

Herbert D. Brum Scholarship

The OASBO Foundation for School Business Management each year awards the Herbert D. Brum Scholarship to a goal-oriented school business official who is pursuing a degree in an accredited program. Dr. Brum, OASBO's 2nd Executive Director, served the association from April 1983 through January 1990. This scholarship program encourages continuing professional education and the recipient receives \$1000 to help offset the costs of furthering their education.

Any practicing Ohio School Business Official is eligible to apply for this \$1000 scholarship, which is presented at the spring OASBO Annual Workshop.

The scholarship is sponsored by STIFEL.
