

MEMORANDUM

FROM: David J. Lewis
DATE: October 9, 2019
SUBJECT: ASBO International 2019 Election Results

The ASBO International 2019 annual election was conducted as scheduled from September 25 to October 9 using the online/email voting system provided by Informz. The Informz voting module allowed for a secure process that required voters to both submit their vote by clicking on a unique link in their email and to confirm that vote using the same process.

In total, 3,522 eligible voters were sent email invitations to participate in the election. In addition to the first email sent on September 25, reminders were sent on September 30, October 4, and October 7 to eligible voters who had not yet participated. Automated reminders were also sent to all voters who started the process but had not completed the process by confirming their votes. By the close of the election at 3:00 p.m. Eastern on October 9, 2019, 1,251 confirmed votes (35.52% of those eligible) had been cast and the results (as certified by Informz) were as follows:
