, inoperability of school 65458
buses or other equipment necessary to the school's operation, 65459
damage to a school building, or other temporary circumstances due 65460
to utility failure rendering the school building unfit for school 65461
use. 65462

Prior to the first day of August of each school year, the 65463
governing authority of any community school established under 65464
Chapter 3314. that is not an internet- or computer-based community 65465
school, as defined in section 3314.02 of the Revised Code, may 65466
adopt a plan to require students to access and complete classroom 65467
lessons posted on the school's web portal or web site in order to 65468
make up hours in that school year on which it is necessary to 65469
close the school for any of the reasons specified in division 65470
(H)(4) of section 3314.08 of the Revised Code so that the school 65471
is in compliance with the minimum number of hours required under 65472
Chapter 3314. of the Revised Code. 65473

A plan adopted by a school district board, chartered 65474
nonpublic school governing authority, accredited nonpublic school 65475

governing authority, or community school governing authority shall 65476
provide for making up any number of hours, up to a maximum of the 65477
number of hours that are the equivalent of three school days. 65478

(2) Each plan adopted under this section by a school district 65479
board of education shall include the written consent of the 65480
teachers' employee representative designated under division (B) of 65481
section 4117.04 of the Revised Code. 65482

(3) Each plan adopted under this section shall provide for 65483
the following: 65484

(a) Not later than the first day of November of the school 65485
year, each classroom teacher shall develop a sufficient number of 65486
lessons for each course taught by the teacher that school year to 65487
cover the number of make-up hours specified in the plan. The 65488
teacher shall designate the order in which the lessons are to be 65489
posted on the district's, community school's, or nonpublic 65490
school's web portal or web site in the event of a school closure. 65491
Teachers may be granted up to one professional development day to 65492
create lesson plans for those lessons. 65493

(b) To the extent possible and necessary, a classroom teacher 65494
shall update or replace, based on current instructional progress, 65495
one or more of the lesson plans developed under division (A)(3)(a) 65496
of this section before they are posted on the web portal or web 65497
site under division (A)(3)(c) of this section or distributed under 65498
division (B) of this section. 65499

(c) As soon as practicable after a school closure, a district 65500
or school employee responsible for web portal or web site 65501
operations shall make the designated lessons available to students 65502
on the district's, community school's, or nonpublic school's 65503
portal or site. A lesson shall be posted for each course that was 65504
scheduled to meet on the day or hours of the closure. 65505

student's residence and the plan does not include blizzard bags 65513
under division (B) of this section, the student shall be permitted 65514
to work on the posted lessons at school after the student's school 65515
reopens. If the lessons were posted prior to the reopening, the 65516
student shall be granted a two-week period from the date of the 65517
reopening, rather than from the date of posting as otherwise 65518
required under division (A)(3)(d) of this section, to complete the 65519
lessons. The district board or community school or nonpublic 65520
school governing authority may provide the student access to a 65521
computer before, during, or after the regularly scheduled school 65522
day or may provide a substantially similar paper lesson in order 65523
to complete the lessons. 65524

(B)(1) In addition to posting classroom lessons online under 65525
division (A) of this section, the board of education of any school 65526
district or governing authority of any community, accredited, or 65527
chartered nonpublic school may include in the plan distribution of 65528
"blizzard bags," which are paper copies of the lessons posted 65529
online. 65530

(2) If a school opts to use blizzard bags, teachers shall 65531
prepare paper copies in conjunction with the lessons to be posted 65532
online and update the paper copies whenever the teacher updates 65533
the online lesson plans. 65534

(3) The board of education of any school district or 65535
governing authority of any community, accredited, or chartered 65536
nonpublic school that opts to use blizzard bags shall specify in 65537
the plan the method of distribution of blizzard bag lessons, which 65538

may include, but not be limited to, requiring distribution by a 65539
specific deadline or requiring distribution prior to anticipated 65540
school closure as directed by the superintendent of a school 65541
district or the principal, director, chief administrative officer, 65542
or the equivalent, of a school. 65543

(4) Students shall turn in completed lessons in accordance 65544
with division (A)(3)(d) of this section. 65545

accordance with this section shall be considered to have failed to 65547
comply with division (B) of section 3317.01 of the Revised Code 65548
with respect to the number of make-up hours specified in the plan. 65549

(2) No community school that implements a plan in accordance 65550
with this section shall be considered to have failed to comply 65551
with the minimum number of hours required under Chapter 3314. of 65552
the Revised Code with respect to the number of make-up hours 65553

volunteer, including a coach or referee, may be entitled to under 65835
Chapter 2744. or any other provision of the Revised Code or under 65836
the common law of this state. 65837

(2) A chartered, accredited, or nonchartered nonpublic school 65838
or any officer, director, employee, or volunteer of the school, 65839
including a coach or referee, is not liable in damages in a civil 65840
action for injury, death, or loss to person or property allegedly 65841
arising from providing services or performing duties under this 65842
section, unless the act or omission constitutes willful or wanton 65843
misconduct. 65844

Sec. 3313.5311. (A) As used in this section and in section 65845
3313.5312 of the Revised Code, "extracurricular activity" has the 65846
same meaning as in section 3313.537 of the Revised Code. 65847

(B) If the nonpublic school in which the student is enrolled 65848
does not offer the extracurricular activity, a student enrolled in 65849
a chartered nonpublic school, accredited nonpublic school 65850
described in section 3301.165 of the Revised Code, or nonchartered 65851
nonpublic school shall be afforded, by the superintendent of the 65852
school district in which the student is entitled to attend school 65853
under section 3313.64 or 3313.65 of the Revised Code, the 65854
opportunity to participate in that extracurricular activity at the 65855
district school to which the student otherwise would be assigned 65856
during that school year. If more than one school operated by the 65857
school district serves the student's grade level, as determined by 65858
the district superintendent based on the student's age and 65859
academic performance, the student shall be afforded the 65860
opportunity to participate in that extracurricular activity at the 65861
school to which the student would be assigned by the 65862
superintendent under section 3319.01 of the Revised Code. 65863

(C) The superintendent of any school district may afford any 65864
student enrolled in a nonpublic school, and who is not entitled to 65865
attend school in the district under section 3313.64 or 3313.65 of 65866
the Revised Code, the opportunity to participate in an 65867
extracurricular activity offered by a school of the district, if 65868
the nonpublic school in which the student is enrolled does not 65869
offer the extracurricular activity and either of the following 65870
apply: 65871

(1) The extracurricular activity is not interscholastic 65872
athletics or interscholastic contests or competition in music, 65873
drama, or forensics. 65874

(2) The extracurricular activity is in an interscholastic 65875

athletic or interscholastic contest or competition in music, 65876
drama, or forensics. In order to participate under division (C)(2) 65877
of this section, the student shall seek to participate at either 65878
the school district in which the student's nonpublic school is 65879
located or the school district in which the student is entitled to 65880
attend school under section 3313.64 or 3313.65 of the Revised 65881
Code, so long as the chosen district offers the extracurricular 65882
activity. 65883

If the student seeks to participate under division (C)(2) of 65884
this section at the school district in which the student's 65885
nonpublic school is located, both of the following shall apply: 65886

(a) The superintendent of the school district in which the 65887
student is entitled to attend school shall certify that the 65888
student has not participated in any extracurricular activity that 65889
is in an interscholastic athletic or interscholastic contest or 65890
competition in music, drama, or forensics at that school district 65891
during that school year. If the student has participated in such 65892
an extracurricular activity at that school district during the 65893
school year, the student shall be ineligible to participate at the 65894
school district in which the student's nonpublic school is located 65895
for that school year. 65896

(b) The superintendent of the school district in which the 65897
student is entitled to attend school and the superintendent of the 65898
school district in which the student is seeking to participate 65899
shall mutually agree, in writing, to allow the student to 65900
participate in the extracurricular activity at the school district 65901
in which the student's nonpublic school is located. 65902

(D) In order to participate in an extracurricular activity 65903
under this section, the student shall be of the appropriate age 65904
and grade level, as determined by the superintendent of the 65905
district, for the school that offers the extracurricular activity, 65906
and shall fulfill the same academic, nonacademic, and financial 65907

requirements as any other participant. 65908

(E) No school district shall impose additional rules on a 65909
student to participate under this section that do not apply to 65910
other students participating in the same extracurricular activity. 65911
No district shall impose additional fees for a student to 65912
participate under this section that exceed any fees charged to 65913
other students participating in the same extracurricular activity. 65914

(F) No school district, interscholastic conference, or 65915
organization that regulates interscholastic conferences or events 65916
shall require a student who is eligible to participate in 65917
interscholastic extracurricular activities under this section to 65918
meet eligibility requirements that conflict with this section. 65919

Sec. 3313.603. (A) As used in this section: 65920

least one-half unit of instruction in the study of world history 65952
and civilizations. 65953

(8) Elective units, seven units until September 15, 2003, and 65954

For students who choose to take advanced computer science in lieu of algebra II under division (C)(3) of this section, the school shall communicate to those students that some institutions of higher education may require algebra II for the purpose of college admission. Also, the parent, guardian, or legal custodian of each student who chooses to take advanced computer science in lieu of algebra II shall sign and submit to the school a document containing a statement acknowledging that not taking algebra II may have an adverse effect on college admission decisions.	65980 65981 65982 65983 65984 65985 65986 65987 65988
(4) Physical education, one-half unit;	65989

section.	66005
(6) History and government, one unit, which shall comply with	66006
division (M) of this section and shall include both of the	66007
following:	66008

(b) American government, one-half unit.	66010
(7) Social studies, two units.	66011
Each school shall integrate the study of economics and	66012

content standards adopted by the state board of education under	66014
division (A)(1) of section 3301.079 of the Revised Code and the	66015
academic content standards for financial literacy and	66016
entrepreneurship adopted under division (A)(2) of that section,	66017
into one or more existing social studies credits required under	66018
division (C)(7) of this section, or into the content of another	66019
class, so that every high school student receives instruction in	66020
those concepts. In developing the curriculum required by this	66021
paragraph, schools shall use available public-private partnerships	66022
and resources and materials that exist in business, industry, and	66023

United States under title 10 of the United States Code, or English 66036
language arts, mathematics, science, or social studies courses not 66037
otherwise required under division (C) of this section. 66038

Ohioans must be prepared to apply increased knowledge and 66039
skills in the workplace and to adapt their knowledge and skills 66040
quickly to meet the rapidly changing conditions of the 66041
twenty-first century. National studies indicate that all high 66042
school graduates need the same academic foundation, regardless of 66043
the opportunities they pursue after graduation. The goal of Ohio's 66044
system of elementary and secondary education is to prepare all 66045
students for and seamlessly connect all students to success in 66046
life beyond high school graduation, regardless of whether the next 66047
step is entering the workforce, beginning an apprenticeship, 66048
engaging in post-secondary training, serving in the military, or 66049
pursuing a college degree. 66050

The requirements for graduation prescribed in division (C) of 66051
this section are the standard expectation for all students 66052
entering ninth grade for the first time at a public or chartered 66053
nonpublic high school on or after July 1, 2010. A student may 66054
satisfy this expectation through a variety of methods, including, 66055
but not limited to, integrated, applied, career-technical, and 66056
traditional coursework. 66057

Stronger coordination between high schools and institutions 66058
of higher education is necessary to prepare students for more 66059
challenging academic endeavors and to lessen the need for academic 66060
remediation in college, thereby reducing the costs of higher 66061
education for Ohio's students, families, and the state. The state 66062
board and the chancellor of higher education shall develop 66063
policies to ensure that only in rare instances will students who 66064
complete the requirements for graduation prescribed in division 66065
(C) of this section require academic remediation after high 66066
school. 66067

School districts, community schools, and chartered nonpublic 66068
schools shall integrate technology into learning experiences 66069
across the curriculum in order to maximize efficiency, enhance 66070
learning, and prepare students for success in the 66071
technology-driven twenty-first century. Districts and schools 66072
shall use distance and web-based course delivery as a method of 66073
providing or augmenting all instruction required under this 66074
division, including laboratory experience in science. Districts 66075
and schools shall utilize technology access and electronic 66076
learning opportunities provided by the broadcast educational media 66077
commission, chancellor, the Ohio learning network, education 66078
technology centers, public television stations, and other public 66079
and private providers. 66080

(D) Except as provided in division (E) of this section, a 66081
student who enters ninth grade on or after July 1, 2010, and 66082
before July 1, 2016, may qualify for graduation from a public or 66083
chartered nonpublic high school even though the student has not 66084
completed the requirements for graduation prescribed in division 66085
(C) of this section if all of the following conditions are 66086
satisfied: 66087

(1) During the student's third year of attending high school, 66088
as determined by the school, the student and the student's parent, 66089

guardian, or custodian sign and file with the school a written 66090
statement asserting the parent's, guardian's, or custodian's 66091
consent to the student's graduating without completing the 66092
requirements for graduation prescribed in division (C) of this 66093
section and acknowledging that one consequence of not completing 66094
those requirements is ineligibility to enroll in most state 66095
universities in Ohio without further coursework. 66096

(2) The student and parent, guardian, or custodian fulfill 66097
any procedural requirements the school stipulates to ensure the 66098
student's and parent's, guardian's, or custodian's informed 66099
consent and to facilitate orderly filing of statements under 66100
division (D)(1) of this section. Annually, each district or school 66101
shall notify the department of the number of students who choose 66102
to qualify for graduation under division (D) of this section and 66103
the number of students who complete the student's success plan and 66104
graduate from high school. 66105

(3) The student and the student's parent, guardian, or 66106
custodian and a representative of the student's high school 66107
jointly develop a student success plan for the student in the 66108
manner described in division (C)(1) of section 3313.6020 of the 66109
Revised Code that specifies the student matriculating to a 66110
two-year degree program, acquiring a business and 66111
industry-recognized credential, or entering an apprenticeship. 66112

(4) The student's high school provides counseling and support 66113
for the student related to the plan developed under division 66114
(D)(3) of this section during the remainder of the student's high 66115
school experience. 66116

(5)(a) Except as provided in division (D)(5)(b) of this 66117
section, the student successfully completes, at a minimum, the 66118
curriculum prescribed in division (B) of this section. 66119

(b) Beginning with students who enter ninth grade for the 66120

first time on or after July 1, 2014, a student shall be required 66121
to complete successfully, at the minimum, the curriculum 66122
prescribed in division (B) of this section, except as follows: 66123

(i) Mathematics, four units, one unit which shall be one of 66124
the following: 66125

(I) Probability and statistics; 66126

(II) Computer science; 66127

(III) Applied mathematics or quantitative reasoning; 66128

(IV) Any other course approved by the department using 66129
standards established by the superintendent not later than October 66130
1, 2014. 66131

(ii) Elective units, five units; 66132

(iii) Science, three units as prescribed by division (B) of 66133
this section which shall include inquiry-based laboratory 66134
experience that engages students in asking valid scientific 66135
questions and gathering and analyzing information. 66136

The department, in collaboration with the chancellor, shall 66137
analyze student performance data to determine if there are 66138
mitigating factors that warrant extending the exception permitted 66139
by division (D) of this section to high school classes beyond 66140
those entering ninth grade before July 1, 2016. The department 66141
shall submit its findings and any recommendations not later than 66142
December 1, 2015, to the speaker and minority leader of the house 66143
of representatives, the president and minority leader of the 66144
senate, the chairpersons and ranking minority members of the 66145
standing committees of the house of representatives and the senate 66146
that consider education legislation, the state board of education, 66147
and the superintendent of public instruction. 66148

(E) Each school district and chartered nonpublic school 66149
retains the authority to require an even more challenging minimum 66150

curriculum for high school graduation than specified in division 66151
(B) or (C) of this section. A school district board of education, 66152
through the adoption of a resolution, or the governing authority 66153
of a chartered nonpublic school may stipulate any of the 66154
following: 66155

(1) A minimum high school curriculum that requires more than 66156
twenty units of academic credit to graduate; 66157

(2) An exception to the district's or school's minimum high 66158
school curriculum that is comparable to the exception provided in 66159
division (D) of this section but with additional requirements, 66160
which may include a requirement that the student successfully 66161
complete more than the minimum curriculum prescribed in division 66162
(B) of this section; 66163

(3) That no exception comparable to that provided in division 66164
(D) of this section is available. 66165

(F) A student enrolled in a dropout prevention and recovery 66166
program, which program has received a waiver from the department, 66167
may qualify for graduation from high school by successfully 66168
completing a competency-based instructional program administered 66169
by the dropout prevention and recovery program in lieu of 66170
completing the requirements for graduation prescribed in division 66171
(C) of this section. The department shall grant a waiver to a 66172
dropout prevention and recovery program, within sixty days after 66173
the program applies for the waiver, if the program meets all of 66174
the following conditions: 66175

(1) The program serves only students not younger than sixteen 66176
years of age and not older than twenty-one years of age. 66177

(2) The program enrolls students who, at the time of their 66178
initial enrollment, either, or both, are at least one grade level 66179
behind their cohort age groups or experience crises that 66180
significantly interfere with their academic progress such that 66181

they are prevented from continuing their traditional programs. 66182

(3) The program requires students to attain at least the 66183
applicable score designated for each of the assessments prescribed 66184
under division (B)(1) of section 3301.0710 of the Revised Code or, 66185
to the extent prescribed by rule of the state board under division 66186
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 66187
of that section. 66188

(4) The program develops a student success plan for the 66189
student in the manner described in division (C)(1) of section 66190
3313.6020 of the Revised Code that specifies the student's 66191
matriculating to a two-year degree program, acquiring a business 66192
and industry-recognized credential, or entering an apprenticeship. 66193

(5) The program provides counseling and support for the 66194
student related to the plan developed under division (F)(4) of 66195
this section during the remainder of the student's high school 66196
experience. 66197

(6) The program requires the student and the student's 66198
parent, guardian, or custodian to sign and file, in accordance 66199
with procedural requirements stipulated by the program, a written 66200
statement asserting the parent's, guardian's, or custodian's 66201
consent to the student's graduating without completing the 66202
requirements for graduation prescribed in division (C) of this 66203
section and acknowledging that one consequence of not completing 66204
those requirements is ineligibility to enroll in most state 66205
universities in Ohio without further coursework. 66206

(7) Prior to receiving the waiver, the program has submitted 66207
to the department an instructional plan that demonstrates how the 66208
academic content standards adopted by the state board under 66209
section 3301.079 of the Revised Code will be taught and assessed. 66210

(8) Prior to receiving the waiver, the program has submitted 66211
to the department a policy on career advising that satisfies the 66212

requirements of section 3313.6020 of the Revised Code, with an 66213
emphasis on how every student will receive career advising. 66214

(9) Prior to receiving the waiver, the program has submitted 66215
to the department a written agreement outlining the future 66216
cooperation between the program and any combination of local job 66217
training, postsecondary education, nonprofit, and health and 66218
social service organizations to provide services for students in 66219
the program and their families. 66220

Divisions (F)(8) and (9) of this section apply only to 66221
waivers granted on or after July 1, 2015. 66222

If the department does not act either to grant the waiver or 66223
to reject the program application for the waiver within sixty days 66224
as required under this section, the waiver shall be considered to 66225
be granted. 66226

(G) Every high school may permit students below the ninth 66227
grade to take advanced work. If a high school so permits, it shall 66228
award high school credit for successful completion of the advanced 66229
work and shall count such advanced work toward the graduation 66230
requirements of division (B) or (C) of this section if the 66231
advanced work was both: 66232

(1) Taught by a person who possesses a license or certificate 66233
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 66234
Code that is valid for teaching high school; 66235

(2) Designated by the board of education of the city, local, 66236
or exempted village school district, the board of the cooperative 66237
education school district, or the governing authority of the 66238
chartered nonpublic school as meeting the high school curriculum 66239
requirements. 66240

Each high school shall record on the student's high school 66241
transcript all high school credit awarded under division (G) of 66242
this section. In addition, if the student completed a seventh- or 66243

eighth-grade fine arts course described in division (K) of this 66244
section and the course qualified for high school credit under that 66245
division, the high school shall record that course on the 66246
student's high school transcript. 66247

(H) The department shall make its individual academic career 66248
plan available through its Ohio career information system web site 66249
for districts and schools to use as a tool for communicating with 66250
and providing guidance to students and families in selecting high 66251
school courses. 66252

(I) A school district or chartered nonpublic school may 66253
integrate academic content in a subject area for which the state 66254
board has adopted standards under section 3301.079 of the Revised 66255
Code into a course in a different subject area, including a 66256
career-technical education course, in accordance with guidance for 66257
integrated coursework developed by the department. Upon successful 66258
completion of an integrated course, a student may receive credit 66259
for both subject areas that were integrated into the course. Units 66260
earned for subject area content delivered through integrated 66261
academic and career-technical instruction are eligible to meet the 66262
graduation requirements of division (B) or (C) of this section. 66263

For purposes of meeting graduation requirements, if an 66264
end-of-course examination has been prescribed under section 66265
3301.0712 of the Revised Code for the subject area delivered 66266
through integrated instruction, the school district or school may 66267
administer the related subject area examinations upon the 66268
student's completion of the integrated course. 66269

Nothing in division (I) of this section shall be construed to 66270
excuse any school district, chartered nonpublic school, or student 66271
from any requirement in the Revised Code related to curriculum, 66272
assessments, or the awarding of a high school diploma. 66273

(J)(1) The state board, in consultation with the chancellor, 66274

shall adopt a statewide plan implementing methods for students to 66275
earn units of high school credit based on a demonstration of 66276
subject area competency, instead of or in combination with 66277
completing hours of classroom instruction. The state board shall 66278
adopt the plan not later than March 31, 2009, and commence phasing 66279
in the plan during the 2009-2010 school year. The plan shall 66280
include a standard method for recording demonstrated proficiency 66281
on high school transcripts. Each school district and community 66282
school shall comply with the state board's plan adopted under this 66283
division and award units of high school credit in accordance with 66284
the plan. The state board may adopt existing methods for earning 66285
high school credit based on a demonstration of subject area 66286
competency as necessary prior to the 2009-2010 school year. 66287

(2) Not later than December 31, 2015, the state board shall 66288
update the statewide plan adopted pursuant to division (J)(1) of 66289
this section to also include methods for students enrolled in 66290
seventh and eighth grade to meet curriculum requirements based on 66291
a demonstration of subject area competency, instead of or in 66292
combination with completing hours of classroom instruction. 66293
Beginning with the 2017-2018 school year, each school district and 66294
community school also shall comply with the updated plan adopted 66295
pursuant to this division and permit students enrolled in seventh 66296
and eighth grade to meet curriculum requirements based on subject 66297
area competency in accordance with the plan. 66298

(3) Not later than December 31, 2017, the department shall 66299
develop a framework for school districts and community schools to 66300
use in granting units of high school credit to students who 66301
demonstrate subject area competency through work-based learning 66302
experiences, internships, or cooperative education. Beginning with 66303
the 2018-2019 school year, each district and community school 66304
shall comply with the framework. Each district and community 66305
school also shall review any policy it has adopted regarding the 66306

demonstration of subject area competency to identify ways to 66307
incorporate work-based learning experiences, internships, and 66308
cooperative education into the policy in order to increase student 66309
engagement and opportunities to earn units of high school credit. 66310

(K) This division does not apply to students who qualify for 66311
graduation from high school under division (D) or (F) of this 66312
section, or to students pursuing a career-technical instructional 66313
track as determined by the school district board of education or 66314
the chartered nonpublic school's governing authority. 66315
Nevertheless, the general assembly encourages such students to 66316
consider enrolling in a fine arts course as an elective. 66317

Beginning with students who enter ninth grade for the first 66318
time on or after July 1, 2010, each student enrolled in a public 66319
or chartered nonpublic high school shall complete two semesters or 66320
the equivalent of fine arts to graduate from high school. The 66321
coursework may be completed in any of grades seven to twelve. Each 66322
student who completes a fine arts course in grade seven or eight 66323
may elect to count that course toward the five units of electives 66324
required for graduation under division (C)(8) of this section, if 66325
the course satisfied the requirements of division (G) of this 66326
section. In that case, the high school shall award the student 66327
high school credit for the course and count the course toward the 66328
five units required under division (C)(8) of this section. If the 66329
course in grade seven or eight did not satisfy the requirements of 66330
division (G) of this section, the high school shall not award the 66331
student high school credit for the course but shall count the 66332
course toward the two semesters or the equivalent of fine arts 66333
required by this division. 66334

(L) Notwithstanding anything to the contrary in this section, 66335
the board of education of each school district and the governing 66336
authority of each chartered nonpublic school may adopt a policy to 66337
excuse from the high school physical education requirement each 66338

student who, during high school, has participated in 66339
interscholastic athletics, marching band, or cheerleading for at 66340
least two full seasons or in the junior reserve officer training 66341
corps for at least two full school years. If the board or 66342
authority adopts such a policy, the board or authority shall not 66343
require the student to complete any physical education course as a 66344
condition to graduate. However, the student shall be required to 66345
complete one-half unit, consisting of at least sixty hours of 66346
instruction, in another course of study. In the case of a student 66347
who has participated in the junior reserve officer training corps 66348
for at least two full school years, credit received for that 66349
participation may be used to satisfy the requirement to complete 66350
one-half unit in another course of study. 66351

(M) It is important that high school students learn and 66352
understand United States history and the governments of both the 66353
United States and the state of Ohio. Therefore, beginning with 66354
students who enter ninth grade for the first time on or after July 66355
1, 2012, the study of American history and American government 66356
required by divisions (B)(6) and (C)(6) of this section shall 66357
include the study of all of the following documents: 66358

(1) The Declaration of Independence; 66359

(2) The Northwest Ordinance; 66360

(3) The Constitution of the United States with emphasis on 66361
the Bill of Rights; 66362

(4) The Ohio Constitution. 66363

The study of each of the documents prescribed in divisions 66364
(M)(1) to (4) of this section shall include study of that document 66365
in its original context. 66366

The study of American history and government required by 66367
divisions (B)(6) and (C)(6) of this section shall include the 66368
historical evidence of the role of documents such as the 66369

Federalist Papers and the Anti-Federalist Papers to firmly 66370
establish the historical background leading to the establishment 66371
of the provisions of the Constitution and Bill of Rights. 66372

(N) A student may apply one unit of instruction in computer 66373
science to satisfy one unit of mathematics or one unit of science 66374
under division (C) of this section as the student chooses, 66375
regardless of the field of certification of the teacher who 66376
teaches the course, so long as that teacher meets the licensure 66377
requirements prescribed by section 3319.236 of the Revised Code 66378
and, prior to teaching the course, completes a professional 66379
development program determined to be appropriate by the district 66380
board. 66381

If a student applies more than one computer science course to 66382
satisfy curriculum requirements under that division, the courses 66383
shall be sequential and progressively more difficult or cover 66384
different subject areas within computer science. 66385

(O) This section shall not apply to accredited nonpublic 66386
schools described in section 3301.165 of the Revised Code. 66387

Sec. 3313.62. The school year shall begin on the first day of 66388
July of each calendar year and close on the thirtieth day of June 66389
of the succeeding calendar year. A school week shall consist of 66390
five days. A chartered nonpublic school or an accredited nonpublic 66391
school described in section 3301.165 of the Revised Code may be 66392
open for instruction with pupils in attendance on any day of the 66393
week, including Saturday or Sunday. 66394

Sec. 3313.716. (A) Notwithstanding section 3313.713 of the 66395
Revised Code or any policy adopted under that section, a student 66396
of a school operated by a city, local, exempted village, or joint 66397
vocational school district ~~or~~, a student of a chartered nonpublic 66398
school, or a student of an accredited nonpublic school described 66399

in section 3301.165 of the Revised Code may possess and use a 66400
metered dose inhaler or a dry powder inhaler to alleviate 66401
asthmatic symptoms, or before exercise to prevent the onset of 66402
asthmatic symptoms, if both of the following conditions are 66403
satisfied: 66404

(1) The student has the written approval of the student's 66405
physician and, if the student is a minor, the written approval of 66406
the parent, guardian, or other person having care or charge of the 66407
student. The physician's written approval shall include at least 66408
all of the following information: 66409

(a) The student's name and address; 66410

(b) The names and dose of the medication contained in the 66411
inhaler; 66412

(c) The date the administration of the medication is to 66413
begin; 66414

(d) The date, if known, that the administration of the 66415
medication is to cease; 66416

(e) Written instructions that outline procedures school 66417
personnel should follow in the event that the asthma medication 66418
does not produce the expected relief from the student's asthma 66419
attack; 66420

(f) Any severe adverse reactions that may occur to the child 66421
using the inhaler and that should be reported to the physician; 66422

(g) Any severe adverse reactions that may occur to another 66423
child, for whom the inhaler is not prescribed, should such a child 66424
receive a dose of the medication; 66425

(h) At least one emergency telephone number for contacting 66426
the physician in an emergency; 66427

(i) At least one emergency telephone number for contacting 66428
the parent, guardian, or other person having care or charge of the 66429

student in an emergency; 66430

(j) Any other special instructions from the physician. 66431

(2) The school principal and, if a school nurse is assigned 66432
to the student's school building, the school nurse has received 66433
copies of the written approvals required by division (A)(1) of 66434
this section. 66435

If these conditions are satisfied, the student may possess 66436
and use the inhaler at school or at any activity, event, or 66437
program sponsored by or in which the student's school is a 66438
participant. 66439

(B)(1) A school district, member of a school district board 66440
of education, or school district employee is not liable in damages 66441
in a civil action for injury, death, or loss to person or property 66442
allegedly arising from a district employee's prohibiting a student 66443
from using an inhaler because of the employee's good faith belief 66444
that the conditions of divisions (A)(1) and (2) of this section 66445
had not been satisfied. A school district, member of a school 66446
district board of education, or school district employee is not 66447
liable in damages in a civil action for injury, death, or loss to 66448
person or property allegedly arising from a district employee's 66449
permitting a student to use an inhaler because of the employee's 66450
good faith belief that the conditions of divisions (A)(1) and (2) 66451
of this section had been satisfied. Furthermore, when a school 66452
district is required by this section to permit a student to 66453
possess and use an inhaler because the conditions of divisions 66454
(A)(1) and (2) of this section have been satisfied, the school 66455
district, any member of the school district board of education, or 66456
any school district employee is not liable in damages in a civil 66457
action for injury, death, or loss to person or property allegedly 66458
arising from the use of the inhaler by a student for whom it was 66459
not prescribed. 66460

This section does not eliminate, limit, or reduce any other immunity or defense that a school district, member of a school district board of education, or school district employee may be entitled to under Chapter 2744. or any other provision of the Revised Code or under the common law of this state.

(2) A chartered or an accredited nonpublic school or any officer, director, or employee of the school is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from a school employee's prohibiting a student from using an inhaler because of the employee's good faith belief that the conditions of divisions (A)(1) and (2) of this section had not been satisfied. A chartered or an accredited nonpublic school or any officer, director, or employee of the school is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from a school employee's permitting a student to use an inhaler because of the employee's good faith belief that the conditions of divisions (A)(1) and (2) of this section had been satisfied. Furthermore, when a chartered or an accredited nonpublic school is required by this section to permit a student to possess and use an inhaler because the conditions of divisions (A)(1) and (2) of this section have been satisfied, the chartered or accredited nonpublic school or any officer, director, or employee of the school is not liable in damages in a civil action for injury, death, or loss to person or property allegedly arising from the use of the inhaler by a student for whom it was not prescribed.

Sec. 3313.717. (A) As used in this section, "automated external defibrillator" means a specialized defibrillator that is approved for use as a medical device by the United States food and drug administration for performing automated external defibrillation, as defined in section 2305.235 of the Revised Code.

(B)(1) The board of education of each school district may 66493
require the placement of an automated external defibrillator in 66494
each school under the control of the board. Not later than July 1, 66495
2018, pursuant to section 3313.6023 of the Revised Code, all 66496
persons employed by a school district shall receive training in 66497
the use of an automated external defibrillator in accordance with 66498
that section, except for substitutes, adult education instructors 66499
who are scheduled to work the full-time equivalent of less than 66500
one hundred twenty days per school year, or persons who are 66501
employed on an as-needed, seasonal, or intermittent basis, so long 66502
as the persons are not employed to coach or supervise 66503
interscholastic athletics. 66504

(2) The administrative authority of each chartered nonpublic 66505
school and the administrative authority of each accredited 66506
nonpublic school described in section 3301.165 of the Revised Code 66507
may require the placement of an automated external defibrillator 66508
in each school under the control of the authority. If an authority 66509
requires the placement of an automated external defibrillator as 66510
provided in this section, the authority also shall require that a 66511
sufficient number of the staff persons assigned to each school 66512
under the control of the authority successfully complete an 66513
appropriate training course in the use of an automated external 66514
defibrillator as described in section 3701.85 of the Revised Code. 66515

(C) In regard to the use of an automated external 66516
defibrillator that is placed in a school as specified in this 66517
section, and except in the case of willful or wanton misconduct or 66518
when there is no good faith attempt to activate an emergency 66519
medical services system in accordance with section 3701.85 of the 66520
Revised Code, no person shall be held liable in civil damages for 66521
injury, death, or loss to person or property, or held criminally 66522
liable, for performing automated external defibrillation in good 66523
faith, regardless of whether the person has obtained appropriate 66524

training on how to perform automated external defibrillation or 66525
successfully completed a course in cardiopulmonary resuscitation. 66526

Sec. 3313.718. (A) As used in this section, "prescriber" has 66527
the same meaning as in section 4729.01 of the Revised Code. 66528

(B) Notwithstanding section 3313.713 of the Revised Code or 66529
any policy adopted under that section, a student of a school 66530

school district ~~or~~, a student of a chartered nonpublic school, or 66532
a student of an accredited nonpublic school described in section 66533
3301.165 of the Revised Code may possess and use an epinephrine 66534
autoinjector to treat anaphylaxis, if all of the following 66535
conditions are satisfied: 66536

(1) The student has the written approval of the prescriber of 66537
the autoinjector and, if the student is a minor, the written 66538
approval of the parent, guardian, or other person having care or 66539
charge of the student. The prescriber's written approval shall 66540
include at least all of the following information: 66541

(a) The student's name and address; 66542

(b) The names and dose of the medication contained in the 66543
autoinjector; 66544

(c) The date the administration of the medication is to 66545

(d) The date, if known, that the administration of the 66547
medication is to cease; 66548

(e) Acknowledgment that the prescriber has determined that 66549

proper use of the autoinjector; 66552

(f) Circumstances in which the autoinjector should be used; 66553

(g) Written instructions that outline procedures school employees should follow in the event that the student is unable to administer the anaphylaxis medication or the medication does not produce the expected relief from the student's anaphylaxis;

(h) Any severe adverse reactions that may occur to the child using the autoinjector that should be reported to the prescriber;

(i) Any severe adverse reactions that may occur to another child, for whom the autoinjector is not prescribed, should such a child receive a dose of the medication;

(j) At least one emergency telephone number for contacting the prescriber in an emergency;

(3) The school principal or, if a school nurse is assigned to the student's school building, the school nurse has received a backup dose of the anaphylaxis medication from the parent, guardian, or other person having care or charge of the student or, if the student is not a minor, from the student.

If these conditions are satisfied, the student may possess and use the autoinjector at school or at any activity, event, or program sponsored by or in which the student's school is a participant.

(C) Whenever a student uses an autoinjector at school or at any activity, event, or program sponsored by or in which the

student's school is a participant or whenever a school employee 66584
administers anaphylaxis medication to a student that was possessed 66585
by the student pursuant to the written approvals described in 66586
division (B)(1) of this section, a school employee shall 66587
immediately request assistance from an emergency medical service 66588
provider. 66589

(D)(1) A school district, member of a school district board 66590
of education, or school district employee is not liable in damages 66591
in a civil action for injury, death, or loss to person or property 66592
allegedly arising from a district employee's prohibiting a student 66593
from using an autoinjector because of the employee's good faith 66594
belief that the conditions of division (B) of this section had not 66595
been satisfied. A school district, member of a school district 66596
board of education, or school district employee is not liable in 66597
damages in a civil action for injury, death, or loss to person or 66598
property allegedly arising from a district employee's permitting a 66599
student to use an autoinjector because of the employee's good 66600
faith belief that the conditions of division (B) of this section 66601
had been satisfied. Furthermore, when a school district is 66602
required by this section to permit a student to possess and use an 66603
autoinjector because the conditions of division (B) of this 66604
section have been satisfied, the school district, any member of 66605
the school district board of education, or any school district 66606
employee is not liable in damages in a civil action for injury, 66607
death, or loss to person or property allegedly arising from the 66608
use of the autoinjector by a student for whom it was not 66609
prescribed. 66610

This section does not eliminate, limit, or reduce any other 66611
immunity or defense that a school district, member of a school 66612
district board of education, or school district employee may be 66613
entitled to under Chapter 2744. or any other provision of the 66614
Revised Code or under the common law of this state. 66615

(2) A chartered or an accredited nonpublic school or any 66616
officer, director, or employee of the school is not liable in 66617
damages in a civil action for injury, death, or loss to person or 66618
property allegedly arising from a school employee's prohibiting a 66619
student from using an autoinjector because of the employee's good 66620
faith belief that the conditions of division (B) of this section 66621
had not been satisfied. A chartered or an accredited nonpublic 66622
school or any officer, director, or employee of the school is not 66623
liable in damages in a civil action for injury, death, or loss to 66624
person or property allegedly arising from a school employee's 66625
permitting a student to use an autoinjector because of the 66626
employee's good faith belief that the conditions of division (B) 66627
of this section had been satisfied. Furthermore, when a chartered 66628
or an accredited nonpublic school is required by this section to 66629
permit a student to possess and use an autoinjector because the 66630
conditions of division (B) of this section have been satisfied, 66631
the chartered or accredited nonpublic school or any officer, 66632
director, or employee of the school is not liable in damages in a 66633
civil action for injury, death, or loss to person or property 66634
allegedly arising from the use of the autoinjector by a student 66635
for whom it was not prescribed. 66636

Sec. 3313.719. The board of education of each city, local, 66637
exempted village, and joint vocational school district ~~and~~, the 66638
governing authority of each chartered nonpublic school, and the 66639
governing authority of each accredited nonpublic school described 66640
in section 3301.165 of the Revised Code shall establish a written 66641
policy with respect to protecting students with peanut or other 66642
food allergies. The policy shall be developed in consultation with 66643
parents, school nurses and other school employees, school 66644
volunteers, students, and community members. 66645

Sec. 3313.7111. (A) With the approval of its governing 66646

authority, a chartered nonpublic school, accredited nonpublic 66647
school described in section 3301.165 of the Revised Code, or 66648
nonchartered nonpublic school may procure epinephrine 66649
autoinjectors in the manner prescribed by section 3313.7110 of the 66650
Revised Code. A chartered, accredited, or nonchartered nonpublic 66651
school that elects to do so shall comply with all provisions of 66652
that section as if it were a school district. 66653

(B)(1) The following are not liable in damages in a civil 66654
action for injury, death, or loss to person or property that 66655
allegedly arises from an act or omission associated with 66656
procuring, maintaining, accessing, or using an epinephrine 66657
autoinjector under this section, unless the act or omission 66658
constitutes willful or wanton misconduct: 66659

(a) A chartered, accredited, or nonchartered nonpublic 66660
school; 66661

(b) A member of a chartered, accredited, or nonchartered 66662
nonpublic school governing authority; 66663

(c) An employee or contractor of the school; 66664

(d) A licensed health professional authorized to prescribe 66665
drugs who personally furnishes or prescribes epinephrine 66666
autoinjectors, provides a consultation, or issues a protocol 66667
pursuant to this section. 66668

(2) This division does not eliminate, limit, or reduce any 66669
other immunity or defense that a chartered, accredited, or 66670
nonchartered nonpublic school or governing authority, member of a 66671
chartered, accredited, or nonchartered nonpublic school governing 66672
authority, chartered, accredited, or nonchartered nonpublic school 66673
employee or contractor, or licensed health professional may be 66674
entitled to under any other provision of the Revised Code or the 66675
common law of this state. 66676

(C) A chartered, accredited, or nonchartered nonpublic school 66677
may accept donations of epinephrine autoinjectors from a wholesale 66678
distributor of dangerous drugs or a manufacturer of dangerous 66679
drugs, as defined in section 4729.01 of the Revised Code, and may 66680
accept donations of money from any person to purchase epinephrine 66681
autoinjectors. 66682

(D) A chartered, accredited, or nonchartered nonpublic school 66683
that elects to procure epinephrine autoinjectors under this 66684
section shall report to the department of education each 66685
procurement and occurrence in which an epinephrine autoinjector is 66686
used from the school's supply of epinephrine autoinjectors. 66687

Sec. 3313.7112. (A) As used in this section: 66688

(1) "Board of education" means a board of education of a 66689

school districts under division (E)(1) of section 3317.024 of the 68165
Revised Code for purposes of this section may be disbursed without 68166
submission to and approval of the controlling board. 68167

The allocation of payments for materials, equipment, 68168
textbooks, digital texts, health services, and remedial services 68169
to city, local, and exempted village school districts shall be on 68170
the basis of the state board of education's estimated annual 68171

the same purposes and in the same manner as the payments may be 68179
used. 68180

The department of education shall adopt guidelines and 68181

appropriated by the general assembly to implement this section may 68186
be transferred to the auxiliary services personnel unemployment 68187
compensation fund established pursuant to section 4141.47 of the 68188
Revised Code. The department shall also adopt guidelines and 68189
procedures limiting the purchase and loan of the items described 68190
in division (K) of this section to items that are in general use 68191
in the public schools of the state, that are incapable of 68192
diversion to religious use, and that are susceptible to individual 68193
use rather than classroom use. Within thirty days after the end of 68194

each biennium, each board of education shall remit to the 68195
department all moneys paid to it under division (E)(1) of section 68196
3317.024 of the Revised Code and any interest earned on those 68197
moneys that are not required to pay expenses incurred under this 68198
section during the biennium for which the money was appropriated 68199
and during which the interest was earned. If a board of education 68200
subsequently determines that the remittal of moneys leaves the 68201
board with insufficient money to pay all valid expenses incurred 68202
under this section during the biennium for which the remitted 68203
money was appropriated, the board may apply to the department of 68204
education for a refund of money, not to exceed the amount of the 68205
insufficiency. If the department determines the expenses were 68206
lawfully incurred and would have been lawful expenditures of the 68207
refunded money, it shall certify its determination and the amount 68208
of the refund to be made to the director of job and family 68209
services who shall make a refund as provided in section 4141.47 of 68210
the Revised Code. 68211

Each school district shall label materials, equipment, 68212
computer hardware or software, textbooks, and digital texts 68213
purchased or leased for loan to a nonpublic school under this 68214
section, acknowledging that they were purchased or leased with 68215
state funds under this section. However, a district need not label 68216
materials, equipment, computer hardware or software, textbooks, or 68217
digital texts that the district determines are consumable in 68218
nature or have a value of less than two hundred dollars. 68219

Sec. 3317.062. (A) Moneys paid to chartered and accredited 68220
nonpublic schools under division (E)(2) of section 3317.024 of the 68221

public instruction for use in public schools in the state; 68227

(2) To provide the services described in divisions (B), (C), 68228
(D), and (Q) of section 3317.06 of the Revised Code; 68229

(G), and (I) of section 3317.06 of the Revised Code. If such 68231

transportation to and from such facilities shall be provided by 68233
the nonpublic school. 68234

(4) To supply for use by pupils attending the school such 68235
standardized tests and scoring services as are in use in the 68236
public schools of the state; 68237

(5) To hire clerical personnel to assist in the 68238
administration of divisions (A)(2), (3), and (4) of this section 68239
and to hire supervisory personnel to supervise the providing of 68240
services and textbooks pursuant to this section. These personnel 68241
shall perform their services in the public schools, in nonpublic 68242
schools, public centers, or mobile units where the services are 68243
provided to the nonpublic school pupil, except that such personnel 68244
may accompany pupils to and from the service sites when necessary 68245
to ensure the safety of the children receiving the services. All 68246
services provided pursuant to this section may be provided under 68247
contract with school districts, educational service centers, the 68248
department of health, city or general health districts, or private 68249
agencies whose personnel are properly licensed by an appropriate 68250
state board or agency. 68251

(6) To purchase any of the materials described in division 68252
(K) of section 3317.06 of the Revised Code; 68253

(L) of section 3317.06 of the Revised Code; 68255

(8) To purchase mobile units to be used for the provision of 68256

services pursuant to division (A)(3) of this section and to pay 68257
for necessary repairs and operating costs associated with these 68258
units; 68259

(9) To purchase the equipment described in division (O) of 68260
section 3317.06 of the Revised Code; 68261

(10) To procure and pay for security services described in 68262
division (P) of section 3317.06 of the Revised Code. 68263

(B) Materials, equipment, computer hardware and software, 68264
textbooks, digital texts, and health and remedial services 68265
provided pursuant to this section and the admission of pupils to 68266
nonpublic schools shall be provided without distinction as to 68267
race, creed, color, or national origin of such pupils or of their 68268
teachers. 68269

(C) Any interest earned by a chartered nonpublic school on 68270
moneys paid to it under division (E)(2) of section 3317.024 of the 68271
Revised Code shall be used by the school for the same purposes and 68272
in the same manner as the payments may be used under this section. 68273

(D) The department of education shall adopt guidelines and 68274
procedures regarding both of the following: 68275

(1) The expenditure of moneys under this section; 68276

(2) The audit of nonpublic schools receiving funds under this 68277
section to ensure the appropriate use of funds. 68278

(E) The department shall adopt a rule specifying the party 68279
that owns any property purchased by a chartered nonpublic school 68280
with moneys paid under division (E)(2) of section 3317.024 of the 68281
Revised Code. The rule shall include procedures for disposal of 68282
the property by the designated owner when appropriate. 68283

(F) Within thirty days after the end of each biennium, each 68284
chartered nonpublic school shall remit to the department all 68285
moneys paid to it under division (E)(2) of section 3317.024 of the 68286

Revised Code and any interest earned on those moneys that are not 68287
required to pay expenses incurred under this section during the 68288
biennium for which the moneys were appropriated and during which 68289
the interest was earned. If a school subsequently determines that 68290
the remittal of moneys leaves the school with insufficient money 68291
to pay all valid expenses incurred under this section during the 68292
biennium for which the remitted moneys were appropriated, the 68293
school may apply to the department for a refund of money, not to 68294
exceed the amount of the insufficiency. If the department 68295
determines the expenses were lawfully incurred and would have been 68296
lawful expenditures of the refunded money, the department shall 68297
make a refund in the necessary amount. 68298

(G) As used in this section, "accredited nonpublic school" 68299
means an accredited nonpublic school as described in section 68300
3301.165 of the Revised Code. 68301

Sec. 3317.063. The superintendent of public instruction, in 68302
accordance with rules adopted by the department of education, 68303
shall annually reimburse each chartered nonpublic school and each 68304
accredited nonpublic school as described in section 3301.165 of 68305
the Revised Code for the actual mandated service administrative 68306
and clerical costs incurred by such school during the preceding 68307
school year in preparing, maintaining, and filing reports, forms, 68308
and records, and in providing such other administrative and 68309
clerical services that are not an integral part of the teaching 68310
process as may be required by state law or rule or by requirements 68311
duly promulgated by city, exempted village, or local school 68312
districts. The mandated service costs reimbursed pursuant to this 68313
section shall include, but are not limited to, the preparation, 68314
filing and maintenance of forms, reports, or records and other 68315
clerical and administrative services relating to state chartering 68316
or approval of the nonpublic school, pupil attendance, pupil 68317
health and health testing, transportation of pupils, federally 68318

funded education programs, pupil appraisal, pupil progress, 68319
educator licensure, unemployment and workers' compensation, 68320
transfer of pupils, and such other education related data which 68321
are now or hereafter shall be required of such nonpublic school by 68322
state law or rule, or by requirements of the state department of 68323
education, other state agencies, or city, exempted village, or 68324
local school districts. 68325

The reimbursement required by this section shall be for 68326
school years beginning on or after July 1, 1981. 68327

Each nonpublic school which seeks reimbursement pursuant to 68328
this section shall submit to the superintendent of public 68329
instruction an application together with such additional reports 68330
and documents as the department of education may require. Such 68331
application, reports, and documents shall contain such information 68332
as the department of education may prescribe in order to carry out 68333
the purposes of this section. No payment shall be made until the 68334
superintendent of public instruction has approved such 68335
application. 68336

Each nonpublic school which applies for reimbursement 68337
pursuant to this section shall maintain a separate account or 68338
system of accounts for the expenses incurred in rendering the 68339
required services for which reimbursement is sought. Such accounts 68340
shall contain such information as is required by the department of 68341
education and shall be maintained in accordance with rules adopted 68342
by the department of education. 68343

Reimbursement payments to a nonpublic school pursuant to this 68344
section shall not exceed an amount for each school year equal to 68345
three hundred sixty dollars per pupil enrolled in that nonpublic 68346
school. 68347

The superintendent of public instruction may, from time to 68348
time, examine any and all accounts and records of a nonpublic 68349

school which have been maintained pursuant to this section in 68350
support of an application for reimbursement, for the purpose of 68351
determining the costs to such school of rendering the services for 68352
which reimbursement is sought. If after such audit it is 68353
determined that any school has received funds in excess of the 68354
actual cost of providing such services, said school shall 68355
immediately reimburse the state in such excess amount. 68356

Any payments made to chartered or accredited nonpublic 68357
schools under this section may be disbursed without submission to 68358
and approval of the controlling board. 68359

admittance at the beginning of such term or semester. A child who 69166
does not meet the age requirements of this section for admittance 69167
to kindergarten or first grade, but who will be five or six years 69168

child's parent or guardian, an educator employed by the district, 69172
a preschool educator who knows the child, or a pediatrician or 69173
psychologist who knows the child. Following an evaluation in 69174
accordance with a referral under this section, the district board 69175
shall decide whether to admit the child. If a child for whom 69176
admission to kindergarten or first grade is requested will not be 69177

beginning with the school year that starts in 2001 and continuing 69184
thereafter the board of education of any district may adopt a 69185
resolution establishing the first day of August in lieu of the 69186
thirtieth day of September as the required date by which students 69187

FIRE DEPARTMENT GRANTS 72049

(A) The foregoing appropriation item 800639, Fire Department 72050
Grants, shall be used to make annual grants to the following 72051
eligible recipients: volunteer fire departments, fire departments 72052
that serve one or more small municipalities or small townships, 72053
joint fire districts comprised of fire departments that primarily 72054
serve small municipalities or small townships, local units of 72055
government responsible for such fire departments, and local units 72056
of government responsible for the provision of fire protection 72057
services for small municipalities or small townships. For the 72058
purposes of these grants, a private fire company, as that phrase 72059
is defined in section 9.60 of the Revised Code, that is providing 72060
fire protection services under a contract to a political 72061
subdivision of the state, is an additional eligible recipient for 72062
a training grant. 72063

Eligible recipients that consist of small municipalities or 72064
small townships that all intend to contract with the same fire 72065
department or private fire company for fire protection services 72066
may jointly apply and be considered for a grant. If a joint 72067
applicant is awarded a grant, the State Fire Marshal shall, if 72068
feasible, proportionately award the grant and any equipment 72069
purchased with grant funds to each of the joint applicants based 72070
upon each applicant's contribution to and demonstrated need for 72071
fire protection services. For the purpose of this grant program, 72072
an eligible recipient or any firefighting entity that is 72073
contracted to serve an eligible recipient may only file, be listed 72074
as joint applicant, or be designated as a service provider on one 72075
grant application per fiscal year. 72076

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, operated, stored, disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire Department Grants, up to \$1,000,000 per fiscal year may be used to

pay for the State Fire Marshal's costs of providing firefighter I 72109
certification classes or other firefighter classes approved by the 72110
State Fire Marshal at no cost to selected students attending the 72111
Ohio Fire Academy or other class providers approved by the State 72112
Fire Marshal. The State Fire Marshal may establish the 72113
qualifications and selection processes for students to attend such 72114
classes by written policy, and such students shall be considered 72115
eligible recipients of fire department grants for the purposes of 72116
this portion of the grant program. 72117

(2) Of the foregoing appropriation item 800639, Fire 72118
Department Grants, up to \$3,000,000 in each fiscal year may be 72119
used for MARCS Grants. MARCS Grants may be used for the payment of 72120
user access fees by the eligible recipient to cover costs for 72121
accessing MARCS. 72122

For purposes of this section, a MARCS Grant is a grant for 72123
systems, equipment, or services that are a part of, integrated 72124
into, or otherwise interoperable with the Multi-Agency Radio 72125
Communication System (MARCS) operated by the state. 72126

MARCS Grant awards may be up to \$50,000 in each fiscal year 72127
per eligible recipient. Each eligible recipient may apply, as a 72128
separate entity or as a part of a joint application, for only one 72129
MARCS Grant per fiscal year. The State Fire Marshal may give a 72130
preference to MARCS Grants that will enhance the overall 72131
interoperability and effectiveness of emergency communication 72132
networks in the geographic region that includes and that is 72133
adjacent to the applicant. 72134

Eligible recipients that are or were awarded fire department 72135
grants that are not MARCS Grants may also apply for and receive 72136
MARCS Grants in accordance with criteria for the awarding of grant 72137
funds established by the State Fire Marshal. 72138

(3) Grant awards for firefighting or rescue equipment or gear 72139

or for fire department costs of providing fire protection services 72140
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 72141
fiscal year if an eligible entity serves a jurisdiction in which 72142
the Governor declared a natural disaster during the preceding or 72143
current fiscal year in which the grant was awarded. In addition to 72144
any grant funds awarded for rescue equipment or gear, or for fire 72145
department costs associated with the provision of fire protection 72146
services, an eligible entity may receive a grant for up to \$15,000 72147
per fiscal year for full or partial reimbursement of the 72148
documented costs of firefighter training. For each fiscal year, 72149
the State Fire Marshal shall determine the total amounts to be 72150
allocated for each eligible purpose. 72151

(C) The grants shall be administered by the State Fire 72152
Marshal in accordance with rules the State Fire Marshal adopts as 72153
part of the state fire code adopted pursuant to section 3737.82 of 72154
the Revised Code that are necessary for the administration and 72155
operation of the grant program. The rules may further define the 72156
entities eligible to receive grants and establish criteria for the 72157
awarding and expenditure of grant funds, including methods the 72158
State Fire Marshal may use to verify the proper use of grant funds 72159
or to obtain reimbursement for or the return of equipment for 72160
improperly used grant funds. To the extent consistent with this 72161
section and until the rules are updated, the existing rules in the 72162
state fire code adopted pursuant to section 3737.82 of the Revised 72163
Code for fire department grants under this section apply to MARCS 72164
Grants. Any amounts in appropriation item 800639, Fire Department 72165
Grants, in excess of the amount allocated for these grants may be 72166
used for the administration of the grant program. 72167

Section 265.20. OPERATING EXPENSES 73176

Of the foregoing appropriation item 200321, Operating 73177
Expenses, up to \$75,000 in each fiscal year shall be distributed 73178
by the Department of Education to eligible districts pursuant to 73179
the section of this act entitled "FAFSA COMPLETION PROGRAM." 73180

A portion of the foregoing appropriation item 200321, 73181

to provide matching funds related to career-technical education 73183
under 20 U.S.C. 2321. 73184

EARLY CHILDHOOD EDUCATION 73185

The Department of Education shall distribute the foregoing 73186
appropriation item 200408, Early Childhood Education, to pay the 73187
costs of early childhood education programs. The Department shall 73188
distribute such funds directly to qualifying providers. 73189

(A) As used in this section: 73190

(1) "Provider" means a city, local, exempted village, or 73191
joint vocational school district; an educational service center; a 73192
community school sponsored by an exemplary sponsor; a chartered 73193
nonpublic school; an early childhood education child care provider 73194
licensed under Chapter 5104. of the Revised Code that participates 73195
in and meets at least the third highest tier of the Step Up to 73196
Quality program established pursuant to section 5104.29 of the 73197
Revised Code; or a combination of entities described in this 73198
paragraph. 73199

(2) In the case of a city, local, or exempted village school 73200
district or early childhood education child care provider licensed 73201

under Chapter 5104. of the Revised Code, "new eligible provider" 73202
means a provider that did not receive state funding for Early 73203
Childhood Education in the previous fiscal year or demonstrates a 73204
need for early childhood programs as defined in division (D) of 73205
this section. 73206

(3) In the case of a community school, "new eligible 73207
provider" means any of the following: 73208

(a) A community school established under Chapter 3314. of the 73209
Revised Code that is sponsored by a sponsor rated "exemplary" in 73210
accordance with section 3314.016 of the Revised Code that offers a 73211
child care program in accordance with sections 3301.50 to 3301.59 73212
of the Revised Code that did not receive state funding for Early 73213
Childhood Education in the previous fiscal year; 73214

(b) A community school established under Chapter 3314. of the 73215
Revised Code that satisfies all of the following criteria: 73216

(i) It has received, on its most recent report card, either 73217
of the following: 73218

(I) If the school offers any of grade levels four through 73219
twelve, a grade of "C" or better for the overall value-added 73220
progress dimension under division (C)(1)(e) of section 3302.03 of 73221
the Revised Code and for the performance index score under 73222
division (C)(1)(b) of section 3302.03 of the Revised Code; 73223

(II) If the school does not offer a grade level higher than 73224
three, a grade of "C" or better for making progress in improving 73225
literacy in grades kindergarten through three under division 73226
(C)(1)(g) of section 3302.03 of the Revised Code. 73227

(ii) It offers a child care program in accordance with 73228
sections 3301.50 to 3301.59 of the Revised Code. 73229

(iii) It did not receive state funding for Early Childhood 73230
Education in the previous fiscal year. 73231

(c) A community school established under Chapter 3314. of the Revised Code that is sponsored by a municipal school district and operates a program that uses the Montessori method endorsed by the American Montessori Society, the Montessori Accreditation Council for Teacher Education, or the Association Montessori Internationale as its primary method of instruction, as authorized by division (A) of section 3314.06 of the Revised Code, that did not receive state funding for Early Childhood Education in the previous year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(4)(a) "Eligible child" means a child who is at least four years of age, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their fourth birthday.

(b) If, on the first day of October of each fiscal year, a provider has remaining award funds after enrolling eligible children under division (A)(4)(a) of this section, the provider may seek approval from the Department to consider a child who is at least three years of age, is not of age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as an eligible child. Upon approval from the Department, the provider may use the remaining award funds to serve such three-year-old children as eligible children.

(5) "Early learning program standards" means early learning program standards for school readiness developed by the Department to assess the operation of early learning and development programs.

(6) "Early learning and development programs" has the same 73264
meaning as section 5104.29 of the Revised Code. 73265

(B) In each fiscal year, up to two per cent of the total 73266
appropriation may be used by the Department for program support 73267
and technical assistance. The Department shall distribute the 73268
remainder of the appropriation in each fiscal year to serve 73269
eligible children. 73270

(C) The Department shall provide an annual report to the 73271
Governor, the Speaker of the House of Representatives, and the 73272
President of the Senate and post the report to the Department's 73273
web site, regarding early childhood education programs operated 73274
under this section and the early learning program standards. 73275

(D) After setting aside the amounts to make payments due from 73276
the previous fiscal year, in fiscal year 2020, the Department 73277
shall distribute funds first to recipients of funds for early 73278
childhood education programs under Section 265.20 of Am. Sub. H.B. 73279
49 of the 132nd General Assembly in the previous fiscal year and 73280
the balance to new eligible providers of early childhood education 73281
programs or to existing providers to serve more eligible children 73282
pursuant to division (E) of this section or for purposes of 73283
program expansion, improvement, or special projects to promote 73284
quality and innovation. 73285

After setting aside the amounts to make payments due from the 73286
previous fiscal year, in fiscal year 2021, the Department shall 73287
distribute funds first to providers of early childhood education 73288
programs under this section in the previous fiscal year and the 73289
balance to new eligible providers or to existing providers to 73290
serve more eligible children as outlined under division (E) of 73291
this section or for purposes of program expansion, improvement, or 73292
special projects to promote quality and innovation. 73293

(E)(1) The Department shall distribute any new or remaining 73294

funding to existing providers of early childhood education 73295
programs or any new eligible providers in an effort to invest in 73296
high quality early childhood programs where there is a need as 73297
determined by the Department. The Department shall distribute the 73298
new or remaining funds to existing providers of early childhood 73299
education programs or any new eligible providers to serve 73300
additional eligible children based on community economic 73301
disadvantage, limited access to high quality preschool or 73302
childcare services, and demonstration of high quality preschool 73303
services as determined by the Department using new metrics 73304
developed pursuant to Ohio's Race to the Top-Early Learning 73305
Challenge Grant, awarded to the Department in December 2011. 73306

(2) Awards under divisions (D) and (E) of this section shall 73307
be distributed on a per-pupil basis, and in accordance with 73308
division (I) of this section. The Department may adjust the 73309
per-pupil amount so that the per-pupil amount multiplied by the 73310
number of eligible children enrolled and receiving services on the 73311
first day of December or the business day closest to that date 73312
equals the amount allocated under this section. 73313

(F) Costs for developing and administering an early childhood 73314
education program may not exceed fifteen per cent of the total 73315
approved costs of the program. 73316

All providers shall maintain such fiscal control and 73317
accounting procedures as may be necessary to ensure the 73318
disbursement of, and accounting for, these funds. The control of 73319
funds provided in this program, and title to property obtained, 73320
shall be under the authority of the approved provider for purposes 73321
provided in the program unless, as described in division (K) of 73322
this section, the program waives its right for funding or a 73323
program's funding is eliminated or reduced due to its inability to 73324
meet financial or early learning program standards. The approved 73325
provider shall administer and use such property and funds for the 73326

purposes specified. 73327

(G) The Department may examine a provider's financial and 73328
program records. If the financial practices of the program are not 73329
in accordance with standard accounting principles or do not meet 73330
financial standards outlined under division (F) of this section, 73331
or if the program fails to substantially meet the early learning 73332
program standards, meet a quality rating level in the Step Up to 73333
Quality program established pursuant to section 5104.29 of the 73334
Revised Code as prescribed by the Department, or exhibits below 73335
average performance as measured against the standards, the early 73336
childhood education program shall propose and implement a 73337
corrective action plan that has been approved by the Department. 73338
The approved corrective action plan shall be signed by the chief 73339
executive officer and the executive of the official governing body 73340
of the provider. The corrective action plan shall include a 73341
schedule for monitoring by the Department. Such monitoring may 73342
include monthly reports, inspections, a timeline for correction of 73343
deficiencies, and technical assistance to be provided by the 73344
Department or obtained by the early childhood education program. 73345
The Department may withhold funding pending corrective action. If 73346
an early childhood education program fails to satisfactorily 73347
complete a corrective action plan, the Department may deny 73348
expansion funding to the program or withdraw all or part of the 73349
funding to the program and establish a new eligible provider 73350
through a selection process established by the Department. 73351

(H)(1) If the early childhood education program is licensed 73352
by the Department of Education and is not highly rated, as 73353
determined by the Director of Job and Family Services, under the 73354
Step Up to Quality program established pursuant to section 5104.29 73355
of the Revised Code, the program shall do all of the following: 73356

(a) Meet teacher qualification requirements prescribed by 73357
section 3301.311 of the Revised Code; 73358

(b) Align curriculum to the early learning content standards developed by the Department; 73359 73360

(c) Meet any child or program assessment requirements prescribed by the Department; 73361 73362

(d) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department; 73363 73364 73365 73366

(e) Document and report child progress as prescribed by the Department; 73367 73368

(f) Meet and report compliance with the early learning program standards as prescribed by the Department; 73369 73370

(g) Participate in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code. 73371 73372

(2) If the program is highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall comply with the requirements of that program. 73373 73374 73375 73376 73377

(I) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that 73378 73379 73380 73381 73382 73383 73384 73385 73386 73387 73388 73389

the provider is working in collaboration with a preschool special 73390
education program, the provider may submit a waiver to the 73391
Department requesting an alternate schedule. If the Department 73392
approves a waiver for an alternate schedule that provides services 73393
for less time than the standard early childhood education 73394
schedule, the Department may reduce the provider's annual 73395
allocation proportionately. Under no circumstances shall an annual 73396
allocation be increased because of the approval of an alternate 73397
schedule. 73398

(J) Each provider shall develop a sliding fee scale based on 73399
family incomes and shall charge families who earn more than two 73400
hundred per cent of the federal poverty guidelines, as defined in 73401
division (A)(3) of section 5101.46 of the Revised Code, for the 73402
early childhood education program. 73403

The Department shall conduct an annual survey of each 73404
provider to determine whether the provider charges families 73405
tuition or fees, the amount families are charged relative to 73406
family income levels, and the number of families and students 73407
charged tuition and fees for the early childhood program. 73408

(K) If an early childhood education program voluntarily 73409
waives its right for funding, or has its funding eliminated for 73410
not meeting financial standards or the early learning program 73411
standards, the provider shall transfer control of title to 73412
property, equipment, and remaining supplies obtained through the 73413
program to providers designated by the Department and return any 73414
unexpended funds to the Department along with any reports 73415
prescribed by the Department. The funding made available from a 73416
program that waives its right for funding or has its funding 73417
eliminated or reduced may be used by the Department for new grant 73418
awards or expansion grants. The Department may award new grants or 73419
expansion grants to eligible providers who apply. The eligible 73420
providers who apply must do so in accordance with the selection 73421

process established by the Department. 73422

(L) Eligible expenditures for the Early Childhood Education 73423
Program shall be claimed each fiscal year to help meet the state's 73424
TANF maintenance of effort requirement. The Superintendent of 73425
Public Instruction and the Director of Job and Family Services 73426
shall enter into an interagency agreement to carry out the 73427
requirements under this division, which shall include developing 73428
reporting guidelines for these expenditures. 73429

(M)(1) The Department of Education and the Department of Job 73430
and Family Services shall continue to work toward establishing the 73431
following in common between early childhood education programs and 73432
publicly funded child care: 73433

(a) An application; 73434

(b) Program eligibility; 73435

(c) Funding; 73436

(d) An attendance policy; 73437

(e) An attendance tracking system. 73438

(2) In accordance with section 5104.34 of the Revised Code, 73439
eligible families may receive publicly funded child care beyond 73440
the standard early childhood schedule defined in division (I) of 73441
this section. 73442

(3) All providers, agencies, and school districts 73443
participating in the early childhood education program or 73444
providing care to eligible families beyond the standard early 73445
childhood schedule shall follow the common policies established 73446
under this division. 73447

Section 265.30. INFORMATION TECHNOLOGY DEVELOPMENT AND 73448
SUPPORT 73449

The foregoing appropriation item 200420, Information 73450

Technology Development and Support, shall be used to support the 73451
development and implementation of information technology solutions 73452
designed to improve the performance and services of the Department 73453
of Education. Funds may be used for personnel, maintenance, and 73454
equipment costs related to the development and implementation of 73455
these technical system projects. Implementation of these systems 73456
shall allow the Department to provide greater levels of assistance 73457
to school districts and to provide more timely information to the 73458
public, including school districts, administrators, and 73459
legislators. Funds may also be used to support data-driven 73460
decision-making and differentiated instruction, as well as to 73461
communicate academic content standards and curriculum models to 73462
schools through web-based applications. 73463

Section 265.50. SCHOOL MANAGEMENT ASSISTANCE 73464

The foregoing appropriation item 200422, School Management 73465
Assistance, shall be used by the Department of Education to 73466
provide fiscal technical assistance and inservice education for 73467
school district management personnel and to administer, monitor, 73468
and implement the fiscal caution, fiscal watch, and fiscal 73469
emergency provisions under Chapter 3316. of the Revised Code. 73470

Section 265.60. POLICY ANALYSIS 73471

The foregoing appropriation item 200424, Policy Analysis, 73472
shall be used by the Department of Education to support a system 73473
of administrative, statistical, and legislative education 73474
information to be used for policy analysis. Staff supported by 73475
this appropriation shall administer the development of reports, 73476
analyses, and briefings to inform education policymakers of 73477
current trends in education practice, efficient and effective use 73478
of resources, and evaluation of programs to improve education 73479
results. A portion of these funds shall be used to maintain a 73480

longitudinal database to support the assessment of the impact of 73481
policies and programs on Ohio's education and workforce 73482
development systems. The research efforts supported by this 73483
appropriation item shall be used to supply information and 73484
analysis of data to and in consultation with the General Assembly 73485
and other state policymakers, including the Office of Budget and 73486
Management and the Legislative Service Commission. 73487

appropriated to support the Department's program are used in the 77750
most efficient manner with a goal of enrolling the maximum number 77751
of participants, the Medicaid Director, in collaboration with 77752
major Ohio health care plans, shall develop plans consistent with 77753
this division. There shall be no prior authorizations or step 77754
therapy for medication-assisted treatment for program 77755
participants. The plans developed under this division shall ensure 77756

The Director shall identify and evaluate programs, projects, 77858
or systems proposed or operated, in whole or in part, outside of 77859
the authority of the Department, where targeted investment of 77860
these funds in the program, project, or system is expected to 77861
decrease demand for the Department or other resources funded with 77862
state general revenue funds, and/or to measurably improve outcomes 77863
for Ohio citizens with mental illness or with alcohol, drug, or 77864

gambling addictions. The Director shall have discretion to 77865
transfer money from the appropriation item to other state 77866
agencies, governmental entities, or private not-for-profit 77867
agencies in amounts, and subject to conditions, that the Director 77868
determines most likely to achieve state savings and/or improved 77869
outcomes. Distribution of moneys from this appropriation item 77870
shall not be subject to sections 9.23 to 9.239 or Chapter 125. of 77871
the Revised Code. 77872

expenditure of the funds; other commitment of funds or other 77875
resources to the program, project, or system; expected state 77876
savings and/or improved outcomes and proposed mechanisms for 77877
measurement of such savings or outcomes; and required reporting 77878
regarding expenditure of funds and savings or outcomes achieved. 77879

Of the foregoing appropriation item 336504, Community 77880
Innovations, up to \$4,000,000 in each fiscal year shall be used to 77881
provide funding for community projects across the state that focus 77882
on support for families, assisting families in avoiding crisis, 77883
and crisis intervention. 77884

Of the foregoing appropriation item 336504, Community 77885
Innovations, up to \$750,000 in each fiscal year shall be used to 77886
enhance access to naloxone across the state for county health 77887
departments to then disperse through a grant program to local law 77888
enforcement, emergency personnel, and first responders. If local 77889
law enforcement, emergency personnel, and first responders are not 77890
making use of the naloxone grant funds, the county health 77891
department may use grant funding to provide naloxone through a 77892
Project DAWN program within the county. 77893

Of the foregoing appropriation item 336504, Community 77894

to the Heartland High School Demonstration Project to educate and 77896

support the phase-in allocation by proportionally reducing formula 79182
earnings from each Center not receiving phase-in funding. 79183

Section 381.110. AREA HEALTH EDUCATION CENTERS PROGRAM 79184
SUPPORT 79185

The foregoing appropriation item 235474, Area Health 79186
Education Centers Program Support, shall be used by the Chancellor 79187
of Higher Education to support the medical school regional area 79188
health education centers' educational programs for the continued 79189
support of medical and other health professions education and for 79190
support of the Area Health Education Center Program. 79191

Section 381.120. CAMPUS SAFETY AND TRAINING 79192

The foregoing appropriation item 235492, Campus Safety and 79193
Training, shall be used by the Chancellor of Higher Education for 79194
the purpose of developing model best practices for preventing and 79195

continue to develop model best practices in line with emerging 79201
trends, research, and evidence-based training for preventing and 79202
responding to sexual violence and protecting students and staff 79203
who are victims of sexual violence on campus. The Chancellor shall 79204
convene state institutions of higher education and private 79205

The Chancellor of Higher Education shall establish procedures 79209
to allocate the foregoing appropriation item 235501, State Share 79210
of Instruction, based on the formulas detailed in this section 79211
that utilize the enrollment, course completion, degree attainment, 79212
and student achievement factors reported annually by each state 79213

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA			79295
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES			79296
(1) Of the foregoing appropriation item 235501, State Share			79297
of Instruction, 50 per cent of the appropriation for universities,			79298
as established in division (A)(2) of the section of this act			79299
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND			79300
2021," in each fiscal year shall be reserved for support of			79301
associate, baccalaureate, master's, and professional level degree			79302
attainment.			79303
The degree attainment funding shall be allocated to			79304
universities in proportion to each campus's share of the total			79305
statewide degrees granted, weighted by the cost of the degree			79306
programs. The degree cost calculations shall include the model			79307
cost weights for the science, technology, engineering,			79308
mathematics, and medicine models as established in division (C) of			79309

this section. 79310

For degrees including credits earned at multiple 79311
institutions, degree attainment funding shall be allocated to 79312
universities in proportion to each campus's share of the 79313
student-specific cost of earned credits for the degree. Each 79314
institution shall receive its prorated share of degree funding for 79315
credits earned at that institution. Cost of credits not earned at 79316
a university main or regional campus shall be credited to the 79317
degree-granting institution for the first degree earned by a 79318
student at each degree level. The cost credited to the 79319
degree-granting institution shall not be eligible for at-risk 79320
weights and shall be limited to 12.5 per cent of the 79321
student-specific degree costs. However, the 12.5 per cent 79322
limitation shall not apply if the student transferred 12 or fewer 79323
credits into the degree granting institution. 79324

In calculating the subsidy entitlements for degree attainment 79325
for universities, the Chancellor shall use the following count of 79326
degrees and degree costs: 79327

(a) The subsidy eligible undergraduate degrees shall be 79328
defined as follows: 79329

(i) The subsidy eligible degrees conferred to students 79330
identified as residents of the state of Ohio in any term of their 79331
studies, as reported through the Higher Education Information 79332
(HEI) system student enrollment file, shall be weighted by a 79333
factor of 1. 79334

(ii) The subsidy eligible degrees conferred to students 79335
identified as out-of-state residents during all terms of their 79336
studies, as reported through the Higher Education Information 79337
(HEI) system student enrollment file, who remain in the state of 79338
Ohio at least one year after graduation, as calculated based on 79339
the three-year average in-state residency rate using the 79340

Unemployment Wage data for out-of-state graduates at each 79341
institution, shall be weighted by a factor of 50 per cent. 79342

(iii) Subsidy eligible associate degrees are defined as those 79343
earned by students attending any state-supported university main 79344
or regional campus. 79345

(b) In calculating each campus's count of degrees, the 79346
Chancellor shall use the three-year average associate, 79347
baccalaureate, master's, and professional degrees awarded for the 79348
three-year period ending in the prior year. 79349

(i) If a student is awarded an associate degree and, 79350
subsequently, is awarded a baccalaureate degree, the amount funded 79351
for the baccalaureate degree shall be limited to either the 79352
difference in cost between the cost of the baccalaureate degree 79353
and the cost of the associate degree paid previously, or if the 79354
associate degree has a higher cost than the baccalaureate degree, 79355
the cost of the credits earned by the student after the associate 79356
degree was awarded. 79357

(ii) If a student earns an associate degree then, 79358
subsequently, earns a baccalaureate degree, the associate degree 79359
granting institution shall only receive the prorated share of the 79360
baccalaureate degree funding for the credits earned at that 79361
institution after the associate degree is awarded. 79362

(iii) If a student earns more than one degree at the same 79363
institution at the same degree level in the same fiscal year, the 79364
funding for the highest cost degree shall be prorated among 79365
institutions based on where the credits were earned and additional 79366
degrees shall be funded at 25 per cent of the cost of the degrees. 79367

(c) Associate degrees and baccalaureate degrees earned by a 79368
student defined as at-risk based on academic underpreparation, 79369
age, minority status, financial status, or first generation 79370
post-secondary status based on neither parent completing any 79371

education beyond high school, shall be defined as degrees earned 79372
by an at-risk student and shall be weighted by the following: 79373

A student-specific degree completion weight, where the weight 79374
is calculated based on the at-risk factors of the individual 79375
student, determined by calculating the difference between the 79376
percentage of students with each risk factor who earned a degree 79377
and the percentage of non-at-risk students who earned a degree. 79378

(2) Of the foregoing appropriation item 235501, State Share 79379
of Instruction, up to 11.78 per cent of the appropriation for 79380
universities, as established in division (A)(2) of the section of 79381
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 79382
2020 and 2021," in each fiscal year shall be reserved for support 79383
of doctoral programs to implement the funding recommendations made 79384
by representatives of the universities. The amount so reserved 79385
shall be referred to as the doctoral set-aside. 79386

In each fiscal year, the doctoral set-aside funding 79387
allocation shall be allocated to universities as follows: 79388

(a) 25 per cent of the doctoral set-aside shall be allocated 79389
to universities in proportion to their share of the statewide 79390
total earnings of each state institution's three-year average 79391
course completions. The subsidy eligible enrollments by model 79392
shall equal only those FTE students who successfully complete the 79393
course as defined and reported through the Higher Education 79394
Information (HEI) system course enrollment file. Course completion 79395
earnings shall be determined by multiplying the amounts listed 79396
above in divisions (B) and (C) of this section by the 79397
subsidy-eligible FTEs for the three-year period ending in the 79398
prior year for all doctoral enrollments in graduate-level models. 79399

(b) 50 per cent of the doctoral set-aside shall be allocated 79400
to universities in proportion to each campus's share of the total 79401
statewide doctoral degrees, weighted by the cost of the doctoral 79402

discipline. In calculating each campus's doctoral degrees the 79403
Chancellor shall use the three-year average doctoral degrees 79404
awarded for the three-year period ending in the prior year. 79405

(c) 25 per cent of the doctoral set-aside shall be allocated 79406
to universities in proportion to their share of research grant 79407
activity. Funding for this component shall be allocated to 79408
eligible universities in proportion to their share of research 79409
grant activity published by the National Science Foundation. Grant 79410
awards from the Department of Health and Human Services shall be 79411
weighted at 50 per cent. 79412

(3) Of the foregoing appropriation item 235501, State Share 79413
of Instruction, 6.41 per cent of the appropriation for 79414
universities, as established in division (A)(2) of the section of 79415
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 79416
2020 AND 2021," in each fiscal year shall be reserved for support 79417
of Medical II FTEs. The amount so reserved shall be referred to as 79418
the medical II set-aside. 79419

The medical II set-aside shall be allocated to universities 79420
in proportion to their share of the statewide total of each state 79421
institution's three-year average Medical II FTEs as calculated in 79422
division (A) of this section. 79423

In calculating the core subsidy entitlements for Medical II 79424
models only, students repeating terms may be no more than five per 79425
cent of current year enrollment. 79426

(4) Of the foregoing appropriation item 235501, State Share 79427
of Instruction, 1.48 per cent of the appropriation for 79428
universities, as established in division (A)(2) of the section of 79429
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 79430
2020 AND 2021," in each fiscal year shall be reserved for support 79431
of Medical I FTEs. The amount so reserved shall be referred to as 79432
the medical I set-aside. 79433

The medical I set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical I FTEs as calculated in division (A) of this section.

(5) In calculating the course completion funding for universities, the Chancellor shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) Those undergraduate FTE students with successful course completions, identified in division (D)(5)(a) of this section, that are defined as at-risk based on academic under-preparation or financial status shall have their eligible completions weighted by the following:

(i) Institution-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2016-2018 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all models except Medical I, Medical II, Doctoral I, and Doctoral II.

(d) For universities, the Chancellor shall compute the course

completion earnings by dividing the appropriation for 79465
universities, established in division (A)(2) of the section of 79466
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 79467
2020 AND 2021," less the degree attainment funding as calculated 79468
in division (D)(1) of this section, less the doctoral set-aside, 79469
less the medical I set-aside, and less the medical II set-aside, 79470
by the sum of all campuses' instructional costs as calculated in 79471
division (D)(5) of this section. 79472

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 79473
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES 79474

(1) Of the foregoing appropriation item 235501, State Share 79475
of Instruction, 50 per cent of the appropriation for 79476
state-supported community colleges, state community colleges, and 79477
technical colleges as established in division (A)(1) of the 79478
section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL 79479
YEARS 2020 AND 2021," in each fiscal year shall be reserved for 79480
course completion FTEs as aggregated by the subsidy models defined 79481
in division (B) of this section. 79482

The course completion funding shall be allocated to campuses 79483
in proportion to each campus's share of the total sector's course 79484
completions, weighted by the instructional cost of the subsidy 79485
models. 79486

To calculate the subsidy entitlements for course completions 79487
at community colleges, state community colleges, and technical 79488
colleges, the Chancellor shall use the following calculations: 79489

(a) In calculating each campus's count of FTE course 79490
completions, the Chancellor shall use a three-year average for 79491
course completions for the three year period ending in the prior 79492
year. 79493

(b) The subsidy eligible enrollments by model shall equal 79494
only those FTE students who successfully complete the course as 79495

defined and reported through the Higher Education Information 79496
(HEI) system course enrollment file. 79497

(c) Those students with successful course completions, that 79498
are defined as access students based on financial status, minority 79499
status, age, or academic under-preparation shall have their 79500
eligible course completions weighted by a statewide access weight. 79501
The weight given to any student that meets any access factor shall 79502
be 15 per cent for all course completions. 79503

(d) The model costs as used in the calculation shall be 79504
augmented by the model weights for science, technology, 79505
engineering, mathematics, and medicine models as established in 79506
division (C) of this section. 79507

(2) Of the foregoing appropriation item 235501, State Share 79508
of Instruction, 25 per cent of the appropriation for 79509
state-supported community colleges, state community colleges, and 79510
technical colleges as established in division (A)(1) of the 79511
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 79512
FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved 79513
for colleges in proportion to their share of college student 79514
success factors. 79515

Student success factors shall be awarded at the institutional 79516
level for each student that successfully: 79517

(a) Completes a developmental math course and, within the 79518
next year, enrolls in a college-level math course. 79519

(b) Completes a developmental English course and, within the 79520
next year, enrolls in a college-level English course. 79521

(c) Completes 12 semester credit hours of college-level 79522
coursework. 79523

(d) Completes 24 semester credit hours of college-level 79524
coursework. 79525

(e) Completes 36 semester credit hours of college-level coursework. 79526
79527

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for completion milestones. 79528
79529
79530
79531
79532
79533
79534

Completion milestones shall include associate degrees, technical certificates over 30 credit hours as designated by the Department of Higher Education, and students transferring to any four-year institution with at least 12 credit hours of college-level coursework earned at that community college, state community college, or technical college. 79535
79536
79537
79538
79539
79540

The completion milestone funding shall be allocated to colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for technical certificates over 30 hours shall be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college-level coursework shall be weighted at one-fourth of the average cost for all associate degree model costs. 79541
79542
79543
79544
79545
79546
79547
79548
79549

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations: 79550
79551
79552

(a) In calculating each campus's count of completions, the Chancellor shall use a three-year average for completion metrics. 79553
79554

(b) The subsidy eligible completion milestones by model shall equal only those students who successfully complete an associate 79555
79556

degree or technical certificate over 30 credit hours, or transfer 79557
to any four-year institution with at least 12 credit hours of 79558
college-level coursework as defined and reported in the Higher 79559
Education Information (HEI) system. Student completions reported 79560
in HEI shall have an accompanying course enrollment record in 79561
order to be subsidy eligible. 79562

(c) Those students with successful completions for associate 79563
degrees, technical certificates over 30 credit hours, or transfer 79564
to any four-year institution with at least 12 credit hours of 79565
college-level coursework, identified in division (E)(3) of this 79566
section, that are defined as access students based on financial 79567
status, minority status, age, or academic under-preparation shall 79568
have their eligible completions weighted by a statewide access 79569
weight. The weight shall be 25 per cent for students with one 79570
access factor, 66 per cent for students with two access factors, 79571
150 per cent for students with three access factors, and 200 per 79572
cent for students with four access factors. 79573

(d) For those students who complete more than one completion 79574
milestone, funding for each additional associate degree or 79575
technical certificate over 30 credit hours designated as such by 79576
the Department of Higher Education shall be funded at 50 per cent 79577
of the model costs as defined in division (3) of this section. 79578

The standard provisions of the state share of instruction 79601
calculation as described in the preceding sections of temporary 79602

formally approved the final allocation of the state share of 79605
instruction funds for any fiscal year. 79606

Any reductions made to appropriation item 235501, State Share 79607

(J) STUDY ON THE USE OF EMPLOYMENT METRICS FOR THE STATE 79622
SHARE OF INSTRUCTION FORMULAS 79623

The Inter-University Council and Ohio Association of 79624
Community Colleges shall each recommend eight members representing 79625
their institutions to serve on the Employment Metrics 79626
Consultation, which shall assist the Chancellor of Higher 79627

distribution to universities and community colleges from the 79630
foregoing appropriation item 235501, State Share of Instruction, 79631

available to measure employment outcomes and evaluate the public 79635
policy benefits of adding such measures to the current State Share 79636
of Instruction allocation formulas to reward institutional 79637
performance of job placement. The Consultation shall also identify 79638
and evaluate the most critical factors that should be considered 79639
as possible enhancements to the formula, such as the relevance of 79640
graduates' degrees to job placement, employment in Ohio versus out 79641
of state, placement in high demand fields, and other qualitative 79642
factors. Separate allocation factors may be considered within each 79643
sector's share of the foregoing appropriation item 235501, State 79644

state-supported university main and regional campuses. 79660

Any increases in the amount distributed to an institution 79661
from appropriation item 235501, State Share of Instruction, above 79662
the prior year shall be used by the institution to provide 79663
need-based aid and to provide counseling, support services, and 79664
workforce preparation services to students. 79665

Section 381.160. RESTRICTION ON FEE INCREASES 79666

(A) In fiscal years 2020 and 2021, the boards of trustees of 79667
state institutions of higher education shall restrain increases in 79668
in-state undergraduate instructional and general fees. 79669

(1) For the 2019-2020 and 2020-2021 academic years, each 79670
state university or college, as defined in section 3345.12, 79671
university branch established under Chapter 3355., community 79672
college established under Chapter 3354., state community college 79673
established under Chapter 3358., or technical college established 79674
under Chapter 3357. of the Revised Code shall not increase its 79675
in-state undergraduate instructional and general fees by more than 79676
two per cent over what the institution charged for the previous 79677
academic year. Increases for all other special fees, including the 79678
creation of new special fees, shall be subject to the approval of 79679
the Chancellor of Higher Education. 79680

(2) The limitations under division (A)(1) of this section do 79681
not apply to room and board, student health insurance, fees for 79682
auxiliary goods or services provided to students at the cost 79683
incurred to the institution, fees assessed to students as a 79684
pass-through for licensure and certification examinations, fees in 79685
elective courses associated with travel experiences, elective 79686
service charges, fines, voluntary sales transactions, fees, which 79687
may appear directly on a student's tuition bill as assessed by the 79688
institution's bursar, to offset the cost of providing textbooks to 79689
students, and, subject to approval of the chancellor, fees for 79690
student mental health and substance abuse services. 79691

(B) The limitations under this section shall not apply to 79692
increases required to comply with institutional covenants related 79693
to their obligations or to meet unfunded legal mandates or legally 79694
binding obligations incurred or commitments made prior to the 79695
effective date of this section with respect to which the 79696
institution had identified such fee increases as the source of 79697
funds. Any increase required by such covenants and any such 79698
mandates, obligations, or commitments shall be reported by the 79699
Chancellor of Higher Education to the Controlling Board. These 79700
limitations may also be modified by the Chancellor, with the 79701
approval of the Controlling Board, to respond to exceptional 79702
circumstances as identified by the Chancellor. 79703

(C) Institutions offering an undergraduate tuition guarantee 79704
pursuant to section 3345.48 of the Revised Code may increase 79705
instructional and general fees pursuant to that section. 79706

(D) The Chancellor may establish a differential tuition 79707
program for undergraduate students. If the Chancellor establishes 79708
such a program, eligible institutions may offer the program to 79709
eligible students. The Chancellor shall develop criteria for 79710
participation in the program that may include, but not be limited 79711
to, requirements that revenues generated by the program shall 79712

support student services and need-based financial aid. 79713

Section 381.165. STUDY REGARDING PAST-DUE FEES 79714

(A) As used in this section, "state institution of higher 79715
education" has the same meaning as in section 3345.011 of the 79716
Revised Code. 79717

(B) The Chancellor of Higher Education, in consultation with 79718
state institutions of higher education, shall conduct a study 79719
regarding general and special fees incurred by students that are 79720
past-due and the best practices to collect those fees before they 79721
are certified to the Attorney General for debt collection. In 79722
conducting the study, the Chancellor shall review the June 2017 79723
Report of the Attorney General's Student Debt Advisory Group. The 79724
Chancellor also shall investigate, among other things, all of the 79725
following: 79726

(1) State institutions' obtaining express prior consent from 79727
students to allow institutions, and third parties collecting debts 79728
on behalf of institutions, to contact students using the most 79729
effective forms of communication available; 79730

(2) The adoption of statewide uniform standards for fees and 79731
penalties and certification practices for student debts; 79732

(3) State institutions' notifying students that past-due 79733
debts will be transferred to the Attorney General for debt 79734
collection; 79735

(4) An amnesty program for past-due fees, including the 79736
feasibility of the program, the criteria under which a student may 79737
qualify, and any other program component determined appropriate by 79738
the Chancellor. 79739

(C) Not later than December 31, 2019, the Chancellor, in 79740
consultation with state institutions of higher education, shall 79741
submit a report based on the study to the General Assembly in 79742

accordance with section 101.68 of the Revised Code. The report 79743
shall include recommendations regarding the following: 79744

(1) The best practices to collect past-due general and 79745
special fees before the fees must be certified to the Attorney 79746
General; 79747

(2) Any changes to the Revised Code and the Administrative 79748
Code that may be needed for a uniform statewide policy regarding 79749
the collection of past-due general and special fees. 79750

Section 381.170. HIGHER EDUCATION - BOARD OF TRUSTEES 79751

(A) Funds appropriated for instructional subsidies at 79752
colleges and universities may be used to provide such branch or 79753
other off-campus undergraduate courses of study and such master's 79754
degree courses of study as may be approved by the Chancellor of 79755
Higher Education. 79756

(B) In providing instructional and other services to 79757
students, boards of trustees of state institutions of higher 79758
education shall supplement state subsidies with income from 79759
charges to students. Except as otherwise provided in this act, 79760
each board shall establish the fees to be charged to all students, 79761
including an instructional fee for educational and associated 79762
operational support of the institution and a general fee for 79763
noninstructional services, including locally financed student 79764
services facilities used for the benefit of enrolled students. The 79765
instructional fee and the general fee shall encompass all charges 79766
for services assessed uniformly to all enrolled students. Each 79767
board may also establish special purpose fees, service charges, 79768
and fines as required; such special purpose fees and service 79769
charges shall be for services or benefits furnished individual 79770
students or specific categories of students and shall not be 79771
applied uniformly to all enrolled students. A tuition surcharge 79772
shall be paid by all students who are not residents of Ohio. 79773

The board of trustees of a state institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Chancellor. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution, nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

Each state institution of higher education in its statement of charges to students shall separately identify the instructional fee, the general fee, the tuition charge, and the tuition surcharge. Fee charges to students for instruction shall not be considered to be a price of service but shall be considered to be an integral part of the state government financing program in support of higher educational opportunity for students.

(C) The boards of trustees of state institutions of higher education shall ensure that faculty members devote a proper and judicious part of their work week to the actual instruction of students. Total class credit hours of production per academic term per full-time faculty member is expected to meet the standards set forth in the budget data submitted by the Chancellor of Higher Education.

(D) The authority of government vested by law in the boards of trustees of state institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the

exclusive prerogative of boards of trustees. Any delegation of 79806
authority by a board of trustees in other areas of responsibility 79807
shall be accompanied by appropriate standards of guidance 79808
concerning expected objectives in the exercise of such delegated 79809
authority and shall be accompanied by periodic review of the 79810
exercise of this delegated authority to the end that the public 79811
interest, in contrast to any institutional or special interest, 79812
shall be served. 79813

fees provided by them, to provide grants to institutions that have 79818
received a certificate of authorization from the Chancellor of 79819
Higher Education under Chapter 1713. of the Revised Code, in 79820

Code, and to fund additional scholarship benefits provided by 79822
section 5910.032 of the Revised Code. 79823

after cancellation, may certify to the Director of Budget and 79825

appropriation item 235504, War Orphans Scholarships. Upon receipt 79827
of the certification, the Director of Budget and Management may 79828

Section 503.30. CAPITAL PROJECT SETTLEMENTS 81299

This section specifies an additional and supplemental 81300
procedure to provide for payments of judgments and settlements if 81301
the Director of Budget and Management determines, pursuant to 81302
division (C)(4) of section 2743.19 of the Revised Code, that 81303
sufficient unencumbered moneys do not exist in the fund to support 81304
a particular appropriation to pay the amount of a final judgment 81305
rendered against the state or a state agency, including the 81306
settlement of a claim approved by a court, in an action upon and 81307
arising out of a contractual obligation for the construction or 81308
improvement of a capital facility if the costs under the contract 81309

or apply to the Controlling Board to increase an appropriation or 81313
create an appropriation out of any unencumbered moneys in the 81314
state treasury to the credit of the capital projects fund from 81315
which the initial state appropriation was made. The amount of an 81316
increase in appropriation or new appropriation approved by the 81317
Controlling Board is hereby appropriated from the applicable 81318

from the calendar year in which the fiscal year begins. 81973

(E)~~(1)~~ If the mean total per Medicaid day rate for all 81974
ICFs/IID to which this section applies, as determined under 81975

begins, is ~~either greater than the amount determined under division~~ 81979
~~(E)(2) of this section \$290.10~~, the Department shall adjust, for 81980
the fiscal year for which the rate is determined, the total per 81981
Medicaid day rate for each ICF/IID to which this section applies 81982
by a percentage that is equal to the percentage by which the mean 81983

total per Medicaid day rate is greater ~~or less~~ than the amount 81984
~~determined under division (E)(2) of this section \$290.10.~~ 81985

~~(2) The amount to be used for the purpose of division (E)(1)~~ 81986
~~of this section shall be not less than \$290.10. The Department, in~~ 81987
~~its sole discretion, may use a larger amount for the purpose of~~ 81988
~~that division. In determining whether to use a larger amount, the~~ 81989
~~Department may consider any of the following:~~ 81990

~~(a) The reduction in the total Medicaid certified capacity of~~ 81991
~~all ICFs/IID that occurs in the fiscal year immediately preceding~~ 81992
~~the fiscal year for which the determination is made, and the~~ 81993
~~reduction that is projected to occur in the fiscal year for which~~ 81994
~~the determination is made, as a result of either of the following:~~ 81995

~~(i) A downsizing pursuant to a plan approved by the~~ 81996
~~Department under section 5123.042 of the Revised Code;~~ 81997

~~(ii) A conversion of beds to providing home and~~ 81998
~~community based services under the Individual Options waiver~~ 81999

~~(b) The increase in Medicaid payments made for ICF/IID~~ 82001
~~services provided during the fiscal year immediately preceding the~~ 82002
~~fiscal year for which the determination is made, and the increase~~ 82003
~~that is projected to occur in the fiscal year for which the~~ 82004
~~determination is made, as a result of the modifications to the~~ 82005
~~payment rates made under section 5124.101 of the Revised Code;~~ 82006

~~(c) The total reduction in the number of ICF/IID beds that~~ 82007
~~occurs pursuant to section 5124.67 of the Revised Code;~~ 82008

~~(d) Other factors the Department determines to be relevant.~~ 82009

(F) If the United States Centers for Medicare and Medicaid 82010
Services requires that the franchise permit fee be reduced or 82011
eliminated, the Department shall reduce the rate determined under 82012
this section as necessary to reflect the loss to the state of the 82013

revenue and federal financial participation generated from the 82014
franchise permit fee. 82015

Section 601.04. That existing Section 261.168 of Am. Sub. 82016

Section 603.11. That existing Section 205.10 of Am. Sub. H.B. 82283
62 of the 133rd General Assembly is hereby repealed. 82284

Section 701.10. Notwithstanding any provision of the Revised 82285
Code to the contrary, designees of the Office of Budget and 82286
Management and the Department of Administrative Services jointly 82287
shall review agency functions and programs and determine if any 82288
overlap or duplicative functions exist and shall collaborate with 82289
affected agencies in the course of their review. The designees 82290
shall determine the cost-effectiveness of the programming in terms 82291
of administrative and operational costs, including facilities, 82292
personnel, technology, supplies, contracts, and services. 82293
Following review and not later than January 1, 2020, the Directors 82294
of Budget and Management and Administrative Services jointly shall 82295
determine, in consultation with the affected agencies, the 82296

functions that may be consolidated within and across state 82297
departments, with particular emphasis on facilities utilization, 82298
laboratory testing facility consolidation, and field or regional 82299
office operation consolidation. The determination also may include 82300
other functions, programs, and services that would reduce costs 82301
and improve services and would be suitable for operation within 82302
the Office of Budget and Management's Shared Services Center. 82303

Should the consolidation of functions result in consolidation 82304
within the Shared Services Center or otherwise impact any employee 82305
not subject to Chapter 4117. of the Revised Code, the Director of 82306
Administrative Services may assign, reassign, classify, 82307
reclassify, transfer, reduce, promote, or demote any employee so 82308
transferred. Any employment records and actions, including 82309
personnel actions, disciplinary actions, performance improvement 82310
plans, and performance evaluations transfer with the employee. 82311
These employees are subject to the policies, procedures, and work 82312
rules of the agency to which they are transferred. The Director of 82313
Administrative Services also may transfer all equipment and assets 82314
relating to the program or function that is being consolidated to 82315
the department that is to be responsible for the functions after 82316
consolidation occurs. 82317

On or after the effective date of the respective 82318
consolidation of functions and notwithstanding any provision of 82319
law to the contrary, the Director of Budget and Management may 82320
make budget changes made necessary by this section, including 82321
cancelling encumbrances and reestablishing them as encumbrances of 82322
the department that is to be responsible for the functions after 82323
consolidation occurs. Any reestablished encumbrances are hereby 82324
appropriated. 82325

Section 701.20. On the effective date of this act, or as soon 82326
as possible thereafter, the Director of Budget and Management 82327

shall transfer the cash balance from all money collected under 82328
sections 718.80 to 718.95 of the Revised Code, if any, in the 82329
municipal income tax fund to the municipal net profit tax fund. 82330

Section 701.30. COORDINATION OF BENEFITS 82331

The Development Services Agency and the Department of Job and 82332
Family Services may collaborate to coordinate benefits available 82333
to eligible Ohioans. By evaluating current procedures and working 82334
toward a goal of developing a single application for eligible 82335
customers, the agencies shall work to produce new efficiencies and 82336
prevent duplication of efforts. 82337

Section 701.40. RECOVERY HOUSING PILOT PROGRAM 82338

The Department of Mental Health and Addiction Services shall 82339

issued, but also for the estimated potential value of certificates 82629
to be issued under the program through 2035 when looking at the 82630
existing portfolio of approved and active incentives. The estimate 82631
assumes that the companies receiving credits will continue to meet 82632

Section 757.40. (A) As used in this section: 82635

(1) "Certificate owner" and "qualified rehabilitation 82636
expenditures" have the same meanings as in section 149.311 of the 82637
Revised Code. 82638

(2) "Taxpayer," "tax period," "excluded person," "combined 82639
taxpayer," and "consolidated elected taxpayer," have the same 82640
meanings as in section 5751.01 of the Revised Code. 82641

(3) "Pass-through entity" has the same meaning as in section 82642
5733.04 of the Revised Code. 82643

(B) A taxpayer that is the certificate owner of a 82644
rehabilitation tax credit certificate issued under section 149.311 82645
of the Revised Code may claim a credit against the tax levied by 82646
section 5751.02 of the Revised Code for tax periods ending on or 82647
before June 30, 2021, provided that the taxpayer is unable to 82648
claim the credit under section 5725.151, 5725.34, 5726.52, 82649
5729.17, or 5747.76 of the Revised Code. 82650

The credit shall equal the lesser of twenty-five per cent of 82651
the dollar amount of the qualified rehabilitation expenditures 82652
indicated on the certificate or five million dollars. The credit 82653
shall be claimed for the calendar year specified in the 82654
certificate and after the credits authorized in divisions (A)(1) 82655
to (4) of section 5751.98 of the Revised Code, but before the 82656
credits authorized in divisions (A)(5) to (7) of that section. 82657

If the credit allowed for any calendar year exceeds the tax 82658

otherwise due under section 5751.02 of the Revised Code, after 82659
allowing for any other credits preceding the credit in the order 82660
prescribed by this section, the excess shall be refunded to the 82661
taxpayer. However, if any amount of the credit is refunded, the 82662
sum of the amount refunded and the amount applied to reduce the 82663
tax otherwise due for that year shall not exceed three million 82664
dollars. The taxpayer may carry forward any balance of the credit 82665
in excess of the amount claimed for that year for not more than 82666
five calendar years after the calendar year specified in the 82667
certificate, and shall deduct any amount claimed in any such year 82668
from the amount claimed in an ensuing year. 82669

A person that is an excluded person may file a return under 82670
section 5751.051 of the Revised Code for the purpose of claiming 82671
the credit authorized in this section. 82672

If the certificate owner is a pass-through entity, the credit 82673
may not be allocated among the entity's owners in proportions or 82674
amounts as the owners mutually agree unless either the owners are 82675
part of the same combined or consolidated elected taxpayer as the 82676
pass-through entity or the director of development services issued 82677
the certificate in the name of the pass-through entity's owners in 82678
the agreed-upon proportions or amounts. If the credit is allocated 82679
among those owners, an owner may claim the credit authorized in 82680
this section only if that owner is a corporation or an association 82681
taxed as a corporation for federal income tax purposes and is not 82682
a corporation that has made an election under Subchapter S of 82683
Chapter 1 of Subtitle A of the Internal Revenue Code. 82684

The credit authorized in this section may be claimed only on 82685
the basis of a rehabilitation tax credit certificate with an 82686
effective date after December 31, 2013, but before June 30, 2021. 82687

A person claiming a credit under this section shall retain 82688
the rehabilitation tax credit certificate for four years following 82689
the end of the latest calendar year in which the credit was 82690

applied, and shall make the certificate available for inspection 82691
by the tax commissioner upon request. 82692
